511 & 513 Second St.

OAKLAND, CAL.

Manufacturer of all kinds of

### MACHINERY,

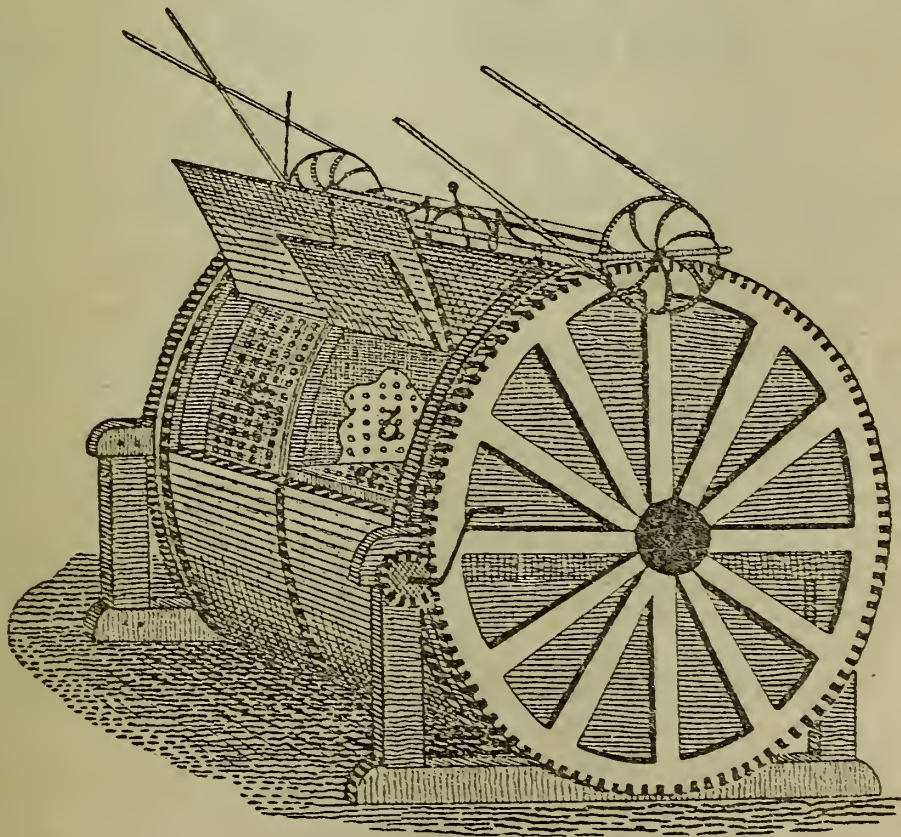

### Steam Engines, Wood-working and Laundry Machinery,

Manufacturer of the

### SCOVILLE & BARTLETT

— PATENT —

# Washing Machine.

This Machine is superior to all others, in its Simplicity of Construction, and in that the Clothes to be washed are distributed in four compartments, thus equalizing the weight, and making the Machine run with comparatively LESS POWER than others of similar construction. This machine has been adopted by the Contra Costa Laundry, The Baldwin Hotel of San Francisco, and others, and is also in use at The Chelsea Laundry, Honolulu, H. I.

Sole agents for Wellington Coal in Alameda Co., O. K. FREEMAN & CO.

J. Homer Fritch, wholesale and retail dealer in coal, 413 Eleventh St.
