CAMPBELL.

Post, telegraph and express offices, on the S P R R, narrow gauge, five miles south of San Jose. It is the center of the largest fruit growing and drying section in Santa Clara county, and is rapidly increasing in population. This section is watered by the Los Gatos creek, from which irrigating canals radiate in almost every direction. There are three excellent schools within a radius of one mile, and two churches—Congregational and Methodist Episcopal. Two of the largest fruit dryers in the country are located here, besides six or eight smaller concerns and one fruit cannery. Campbell has also one bank.
