

THE REMINGTON Standard Type Writer

The Greatest
Labor Saving In-
vention of the
age

The only
Entirely Successful
Writing Machine
in the market

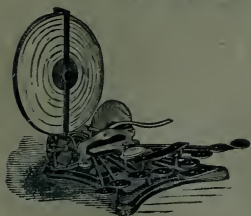

AWARDED 1st PREMIUMS MECHANICS' FAIR, S. F.

Both 1885 and 1886, over all opposition

Combines all Latest Improvements and is the only
TYPE WRITER in general use

—ALSO—

THE STENOGRAPH SHORT - HAND WRITING MACHINE

SIMPLE

RAPID

ACCURATE

Our MECHANICAL SHORT-HAND is as great an improvement over the Pencil Systems as the Type Writer is better of the Pen. It can be learned in one-third the time. Is pleasant to operate and mechanically accurate.

Send for ILLUSTRATED CATALOGUES of these Two Great Inventions, or call and examine the machines and take Trial Lessons FREE in our School.
