## Cardinal Chico

C. SELLICK, *Composer*

L. PARKER, *Author*

*Where Big Chico's waters softly gliding  
Croon a song beneath the sycamores,  
There our College stands in peace abiding,  
And welcomes all who pass her open doors.  
When the twilight hour is fast descending  
To dim the gleaming tower and ivied walls,  
When the sun has set and day is ending,  
There comes a hush as darkness falls.*

### CHORUS

*Once more we see the Wildcats playing,  
And hear the loyal students sing;  
We see the leader's body swaying  
To shouts that make the campus ring.  
And when we let our thoughts go roaming  
A vision comes that stills all fears—  
High waves the Cardinal forever  
To light the way in future years.*

## Dedication

To Mrs. Clara M. McQuade, whose high ideals of education, whose faithful performance of duty, whose untiring devotion to the service of youth, whose sympathetic understanding of human nature, and whose work as pioneer in numerous educational enterprises in our college have proved an inspiration to her students and have helped to make this institution what it is today, we devotedly dedicate the Record of nineteen hundred twenty-seven.

# THE SCHOOL

## ADMINISTRATION

**I**N THE ADMINISTRATIVE department of the college, Chico State has been unusually fortunate in having associated together a group of men and women whose foremost aim is to better help each individual student along the road to success.

In C. M. Osenbaugh, College President, every student finds a confidential friend ready to give advice and to help materially in every possible way, even to the neglect of his business, in order that the students of Chico State will be spared the embarrassments of preventable mistakes.

C. K. Studley, our Vice-President, who is known on the campus as the most jolly and willing to assist of all the faculty, is often looked to by the alumni as well as the college students. Mr. Studley has served the school for many years and in addition to his regular duties he has fostered, more than any single person, the bonds between the alumni and the college. In years past, as now, whenever the Record staff or anyone wished to find information regarding graduates Mr. Studley was the person to whom they went.

Miss Barney, Dean of Women, the especial friend of every girl and through whom and by whose consent the social affairs of the college are arranged, will always be accorded a warm place in everyone's heart for her efforts to see that the girls receive just treatment and for her efforts to make pleasant the social life of the student body.

E. A. Powers, Dean of the Junior College, termed by everyone who knows him as "a good sport," has in addition to his official duties found time to participate in the student life on the campus to the extent that he is one of the most welcomed of the faculty members into school activities.

E. L. Cole, Professor of Education and head of the department, has always done all in his power to make the lot of the student pleasant and to train him for his life's work.

To Fordyce I. Stewart, Appointment Secretary and Director of Teacher Training, the graduates owe the majority of their first year positions. He is untiring in his efforts to place to best advantage all those who finish their teacher course.

E. I. Miller, Professor of History and Political Science and Head of Extension, besides efficiently doing his work in the college, has been directing and giving extension courses throughout the towns of Northern California. Being the head of the Extension Department is no small task as each year it must be reorganized.

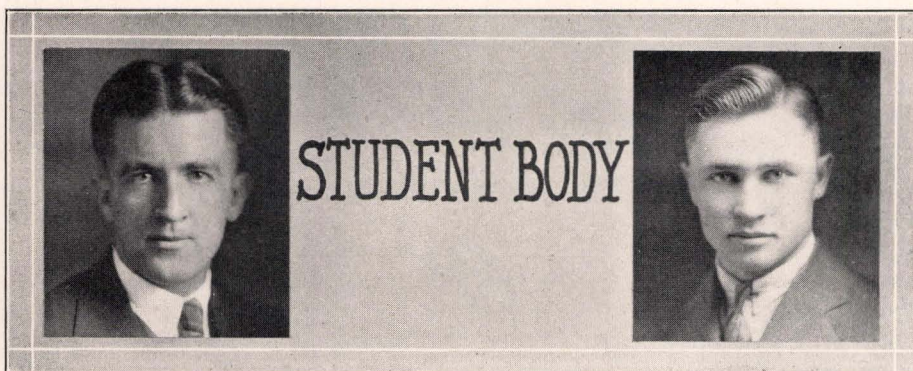

Chico State owes to Miss Anderson, Librarian; Miss Wilson, Registrar; Jane A. Walton, Financial Secretary; Miss Woolsey, Secretary, and to Walter Hann, Engineer, much gratitude for the efficient way in which they perform their work.

## ASSOCIATED STUDENTS, C. S. T. C.

FROM THE ADOPTION of the Student Body budget last fall, to the revision of the constitution late this spring action has been the main characteristic of the Associated Students of Chico State.

The adoption of the budget meant the financial support of the Wildcat, the Record, our social activities, and most of all, athletics.

The adoption of our new school song occurred this year. The Student Book Store, another of the student body activities, operated very successfully throughout the year. The election at mid-year was close and much interest was shown among the students.

In March, President Lillie was sent to San Mateo to a convention of Junior College and Teachers College student body presidents. President Lillie was very enthusiastic about the convention, and much good is expected to result from these meetings, especially in the development of better inter-school relations and the solution of student body problems.

Some of our most interesting meetings occurred when an attempt was made to change the name of our annual. Others almost equally spirited were held with the remodeling of the constitution.

Probably the most important function in charge of the Student Body this year was Pioneer Day, put on to advertise Chico College to the neighboring high schools. This event was in charge of a committee of students and succeeded in drawing a large crowd and arousing much enthusiasm.

## President's Message

### YOUR SCHOOL, MY SCHOOL

**Y**OUR SCHOOL, MY SCHOOL. What is it? Is it of wood, plaster and paint? What you see with your physical eyes is something pleasing, something of which we may be proud. But is this our real school, or is it something intangible that only the mind's eye can discern? Your school, my school, is not material, neither is it intangible in its truest and real sense.

Your school, my school is a combination of thoughts, words and deeds of the immortal lives of those who frequent these wood and plaster walls. Your school, my school, may be a thing of enduring beauty that exercises a wonderful influence over the lives and hearts of those who attend. There is something terribly real in thoughts, for they endure beyond the crash of physical elements. Your school, my school, what influence is it giving out to the world? Are its thoughts and deeds those of true democracy? Of toleration and respect for others? Does merit win, or does unbridled ambition walk our corridors as king? Must democracy be used only as a subterfuge?

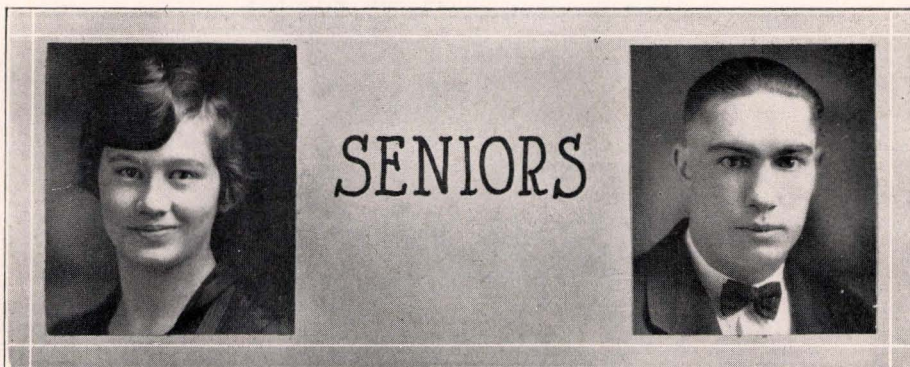

Truth is reality. It is the one virtue to which there are no limits. In your school, my school, let's be true and square. School is life, real life, not a mere play at problems, virtues and ambitions.

Your thoughts, words and acts may show youthful years and boundless hopes and immature judgments. But oh, may an unbroken line of eternal youth and square dealing run through your thoughts, words and actions. If your school, my school cannot learn to stand the little petty jealousies and misunderstandings of the daily grind of unalloyed youth, what hope have we for the future?

You must in the struggle for democracy stand for higher ideals and bigger and better things. Brace yourselves with the highest type of patriotism—a soul preparation, a readiness for anything that our land may require of us.

Your school, my school, may it be more awake to community duties and obligations. Your school, my school, may it shed an influence of self restraint, brotherly kindness, and watchful waiting for the tasks that God in His wisdom may have for it as individuals.

## SENIORS

WITH THE INCREASE in the number of degree people at Chico College, the Seniors for the first time have formed a class organization. Although the enrollment was small during the first term, there was considerable enthusiasm in the class.

The social function of the class came in the form of a "Get-Acquainted Dinner." The guests of honor at the dinner were Mr. and Mrs. Osenbaugh and Dr. and Mrs. Miller. At the close of the dinner, talks were given by the guests of honor. Mr. Osenbaugh spoke of the growing importance of the Senior class since the four-year courses have been installed. He urged the members to become the leaders of the school by taking active parts in college affairs. Dr. Miller told of the custom, established by the early Senior classes of Stanford. Bronze plates have been placed as a part of the walk under the archways that form the Quad. He suggested that the Senior class establish the custom at Chico State.

The sports of the school were benefited greatly by the four-year men. John Colledge took an active part in football, basket ball and baseball. Harlan Lee was a four-year man in football, Clifford Bruce in baseball, while Granville Siler played an active part in football and track. Siler also acted as athletic manager this year.

Other members of the class have taken an active part in the student body and social affairs of the college.

## JUNIOR CLASS

ALTHOUGH THE JUNIOR class was late in organizing it has had several social functions at the school, including one student body dance and two Junior parties.

There were perhaps more Juniors on the different athletic teams than representatives of any other class.

Juniors who chased the pigskin up and down the field were Butts, Bailey, Bankhead, Cheney, Captain Mellinger, Lillie, Spencer and Schwein.

Three members of the varsity quintet were from among the ranks of the third year students. They were: White, forward; Bankhead, guard, and Elliott, guard.

Another quartet was on the baseball team: Harrison, varsity first sacker; Spencer, on third base, and Schwein and Sisk, subs.

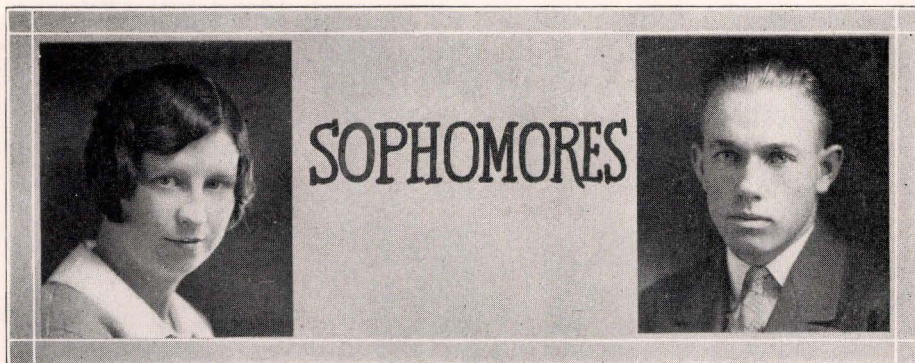

Track is rapidly coming into its own and the Junior class was well represented in the sport by Brakebill, Lillie, Bankhead, A. Thompson, White and Dahlman.

The Junior class has the honor of having several of the student body offices held by members of their class: Dwight Carmack and John Lillie, presidents of the student body; Evelene Olson, vice-president; Beulah Lemm and Virginia Randolph, secretaries; Douglas C. White, yell leader, and Gladys Ashley, social leader.

## SOPHOMORE CLASS

SEPTEMBER OF 1925 heralded the coming of a group which was at once the delight of the upperclassmen and the despair of the instructors of this institution of learning.

After passing a year with the elite as "Chief Cleaners of the Campus," most of them acquired (we know not how) thirty units which gave them the more or less doubtful honor of becoming members of the sophisticated Sophs.

This "doubtful honor" soon began to prove a real honor as the Sophomore class reached its stride and it has achieved many things this semester of which it can be justly proud.

Two class parties were given by the "rulers of the Frosh" which proved to be quite successful social affairs; also a student body dance was given.

In athletics the second year men did themselves proud in all the different sports of the school. In football Allinger, Brooke, Gage, Fox, Hollenberg, Pauley, Squier, Thomasson and Vugrenecz defended the honor of the Sophomores. Baseball annexed another half dozen—Brooke, Metteer, Mace, Wiser, Stuckey, David and Hollenberg, while the track team was braced up with Captain Allinger, Thomasson, Hendrix, Bassler and Randolph. Vugrenecz and Metteer showed up well in basket ball.

Several student body offices were held by second year students, among them being: Della Sanford, vice-president of the student body; Bryan Woodward and Lloyd Brooke, treasurers; George Stuckey, yell leader; Leona Dickey, social leader, and Charles Randolph, editor of the Wildcat.

Freshmen of the 1927 class have written for themselves a chapter of history glowing with success. Led in both semesters by an able group of officers, they piled up accomplishment after accomplishment. Their achievements due to the unsurpassed spirit with which the class was infused are found in all fields of college activity.

