ACCEPTS SURPLUS AND SELECTED BROKERAGE LIFE CASES

Full first year and renewal commissions guaranteed by home office. Adequate medical staff—examinations anywhere, any time. Air mail service on applications and policies—telegraphic inspection releases—policies for delivery in less than a week. Very low net cost—see statistical manuals. Overweight substandard ratings. Policyholders never approached directly or indirectly (aside from collection of premiums) except through agents who wrote cases. Contractual relations between general agents and their staffs scrupulously respected.
