"We Know How"

NO RUG is too soiled to be perfectly cleaned by our Shampoo Process. Don't discard rugs and carpets because they are old and soiled. No matter how old and worn your rugs and carpets may be—no matter how badly begrimed and stained, our Special Shampoo Process will clean them thoroughly, harmlessly. The matted nap will be straightened, and dirt dulled colors will be restored to their original brightness, every particle of dust, dirt and smudge will be removed.