On the social calendar four events are credited to the Freshmen: Two Freshmen parties, one on November 4 of the Fall semester and one on March 11 of the Spring semester, and two student body hops, one on December 18 of the fall semester and one on April 23 of the spring semester.

Freshmen pens were plied by Dean David, Olive Bennett, Roy Lawrence and George De Wolf on the Wildcat and Roy Lawrence and Merle Crum and George De Wolf on the Record.

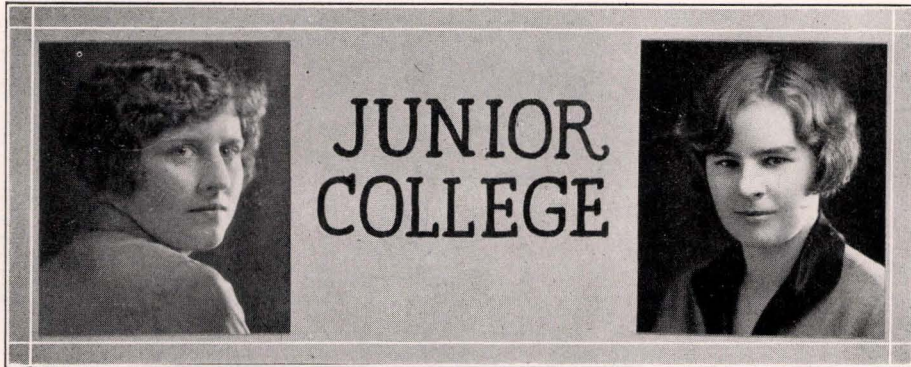

In the sports the following Freshmen athletes made a splendid record:  
Football—Hill, W. Johnson, Denlay.

Basket ball—W. Johnson, Chauncey Wilson, Ross, Lawrence, Lemen, Elfendahl, Bud Avilla, Palmer and Wattenburger.

## JUNIOR COLLEGE

THE CHICO STATE JUNIOR COLLEGE is undoubtedly one of the best in the state. Like all Junior Colleges, it offers the first two years of college training to its students and prepares them for Letters and Science, Agricultural, Engineering, Commerce, Medical, Dental, and Law courses. In regard to the faculty, the Chico Junior College students are particularly fortunate, as not only have practically all of the professors had high school teaching experience, and consequently thoroughly understand the problems of students who are just entering college, but also, since the Chico Junior College students are instructed by the same professors as are their fellows the Teachers College students, they receive instructions from professors who have specialized in the business of knowing "how" to teach. Likewise the Chico Junior College students enjoy the use of the same plant as do the Teachers College students. This plant, aside from its beautiful campus which is bordered by Chico creek, consists of a shop, swimming tank and one main building in which is an assembly hall, and a fine library of over 20,000 volumes.

The growth of this Junior College has been startling. Beginning some seven years ago with a nucleus group of seventeen students, the enrollment steadily forged upward until now it stands at one hundred five, most of these being boys. That this growth will continue has been assured by the recent action of the Stanford regents who decided to abolish their undergraduate work and turn it over to the Junior Colleges.

In the college activities, particularly in athletics, the Junior College students have this year led the entire student body of both the Junior College and Teachers College.

The Junior College students of last year organized and elected the following students into office: Melba Colm, president; Alan Fulcher, vice-president, and Bryan Woodward, secretary-treasurer.

## EDITORIAL

THE RECORD, for twenty-seven consecutive years, until the advent of the college weekly three years ago, was the sole printed means of informing the students of the college happenings.

As the college has grown the Record has increased in number of pages and in its power to portray the closing years' associations and activities.

The growth of Chico State and the consequently increasing amount of interesting material that should be in the book makes imperative an increase in the size of the Record.

As the most feasible means of increasing the size of the book the staff offers the suggestion that the change can easily be affected by taking advertisements. Ad sections cost the students nothing and are the general means of helping finance the books of practically all large colleges.

In order that the next Chico State annual may portray more completely the campus life, athletics and activities through increased pages and cuts, it is hoped that the students will take measures to bring about the enlargement.

## WILDCAT

THE WILDCAT has finished one of the most successful years since the start of the college weekly. Beginning with his first issue last fall, Editor Charles Randolph changed the paper from a four column to a five column sheet of three inches increased length. Due to a change in the business department the larger editions were made possible.

Four years ago, on October 16, 1923, J. William Hamilton secured an appropriation from the emergency fund with which he published Chico State's first paper which was called the Collegian.

Since the student body constitution provided no means of subsidizing the new venture the only possible means of financing the paper was through the money gained by subscriptions. Pecuniary reasons necessitated the discontinuance of the paper before the end of the term. The following semester, for lack of money, only seven issues were published. During the third term of the paper's existence the name was changed from Collegian to the traditional name Wildcat. In the spring of 1925 for the first time since the start of the Wildcat, the staff had enough money to print an issue every week.

The efficient management and high standards of the paper were maintained in the fall and spring semesters of 1925 and 1926 respectively.

This year a new office, that of college publicity manager, was formed. The editor fills by appointment and supervises the office, the appointee in the fall being Joe Henderson and in the spring Robert Paine.

The fall semester's staff was: Charles Randolph, editor; Artie Clendinen, assistant editor; Doug White, sports; Ruth Watterson, feature; Lucille Murray, Bidwell Hall representative; Sheldon Rankin, business manager; Herbert Winterstein, assistant business manager; Esther Troxel, circulation manager.

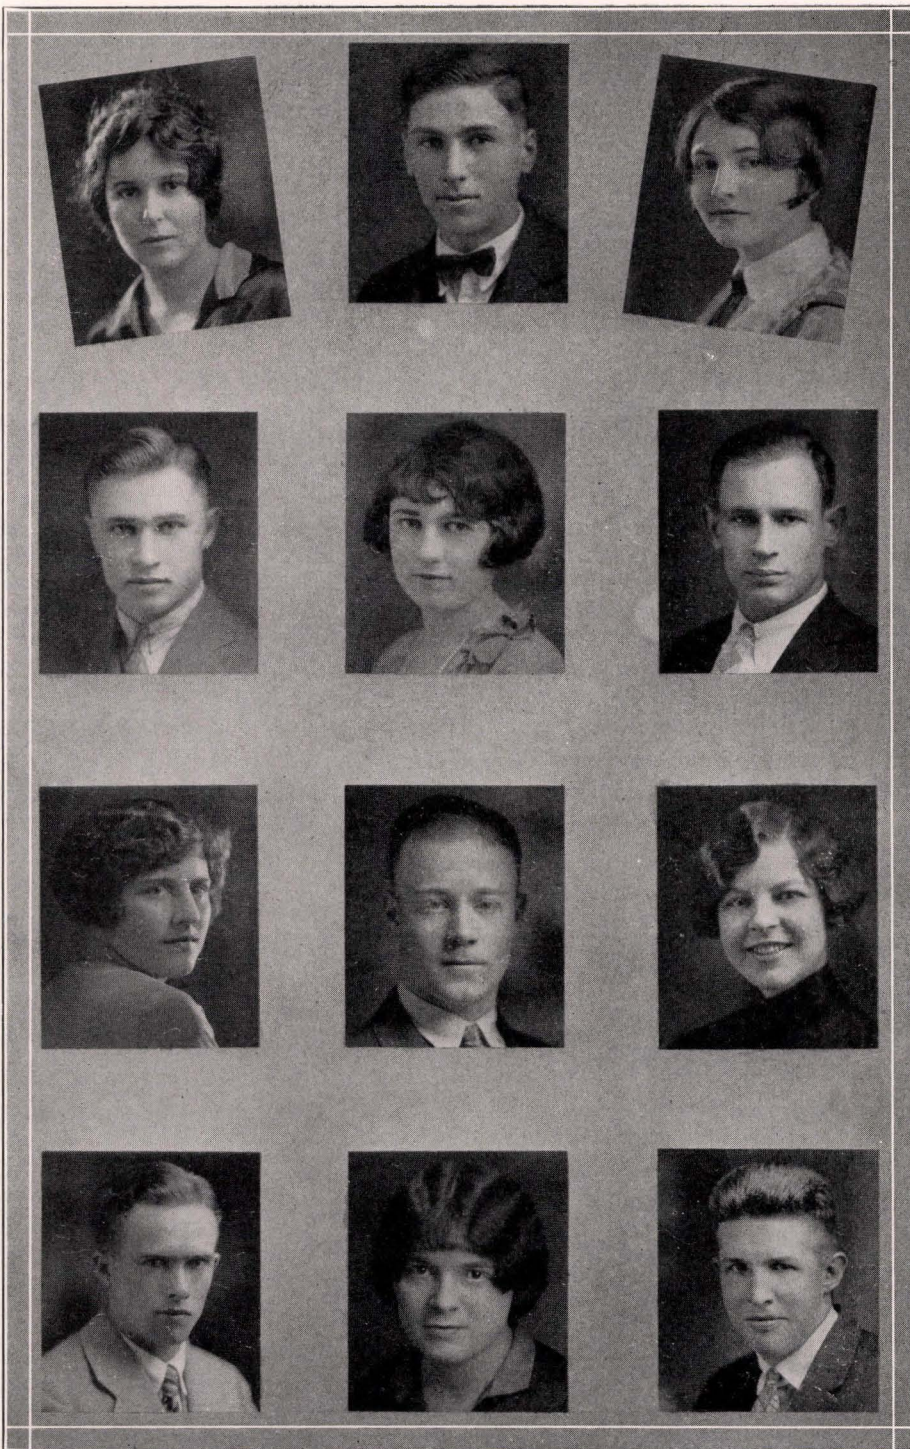

Reporters—Dean David, John Lillie, Chet Kennedy, Olive Bennett, Harriett Fuller, Melba Colm, George De Wolf, LaFayette Parker, Herbert Winterstein, Theodore Schwein Jr.

Under the editorship of Joe Henderson the spring semester's Wildcat published two special issues, one for Pioneer Day and one at the close of the school year.

The staff was: Joe Henderson, editor; Artie Clendinen, assistant editor; Doug White, sports; Chet Kennedy, feature; Dean David, news; Helen Rannells, Bidwell Hall representative; Herbert Winterstein, business manager; Dora Meline, circulation manager.

Reporters: John Lillie, Melba Colm, Clara Powers, Olive Bennett, Charles Randolph, Alma Shears, Dee Thompson, Evelyn Thomas, George De Wolf, Theodore Schwein Jr.

## INDUSTRIAL EDUCATION

*By* DAVID F. JACKEY, Department Head

THERE IS A STEADILY INCREASING DEMAND for competent, trained teachers of Industrial Education in elementary, secondary and vocational schools of California. The sort of instruction desired relates to automobile repairing, woodworking, blacksmithing, sheet metal work, leather work, cement work and vocational work in the various industrial lines.

A degree curriculum of the same general standard as the other baccalaureate curricula is provided in order that the young man who specializes in this field may receive preparation that will place him upon a par with high school teachers of other branches. The Industrial Education department is a part of the Teachers College and a great number of the Junior College graduates complete their college course by enrolling in Industrial Education, then graduating with an A.B. degree in Industrial Education at the end of four years.

The State Board of Education at its meeting in October, 1926, granted to Chico State College the right to grant a degree in the above work. We are proud to say that within a few months twenty-eight young men have enrolled in the course and are doing a splendid piece of work. There are three instructors doing special work in the shop beside the regular faculty of the college. In the automobile repair department we have succeeded in securing a practical garage man.

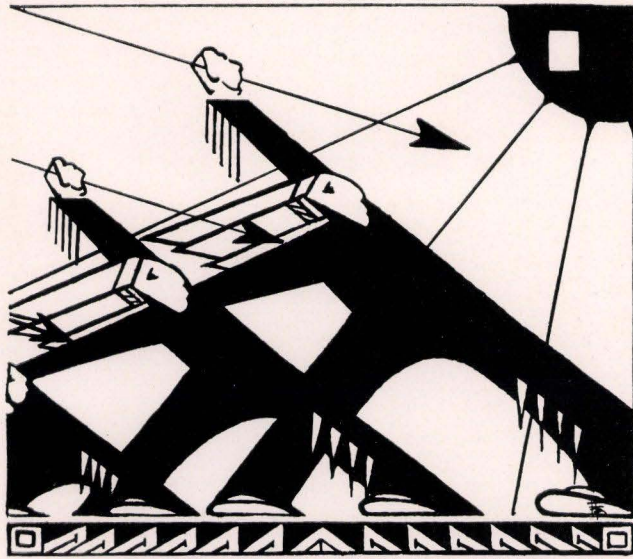

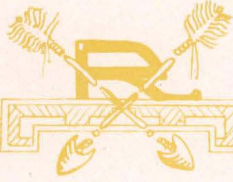

Mr. Gail E. Moore, who owns a garage of his own at Fifth and Wall streets, has charge of the department. Mr. Russell B. Kidder has charge of the wood working department; some excellent pieces of furniture and practical carpentry work is constructed under his direction. The men going out into the Industrial Education field from under the care of these men should find it easy to meet competition in their chosen field.

