Two friendly telephone habits:
 QUICK to answer when your bell rings;
 SLOW to hang up when you call someone who does not immediately respond.
 In calling others, remember that the called person may be almost there—so wait a few seconds longer.

Among many things that have to be set aside for "the duration" is the building of more telephone lines, more switchboards and central office equipment for us here at home.
 We need your continued co-operation. We ask that only really necessary calls be made to cities and towns busy with war work.
 Your understanding... your teamwork... are deeply appreciated.
