A thoughtful party-line user answers her telephone bell promptly... places her own calls accurately, so that they do not have to be placed again... does not monopolize the telephone at the inconvenience of others... teaches children, too, the little telephone kindnesses... and when her telephone is not in use, sees that it is hung up.

A store may not immediately come to the mind of a prospect when special services are desired, such as are offered by a Beauty Salon, Radio or Watch Repairing Department. Many establishments, realizing this, advertise under several classifications in the Classified Directory. Thus they direct more business their way.
