P.A. Dinner Big Success

With the first annual family dinner, the George Washington High School Parents-Teachers Association celebrated its fall term. The dinner was held on October 5 at 6:30 p.m. in a large hall. The school cafeteria was the scene of the dinner and will continue only later. It was a most successful affair. Through Mr. James Lee, the chairman of the dinner, an amount of \$100.00 was raised for the P.T.A. fund. The money will be used for the purchase of new books for the library. The P.T.A. also plans to hold a fund-raising drive for the purchase of new books for the library. The P.T.A. also plans to hold a fund-raising drive for the purchase of new books for the library.

Sport Night Honors Sophomores

On Friday, September 20, the lights in both gymnasiums were on full, a mass of girls and rubber-soled shoes were to be seen. What's happening? Why are all the lights on when the school is so quiet? Suddenly there's a shout, three cheers and still another. All the while players are jumping the Sport Night, with basketball, volleyball, ping pong, and the basketball games.

But this Sport Night was different. It was in honor of the low sophomores of them dragging their heads under referee's hand.

A good time was had by all, and you reported to sure that many new friends and customers will be returning for more fun.

Student Body Card Chosen

What would you like best term's student body card to look like? This question was answered by more than 1000 Washington students who voted on Monday for the new student body card. The winning design was submitted by Ed Birch. It shows three main sports, basketball, track and baseball, with George Washington written down the center.

SCRAP BOOK

Something to Remember You by . . .

The 1950 Surveyor is **for** you and written **by** you. It's your picture in the rooting section or with the graduates. It's your snapshot in the candid page or in the sports section. **You** — all of you, and individually, too — made this past school year as great as it was. And the editors have tried to present that year to you in words and pictures, just as you lived it. It's **your** scrapbook of what you did. We'll always remember the privilege of transcribing it for you; we hope only that you'll realize as you turn the pages that good times never die, and that this Surveyor may preserve those memories for you . . . forever.

MR. O. I. SCHMAELZLE

Principal

All too often a faculty of a school is looked upon as a group of persons to be held in esteem solely because of their training and ability. George Washington, however, has been fortunate enough to have one which possesses both of these traits as well as the very necessary element of good sportsmanship. Everywhere the spirit of friendliness and helpfulness prevails.

We are doubly proud of our teaching staff for its serious and conscientious professional attitudes. The records of our graduates have proven our teachers do their work efficiently and properly.

Washingtonians, all hail our industrious and good natured teaching staff.

Student Body Officers Fall '49

George Robinson, student body president, is the quiet type, but with his quietness he had the respect of the student body as its leader. This was proven during 1949 when he made a special broadcast-appeal to the students to police themselves at noon before the Administration was forced to take a hand and treat us like babies. The appeal was heeded.

Carol Foster was our vice-president from a hospital bed. During the summer of 1949 she contracted polio and was unable to actively fulfill her duties. But she did plan in writing and in detail all the school dances ahead of time.

Claire Foster, secretary, became acting vice-president, and did an excellent job carrying out Carol's plans. She did a lot on her own, also, to help make dances and rallies a big success during 1949.

Burk Jones, second vice-president, proved he could take over in an emergency. He became acting secretary and did a very fine job taking minutes and keeping the records.

Joe Sterne, our treasurer, put George Washington High over the top again in student body card sales. We were 100% within five days for the 15th term in a row.

Sam Potter did a fine job as custodian. He had a lot of trophies and banners to care for, as George Washington High's fall sports record was one to envy.

Bob Treseler, athletic manager, did a swell job putting over ticket sales at the games, averaging 1000 tickets per game for the football season, and should be especially commended for putting over programs at the games, especially the Lincoln-Washington program.

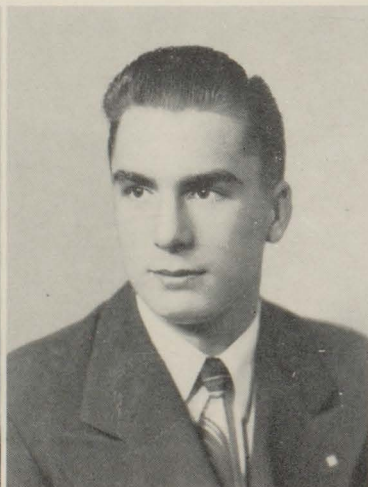

Gus Hassapakis, yell leader, brought two new yells to Washington: "Go Get 'Em Scarlet" and "Eagle Fight Yell." Gus was also the one who put over the half-time card tricks at the Lincoln and Lowell football games.

