Saws—Repairing & Sharpening

—See Tool Grinding & Sharpening

When the Long Distance circuit
 you want is extra busy, the operator
 will ask you to limit your Long Dis-
 tance call to 5 minutes.

It won't happen on all circuits, all
 the time. But when it does happen,
 we know you'll understand why.

It will help to give the other fellow
 a chance. Tomorrow that other fel-
 low may be you.

Simplify your buying — k n o w
 where to buy it. The dealers in many
 nationally advertised articles are
 listed in the Yellow Pages. Make it
 a habit before buying to "Look in-
 side the Classified."

Hundreds of purchasing agents
 have told us they use the Classified
 Telephone Directory as their first
 reference, because it is one of the
 quickest ways to locate a local
 source of supply.
