

# Over the Voice Highways!

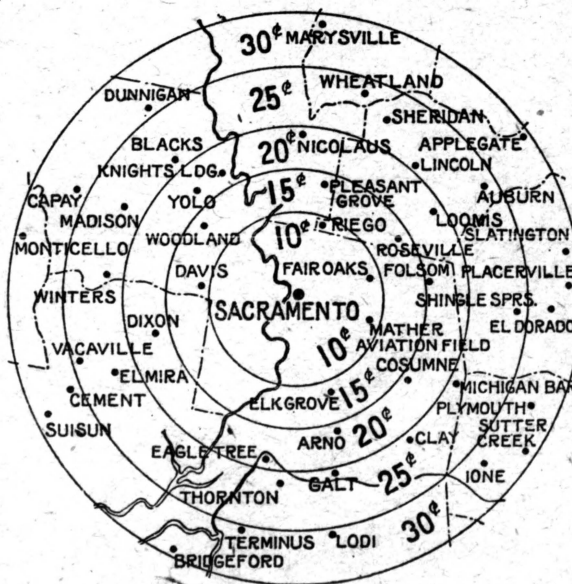

Do you realize *how many* cities and towns are within call of your telephone at rates of *thirty cents or less* — as well as more distant points also at the proportionately low *Station-to-Station Rates*?

*Rates for Other "Talk Trips"* where your business and social contacts doubtless take you frequently:

This Chart shows a few of the points within the 10 to 30 cent areas:

## FROM SACRAMENTO TO
