Calling the wrong number is knocking at the wrong door

HAVE you ever searched for the home of a friend in a strange neighborhood and accidentally knocked at the wrong door?

A similar inconvenience can be avoided when making a telephone call by consulting the directory before placing

Our memories play us strange tricks, and when relied upon for telephone numbers cause us to ask for 4565 when we intended to call 4556.

Always consult the directory before making a telephone call. It is the best assurance against inconvenience for you and the person called in