Student Body Officers Spring '50

Again this term, as in the past, George Washington had a fine hard-working group of student body officers who did an excellent job to make the Spring term a big success. President Gus Kanelopoulos and his rally committee produced above par rallies all term. Gus, who plans to attend Cal, will be missed around school next term.

Claire Foster, acting as regular Vice-President this term, did an outstanding job of planning dances. Claire also plans to attend Cal if she doesn't go to Stanford.

Bob Hilmoie, 2nd Vice-President, did a good job with the Associate Rally committee and the planning of the May Festival.

The records and minutes were kept in the usual neat manner by Secretary Joyce Cohen who will be seen around S. F. State next term.

For the 16th consecutive term George Washington was 100% in Student Body Card sales, thanks to the fine work of Treasurer John Boragno. John, who will be at U.S.F. next term, also did a great amount of work on the May Festival.

Custodian Dick Kissick kept the trophies shining brilliantly all term, and it was some job, too, with the track team bringing in three or four new ones every week.

Athletic Manager George Marten, who also plans to enter U.S.F., did a good job on ticket sales for the term. His advertising of coming sports events was also exceptional.

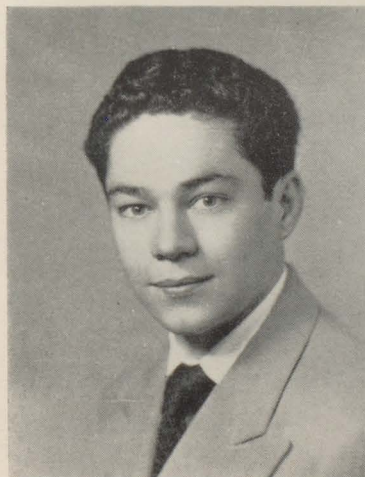

The school spirit was kept at a high level all term by Yell Leader Jim Bovero. Jim had the kids yelling at the top of their lungs in the basketball finals when we just missed the championship.

The Girls' Service Society, founded by Miss Edith Pence thirteen years ago, always stands ready to serve Washington in any capacity which the faculty deems necessary.

The G.S.S. is an elective organization. To become a member, a candidate must have a high citizenship record and at least fair scholarship marks. The girls, who are nominated by the teachers and members of the group, must have a record of many services promoting the welfare of the school. Because there may not be more than twenty-five members at a time and because the requirement of service is so high, most of the members are seniors.

The duties of the G.S.S. are many and varied. With the help of the Eagles they ably keep order in the rallies and cafeteria without faculty assistance. Ushering at school functions and operating the elevator are two more duties of G.S.S. members.

President for the fall term was Beth Ingram, while Bobbie Slote was elected to this office the following term.

The Eagles are members of the boys' service society. They, like the G.S.S., wear scarlet and grey hats, keep order at school functions, and at all times are at the service of the faculty.

There are two types of members in the society. The ex-officio members are the grade presidents, all boy student body officers, the chairman of the boys' senior advisors, the president of the California Scholarship Federation, and one member of the broadcasting staff. These "automatic" Eagles elect twelve other George Washington students who have done service for their school.

Paul Sheriff, Fall president, was re-elected for the Spring term and became the first president in the history of the Eagles to preside for one year.

Every great body of democratic individuals should have a legislature, or law-making section. George Washington High School is no exception. Our legislature is the Executive Council.

The main function of the Executive Council is to apportion the funds of the school to the different activities and organizations. It also proposes amendments to the school Constitution, passes and amends by-laws to carry out the provisions of the school Constitution, grants all awards and honors in the name of George Washington High School, and does numerous other legislative duties as are listed in the school Constitution.

This year the Council took on a new job—that of beginning the rewriting and amending the present George Washington High Constitution. A constitutional committee has been working on the proposed changes, which should be presented to the students for approval by the time this SURVEYOR comes out, or by next term.

Membership in the Executive Council, also known as the Student's Council, consists of the elected class officers of each class plus a number of representatives as shall make a total of six from each class, and all student body officers. Meetings are held about once a month during school time; the student body president presides, and Miss Selig acts as advisor.

