JOHN R. BUNTING

OUR COUNSELOR

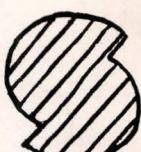

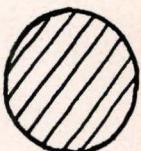

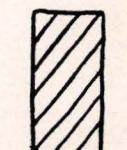

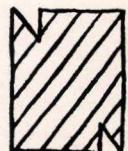

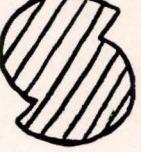

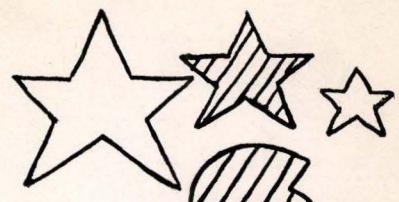

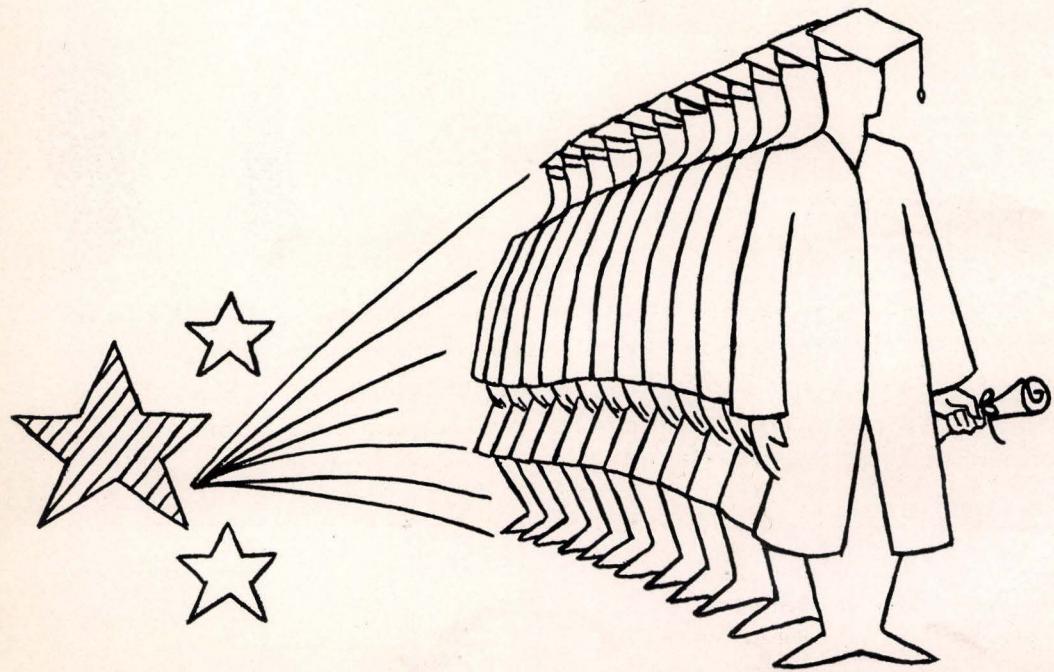

To Mr. Bunting, who has been our adviser, counselor, and friend for the past three years, we the graduating class of January, 1941, sincerely dedicate this Flame.

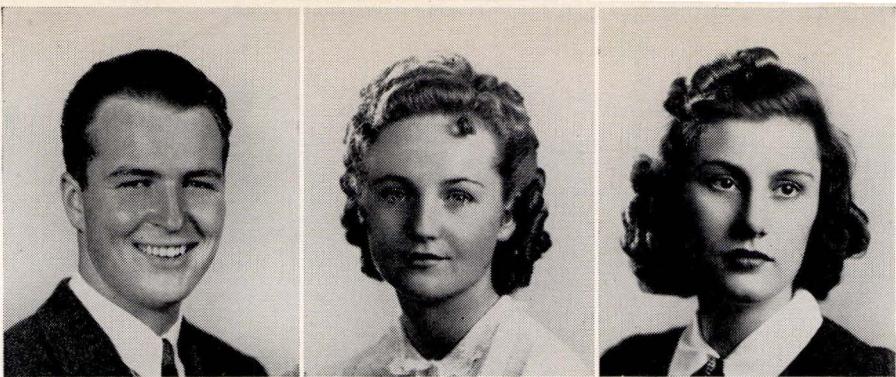

We appreciate the time, thought, and guidance you gave each one of us as we came to you with our many problems, and hope we may return in the future successful men and women because of your encouraging words and help.

Mr. Bunting Says:

As this Flame goes to press, we of the high senior class meet each other in the halls with mixed emotions. Our three years together rapidly draw to a close. The Flame, so much a part of Fremont, is also a part of us, the class of January, 1941. Most of you, as individuals, know your counselor's hopes for you. As years go by, come back to Fremont and let us know the details as these hopes come to fruition.

