

# Let's get ASSOCIATED

with the  
"Handy Family of 9"

Rely on Associated "Sustained Quality" petroleum products, now for use in home, office and garage, as well as on the highways of the Pacific West.

Quickly identified by the attractive cream-colored wedge on the red and green labels; built after exhaustive study by

Associated men of science; designed to do the household tasks you used to have to do.

Get them at the red, green and cream stations and garages, or from leading retail dealers. Rely on Associated "Sustained Quality" products for "Sustained Quality" service.