Each Tuesday morning when most of us are grabbing those much cherished "forty-winks," many loyal Washingtonians climb out of bed to attend a very important meeting held at 8 a.m., called the Principal's Cabinet.

Student government is an outstanding function here at school. One of the strongest links in the governmental chain is the Principal's Cabinet which acts as a advisory board to Mr. Schmaelzle. One delegate from every registry as well as student body officers attend, and it is a tribute to the Cabinet that so many other students come to the meetings. Everyone is welcome, but the registry delegate is the one who makes the report to the registry about the problems discussed, such as tardiness, rally conduct and other important school affairs.

Principal's Cabinet has grown until now it is composed of a typical cross section of our student body. All types and personalities are represented, and all are striving toward an ideal. That ideal is a perfectly run student government. And they're doing a great job!

It Was A Good Season . . .

When the Eagle grid team took to the field last September 22 for its first A.A.A. game against the Mission Bears, they were underdogged by just about every paper in the city. This was all right for the papers but not for the Eagle eleven. When Payne started running, Shibata passing, Benezra catching, Chambers place-kicking, and defensive left half Gene Ashby breaking up three touchdown plays, the Mission team found us to be no pushover. Final score: a **19-6** victory for Washington.

On October 7 we nabbed our second straight win from the Galileo Lions, **28-7**. Defensive play in this game was really rugged. Stand-outs were Payne, Shibata, Lampros, and Wong; for Galileo it was Igor Asensio who starred and scored.

On went our hard fighting team into its 1949 classic with the Sacred Heart Irish. In those 48 minutes of play not one touchdown was scored. Vern Chambers, Washington's great toe, came through for us in the third quarter. The score was 0-0. When the ball was centered, Vern kicked a thirty-five-yard field goal to put us ahead 3-0. Morgan Benezra set up our next two points by dropping Sacred Heart's Jensen behind his own goal to make it a final **5-0**. The score could not have been that way unless linemen like Mirch, Tunik, Frey, Mitchell, Sheriff and others were on their toes.

Three great victories, but rain, hail and slush knocked the victorious Eagles off their perch. This was Washington's first loss and St. Ignatius' first win. Our players just couldn't break away, except when Hal McCool broke clear and raced 22 yards for a touchdown. Helmer made two touchdowns for S. I. to put a finish to our string of victories with a **20-6** defeat.

Our fourth big game was with the Lincoln Mustangs who had a certain bell we wanted. The Links proved to be too much for us with their Sid Hall and Bill Cheyne, but the Eagles played great ball in the first half, pushing the Mustangs up and down the field. Lincoln came back in the second half to retain the bell with a **27-14** victory.

Two losses were too much for our boys, so they put a quick stop to it in the Lowell game. Being our oldest rival, they were out to beat us at all costs. Despite a sluggish first half, the Eagles roared back in the third quarter after sterling defensive work by Pat Mirch and Ralph Blumenthal put the Indians in the hole. Lee Payne raced around right end for 12 yards and the first touchdown; Jim Dunnings went over for the second score, and Vern Chambers kicked both extra points to make the final score a **14-0** Eagle win.

Our last game of the season was with the Commerce Bulldogs. If we could win this game we would make the city play-offs. At the beginning of the game the Eagles were behind by seven points, until Payne shot one of his special, never-miss passes to Shibata for a touchdown that tied the score. Early in the second quarter it was Payne again to McPherson for 20 yards and another score. Again Chambers came in to kick the extra point that had a great deal to do with the game. The stands were silent. The ball was snapped. The kick... GOOD! The score, **14-7**. Then Commerce scored its second touchdown on a pass interception. If they should make the extra point, it would mean a tie and possibly keep us out of the city play-offs. But because of the great defensive play on the part of All-City Center Stan Sheriff, the attempted conversion was blocked. Final score of this crucial game: **14-13**.

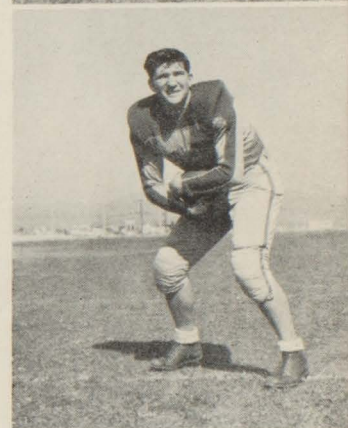

The season's end found the Eagles in third place and scheduled to meet Poly, city champion for three straight years. Our greatest drubbing came in this game when we lost **68-7**. Evidently it was not one of our better days, but the game was not as bad as the score would indicate. Poly went on to win the city championship for the fourth consecutive year.

