

POLAR WATER

"Purer than the Raindrops"

Delivered to the home, office or factory in our sanitary iceless coolers

POLAR WATER is a pure distilled water manufactured in our modern sanitary plant, and guaranteed to be absolutely free from all gaseous, organic and inorganic matters.

Filtered and treated waters do not remove the dead bodies of the millions of bacteria, but only hold them in suspension. Treated waters are morgues.

Write us for booklet on health giving properties of Polar Water.