The men graduating from the above course command yearly salaries ranging from \$2,200 to \$2,800. However, the most important phase of their training is the ability that these men will possess in directive guidance in the lives of the young people with whom they come in contact.

Through the cooperation of the Industrial and Physical Education departments, these graduates are equipped to direct the physical, moral and vocational life of the young citizen.

The choice of a vocation is undoubtedly one of the most important questions any person will ever be called upon to consider. Few acts are fraught with more unhappiness and regret than that of stumbling into an occupation just because some other boy did. These men learn to guide and direct students wisely, sanely and happily into right choices. The Industrial Education course has as one of its aims: "So to prepare teachers that they will be one of the surest means of preventing business and vocational accidents."

"IT HAPPENED IN JUNE"

## DRAMATICS

THE HISTORY OF DRAMATICS in Chico State Teachers College is much like that in any similar institution. In the last few years it has gone through many a struggle, has had periods of malnutrition when those who loved it best feared it might never survive another winter, and has suffered from all the usual diseases of infancy. It has, however, outlived these various afflictions, and is now a healthy and reasonably attractive child. It is even growing to the stage where its elders begin to look upon it with approval as a possible wage earner. It has stopped giving shows in the barn, charging pins or pennies for admission and pocketing the proceeds, and has begun instead to charge real money and donate its earnings to the family exchequer.

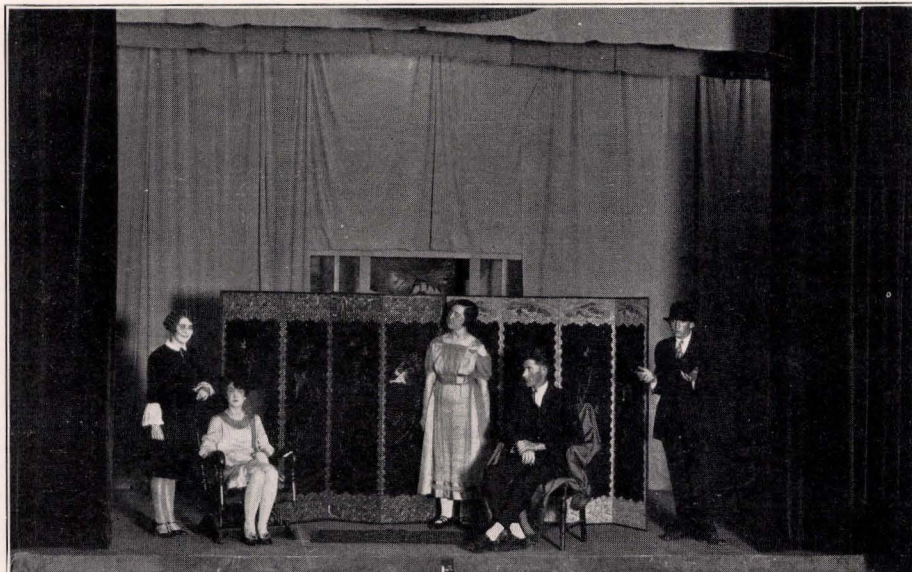

Of this thriving condition there are other indications also. There are now two regular classes in oral interpretation with a membership of approximately twenty-five students in each division. Student direction of plays is also being considerably used in both sections. During the past year a chapter of a national honorary dramatics fraternity has been installed with an active membership of twelve. Many outside organizations have shown their belief in us by requesting assistance from the dramatics classes this year, and plays have been presented before the Achaean, Rotary and Exchange clubs; before the A. A. U. W., the Penwomen, the Salem School Parent Teachers Association, the Home Economics Conference and the Fairview Farm Center. In addition to these performances a number of plays have been presented as class performances, either before the entire student body at the regular assembly period, or before a selected group in class or at some school party.

For the first time in our history, the beginners' class attempted and produced a three-act play, "It Happened in June," by Eugene Hafer. This was given twice for the benefit of the Block "C" Society, on the 27th and 31st of January. Other pay performances held during the year were: "Station YYYYY," by Booth Tarkington; "Other People's Husbands," by Margaret Penney; "White Elephants," by Kenyon Nicholson; "One Room Plus," by Calder and Hare; "Cupid's Partner," by Gladys Bridgman, and "You Never Can Tell," by George Bernard Shaw.

A number of new properties have been purchased by the dramatics classes this year from the fund created by the plays given for public performances. The materials which have been bought are a new Chinese screen, some new cretonne chair covers, new drapes for the center entrance, the gray background curtains and two large cupboards for dramatics properties, built by the manual training department.

This year aspiring artists of the drama have found opportunities for their talents as the classes in dramatics have done some excellent work on one-act plays. One of the purposes of these plays is to act as tryouts whereby material is selected for later three-act productions. Several of these skits were presented in assemblies but for the most part they were confined to classwork presentation.

## CALENDAR OF PLAYS

### THE LITTLE BLUFFER

"The Little Bluffer," a short one-act play, has proved to be the most successful play this year for club performances as it has been presented five times at various outside organizations. The skit has been presented before the Salem School Parent Teachers Association, the Fairview Farm Center and a student body party.

## DUST OF THE ROAD

"Dust of the Road," by Kenneth Sawyer Goodman, was presented as a class production at the assembly before Christmas vacation by four members of the dramatics class in a very creditable manner. ## COMBINED BAND

THE COMBINED BAND of the Chico State Teachers College, a new organization on the campus two short years ago, ends at the close of this semester its most successful year in regard to its increased ability in tempo and modulation, high degree of efficiency in fancy military marching and in the number of events in which the band has participated.

Under the directorship of Paul Howard Young the band has grown since September, 1925, from the group of eighteen mediocre playing charter members to an organized, well trained forty-piece band which ranks well with any college organization of musicians of its size.

In order to reward those who have been players for several semesters and who have advanced in chair positions, a scheme of awarding an insignia to denote rank has been inaugurated. The plan patterns somewhat after the military idea of adding chevrons to the sleeve of the uniform to denote the player's rank.

On the local gridiron, October 31, 1925, at the Chico-Sacramento football game, the band arrayed in uniform made its first public appearance when it played during the contest and since that time it has creditably played on several tours in more than thirty different towns throughout Northern California.

Notable among the trips made by the combined band this year was the trip to San Jose when the musicians accompanied a special train of Chico State rooters to witness the football game between the two colleges. At San Jose the band lent much to the enthusiasm of Chico State supporters by parading through the streets of the city and playing at the game.

Trips to Orland and Willows were made, in which towns paid programs were rendered in the theatres.

In addition to supplying music to various school functions the combined band took part in a special entertainment put on in connection with one of the college extension courses conducted in Marysville.

Generous state funds have made possible the purchase of some new instruments among which are included two large Sousaphones, two altos, a baritone, an oboe and a snare drum, the addition of which completed the list of instruments.

Because the band aimed to promote college spirit in all athletic contests and college activities, it soon won a noteworthy place in the college recognition.

The personnel was as follows: *Back row:* T. Schwein, H. Miske, I. Cleek. *Middle row:* G. Hattrup, L. Cain, T. Streeter, H. Stevens, R. Band, V. Snoderly, F. Thornton, M. Burke, K. Stolp, C. Squier, E. Hassler, F. Reynolds, D. Johnson, J. White, W. Tingley, A. Ware, D. Glendinning, V. Vaughn. *First row:* A. Amerman, K. Gates, V. Ward, L. Moelk, M. Goldstein, D. Sanford, H. Winterstein, R. Huffman, J. Henderson, B. Woodward, J. Huffman, H. Mecum, J. Elfendahl, L. Curtis. *Front:* P. H. Young, director.

## ORCHESTRA

IN ORDER TO start things right and get the orchestra organized, an election was held, with the following results: Lorraine Moelk, president; Kathryn Gates, secretary; Alton Cheney, treasurer, and Violet Yuhnke, social leader. Practice started immediately under the direction of Paul H. Young. The orchestra made its first appearance before the assembly soon after school opened. Since then progress has been made steadily. Most of the music for the plays of the dramatics class has been furnished by the orchestra. To add some variety, an all-girls orchestra was organized to play for the Girls' Council play. During Music Week, the orchestra selected a number of Beethoven's selections to play before the assembly.

"All work and no play" is not the slogan of the orchestra. To prove this, a party was given in cooperation with the band. The art room was cleverly decorated for the occasion, while an Orthophonic phonograph provided the music for dancing. Miss Lennon, Miss Barney, Mr. and Mrs. Studley and Mr. and Mrs. Young were chaperones.

An increase that has caused a favorable comment by everyone is the variety of instruments used in the organization this year. This was made possible largely by the purchasing of various instruments with the state appropriation.

The members of the orchestra are: *Back row:* H. Stevens, A. Ware, H. Mecum, R. Bond, I. Cleek, J. Huffman, L. Martinelle, C. Schott, R. Miller, D. Glendinning, V. Yuhnke, R. Powell. *Front row:* E. Cooper, A. Olsen, E. M. Will, L. Moelk, C. Gates, V. Ward, P. H. Young (director), F. Thornton, M. Colm, M. Reeves, L. Meguire.

## BOYS' GLEE CLUB

**A**T LAST! We have a Boys' Glee Club. Previous to this year if a men's chorus was needed, they volunteered their services. This year, however, the course has been made an elective of one unit credit, and in spite of the inconvenient hours much enthusiasm has been shown.

During their two semesters of organization they have given excellent numbers on several occasions. At the dancing and musical program last fall the boys gave two numbers, "The Sunday School" and "Who's That A-Calling." In honor of the February graduates they presented two choruses from well known operas: "The Policemen's Chorus" from "The Pirates of Penzance" and "Silent Heroes" from "The Chimes of Normandy."

At Christmas the combined glee clubs gave an interpretation of some of the ancient and modern carols, in costume.

For Music Week, at the program given on May 5, they sang "The King of the Forest" and "Alexander."

Having done so well in their initial attempt, prospects are good for a large and active group of male voices in the future.

Members are: *Standing (left to right):* W. Moore, J. Huffman. *Front:* H. Brakebill, L. Cook, N. Brown, H. Stevens, L. Nugent and C. Alexander.

## GIRLS' GLEE CLUB

UNTIL LAST FALL the Girls' Glee Club, under the direction of Miss Lennon, has been a voluntary course. This year, for the first time the girls have been rewarded for the effort they made.

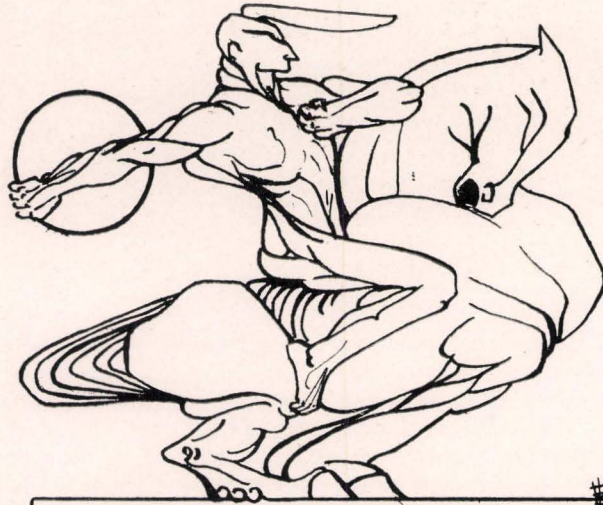

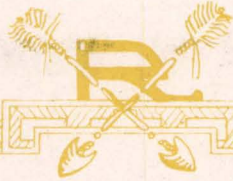

In other colleges the glee clubs have a place of prominence in the school; in Chico State this has never been so true as this year.

At the program presented by the music and dancing classes, the Girls' Glee gave three selections: "When Dawning Springtime"; "Tallo-ho," by Leoni, and "Like as a Father," by Cherubini.

At other times during the year they gave selections, at the band concert at Christmas, in honor of the February graduates, and at the program for Music Week. The numbers they presented at the band concert and Music Week were respectively: "Trees," by Rasbach; "Waters of Minnetonka," by Lieurance, and "The Cuckoo-Clock," by Grant-Schaeffer; "Song at Sunrise," by Nanny, and "Absent," by Metcalf.

