Open or closed Motor Cars for hire at all hours of the night.
Special Rates for Park driving in Taxi or 7 Passenger Cars.

Rapid—Convenient—Comfortable

All charges are indicated on a meter before the eyes of the passenger. While in motion the meter is operated by a device on the front wheel of the car, while standing charges are registered and indicated by a clock. Meters are inspected daily, and are guaranteed to be absolutely correct.

The Company aims to give the best of service, and employs courteous and capable chauffeurs only.
