● Just think of it—imagine borrowing, say \$200 for a month at a total cost of only \$3.00. When you sign up for a certain loan—that's the cash amount you get, and not a penny less. And the very minute you repay an installment, the cost goes down—because we charge only for the actual time the money's yours—only on the unpaid balance.

No Other Charges
1 1/2% per month, on your unpaid balance—that's the full cost of your loan here. No notary fees! No insurance charges! Compare our rates with others and come in, phone or write us today.

See the many loan plans in the table above. You may borrow here on your salary, car or furniture. No endorsers or guarantors needed.