**ATHLETICS**

## VOLLEY BALL

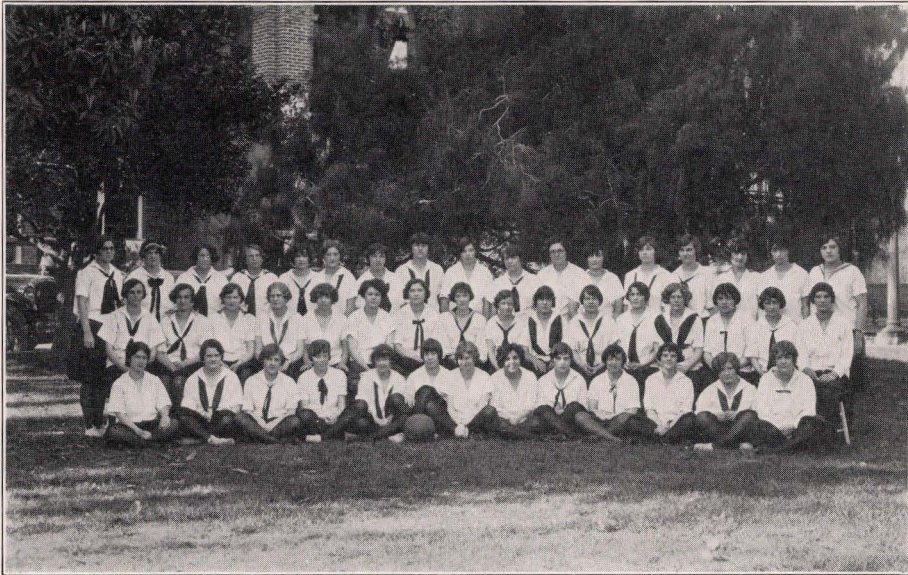

VOLLEY BALL was the sport offered with the opening of the fall term. There was much interest shown which was made evident through the ready organization of various teams who elected captains and appeared on the court for practice. The physical education classes were the main stimuli for the organization, although there was one team formed by non-physical education students. As the members of the various teams learned the technique of the game, tryouts were held and teams were selected to compete in the interclass meet. The captains of the season were: Cora Nutson, Beulah Woodward, Cecelia Blomquist, Ruth Polk and Dorothy Aberg.

Interclass games were played until the team under the captainship of Cora Nutson was chosen as winner. The winners were challenged by the team composed of volunteers and captained by Dorothy Aberg. Those taking part in this team were: A. Wright, D. Shultz, E. Yore, R. Blanchard, G. Meline, I. Howard and G. Carpenter. In the final game the volunteer team was pronounced the winner.

This is practically the first year of real interclass competition but it is expected that in the future the girls' athletics will be one of the foremost activities for girls in Chico College.

Volley ball is considered the most popular sport at college. This is due partly to the opportunity the game affords in giving a large number places on the teams. It is also the main sport at Summer School where there is much competition between the various social groups and the physical education classes.

## BASKET BALL

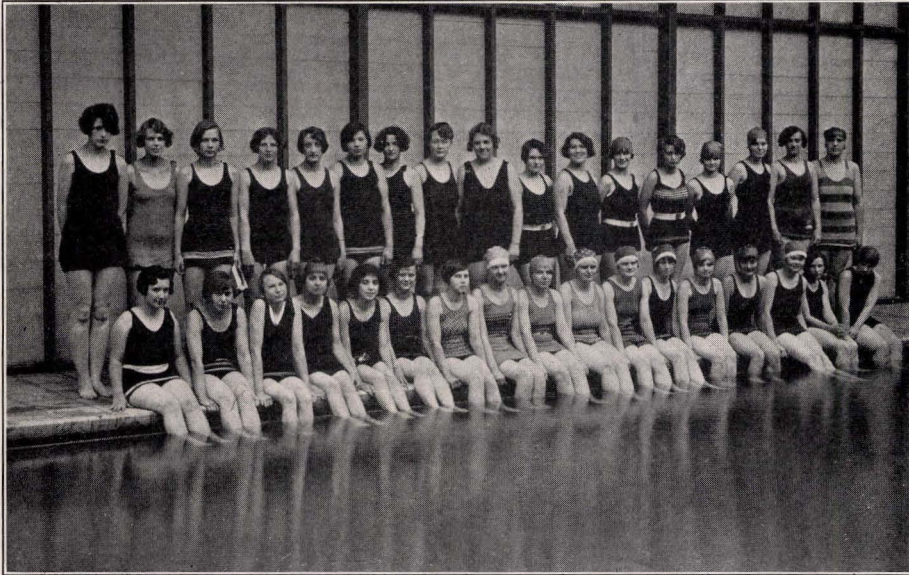

**B**ASKET BALL and swimming were the major sports offered in the spring. After the good volley ball season there was much enthusiasm in starting the new season of sports.

Basket ball came first with the girls of the classes organized into four teams. The captains were chosen early and they soon started placing and training their respective teams. Before many weeks the games were scheduled. They were played off after school with the physical educational group acting as officials. This training was very beneficial to the majors as it gave them training in advanced coaching.

Baseball was also offered and interclass games were played. Here also there was greater competition than ever before. This sport is popular at the Summer Session also and there are many games played during the six weeks in camp. This last year there were games between various social groups including heated competition between the two physical education organizations, namely the Red Peppers and the Early Birds. The men of the faculty challenged the ladies of camp and came out winners by only a small margin.

Interscholar athletics for girls are no longer participated in, but the interest and cooperation developed in the interclass games make this form of competition most desirable. There will no doubt be more extensive advancement in this type of activity in the future.

## SWIMMING

SWIMMING IS A MAJOR SPORT offered in the spring semester in which the girls take active part. The instructional lessons given to the girls are in the sequence that is recognized as the best order to follow in teaching persons to swim. The lessons begin with rhythmic breathing, then floating, after which various strokes are practiced.

The swimming meet, held in the college pool in the latter part of May, was an individual contest, doing much to arouse a keen interest in the sport. Included in the list of events were races judged for form and speed, relay and novel races and fancy diving.

A new point system has been instituted which is proving satisfactory. The groups are divided into three sections. Each member of the section must secure a certain number of points. In this way the member receives an accurate measure of her ability.

The pool is open during the day for recreational swimming, and an increasing number are availing themselves of the opportunity to swim.

## ADVANCED DANCING

A PROGRAM PUT ON by two departments of the college at an assembly afforded the opportunity for exhibition of talent from the dancing class before the student body. The men's and women's glee clubs also gave selections.

The first dance, "The Spurs," was Spanish in character. The costumes were brightly colored and resembled those worn by native Spaniards. The dance was interpreted by Dorothy Orendorff and Edith Wood.

The Balloon Dance and a toe dance were given by Florence Bornholdt.

"The Bad Little Boy and the Good Little Girl" was presented by Orva Bybee and Leona Dickey. In the interpretation, the dancers had much opportunity for using the elements of pantomime.

The final number was a group dance, Grecian in character. The costumes for this dance were Grecian robes of pure white. The dance was interpreted by Thelma Alward, Dorothy Spangler, Gladys Meline, Edith Wood, Dorothy Orendorff and Dora Meline.

Besides the programs before the student body, several dances have been given before the Lions Club and also the Women's Club at Durham.

## MEN'S ATHLETICS

ALTHOUGH IN POINT of games won the Chico State athletes having failed to live up to their last year's record, the season of 1926-1927 has been one of the most successful in the athletic history of the Teachers College, and in backing up our statement we point with pride to the fact that in no instance during the past year was a team representing the Cardinal and White ranked lower than third in the California Coast Conference. From the first kick-off in football last fall until the echo of the last base-hit had died away this spring, Chico athletes have shown the way in athletic endeavors.

With a record of five games won and but one tie to mar their otherwise perfect record, the Wildcat football machine rode rough shod over all Tri-C competition to win their third consecutive title. Led by Captain Maxon Mellinger, veteran of four years, the gridders began what was deemed a hopeless task to rebuild a varsity thought to be shattered through graduation of numerous stars. An inexperienced line, a veteran backfield, and the customary Wildcat fight carried them over the season, and another football trophy rests within the confines of the Chico trophy case.

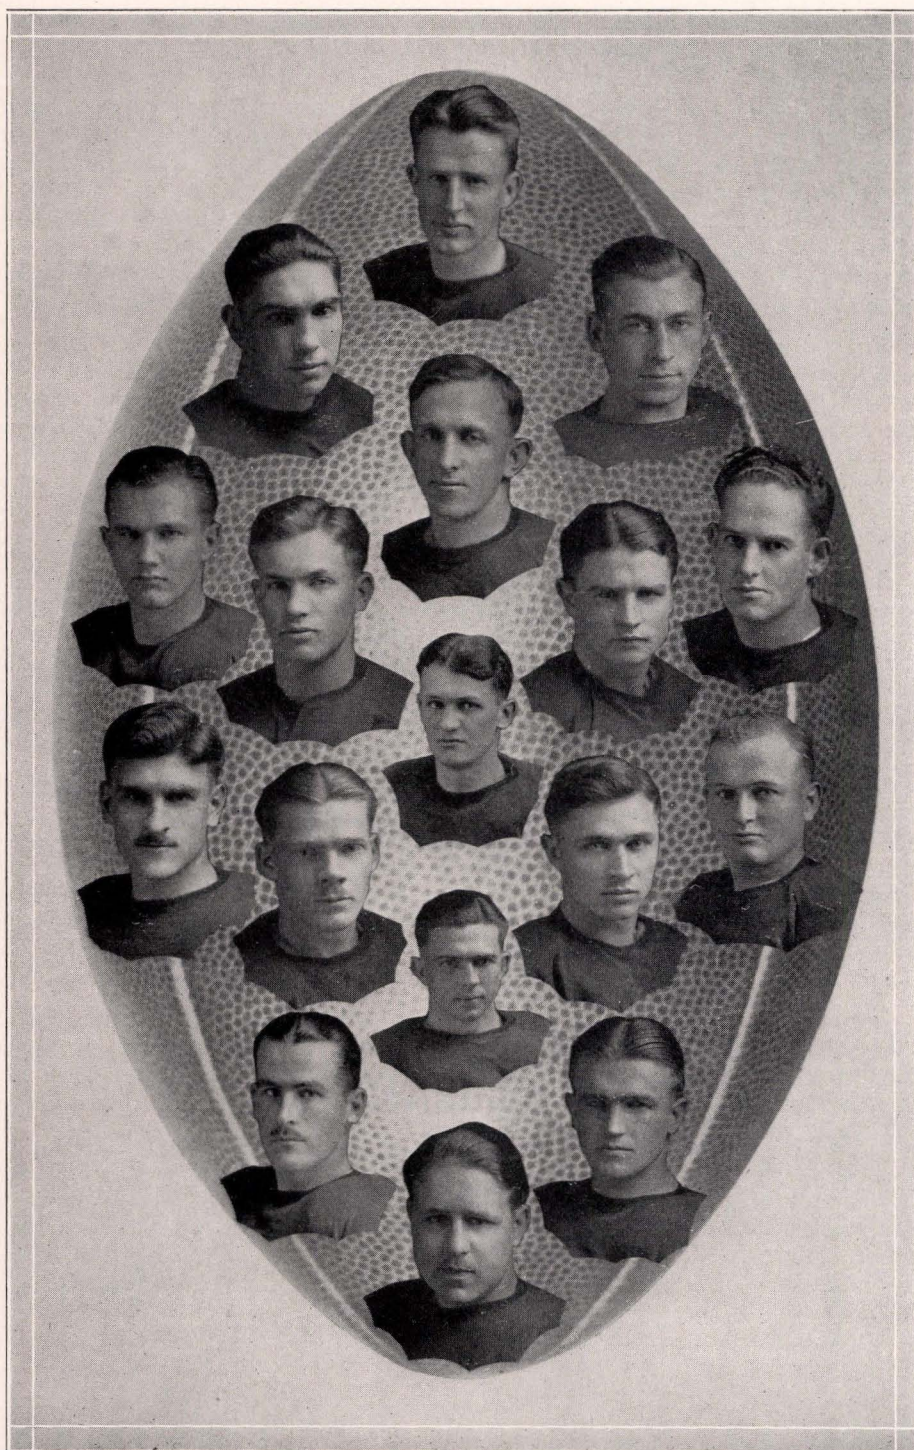

Winning nine games and losing but three in their conference schedule, the Cardinal basket ball team placed third in what was thought to be the toughest competition ever offered in the Three C Conference. The team had to be built over completely, Captain John Colledge being the only veteran left from last season's runners-up to the championship. But undaunted at the outlook of having no gymnasium and being forced to play all their games away from home, the Wildcat spirit again came through for a splendid record.

The Chico State track and field men, under the leadership of Captain Elmer Allinger, one of the greatest athletes ever produced at Chico, held up their share of the athletic burden during the spring schedule. In their first meet of the year the Wildcats swamped the combined total of all the high schools in the N. C. H. S. A. L. and the week following trounced the California Agricultural College by a score of 90—41. Their fight against Pacific was inspiring, while their showing at the conference meet was a victory itself insofar as this was but the second year in track at Chico.

The Cardinal ball club, led by Colledge and Bruce, both veterans of the diamond, slugged its way to another place in the limelight as have Chico ball teams in the past. Humbling both Sacramento Junior College and San Jose State in route to victory the Wildcats gave a good account of themselves in their short schedule.

Too much praise for the athletic success at Chico during the past four years cannot be given her coach. Coming here just four years ago when the undergraduates of Chico State considered it praiseworthy to defeat Chico High, Coach Arthur L. Acker has raised the Cardinal and White until it stands today first and foremost among the schools of the Tri-C Conference. To defeat Chico has become the ambition of them all, and this envious position we hold, thanks to Coach Art Acker.

