A thoughtful party-line user answers her telephone bell promptly . . . places her own calls accurately, so that they do not have to be placed again . . . does not monopolize the telephone at the inconvenience of others . . . teaches children, too, the little telephone kindnesses . . . and when her telephone is not in use, sees that it is hung up.

Do you wait for the dial tone before dialing? When you dial before hearing the tone, you prevent the equipment from getting you your number. You also impair its ability to serve other users. Waiting for the dial tone helps the service to serve all.

FOUR THOUGHTFUL ITEMS OF TELEPHONE PROCEDURE—

1. Please answer promptly.
2. Please be on the line when the party you want answers.
3. Please speak distinctly and without hurrying, with the lips close to the mouthpiece.
4. Please replace the receiver gently when through talking.
