MRS. H. A. MOORE, **The Great Scientific Hair Producer**

No. 528 KEARNY ST., Rooms Nos. 4 and 5, San Francisco.

Mrs. H. A. Moore would announce to ladies and gentlemen who desire the personal adornment of a fine suit of hair, that she has opened parlors for its express treatment. They are emphatically assured she possesses the skill to produce a full flowing crop of hair on all stages of baldness. A few treatments will convince the most skeptical this is no exaggeration. No mineral or dam-

aging substances used. I have in parlors, photographs of well known citizens, exhibiting the contrast before and after treatment, which can be seen by those desiring it. No better evidence can be furnished. They do not doubt the results. Price