## FOOTBALL

WITH THE OPENING of college last fall football equipment was issued to nearly forty athletes who aspired to uphold Chico State's gridiron prowess. Coach Art Acker looked the situation over with a critical eye and despaired ever coming close to another football championship. On the line he had but two veterans, Captain Mellinger at center, and Neil Cheney, guard. All contenders for line positions appeared light and inexperienced, which was discouraging, very discouraging indeed to the coach.

One bright spot appeared however, for there must always be a bright spot somewhere even amongst the most distressing of situations. There, gamboling upon the turf with one another were Eddie Butts, Harlan Lee, John Colledge and Carroll Bailey, the precise and speed-burning, self-same four men who composed his winning backfield the year before. Immediately he saw one problem solved, and thenceforth set to rebuilding that shattered remnant of a line.

With two weeks' practice the crafty coach had solved some of his most glaring difficulties, and was ready for the first game with what he considered the semblance of a football aggregation. It consisted of Gage and Allinger, ends; Cheney and Hill, tackles; Siler and Pauley, guards; Captain Mellinger, center; Lee, quarter; Bailey and Colledge, half, and Butts, full.

Following one practice tilt, in which the non-letter men trampled over the Chico High Panthers by a score of 20—0, the season began. Proceed:

### SANTA ROSA FORFEITS TO CHICO

Thus began the 1926 football schedule, when on a dreary and dismal day the Santa Rosa Junior College failed to put in appearance, and the Chico State huskies were forced to content themselves with the gnashing of teeth and the emitting of slanderous phrases on the behalf of Santa Rosa. In a drizzle of rain what fans who turned out expecting to witness the slaughter had to be satisfied with watching Marysville High drub the Wildcat second team. It was a bitter dose, a bitter day, and all hands went home with bitter feelings. But, Chico State had won the day.

### VARSITY LOSES TO ST. IGNATIUS

The following week, Chico State entertained the St. Ignatius varsity, who proved rude guests, winning over Chico by a one touchdown majority. The first half ended scoreless, and until late in the third period the Jesuits were battled to a standstill by the Cardinals. Flashy runs by Colledge gave the home rooters hope in the final period, but the punch necessary to push over a tally was not there. Bailey was hurt in practice a few days before this game, his place being taken by Brooke.

### WILDCATS MAUL MODESTO JUNIOR

The following week Chico State journeyed to Modesto, winning their first conference tangle in that city by a score of 20—0. Butts, Colledge, and Captain Mellinger scored touchdowns. Gage, Chico end, hurt his foot in this game, which same injury kept him on the sidelines during the balance of the season. Johnson replaced him.

### CARDINALS SPANK THE SPARTANS

At San Jose a week later Chico State took the San Jose State gridders by a score of 21—0. Open field running by Colledge featured this game as well

as the defense of the Card line. Acker used a second string outfit in the back-field to start, finally running in his scoring machine. Elmer Allinger broke his hand in this game, being replaced by Vugrenecz.

#### C. O. P. HUMBLES VARSITY

Pacific beat the Wildcats by a score of 19—6 during an open date in the Conference schedule. The Bengals outweighed the Cards in the line by some twelve pounds per man, but the Wildcat touchdown was put over on line bucks. Squier and Johnson played at end for Chico.

#### CAL. POLY. DEFEATED BY CATS

Before an Armistice Day gathering in Chico the Wildcats outplayed California Polytechnic and won handily by a count of 26—0. At the end of the first quarter Chico lead 21—0, and from then on Acker sent in droves of reserve talent. Colledge was as elusive as an eel and the Poly aggregation was unable to stop Butts who hit their line for successive gains.

#### CHICO WINS FROM SAN MATEO

In the hardest battle of the season Chico State trimmed the Bulldogs down on the peninsula by a score of 13—6. The game was played throughout in a sea of mud. On the first play of the game Lee snatched a pass from Butts and galloped 45 yards to a touchdown, while again in the fourth period the lengthy quarter caught a punt and ran 90 yards to score. Nearly every man on the Chico State lineup went out of this game at least once for injuries.

#### SACRAMENTO-CHICO STATE TIE

Playing their last game of the season on Thanksgiving Day, on the Chico gridiron, the Wildcats played a tie game with the Sacramento Panthers. The game was played for the most part amid a downpour of rain which made openfield work somewhat of an impossibility. Gage and Allinger were back in the game for the first time in weeks, and Butts, who had been seriously injured in the San Mateo game, also saw action. Taking the ball in the fourth quarter, Chico marched it the length of the field only to lose it on a fumble when about 10 yards from scoring.

Sacramento refusing to play the tie off, Chico was awarded the title for the season of 1926. The season was entirely successful from all standpoints. Allinger, Cheney, Siler, Mellinger, Colledge and Butts were placed on the All-Conference first team, while Lee and Hill rated the second team. Those winning letters were: Thomasson, Pauley, Squier, Johnson, Hill, Brooke, Mellinger, Hollenburg, Lillie, Gage, Colledge, Lee, Siler, Bankhead, Cheney, Allinger and Butts.

Five letter-men will be lost to the squad next year. Elmer Allinger is captain-elect.

## BASKET BALL

WHEN BASKET BALL SEASON rolled around at Chico State in the winter of 1926, Coach Art Acker found himself confronted with the identical situation which had confronted him in three previous cage seasons at Chico. The question was: "Where, and with what will we play?"

The former of these two queries answered itself when the Live Oak High gymnasium was procured in which to hold the Chico at-home games: but with all of last year's varsity graduated with the exception of Captain Colledge, the latter problem involved a more diligent task in its solution.

Out of some thirty promising candidates Acker finally selected a dozen or so of the most able court prowlers and began his season. The first game was at Redding. Read on:

### CHICO 35, REDDING TIGERS 21

The Wildcat five, led by Captain Colledge and Harlan Lee, veterans, found little difficulty in trouncing the Redding club men in their first start. Lee, who graduated in February, played in several of the pre-season games at center. In the latter half of this game Colledge found the bucket and roped in 19 points before the game ended.

### CHICO 21, BIGGS ARROWS 29

Gathering together some of his talent during the Christmas holidays, Coach Acker sent his varsity against the Biggs team on the Live Oak court. At the half Chico had played the Arrows to an 11—11 tie, but superior condition told and the Arrows won out. Wilson, at forward, began to come through in this game.

## CHICO 25, AUBURN CUBS 42

The next game was played at Auburn against the highly touted Cubs who last year drubbed the Wildcats 44—5. Slightly improved, yet still playing ragged basket ball and far from being in condition, the Cardinals dropped another start. Lee again played part of the game while Wilson made the bulk of the Chico points.

## CHICO 25, MARYSVILLE LEGION 26

This game found the Wildcats in their best form of the early season if not in their best form of the year. The Legionaires, victors over the Cubs, were supposed to find quite a set-up in the collegians, but were surprised at being held to an extra-time game. At the end of the regular period of play the score read 22—22. The Chico defense was penetrated by Marysville for but five field goals during the game while 16 of the Legion points were sunk from the free throw line.

## CHICO 34, CALIFORNIA AGGIES 30

Chico State won her first collegiate game of the season by trouncing the Aggies at Live Oak by the above score. Leading throughout by a small margin the Cardinals took a spurt towards the last of the game and ran their lead up to 12 points. From here the Aggies began a drive which came near tying the score. Captain Colledge and Wilson starred for Chico.

## CHICO 16, CALIFORNIA AGGIES 22

The following night the Aggies reversed the order on the Wildcats and won in one of the poorest exhibitions presented by the Red and White aggregation during the season. The Aggies led practically throughout the game. Inability to hit their set-up shots caused the downfall of the Cardinals.

## CHICO 28, CAL. POLY. 19

The Wildcats motored down to San Luis Obispo the next week, meeting California Polytechnic in a two-game series as the first of her conference schedule games. Due to the small confines of the San Luis court, which permitted little team play, the Wildcats finally considered themselves lucky in dragging out a win. At the half Chico led 15—10.

## CHICO, 25, CAL. POLY. 17

After one of the most bitterly contested struggles of the year, Chico managed to come away with the second game of the San Luis series. At the half Cal. Poly. led by a score of 14—10 and it was not until the final moments of the game that Chico overtook her. Vugrenecz left the game during the latter moments with four personals. Wilson led in scoring.

## CHICO 22, MODESTO JUNIOR 21

In one of the fastest games ever seen in these parts the Cardinals won from the Champions on the first night of the two-game series. A free goal tossed in the last two minutes of play won for Chico, while the Pirate forwards seemed to have difficulty in locating the basket.

## CHICO 16, MODESTO JUNIOR 27

The Pirates came back in the second game to win in the first ten minutes of play. At the half Modesto had a lead of 17—4. Colledge began a shooting spree all of his own in the second half and nearly overtook the buccaneers single-handed, but the shots of Olson and floor work of Mott so baffled the Card defense that Modesto was unvanquishable.

## CHICO 39, SACRAMENTO JUNIOR 19

Chico got away to a good start in the Sacramento series by thumping the Panther from the beginning. Palmer and Metteer were both out of this series with injuries. White took their place at center in capable fashion.

## CHICO 48, SACRAMENTO JUNIOR 18

Reaching the zenith of their form, with Palmer and Metteer still out the Cardinals ran up the highest score of their season. At the half they led 22—4, while Colledge, Wilson and White all rang up over 12 markers.

## CHICO 12, SAN JOSE STATE 35

The Wildcats played their final series at San Jose and played woefully below their standard form. San Jose's speed and defense had them balked completely. The score at half time read 6—3 in favor of the Spartans.

## CHICO 19, SAN JOSE STATE 30

In this game Chico gave a somewhat better account of themselves, holding the Spartans to a 14—14 count until the last five minutes of the game. A long distance basket by Regli broke the tie and the Cardinal defense slumped.

Coach Acker's best combination on the floor this year was: Captain Colledge and Wilson, forwards; Metteer, center; Vugrenecz and Squier, guards. Elliott and White were the only others to win letters. Palmer, who entered college in February, got in many of the games from then on.

All these men, with the exception of Captain Colledge, will be with the squad next year. William Metteer is captain-elect.

## CHICO 44, SAN MATEO 24

The Bulldogs proved easy meat for the fighting Wildcat pack and the Cards ran up one of their highest scores of the season. Bill Metteer was in form for practically the only time during the season, and with him, Wilson and Colledge shooting baskets Chico was invincible.

## CHICO 32, SAN MATEO 16

This game was one for the book. San Mateo's five man defense so completely covered the Chico offense that there was but one alternative for the Cardinals in order to win. The guards, Vugrenecz and Squier, came up the floor and did the greater part of the scoring from long distance. Vugrenecz tossed in 10 points while Squier made 8.

## CHICO 37, SANTA ROSA 17

On the Santa Rosa court the Wildcats had little difficulty in beating the Cubs by a large score. After the first minutes of play there was no question as to the superiority of the feline. Wilson caged 14 points for high honors.

## CHICO 30, SANTA ROSA, 9

The second game proved another Chico walkaway. Ken Palmer broke into the lineup in this game and scored 8 points. Vugrenecz again left the game on fouls, while Wilson and Colledge scored heavily.

## TRACK

THE WILDCAT TRACK TEAM this year boasted of the best outfit ever produced on the cinder path at Chico State. Although but the third season in which track was attempted at the college, a well balanced dual team was turned out by Coach Acker, with a sufficiency of stars to score points in any meet.

In Captain Elmer Allinger, Chico State possesses a man adept in all events, but particularly in both hurdles and the javelin. During the season just passed Allinger has taken points in the following events: 440 yards, 880 yards, low hurdles, high hurdles, javelin, shot put and broad jump. He has been high score man for Chico in every meet. Captain Allinger has run the low hurdles in close to 25 seconds, the high barriers in 15 2-5 seconds, and has thrown the spear over 180 feet. He would be a worthy addition to any large university team.

Horace Brakebill, veteran miler, has been another consistent point winner. He runs the mile around 4 minutes, 35 seconds, and the half in 2:04.

Louis Olker, freshman addition to the varsity, has proved himself a second Allinger, running both sprints, high and low hurdles, and broad jumping a worthy distance. The century dash and low sticks are his best races.

Elwood Honodel, six-foot high jumper, and Cheney and Thomasson, both twelve-foot pole vaulters, have been other consistent winners for the team. Rummel and Nugent in the weights, Lawrence in the mile, Siler in the jumps and Lillie in the hurdles have also done their bit in achieving success for Chico on the oval this year.

As the annual goes to press too early for the results of the Conference meet to be given, and thus the letter winners cannot be announced, we enclose herewith the summaries of three dual meets wherewith to appease the reading appetites of our patrons. Pray continue.

## BASEBALL

OWING TO THE FACT that baseball is rapidly dying out as far as intercollegiate competition is concerned, the Chico State baseball season this year was unmistakably an abbreviated affair. But five games were played, with partial success, and no great enthusiasm was manifested over the schedule as a whole.

