POSTAL RATES AND CLASSIFICATION OF MAIL MATTER.

Domestic mail matter, that is, mail matter sent in the mails from some postoffice within the United States to some other postoffice within the same, is divided to four classes, as follows:

FIRST-CLASS MATTER.

Rate of Postage: Two cents for each ounce or fraction thereof.

Written matter, namely letters, postal cards, and all matter wholly or partly in writing, whether sealed or unsealed—except as provided below—and all matter, sealed or otherwise closed against inspection, is of the first class.

Postal Cards—Advertisements, illustrations or writing may appear on the back of the card and on the left third of the face. Postal cards bearing particles of glass, metal, mica, sand, tinsel or other similar substance are unmailable except when inclosed in envelopes with proper postage attached, or when treated in such manner as will prevent the objectionable substances from being rubbed off or injuring persons handling the mails.

Private Mailing Cards—Mailing cards other than government postal cards may be sent through the mails at the rate of one cent apiece, payable by stamps to be affixed by the sender. Written messages may be sent on these cards when they are made to conform to the following restrictions: Such cards must be approximately of same form, quality and weight as the stamped postal cards now in general use, not exceeding 3 1-2 by 5 1-2 inches, nor less than 2 15-16 by 4 15-16 inches. The color of the cards may be white, cream, light gray, or shade of the government card. There may be on the message or address side advertisements, illustrations, or other matter printed in black or colors; written messages permissible on address side. Ordinary mailing cards, when the message is entirely in printing, are not restricted to the above conditions. They may be of any size, but are not entitled to the words "Post Card."

SECOND-CLASS MATTER.

Rate of Postage to Publishers and News Agents: One cent per pound or fraction thereof. To individuals, one cent for each four ounces or fraction; fully prepaid by stamps affixed.