It was remarkable that a team expected to land in the cellar of the league should rate so high. Credit goes naturally to Mr. Reade, the coach, the team as a whole and to the following boys: Stan Sheriff, first string All-City center; Pat Mirch, third string All-City tackle; Tom Sweeney, third place in the city kicking contest; Bill Edwards, Lee Payne and Morgan Benezra, who received All-City honorable mention.

Junior Varsity Football

Starting out with the largest squad in San Francisco, the George Washington High School Junior Varsity Footballers upheld their end of Washington's most successful athletic year by ending the season in third place.

In the opening game of the season the J.V.'s battled Mission's Bear Cubs to a 0-0 standstill. Led by Captain Cliff Gordon the line stopped the bigger Cubs fairly effectively. But by the same token it must be admitted they stopped us. Dick Miller looked good in the defensive backfield, exhibiting some nice running. But something special to see was the Ron Rosenberg to Kip Lacey team. Passing-receiving, passing-receiving — like clock work! Also in there pitching were backs Floyd Austin and Bob Lualhati and linemen Ennis McDaniel and Don McGillis.

The season was on and the football stars were set. But new stars and surprises were yet to come.

Our junior boys bounced Galileo's youngsters, 14-6, in the next game after Mission. Outstanding backfield men included Reginald Williams, Floyd Austin and Dick Miller. Buckling the line were, as usual, Don McGillis, Ennis McDaniel, Bob Nicoles and Lee Baxter.

It was our turn to get bounced in the Sacred Heart game, 18-7.

But with the same typical determination of Washington's teams, and the same fine backs and linemen, we came back to trounce St. Ignatius 20-12.

Then, in spite of Miller, Austin, Williams, McGillis, McDaniel, Nicoles, Baxter and Tover, we lost a hard-fought, bitter struggle to our traditional rival, Lincoln, 12-7.

Every man on the team played in the Lowell game as we overwhelmingly upset the Indians, 30-7. Especially outstanding were Dick Miller, who scored three touchdowns, and Larry Cannover, who blocked a couple of kicks. Now the J.V.'s were really rolling!

The last game of the season saw our young footballers keep on rolling past Commerce, 27-7. Fullback Charlie Johnson, starting his first game, scored three touchdowns. Dick Miller, outstanding on both offense and defense, tallied one touchdown, and Willie Cooper ran over for the P-A-T (point after touchdown). Larry Tover blocked two kicks while Ennis McDaniel was credited with a safety.

