

for admission to the Normal School, can enter the Preparatory Class until qualified. In this class a tuition fee is required.

EXPENSES, ETC.

Tuition is free. Boarding, in pleasant private families, can be had at from twenty to twenty-five dollars per month. All necessary stationery is furnished, and the pupils have free access to a large and well-selected reference library.

Unless pupils come attended by their parents or guardians, they will be expected to apply to the Principal or Preceptress, and be assigned to boarding places; and they will be permitted to board only in families approved by the Faculty.

APPLICATIONS FOR TEACHERS.

There are usually connected with the school, or in correspondence with the Faculty, persons well qualified to teach, and willing to accept suitable situations when offered.

All letters in reference to teachers, etc., will be promptly answered, and if applications are definite enough, teachers can generally be supplied. Applications should state:

1. Male or female teacher required.
2. Grade of certificate required.
3. Beginning and length of term.
4. Wages and price of board.
5. Route of travel, and approximate expense from San Francisco.

REMARKS.

Among the accessions to the cabinet during the past year are the Canfield collection of shells and a nearly completed collection of the birds of California. An apparatus large and well-selected is about to be added to the advantages of the school. The library has been increased to 1,500 volumes, great care having been taken in the selection.
