A store may not immediately come to  
 the mind of a prospect when special ser-  
 vices are desired, such as are offered by a  
 Beauty Salon, Radio or Watch Repairing  
 Department. Many establishments, realiz-  
 ing this, advertise under several classi-  
 fications in the Classified Directory. Thus  
 they direct more business their way.

In these busy days when saving time is  
 so important, more and more telephone  
 users are following the thoughtful way of  
 answering the telephone: "Harry Smith  
 speaking." Such an introduction estab-

 good impression.
