

friends
in need...

To those who are bereaved of loved ones,
the funeral director plays an important
and delicate role.

He quietly relieves the grief-stricken of all
responsibility and care, and performs his
part with efficiency and tact.

In this respect, when competency, sympathy
and moderate cost go hand in hand, it is an
ideal combination.

We render an unusual service to lodges,
churches and similar institutions.

Open night and day.
