A thoughtful party-line user answers
her telephone bell promptly . . . places
her own calls accurately, so that they do
not have to be placed again . . . does
not monopolize the telephone at the
inconvenience of others . . . teaches
children, too, the little telephone kind-
nesses . . . and when her telephone is
not in use, sees that it is hung up.

Telephone men in all parts of the Bell
System have had long experience in
working together. Tools, equipment,
methods of tackling the job and the
"language of the business" are the same
north or south, east or west. This nation-
wide unity of method and spirit means a
telephone service of the utmost depend-
ability.