In the absence of Coach Acker, who had the duties of track coach to burden him, the baseball squad this year was handled by John Colledge, veteran twirler, and Clifford Bruce, another man of considerable experience on the team. These two men coached the team through its embryo stages, and gradually selected from a turn-out of some twenty-two performers, a nine possessing potentialities on paper.

Chauncey Wilson, behind the log, did the bulk of the receiving throughout the schedule. He was a dependable backstop and understood the business of handling the pitchers to perfection. A dangerous man with the willow at all times, "Chaunce" was one of the most consistent performers on the team.

Colledge, as first string twirler, has earned an enviable record as a slabster during his four years at Chico State. Out of four seasons of baseball Johnny has had but one defeat chalked up against him, that being an extra inning affair at Sacramento this year. In former years Colledge has had strikeout records averaging from 15 to 19 victims per game. His best game this year was against the San Jose Spartans when he held them to one scratch hit in the seven innings he worked. Colledge has a future in the pastime if he chooses to go in for professional ball.

Glenn Hill, second chucker on the staff, pitched smart ball during the time he was with the squad, but he was forced to quit the team soon after the opening of the schedule due to illness. His best work was against Sacramento when he opposed Flynn of that college, who is now on the pitching staff of the Sacramento Senators. Hill is a big fellow, a willing worker, and he has plenty on the ball.

Bill Metteer got the call after the retirement of Hill as second string moundsman, and his work in the San Jose series was credible, though not highly successful. Inexperience was Bill's chief handicap, and with work he should make a seasoned flinger.

Cliff Bruce did a little pitching in the second San Jose game, but his chief role was that of shortstop and as a slugger. Bruce is a dangerous man at the plate at all times, and when on the paths he is a constant worry to opposing pitchers. Bruce has played all positions on the team, but as an outfielder he is at his best, and fly balls have to be socked far and yon to be out of his reach. This was his last year with the varsity.

Hugh Harrison, veteran first sacker, took care of the initial bag this season and was a consistent, dependable ball player at all times. This was Hugh's third season with the club, and he looks good to be a four letter man in the sport.

Oscar Hollenberg, a new man in baseball, was the regular second cushion guardian, but he was forced out of a couple of games with an injured wrist. He was always in the game, a sure thing on ground balls, and fairly wicked with the willow. As this was his first season on the club he was not expected to show much, but what he did display was worthy of a few plaudits.

Lloyd Brooke played utility around the keystone sack, sometimes at short and other times on second in the place of Hollenberg. He was a fairly consistent little man, and a good sticker.

Harold Spencer, another beginner at the pastime, took care of the troublesome corner in acceptable fashion. Though credited with numerous boots in this position Spencer always came up smiling and he should have a more successful year next season.

In the outer pastures Chico State boasted a number of seasoned cavorters in Palmer, Rath, Wiser and Stuckey. Palmer was one of the best fence demolishers of the squad, while Rath is the best fly glomber seen on the local diamonds in years. Wiser and Stuckey were both good fielders, though weak at the plate.

The schedule this year consisted of but five games, four of which were conference encounters. The chief reason for the light schedule was lack of funds, partly due to the inability of the national game to draw crowds. It is expected that in a few years baseball will die out as a collegiate sport, and it will not be surprising if the sport is discontinued at Chico State next year. However, there was a season this year, so hearken to't:

#### VARSITY 10, SACRAMENTO JUNIOR 5

A memorable game, for pitching for the Panthers was none other than the much heralded Tom Flynn, erstwhile world beater and present Senator hurler. Glenn Hill was on the slab for the Wildcats, and he held Sacramento in check for eight innings. In the ninth he eased up and allowed a few of the Panthers to scamper across the rubber and thus save Flynn from any additional humiliation. Chico State's spruce division collected twelve blows from "Long Tom," six of the same being doubles.

## VARSITY 6, HUMBOLDT TEACHERS 5

In this, the only practice tilt of the year, the Wildcats humbled the men from Arcata in a well played, close encounter. Colledge was on the hill for Chico, and though touched for a few bingles he managed to come out with a victory. Witnesses of the game say that it was one of the most interesting games, from the standpoint of tightness, ever viewed from the Chico bleachers. "Chaunce" Wilson drove out a homer during the proceedings.

## VARSITY 1, SACRAMENTO JUNIOR 2

In a ten-inning, air-tight ball game, the Wildcats lost the second conference game to the Panthers. Colledge allowed the Sacramentans but three blows, while the Cats were lucky to get five off Chappell, the Panther moundsman. In Chico's half of the ninth inning Palmer was put out at the plate trying to score from second on a single, while in Sacramento's half of the same inning one of her men was also out attempting to score from third.

## VARSITY 13, SAN JOSE STATE 1

Easily the best game of the season, insofar as Chico State supporters are concerned, the Wildcats humbled the Spartans by an overwhelming margin on the local diamond. Colledge pitched his last college game, and in some respects it was his best. He allowed but one hit in seven frames, that being a scratch blow which might have been prevented had someone covered first at an opportune moment. The Wildcat willow wielders collected a total of twelve safeties.

## VARSITY 3, SAN JOSE STATE 7

With Colledge used, the Wildcat ball club had to go into the second game of this series with Bill Metteer as the only available pitcher. He was a willing lad and gave his best, but the Spartans found him for enough hits to tally seven runs while Chico was able to gather only three. San Jose had saved her best flinger for this game, and he set the Wildcat batters down in good fashion. And thus the season, simple, short, and slightly sweet, subsequently ceased.

PEP WAS MANIFESTED in abundance throughout the fall semester, and immediately following the opening of college assemblies were awakened and aroused by yell work-outs under the direction of Yell Leader Stuckey. After the third week of college, tryouts were held, and his assistants were chosen from a host of aspiring arm-wavers.

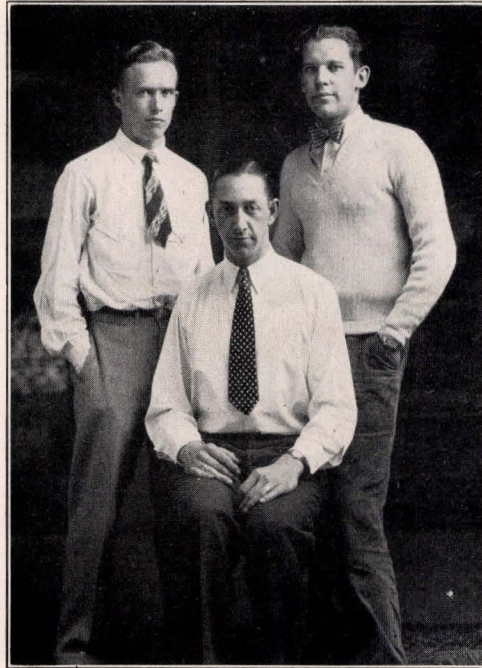

The night before the St. Ignatius football game, Chico State undergrads assembled for the annual bonfire rally which is held every year as a send-off to old Joe Pigskin. The Frosh, with little coercion this year, built the largest fire in the history of Chico rallies, and following a huge serpentine about the city all students gathered on the Central School grounds where more yells were dispensed with about the blaze.

A special train was chartered for the San Jose game, when over a hundred loyal rooters accompanied by the Chico State band, made the trip down to San Jose to cheer the Wildcat to victory over the Spartan.

FOLLOWING THE CLOSE of the football season in the fall, spirit was somewhat in abatement at Chico State, and until the opening of the spring semester with the beginning of the basket ball schedule there was little work done in the matter of pepping the gatherings. Following the start of the semester however, assistant leaders were chosen to work out at the games, and more impromptu rallies were staged in the assembly hall.

Another instance when the work of the college throatmen was excellent was on Pioneer Day, when the assembly worked out before the high school guests on that occasion. Both singing and yell work could not have been better on that day.

### OFFICERS

VIOLET STAHL	Honorable Prompter
GLADYS MELINE	Business Manager
MAXON MELLINGER	Acting Stage Manager

The Xi Cast of Alpha Psi Omega, National Dramatics Honor Fraternity, was installed here, October 16, 1926. This fraternity is the second largest dramatics fraternity in the United States. It has now over twenty casts in the United States and Canada.

The installation took place after a lovely banquet in the upper dining room of the Hotel Oaks. Those who were initiated as charter members at this time were: Miss Anna Louise Barney, head of the college dramatics department; Maxon Mellinger, Alice Cooley, Charles Cunningham, Rita Galbraith, Edna Shelton, Louis Bassler, Gladys Meline, Thelma McCray, Holmes Stewart and Violet Stahl.

The mid-semester initiation was also held at the Hotel Oaks, March 11, 1927. Three new members entered the fraternity at this time, Norman Brown, Victor Fox and Douglas White. One of the charter members, Viola Tatman, who on account of illness was unable to be taken with the rest of the charter members, also formally entered the fraternity with these new members.

The initial bow to the public was made by the presentation of two one-act plays in the College Hall, December 2, 1926. These plays were, "Station YYYY" and "Other People's Husbands." Members of the fraternity have also appeared in all the major dramatic productions of the year.

Future plans of the fraternity include the presentation of an assembly program and the donation of some necessary stage equipment to the dramatics department.

## BLOCK "C" SOCIETY

BY FAR THE OUTSTANDING organization of the college in all respects, the newly organized Block "C" Society has just finished its most successful season in the history of Chico State College. With a membership of thirty men, all athletes, with their aim to boost Chico State spirit and pull wherever possible for clean athletics, the members have acquitted themselves in a most credible and praiseworthy manner during the school year just finished.

During the latter part of the fall semester the society was reorganized with the assistance of Coach Art Acker, to whom the society is more deeply indebted than any other one person. Under the new organization a new constitution was drafted and accepted by the members. Theodore Schwein Jr., football letter man, was elected president; John Lillie, another football letter man, was chosen vice-president, while Clifford Squier, letter man in both basket ball and football, was elected secretary-treasurer. John Colledge, three sport letter winner, and Granville Siler, football man, were chosen to serve with the officers on an executive committee which decides all cases of large import for the society. Coach Acker is the advisor of the organization.

One of the outstanding accomplishments of the society this year was the purchase of Block "C" sweaters for its members, a practice which the club will continue from now on. The funds for these awards were raised in part by a play sponsored by the society and made possible through the kind cooperation of the dramatics classes, under the direction of Miss Anna L. Barney.

Following the purchase of their sweaters, the members of the society gave a dance in the College Social Hall, at which time the members of visiting high school track teams were their guests. All members of the society wore clean cords, sweaters, white shirts and black bow ties. The party was one of the most thoroughly enjoyed in the college year.

During track season this year the Block "C" Society has had charge of the officiating in every instance. All the college meets were run off under the supervision of the society, while the Northern Section C. I. F. meet was also under the direction of the college group.

The society numbers three Freshmen, eleven Sophomores, twelve Juniors and four Seniors. John Colledge, letter man in baseball, football and basket ball, is the leading letter gatherer, while Elmer Allinger, James Thomasson, Lloyd Brooke, Oscar Hollenberg, Art Johnson, Cliff Squier, Glenn Hill and Chauncey Wilson have all collected letters in two sports. The remainder of the men have one letter apiece at present.

As the annual goes to press the following men have won letters in track and baseball, although they have not yet been awarded their sweaters: Olker, Lawrence, Rath, Spencer, K. Palmer, E. Honodel and A. Cheney.

## WHISKERINO

### CHICO STATE COLLEGE HANGOUT

WHEREAS, due to the resumption of the institution of Pioneer Day within this college, and in order to promulgate and increase the production, effervescence, etc., of fungus upon the face, also known as cactus crop or whiskers, and to inspire this production by all possible means, including bear's oil, sour cream, lamp black, neatsfoot oil, Nujol or Shinola, in order that the students of this college may be effectively hid from the view of other students, the Whiskerinos were assembled together in this past year.

Whereas, due to the failure of many of these aforementioned alleged producers of facial fungus to comply with the commandments of the Whiskerinos many of the members suffered dire tortures. Some survive.

## GRANDFATHERS CLUB

NOW IT CAME TO PASS that when the college was convened together in the fall of the year, 1927 A. D., behold, there were many among the students who had tarried here many years, even unto their old age.

And there went forth one and numbered these ancient grandsires and he returned and he said unto the assembly, "Behold, even here among us are eleven learned ones who have been here since the pre-historic ages, yea, even before the faculty were they here."

Now these grandfathers were in the latter stages of senile decay, and had become childish in their ways. And they said, one to another, "Mayhap these students in the bloom of their late childhood plan evil against us. Let us form then, an association among ourselves, that we may protect ourselves from these youths, and pit our wisdom against their strength."

And they went forth and summoned unto their conclave all the aged eleven, and behold when they were all come together they were numbered and of the Tribe of the Grandfathers, even then were there Lamech whose surname was Bankhead, and Abraham, who was also called Bruce; and Mahalaleel Colledge, and Cainan of the tribe of Elliott; Noah whose surname was Harrison, and Solomon the Red, who was also called Henderson; Methuselah Johnson, Adam of the Clan Kennedy, Israel of the Meade, Moses of the tribe of Mellinger, and Seth whose surname was Siler.