CLASS HIGHLIGHTS . . .

L10 — Class Officers: Jack Corder, class chairman.

BIG AND LITTLE SISTER PARTY . . . The theme of the party being nautical, the decorations and programs were carried out in "ship-shape" form by the L12 girls, who entertained the girls of the class at this traditional get-together on Thursday, February 17, 1938.

MAY DAY . . . Tradition gave our class the responsibility of decorating the door of every classroom in the building with a May Basket filled with flowers. Jack Corder was general chairman; Betty Mathias, chairman of the flower committee; Beverly Frey, chairman of the art committee; and Donna Harris, chairman of the food committee.

H10 — Class Officers: Bob Wright, president; Donna Harris, vice-president; Rhoda Hollenbeck, secretary.

NEW GYM . . . Construction on our long-awaited modern gymnasium was started Monday, November 25, 1938. The ground-breaking exercises were held at 11:00 a. m. on the same day.

SOPHOMORE HOP . . . Amid the atmosphere of the Alps and the surroundings of an Alpine Lodge (later converted into a refreshment stand) we enjoyed our first big social event together on Thursday, December 1, 1938. The program featured a group of novelty numbers, and Ralph Peterson's orchestra played for dancing.

L11 — Class Officers: Don Buntain, president; Eleanor Ludwigsen, vice-president; Eloise Spamer, secretary.

ST. PATRICK'S DAY DESSERT PARTY . . . Replacing the traditional L11 tea, we had a St. Patrick's Day Dessert Party for our parents on the evening of March 9, 1939. The purpose of the evening was to get our parents acquainted with the aims of a modern high school. A short program was offered, which featured a monologue by Bert Holland.

H11 — Class Officers: Rhoda Hollenbeck, president; Doris Freeman, vice-president; Betty Albright, secretary.

NEW GYM COMPLETED . . . Our new gymnasium was publicly inaugurated on October 13, 1939. Fremont held open house for the occasion, and between eleven and twelve hundred parents from the community attended the affair. At the request of the student council and the Fremont faculty, the Board of Education approved naming this gymnasium in honor of a man who gave the best part of his life to our school, Mr. H. D. Brasefield.

JUNIOR PROM . . . A barnyard frolic was the theme. Several bales of hay and thirty-five yellow pumpkins made an appropriate setting. The girls dressed in gingham and the boys in jeans. This memorable event took place on Thursday, December 7, 1939. Rhoda Hollenbeck was the student chairman of the affair.

L12 — Class Officers: Clyde McAuley, president; Eleanor Ludwigsen, vice-president; Edith Payne, secretary.

BIG AND LITTLE SISTER PARTY . . . Life-size replicas of Cinderella, the prince, the fairy godmother, and others, aided in carrying out the theme for this party, held on Thursday, February 15, 1940. The girls of our class played hostess to the L10 girls, presenting for them a novelty program, which featured a skit entitled "Cinderella."

H12 — Class Officers: Bill Gray, president; Doris Tapley, vice-president; Betty Sullivan, secretary.

SENIOR BALL . . . The Ball was by far the most colorful and most memorable event of our high school career. Stardust was the theme, which was carried out by a 12 x 14 foot mural depicting a boy and girl sitting on a hilltop gazing at a starry sky. Jack Buckingham and his sweet swing orchestra were engaged for the event. The Ball was held on Friday, December 13, 1940.

MEMBERS of the class of January '41 who received recognition pins from the Oakland Press Association are: Betty Mathias, Phyllis Riehl, Marve Taylor, Ken Dunham, Mitsugi Neishi, Doris Tapley, Mary Miller.

SENIOR DINNER . . . The Senior Dinner, our last social event together before graduation, took place on Friday, January 10, 1941. Bill Gray, Helen Jamieson, Gerald Roinestad, Eleanor Ludwigsen, Bert Holland, and Alice Schnaidt presented talks.

FOOTBALL SUMMARY...

Led by two all-city linemen, co-captains George Whalen and Charles Storey, the Fremont Tigers battled themselves to the second rung on the O.A.L. ladder. A swift striking passing attack with all-city halfback Art Murphy throwing and the two all-city ends, George Whalen and Gordon Wood, catching the ball was supplemented by the powerful ground attack starring fullbacks Merle Theobald, Jack Copes, halfbacks Art Murphy, Jack Reilley, Leo Tocchini, and quarter back Earl Figg. Figg was a brilliant field general, always pulling the team together and capitalizing on the breaks. As a blocking back Leo Tocchini was among the best. The line was the strongest part of the team. Flanked on both ends by all-city players, Whalen and Wood, and anchored at the middle by all-city Bob Boyle, the line out-charged, out-fought and outplayed every other line in the league. Tackle Carl Moody and guards Jim Mackin, Ken Hofmann, Bob Mills and Toby Perreira made up the rest of the wall of gold.