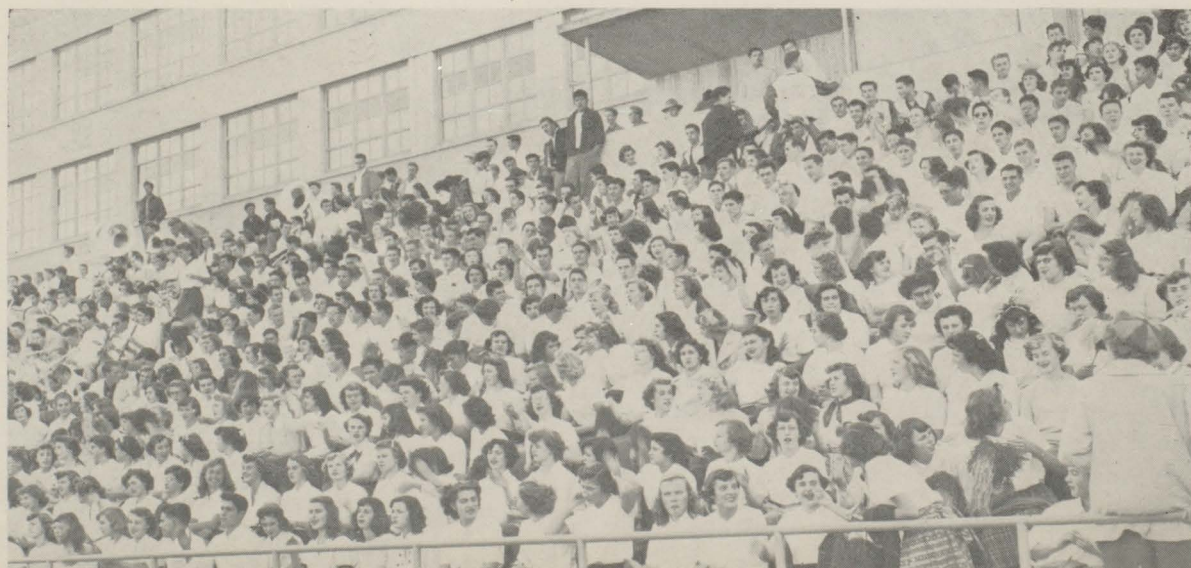

And thus the J.V.'s ended a successful season in third place, with four wins, two losses and one tie.

Too many times junior varsity football players get little or no credit. They must always bow to the might and glory of the varsity. But it should be remembered that the J.V.'s of today are the varsity of tomorrow and those boys get out on the field and play their hearts out. This year's Washington J.V. squad was proof of that!

Soccer Champs

For the second year in succession Washington soccer men brought championship honors to the hilltop under the tutelage of Coach Walter Odone. The Eagles, led by All-City men Armando Molina, Ken Hoag and Pete Holmes, annexed the crown in championship playoffs by defeating Galileo 2-1. The Washington team's combination of speed, ability to score, and defensive acuteness are borne out in the season's statistics, which showed the Eagles scoring 28 times to the opponents' combined record of 5 goals.

Scorers in the 1949 season were Manuel Anez (9) and Armando Molina (9), who led the league, Sam Benoun (6), Mike Giannini (3), and Gerry Roth (1).

The experienced Eagle varsity was paced by Pete Holmes, fastest halfback in the city, Armando Molina and Manuel Anez, bril-

liant scorers, and Mike Giannini, named outstanding played for 1949 and winner of the coaches' award.

A major factor in the repeat ascent to the championship was the remarkable defensive play of the Eagles, especially on the part of Goalie Ken Hoag, who allowed only three goals to be scored against him all season. In five of the nine league games the Eagles' opponents were held to a shut-out.

With only five block award winners leaving because of graduation, the 1950 season will find 11 returning lettermen defending their two-year possession of the city championship. Included in this strong group are three All-City players, Molina, Hoag, and Anez.

THREE OUT OF FOUR TITLES! That is the record of George Washington High's 1949-1950 basketball season. That made it the greatest basketball year in the school's history and a tribute to Coach Sid Phelan. Our 110's and 130's were undefeated and took their division titles; the 120's tied for their division title. And, what's more, our Varsity tied for first place in regular season play, losing in the play-offs. That's a record to REALLY be proud of!

In the first game against Galileo, the Varsity lost a heart-breaker, **29-27**. Close all the way, a shot by Bob Dunn, which would have been the game's only equalizer, rolled off the basket's rim. High scorers were Bob Simon, with 9 and Glyden Mayfield with 6.

Making 34% of its shots, Washington downed St. Ignatius **37-24**. The boys built their score up in the first half with Herbie Smith swishing a 20-footer at the start. Along with Smith's 8 points, top scorers were Bob Simon, 18 and Mayfield, 6.

Sparked by Aldo "Sooky" DiPasqua and his 12 points in the third quarter, Washington overcame a half-time deficit and overcame Mission **41-38**. DiPasqua, Simon with 7, Mayfield with 14, and Hare with 3 all helped the Varsity make an amazing 51% of its cage swishers.

Taking Poly off the unbeaten list, Washington trounced the Parrots **34-29**. Dunn, starting his first game this season, tallied 8, Simon got 12 and Mayfield 4.

Playing a hard game, we lost to Balboa by the close score of **29-27**. Top point-makers included Mayfield, 9, Dunn, 6, Simon, 5, DiPasqua, 5, and Smith, 2.

Back in the win column, Washington eased past Sacred Heart **34-22**. DiPasqua and Mayfield combined to tally 4 points in the last two minutes to bring Washington from behind to win. Bob Simon, high with 18 tallies, blocked shots and controlled the backboards.

