[For your Roof Protection\*\*\* Insist on PABCO SHINGLES]

**IF you need a new roof let it be a beautiful roof!**

"What a beautiful roof!" usually means a PABCO ROOF. There are several designs... many colors of PABCO SHINGLES. You may have a roof of one solid color...or variegated, as you prefer. ANY PABCO roof is a BEAUTIFUL roof!

Ask us to send one of our expert Shingle Engineers to give you an estimate—to tell you which type of PABCO SHINGLE is best suited to your particular needs and to explain our convenient payment plan. No charge; no obligation: we are glad to do it.

Lay PABCO SHINGLES right over your old wooden shingles: save time and money: give your home greater protection against heat and cold.
