Telephone men in all parts of the Bell System have had long experience in working together. Tools, equipment, methods of tackling the job and the "language of the business" are the same north or south, east or west. This nationwide unity of method and spirit means a telephone service of the utmost dependability.

A store may not immediately come to the mind of a prospect when special services are desired, such as are offered by a Beauty Salon, Radio or Watch Repairing Department. Many establishments, realizing this, advertise under several classifications in the Classified Directory. Thus they direct more business their way.
