ECUMENIC ORDER OF UNITED MECHANICS.—This organization is composed exclusively of mechanics, and has unlimited jurisdiction with original and absolute power to establish and perpetuate itself. Its primary associations are called shops, with two degrees, and Senates, with one. It is a Mutual Benefit Society.

The Masters and Past Masters of Shops, and Architects and Past Architects of Senates, are eligible to and compose the Worthy Grand Councils of States and Territories. The Most Worthy Grand Architects and Past Worthy Grand Architects are eligible to and compose the Supreme Council of a Nation, and the Past and Present Supreme Architects compose the Ecumenic Congress of United Mechanics or Congress of Nations.

Its objects are to unite the mechanics of the world in one active, effective body; the better to protect themselves, improve their social condition, render trades and tradesmen more respectable, encourage ingenuity, reward genius, teach temperance and morality, and make better mechanics by a well-directed system of education. It is a secret order.

Officers.—Gen. A. M. Winn, San Francisco, Supreme Architect of the U. S.; Frank D. Morrell, San Francisco, Most Worthy Grand Secretary of the Order in and for the United States.

The Worthy Grand Council of California was organized May 28, 1873.
