A Complete Laundry Service

Steam and French Methods
 Here under one roof is a modern Steam Laundry equipped with the very latest and up-to-date machinery, as well as a French Hand Laundry.
 When your wash comes to us it is carefully sorted. The pieces that should—to preserve their life and beauty, and which best lend themselves to hand work—are carefully washed and then sent to our expert hand finishers. The remainder is resorted and sent to the various departments of the Steam Laundry.
 You are assured of absolute satisfaction by these methods and you receive my years of experience and personal supervision.
 Yes, we use soft water and do *Rough Dry* as well as *Complete Finish*.
