SEWING ON BUTTONS

While sewing a button on a garment keep a pin stuck between the cloth and the button. This will leave enough play for easy buttoning.

Satisfied Customers Since 1929
It's a Gun - It's Our Business

★ COMPLETE REPAIRING
"We Carry the Largest Stock of parts on the entire West Coast"

Two friendly telephone habits:
QUICK to answer when your bell rings; SLOW to hang up when you call someone who does not immediately respond. In calling others, remember that the called person may be almost there - so wait a few seconds longer.
