Minutes are Dollars

Do you realize how much time is lost in unnecessary shopping—trudging around from place to place in search of some needed commodity or service? In past years such a laborious, minute wasting course may have been necessary but today a quicker, easier method is at your service.

FIVE MINUTES IN THIS "Classified Business Directory" makes shopping a pleasure.

It saves your time and energy by literally placing the whole world of commerce and industry at your finger tips. With this wonderful catalogue of buying information you can concentrate into minutes what would otherwise take hours of "shopping around."