When asked after the season had finished about five minutes previously if he thought the season a success Coach Pawek bubbled through tear filled eyes in his inimitable manner, "They are the greatest bunch of fellows I have ever had."

FREMONT 0 — TECHNICAL 0

The highly touted Bulldogs came to the Fremont saw-dust pit to hold a supposedly weak Tiger team to a scoreless tie. Coach Pawek uncovered a new kind of attack that astounded the Tech squad. Jack Copes found a gapping hole at left guard and used it for many yards. In the final quarter Keith Mann sped around the ends behind some excellent blocking to give the pups a scare. The most interesting feature of the game was the kicking of Tech's Ed De Barnabo. One kick traveled over seventy yards.

FREMONT 18 — OAKLAND 0

The Tiger goal line was still impassable at the end of the second game. The Fremont passing attack really opened up in this game. Art Murphy made the Cats' pass defense look like a sieve, by completing passes almost at will. The game also uncovered a new star in the person of Merle Theobald, a sophomore fullback who bucked the Cats' line to pieces. Figg scored the first touchdown on a 45 yard pass from Murphy. The two other touch-downs were executed by Murphy and Theobald. Both were completed by short line bucks over center.

FREMONT 12 — McCLYMONDS 2

Once again the Bengals romped on to victory on the swift moving passing attack. Both touch-downs were scored as the result of passes; one from Murphy to Whalen and the other an interception by Eugene "Tiny" Balugo, reserve center. Balugo went in when the man of the week, Bob Boyle, was injured. He intercepted one of George Mendoza's passes to run behind seven man interference to a touch-down. The Tigers' goal line was not crossed but a blocked kick resulted in a safety for the Macks. The first touch-down came after Murphy had completed passes to Wood, Figg, Copes and Whalen in succession.

FREMONT 0 — UNIVERSITY 0

The Fremont varsity came its closest to collapse in a dead, thrillless game. The passing attack bogged down, the running was poor and the blocking generally ineffective. The man who saved the day was Art Murphy, his passing was good but the catchers could not hang on to the ball. Figg, Whalen, Wood and Copes each caught two passes and that ended the Fremont offensive. Leo Tocchini proved a surprise as a ball carrier. Uni was held to their own territory for the most part and were a distinct disappointment.

FREMONT 6 — CASTLEMONT 6

A terrific battle resulted on the meeting of the two grudge teams. It was one of the most "manly" games of the season. The Fremont touch-down was scored by Merle Theobald on a twenty yard run. Merle swivel-hipped his way through and around the entire Knight team in the best run of the season. Every play in the book was used by both teams in a battle to move past the 40-yard line. The last quarter found the game opening up with both teams trying to make a last minute score to win the game. On a blocked kick Hoffman of Castlemont picked up the ball and was pulled down by Gordy Wood in a beautiful shoe-string tackle.

ROOSEVELT 19 — FREMONT 12

The high-riding Cowboys of Roosevelt swept over the startled Tigers in a surprising upset. Expecting an easy game the Tigers were set back on their heels and beaten in a few lax moments. Joe Penzini interceptd a pass, Bob Bargas, and Hank Marquis passed and ran over and around the Tigers to touch-downs and Fremont was beaten. In the third quarter the Tigers came to life momentarily when the passing attack opened up the Ted defense and Merle Theobald cracked through the line to two touch-downs. Theobald went over for the first one and Murphy tossed one to Tocchini for the other score.

FREMONT 12 — SAN LEANDRO 0

This game was being played for two weeks in advance at the Tiger campus as San Leandro had already won the O.A.L. title. Coach Pawek devised a defense for the tricky Pirate attack and the league-champions were set back roughly. Jack Copes and Toby Perreira were the two biggest guns of the Bengal team and every man played his best game. Chuck Storey and Gordy Wood were a Gibraltar on the left side of the line as were Perreira and Whalen on the other. Power and passes were the keynote once more in the Fremont attack, and they pushed the Bucs around at will. Copes scored both touch-downs on short bucks through the center. The victory over the Pirate eleven gave Fremont the moral crown of the season.

All in all, the season was a great success and showed the true power and ability of a muchly under-rated Tiger eleven. The team scored 60 points and had 33 scored on them. The amazing fact that they scored 10 touch-downs and not one conversion reflects in no way the quality of the team. Whalen, Storey, Wood, and Murphy were put on all-city teams and Hofmann, Perreira, Mackin, Figg, Copes, Mills, and Theobald received all-city recognition. It was a great season and a great bunch of players. Coach Leo Pawek did an excellent job of making a team good that was supposed to be second rate. If a coach of the season must be chosen it must be Coach Pawek.