And when they were met together, then did they choose from amongst themselves leaders, and for Patriarch they chose Adam Kennedy, and for High Priest even so did they select Lamech Bankhead, and Mahalaleel Colledge did they exalt to the position of Scribe.

And they went forth and did many mighty works and the youthful students marveled, and said unto each other, "Behold the prowess of these men of old age. Even now we will do well to leave them alone."

And the Grandfathers continued to abide within the walls of the house of learning and to perform their mighty acts of valor.

## GIRLS' COUNCIL

THE GIRLS' COUNCIL was organized three years ago with the purpose of drawing together the representatives of women's organizations which are located on the campus. The Council was formed with the idea that co-operation in school functions would be more valuable than individual work, however well meaning and efficient.

As an example of the work and progress accomplished, the afternoon teas which were given each Monday afternoon have tended to further school spirit among the girls. High Jinks and the get-together parties, the latter given at the beginning of each semester, are both fostered by the Girls' Council.

The publication, "The Informant," was compiled and issued under the direction of the Council for the purpose of informing and advising the Freshmen students about activities on the campus.

Preceding Pioneer Day a play, "Cupid's Partner," was presented by an all girls cast with music for the evening furnished by the members of the girls' orchestra. Proceeds from the play were used in sponsoring the dance given on Pioneer Day.

From these few instances cited the great work of the organization is clearly seen. Members who during the past year of 1926-1927 have helped in furthering school functions are:

The old home of General and Mrs. Bidwell has for five years been the dormitory of the college girls. These girls have, as an organization, been outstanding in activities and especially recognized for their enthusiasm and loyalty to the school. An effort has always been made by the girls to share, as much as possible, some of the pleasures that they realize by living in the interesting old mansion, so full of beautiful memories and associations. In order to do this they have entertained numerous student and faculty groups, and on several occasions have had open house for organizations and for the entire student body.

During the fall semester the Bidwell Hall girls started their merry-making by putting on a stunt between halves of one of the first football games played on the Chico College field. While the California Polytechnic fellows were in town for a football game with the Wildcats they were entertained at the hall.

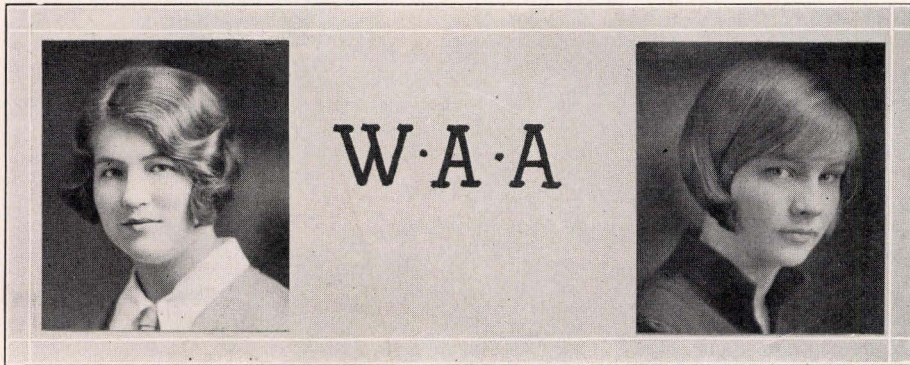

In the spring term Bidwell Hall girls gave a Colonial Tea for the women students and faculty. All the girls of the Hi Y Convention were entertained at the mansion. When the Whittier Glee Club came to Chico they did not neglect to visit the dormitory. Pioneer Day found Bidwell Hall with an open house and a lively concession. The activities at the hall ended with the Senior reception given by the faculty to graduating students.

February graduates were Alma Austin and Colice Close. Marvel Jones graduated in June as a degree student in home economics. Others finishing in June were Gladys Ashley, Alice Grant, Harriet Fuller and Reva Kennedy. Those who graduated in July were Winifred Grant, Edna Shelton, Helen Rannels, Lucille Murray and Louise Grant. The other members of the hall, in order of seniority preference, are Evelene Olson, Alice Lillie, Elizabeth Tunison, Rosemary Hopkins, Alma Wilkinson, Catherine Zwiebel, Clarice Phillips, Grayce Dennis, Evelyn Reager, Edna Mae Will, Ruth Curl, Thora Lee, Evelyn London, Emma Loomis, Lena Yank, Lela Corliss, Esther Bygum, Lois Barstow, Catherine Middleton, Dorothy Johnson, Winifred Close, Frances Dallas and Lois Milligan.

## SUMMER SCHOOL

SUMMER SESSION OF 1926 marked the seventh year at the foot of Mt. Shasta. This ideal summer camp was nearly overrun with students who were seeking both work and play, for besides the desired extra units, one can secure from Chico Summer School a real vacation in the mountains.

There is a social life at camp which has no parallel. The Felix Family, the girls' organization; the Shasta Sheiks, the boys' organization, and the Weak Sisters, the organization made up of the faculty men, and the Kitchen Maniacs were the four most active groups of merry-makers in camp this year.

Baseball and volley ball made up the principal diversions of the evenings, in which sports both boys and girls vied for honors. The Kitchen Maniacs proved champions in volley ball.

Besides the camp life, many enjoyable trips were taken by the students and teachers. Several parties went to Crater Lake, especially around the 4th of July. Some went to the Ice Caves; one group went to Mount Eddy. The annual trip to the top of Mt. Shasta was attempted by a large number this year. About fifteen reached the summit. Dr. Cole acted as guide.

Dances were given at the Lodge every Friday night by the different organizations. The Summer School Orchestra supplied enjoyable music.

The faculty gave the student body a weiner roast and an ice cream treat down at the Lodge.

The students were given the opportunity to attend splendid Sunday services which were given each Sunday by Dr. Wilkie. Dr. Wilkie was also the speaker at the graduation exercises.

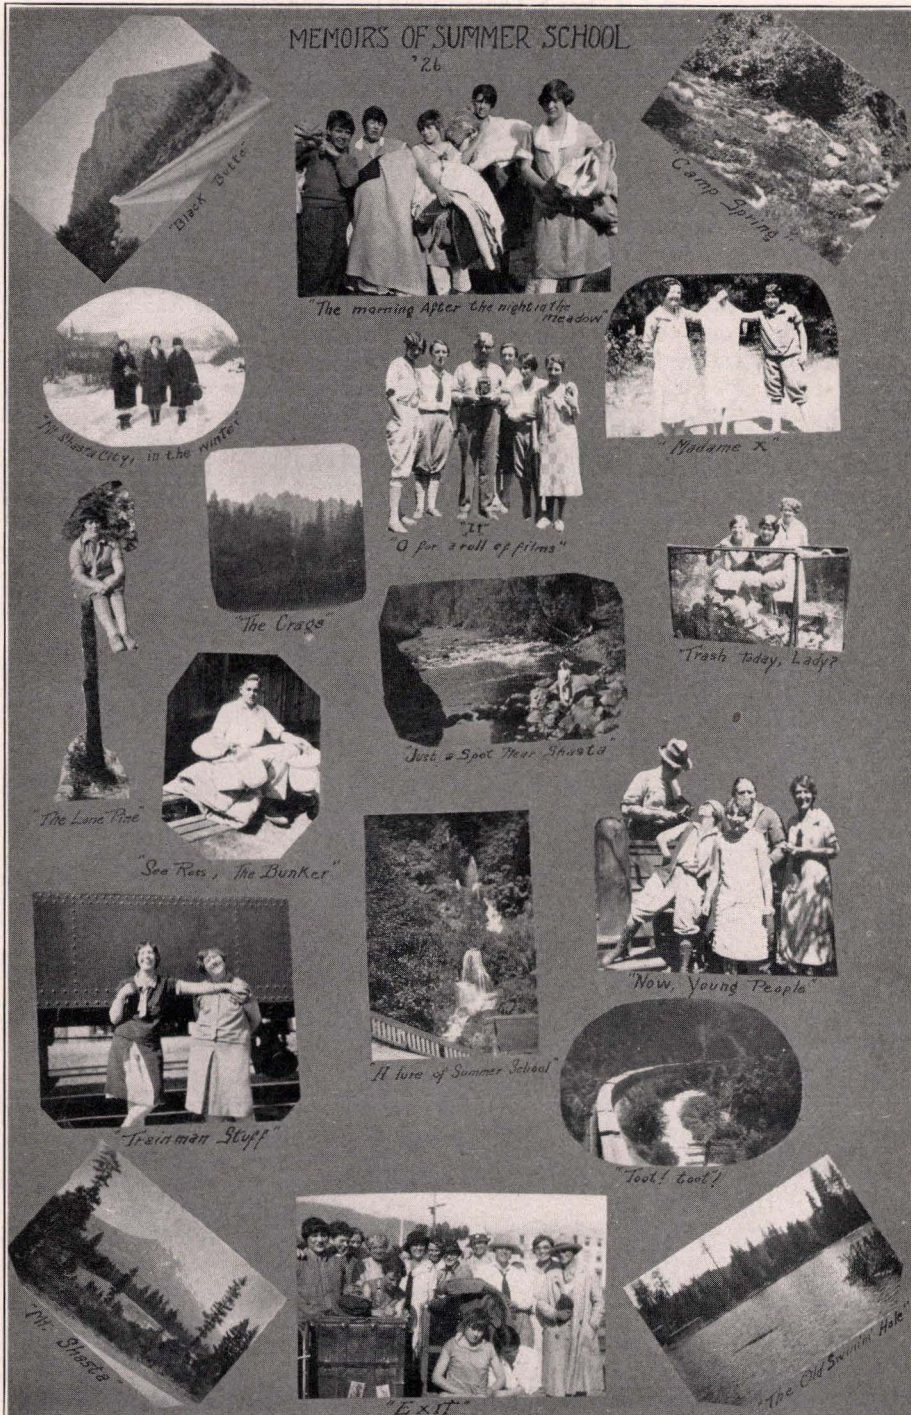

The dramatics class presented a number of plays at the Lodge and also at the theatre at Mt. Shasta City.

One of the greatest attractions at Summer School was the "Shelix Gossip Sheet," a newsy little paper issued by the Felix Family and the Shasta Sheiks. This paper portrayed the cream of the activities of camp.

The attendance has rapidly increased in the last two or three summers, which has demanded the construction of a number of new buildings. Among these is the large administration building containing a number of classrooms and an assembly room. It is expected that the enrollment will continue to climb and that Chico Summer School will become the most popular of summer schools.

The course for the 1927 summer session has been changed considerably. Required subjects will be few this year in order to make possible a larger scope of electives for the benefit of those who desire advanced work.

## CALENDAR OF EVENTS

## WILDCAT SCAMPER

WHAT THE VETERANS at school termed the best Wildcat Scamper ever presented at Chico State, was held in the gymnasium Tuesday evening, January 25, in the last week of the fall semester. For the first time in history the affair was staged entirely under the supervision of the Block "C" Society and due to the success with which things went off, the letter men decided to make it a Block "C" institution. A crowd of 150 people, including a large number of Chico business men, was crowded into the "box-car" for the evening's fun.

In the first bout on the program, Jimmy Elfendahl and Jimmy Morgan, a couple of first year boys, failed to reach a verdict after four rounds of milling. It was a nice scrap but produced no blood-spilling action. The best bout of the evening was between Vic Fox and Scoop Harrison. Although Fox was under a handicap of size and weight, he showed plenty of nerve and made Harrison work hard for his decision. Mickey Nugent and Jim Jacobs tangled three rounds to a draw. Both boys were willing to mix things but lack of condition slowed down the rounds after the first minute. In the main event, Bud Gage found "Kid" Spears to his liking and in the second round, hung one on the Orland boy's chin for the count.

Hap Miller won the free-for-all when he toppled Cliff Bruce, the remaining contender, out of the ring. Jimmy Thomasson and George Stuckey exhibited some flashy work and both went out of the ring when they fell after clinching.

Eddie Butts, Neil Cheney and Glenn Hill had their hands full pinning Don Byrne, Walter Rogers, Charlie Cunningham, George Leverette, Lloyd Brooke and Vernon Van Nuys to the mat.

The Sophomores trounced the Frosh by the score of 18—8 in the basket ball game where boxing gloves supplanted rules. The first year men were leading at the close of the half by 6—4 but the dead eye and heavy punch of Oscar Hollenberg turned the tables. John Lillie featured with several nice runs for the length of the floor. Lineups were: Sophomores—Fox, Bishop, Hollenberg, Lillie, Pauly and Sisk; Frosh—Cleek, Avilla, Ross, Lemen, Johnson and Brown.

## GIRLS' HIGH JINKS

**H**IGH JINKS!! What a thrill the name gives the women students, for this is the only traditional event held annually by the girls of Chico State. This year the celebration came on November 20.

