A thoughtful party-line user answers  
her telephone bell promptly . . . places  
her own calls accurately, so that they do  
not have to be placed again . . . does  
not monopolize the telephone at the  
inconvenience of others . . . teaches  
children, too, the little telephone kind-  
nesses . . . and when her telephone is  
not in use, sees that it is hung up.