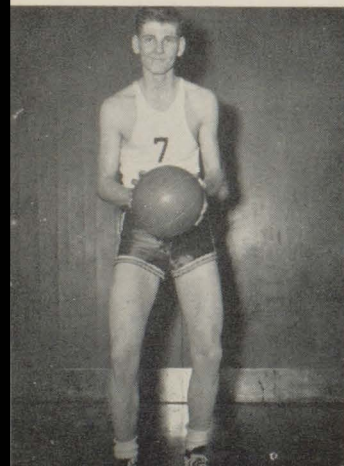

In one of the season's most thrilling contests, Washington squeezed past Lowell, **41-40**. Bob Dunn's 35 foot tally in the last 15 seconds made the score 39-40, then came La Costa's bucket in the last 14 seconds to save the day for the Varsity. The game saw five outside shots by Washington, 2 by La Costa and one each by Kardell, Dunn and Mayfield.

Against traditional rival Lincoln the boys pulled through again, **35-33**, sparked by Bob Dunn's uncanny first-half outside shooting and his 13 points. The team was fouled on four times in the last minute and 30 seconds. La Costa and Hare made the two free throws each, and with the three-minute rule helping, our team went on to win.

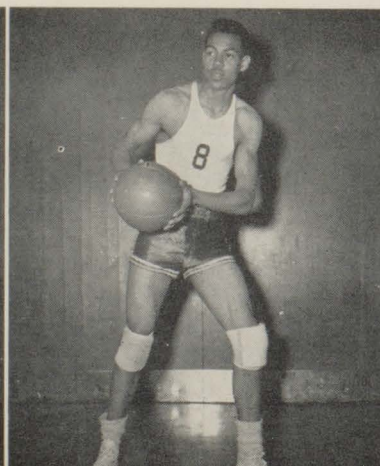

In the last regular season game, Washington took Commerce out of the play-offs, **39-30**. With Simon pacing all the way, the boys were inspired. La Costa was high with 14 points; Herb Smith tallied for 9. Simon, with 92 points, tied with Henry Mock of Commerce for regular season Varsity scoring honors. We finished the season in a three-way tie for first place with Lincoln and St. Ignatius.

Again playing Galileo in the play-offs, the boys fought a hard but losing battle, bowing to the Lions **40-24**. Top scorers were Simon, 5, Kardell, 5, Smith, 5, La Costa, 4, Mayfield, 3, and Hare, 2.

130's Basketball Champs

UNDEFEATED! That's the best word for describing our 130's. They played clean, hard basketball. Sometimes the going was rough; sometimes they barely won. But the fact remains they always DID win, and that makes them champs—through and through!

From the beginning, with their first win over Galileo's 130's, **46-33**, it was evident that "the Washington High 130's were the team to beat," as the CHRONICLE's Darrel Wilson put it. This game saw speedy, dependable Elbert Homan in there for 10 points. Next in line, point-wise, were John Boragno with 9, and Carl Stewart with 8.

Next week saw our boys roll over St. Ignatius, **35-25**. Especially hot that day was Jim Moya, who threw the ball in the cage for 12 points; John Boragno was next with 11; and dead-eye Carl Stewart dropped in through for 9 points.

The game with Mission was not quite such a pushover. But should we worry? Not with center Milt Lampros in for 14 tallies and guard John Boragno good for 8. We slid past the Bears **30-28**.

We managed to pull away and win from Poly, **28-26**. Homan, Moya and Boragno added some free throws to break a 21-21 tie and Stewart's 4 and Lampros' 9 all helped to make the Parrots bow.

We were back in style again for the Balboa game, trouncing the Bucs **39-16**. Top scorers included Stewart, 9, Lampros, 8, Moya, 7, Boragno, 6, and Al Winetrub, 6.

Still going strong the 130's overran Sacred Heart **31-18**. Also

still going strong in this game were Stewart with 9 points, and Moya and Lampros with 7 each.

The game against Lowell was a little closer than the last few. No one worried, though. Washington came through, **36-33**. Carl Stewart, with 16, Lampros with 9 and Boragno with 5, were top point-makers.

Against our traditional rival, Lincoln, the boys handed the Links a special present, **32-22**. This time it was J. Boragno's turn for scoring honors, with 13. Pushing the ball through the bucket also were Homan with 6, Moya with 6, and Stewart with 2.

For the last regular season contest, we ran across a rough team from Commerce. But with Boragno in for 11 tallies, Lampros for 9, Homan for 6, Moya for 3 and Stewart for 2, we sailed past the Bulldogs, **30-21**.

