

East, as was the case formerly. His factory was established in 1856. The pens manufactured comprise five different styles, and are made from 16 carat fine gold. We deem it a sufficient commendation of the establishment of Mr. Pearce, to say that his pens are in general use throughout the city and State.

IRON WORKS.—Probably no other business is carried on so extensively, and which requires so great an amount of capital as that indicated in the heading of this paragraph. Among those most noted for promptness and for doing superior work, we commend the establishment of Mr. August Pritzel, at 416 Market street.

MAP PUBLISHERS.—It is not our purpose or design, in this connection, to notice any advertisement editorily, except of our Manufacturers. But as Map Publishing has become a matter of great public interest, we cheerfully refer to the card of Mr. Adrien Gensoul, on page 40

PAPER MANUFACTURE.—The Pioneer Paper Mill of Messrs. S. P. Taylor & Co., at 322 Clay street, was established in 1856. The Mill has facilities for manufacturing Manilla and Newspaper of a superior quality, besides a common article for laundry and other purposes.

PLANING AND TURNING.—The rapid growth of our city has caused great activity in this department of manufacture, and among those having the most extensive facilities for conducting this branch of business, may be found the old and well known firm of Messrs. Macdonald & Bro., also, of Mr. N. P. Langland at corner of Beale and Market streets.

SAW MANUFACTORY.—Reference is made to page 314.

SAFES AND BANK VAULTS.—Quite an extensive business is now done in the manufacture of Safes and Bank Vaults, of those most prominent and widely known among this class of establishments, is to be found that of Mr. Jonathan Kittredge, at No. 6 Battery street. Mr. K. also carries on general blacksmithing in all its branches.

SILVERWARE.—The Silverware Manufactory of Messrs. Vanderslice & Co., at 810 Montgomery street, was established about six years ago, and though started as an experiment, yet has proved