When the girls came it seemed they had been transformed by some mysterious power into fairies, black faced topsies, and others into shy little ladies, who might have stepped out of old daguerreotypes. However, not all were ladies, for here and there were seen bold little boys, stout affable gentlemen, and fuzzy faced Russian counts.

Among the clever stunts, that of the faculty will long be remembered. We were conducted through "Mrs. Jarley's Waxworks," and here we found such prominent people as Queen Marie of Roumania, the noted Aimee McPherson, the sensational "Peaches" and "Daddy" Browning, the heterogeneous Siamese Twins, and a modern version of Shakespeare's Romeo and Juliet. On beholding the grimy features and cords of Romeo, we gasped, for we could see a distinct resemblance to those of our best known football hero.

Another highlight of the evening's performance was the "Toy Shop" presented by Pi Kappa Sigma. The costumes of those taking part were quite unique, colorful and distinctive.

After the program the whole fantastic throng clambered up to the social hall where they participated in a grand march.

The evening was spent in dancing and playing games. Towards the wee sma' hours, supper was served in the cafeteria.

## SOCIETY

## ANNUAL JOLLY-UP PARTY

COLLEGE OPENED on the 20th of September and on the 23rd a Jolly-Up party was given by the Girls' Council in honor of those attending school for the first time.

During the first part of the evening, a program was given in the assembly hall. This consisted of songs and yells given by the upper classmen, a piano solo by Violet Yuhnke, a one-act play, "Impertinence," by Viola Tatman and Maxon Mellinger, piano solo by Edna Mae Wills and selections by a men's sextet.

## FIRST STUDENT BODY DANCE

The St. Ignatius football boys were the guests at the first student body dance, held on October 16.

The Pi Kappa Sigma sorority had charge of the program and decorations. The hall was festive in its decorations of asparagus greens and autumn colored vines.

## WAFFLES AND DANCE

Waffles! From the halls wafted the irresistible odor of the delicious tid-bits. The Home Economics Club was hostess to the student body at this delightful affair, which was held on December 9, between the hours of four and six.

## CHRISTMAS DANCE

Another dance to be long remembered was that of December 14, when the Freshman class members were hosts to the student body. A great many alumni and students enjoyed the evening of dancing.

Patrons and patronesses of the successful affair were Mr. and Mrs. Fordyce Stewart, Mr. and Mrs. C. M. Osenbaugh and Miss Anna L. Barney.

## TEAS

Founders' Day was celebrated on January 10 by a tea given by the Delta Phi Upsilon Kindergarten-Primary fraternity for the women students and faculty members of the college.

This tea was followed by many others given by Candlelight, Lanternlight, Delta Sigma Epsilon, Searchlight, Pi Kappa Sigma, Girls' Athletic Club, Physical Ed. Majors and Bidwell Hall.

## EX-JAM PARTY

The Ex-Jam party, held January 26, was sponsored by the Girls' Council. An unique program, held in the assembly hall, consisted of a short skit, "The Bluffer," music by the college orchestra and violin solos.

After this program, everyone went to the social hall, where another part of the program was given. This was a very interesting Spanish dance by the Misses Corey, Powers, Lerner and Wright, under the direction of Miss Kotsch.

After the program, dancing and cards were the forms of amusement. Later refreshments were served.

### GIRLS' ATHLETIC PARTY

The Girls' Athletic Association gave a program and a dance in the assembly and social hall on February 10 between the hours of four and six.

A delightful program was given, consisting of vocal solos by Dorothy Brown, a clever dance by Gladys Ashley and Vesta Cory, and vocal selections by Maxon Mellinger. This was followed by dancing in the social hall.

#### "SOPHOMORE HOP"

On February 25, the social hall was the scene of a most successful affair, the "Sophomore Hop." The dance was well attended by Sophomores, Freshmen, Juniors and Seniors.

The hall was made gay with sprays of acacia. Streamers of yellow and green crepe paper hung from the ceiling, softly shading the lights.

Mr. and Mrs. C. B. Whitmoyer and Mr. and Mrs. Fordyce Stewart were patrons and patronesses

### ST. PATRICK'S DANCE

Friday evening March 18, a large group of students enjoyed a student body dance held in the social hall.

The decorations were in keeping with St. Patrick's Day. Streamers of serpentine, green balloons and large shamrocks were hung from the ceiling.

The patrons and patronesses of this successful affair were Mr. and Mrs. C. M. Osenbaugh, Mr. and Mrs. Fordyce Stewart and Miss Anna L. Barney.

#### BLOCK "C" HOP

On March 31, the Block "C" Society gave a dance in the social hall for members and high school athletes, which was proclaimed one of the most enjoyable events of the year.

The Block "C" men used boughs of weeping willow, which were draped around the chandeliers and on the walls.

During an intermission the Block "C" men gathered around the piano and sang "Hail Chico." The girls also joined in the singing and made the hall vibrate.

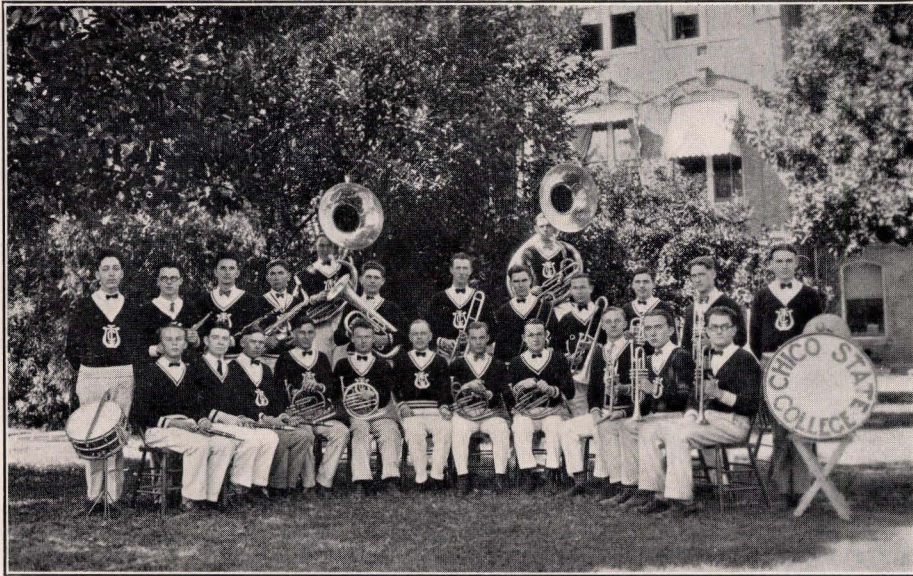

Patrons and patronesses were Mr. and Mrs. Kidder, Mr. and Mrs. Jackey, Mr. and Mrs. Acker and Miss Anna L. Barney.

### JUNIOR PARTY

By far the most novel party of the school year was the Junior Class "Night in Greenwich Village" given in the college cafeteria during the latter part of April. The cafeteria was cleverly decorated to represent a low "dive" in Greenwich Village, and boxes for tables, art exhibits, and bizarre costumes contributed to the effect carried out.

Between dances punch was served in bottles and broken handled cups, while the remainder of the intermission was filled in with a few numbers in the form of a program. Solos were rendered by Miss Orva Bybee and Maxon Mellinger, a Spanish dance was put on by Messrs. Cunningham and White, while Brown, David and White presented a one-act skit for the pleasure of those assembled. The party was voted a huge success by all in attendance.

## BOYS' BAND

THE CHICO STATE Teachers College Boys' Band, under the directorship of Paul Howard Young, is the newest musical organization in the college, its formation dating from the early part of this semester.

Due to the fact that several trips and marching engagements were planned in which a mixed personnel would break established musical conventions it was decided that an all boys' band would make possible the easier carrying out and the participation in of various trips of several days' length.

During its short period of activity numerous successful programs have been rendered. These programs involving concert work and fancy marching, have been successfully put over in the college and in numerous towns.

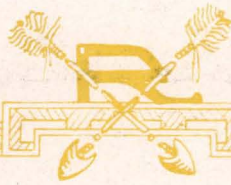

Among the outstanding accomplishments of the boys' band was the six-day tour of towns in Northern California and Southern Oregon where at each town visited the theatres had booked the musicians to play in paid musical programs. The entertainments consisted of march numbers, and overtures featuring horn solos in addition to violin solos and clarinet duets.

Twenty-seven players were carried in the big transit bus which made the six hundred mile round trip. The trip resulted in making Chico State better known throughout the territory traversed.

The band helped materially in the Pioneer Day celebration.

The band has its regular organization, the officers of which are Lawrence Curtis, president; Bryan Woodward, treasurer; James Elfendahl, business manager.

Now those who think our jokes are bum  
Would straightway change their views,  
If they compared those that we print  
With those that we refuse.

*Frosh*: "Are they very strict in Mr. Brickley's classes?"

*Lillie*: "Are they? Well, when a man dies during a period they prop him up in his seat until the end of the hour."

*Butts*: "D'ye ken that Goof fell in the river on his way home last night?"

*Carmack*: "You don't mean to say he was drowned?"

*Butts*: "Not drowned, but badly diluted."

*E. Bauer*: "Where are you going?"

*Macaroni*: "To my own funeral."

*E. B.*: "What do you mean?"

*Mac*: "Quiz in Primary Curriculum."

*Thora Lee*: "I don't know much about women."

*M. E. M.*: "I guess no one else does, either."

*Mrs. Spencer*: "The girl that marries my son will get a prize."

*T. McCray*: "What a splendid idea! Will it be a cash prize?"

*Sisk*: "These college girls save me a lot of money."

*Cleek*: "How come?"

*Sisk*: "They won't any of them step out with me."

*Steve*: "I never got all my papers back in psychology."

*Spike*: "How'd that happen?"

*Steve*: "Never handed 'em all in."

She couldn't express herself. She couldn't even send herself by freight.

*Snake*: "Are you going to the Pi Kappa Sigma party?"

*Tough*: "No. I'll be out of town that week-end."

*Snake*: "I didn't get invited either."

A large number of women will lie for love—of lying.

Eye of prof alone is open,  
All through this class.

*Mildred G.:* "What is the date, please?"

*Miss Kaps:* "Never mind the date. The examination is more important."

*Mildred:* "Well, I wanted to have something right on my paper."

*M. J. B.:* "These fellows around here are always trying to get money out of me."

"Young man, why do I find you kissing my daughter?"

"I guess, sir, it's because you wear rubber heels."

*Isabel* (reading aloud the end of a very long letter): "Then I will come home and marry the sweetest girl on earth."

*Evelyn:* "What a dirty trick, after being engaged to you."

Her eyes were as black as jet,  
This charming girl I knew;  
I kissed her, and her husband came,  
Now mine are jet black, too.

#### GAGE'S ANTHEM

Drive gently, sweet co-ed, along this rough road,  
Drive gently, sweet co-ed, we've got quite a load,  
This flivver's a wreck and don't have far to roam,  
Drive gently, sweet co-ed, or we will walk home.  
These springs and these cushions are nearly worn out,  
This top and this windshield can't be banged about,  
The best we can do is a sort of a creep,  
I charge you, don't break down this rattling old heap.

"Dorothy, dear, let's set our wedding date for next Friday."

"Oh, Glenn, but we can't; I've a date that night."

*Merrill*: "Don't make any more of those biscuits, dear."

*Faye*: "Why not?"

*Merrill*: "You're too light for such heavy work."

Broke, broke, broke,  
On thy square white dice—oh, gee;  
And naught but the gutter can mutter  
The thoughts that arise in me.

The minister was the guest of the Stewarts for dinner. Little Holmes was questioning him.

"Is God everywhere?"

"Yes, Holmes, God is everywhere."

"Is God in the sugar bowl?"

"Yes, Holmes, God is everywhere."

"Is God in my pants pocket?"

Again came the same answer.

"Ha, ha!" flashed the final retort. "I fooled you. I ain't got no pants pocket."

*Cunningham*: "Why did you join the Salvation Army?"

*Elfendahl*: "So I could play my cornet in public."

*Dr. Miller*: "Mr. Wiser, describe the western movement."

*Stacy*: "I can't. I never attended a dance in Chico."

The woman always pays—with her husband's money.

*Alice*: "What shall I serve with onions and garlic?"

*Louise*: "Listerine."

*Arvid* (ardently): "All the world loves a lover, dearest?"

*Pauline*: "You haven't met papa yet, have you?"

"Keith, are you awake?"

"Yes, Tom."

"I want to borrow five bucks from you tomorrow."

"I am asleep."

"It ain't sanitary," protested the traveler, "to have the house built over the hog-pen that way."

"Well, I dunno," replied Byrne, "we ain't lost a hog in fifteen years."

This is for boys only. The young women are requested to omit the following when reading this book. It's inverted to avoid any mistake.

It's just the thing they're sure to see,  
A thing that's not meant for their eye.  
To show how foolish girls will be,  
This verse is just a little guy.

*Pauly:* "So Helen is a very careful girl?"