The semi-finals saw the 130's again oppose Lowell. Both teams fought desperately with the contest in doubt almost to the final gun. But when it did go off, the score was **23-21**, in favor of Washington. Our boys fought hard and deserved the win. Leading the scoring were Stewart, 8, Moya, 6, Lampros, 5, and Homan, 4.

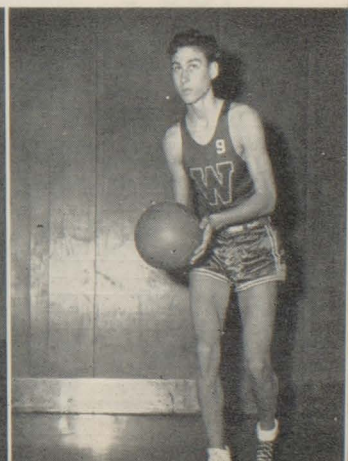

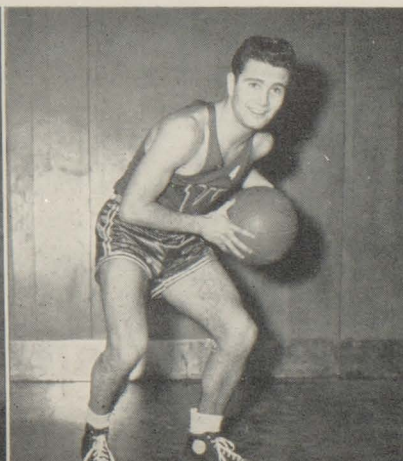

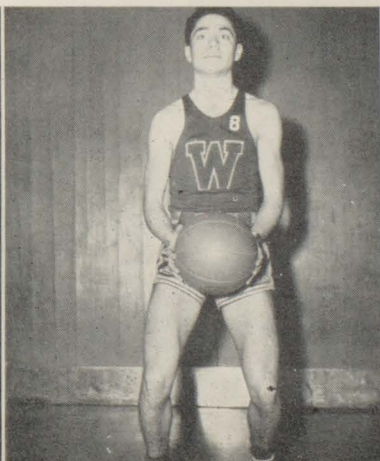

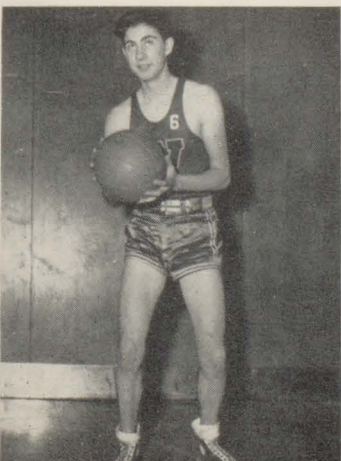

In the finals, our boys fought another hard and close battle, finally downing Sacred Heart **31-29**. Breaking a 27-27 tie in the last two minutes, Boragno went for a lay-up and Lampros came through with a tip-in, to make our 130's City Champions in their division and the only undefeated team in either the 130's or the Varsity divisions. Lampros, 14, Stewart, 5, Boragno, 5, Moya, 2, and Winetrub, 1, were the scorers.

Lightweight Champs

The end of the 1949 lightweight basketball season found Washington 110's wearing the champion's crown for the second consecutive year. After pyramiding a string of 17 wins and no losses in a season which included 8 practice games and 9 A.A.A. League contests, Coach Sid Phelan's brilliant little squad found themselves at the end of a perfect season. In each of their nine league encounters the champs defeated their opponents by nine or more points. Sparked by leading scorers Stan Stewart (66 points), and Franklin Wong (59 points), and defensive aces Andy Lee, Horace Spikes and Herb Wong, they piled up a devastating total of 300 points in the nine league games to their opponents' 140. A coaches' poll at the season's end found the Eaglet's Stan Stewart being voted San Francisco's outstanding 110 basketball star, with Franklin Wong receiving 2nd place nomination.

Washington 120's basketballers also completed their most successful season in years by punching out 18 victories in 19 games. After hoisting a string of 10 impressive practice game victories the 120 Eaglets went on to bounce 8 of their 9 league foes and bow out of the 1949 season with co-possession of the championship. With leading scorers Gus Hassapakis (82 points) and Don Silva (63 points) carrying the burden of scoring and the stalwart rebounding of Don Adams and Leroy Morris, the Eaglets proved to be too much for 8 opponents. Only an 18-17 upset loss to Sacred Heart prevented the Eaglet 20's from gaining an undisputed championship. In addition to scoring stars Hassapakis, who was an all-city choice, and Silva, the Washington squad found itself with the best passing guard combination in the league in Hidemaro Ishida and Elliott Lee.

