

## LOS ANGELES FRIDAY MORNING CLUB

No organization of women in the West enjoys greater prosperity than the Friday Morning Club, and its influence is felt throughout the Pacific Coast. So rapid has been the growth of this club that the handsome headquarters, 940 South Figueroa street, is now inadequate to accommodate the membership, and it has been found necessary to seek a new home. When the lease on the present building expires, a new clubhouse at the corner of Adams and Hoover streets will be ready for occupancy. The object of the Friday Morning Club is mutual improvement and sociability, and many eminent speakers have been heard from time to time at its meetings, which are held at 10:30 o'clock Friday mornings throughout the club season. Election in June. Phones: Home 2640; Broadway 4259.