Tennis

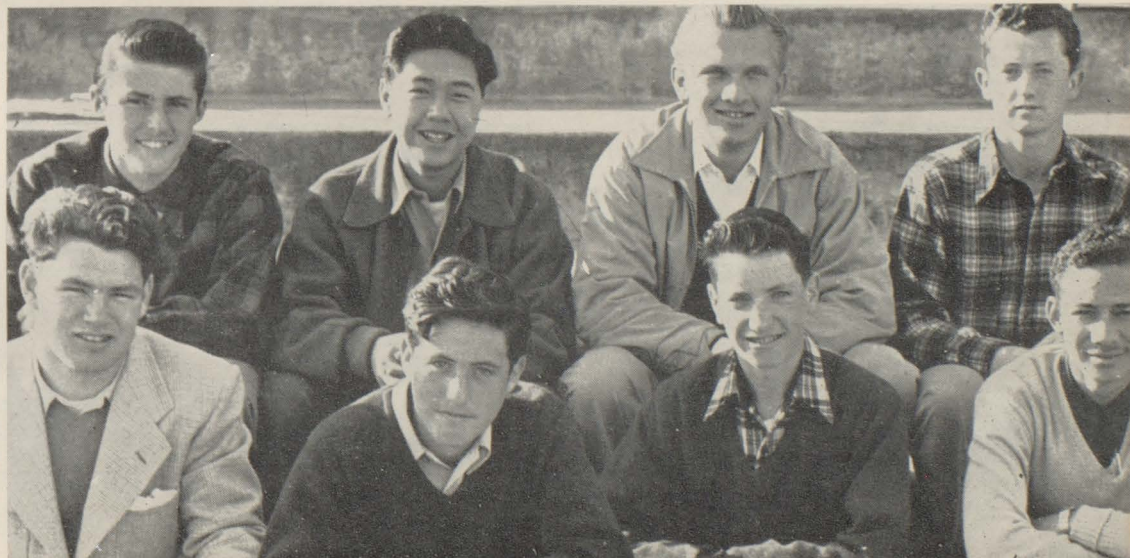

This year Washington's tennis team is entered in an A.A.A. league of nine teams. The two doubles teams are composed of Ben Richards and Myron Hollister, John Lew and Osla Young. Singles players include Shelly Silverman, Sam Lipman, Charley Heart, Chris Maganaris and Bob Rogers. The team is coached by Mr. Reade and Mrs. Koster. Tennis is becoming more and more popular as a league sport each year. As a team and individually, Washington is doing quite well in tennis. As the Surveyor went to press, we were in second place.

Golf

Under the coaching of Mr. Hawkinson, Washington's golf team is doing well in another sport which is fast becoming popular in league competition. The team, composed of Ken Hoag, Ron Feinberg, Chris Magandris, Bob Schnal, Mel Hall, Richard Nissen, Al Deuchar, Dell Mielich, Ray L'Esperance, Chuck Swanman, and Ed Watson, practices most any afternoon during the season, when there are no meets, at Lincoln Park. The boys are sincere about their game, and sometimes they stay until after 7:00 p.m. to finish a match. All league games are played at Harding Park.

All-City Triple Crown Winners

May 6, 1950, will go down as a very important and heart-warming date for Washingtonians to remember. For on that eventful day the mighty trackmen of George Washington High School made a clean sweep at the All-City Track and Field A.A.A. championship meet at Kezar Stadium. The Eagles repeated their 130's and 120's titles, and the varsity took the crown from Lowell, who held it for the past four years, in a very sweet victory. Scores were—120's: 20 to Lincoln's 17½, Mission's and Commerce's 17 each; 130's: 40 to Poly's 21½, Lowell's 17; Varsity: 44 to Lowell's 41½, Balboa's 22½.

The day of the meet started out dismally for the Eagles. The papers had rated Lowell favorites, and perhaps rightly, because we were besieged with bad luck in the semi-final meet trials. In the varsity Lionel Brown failed to qualify for the 220 and was rated as a poor choice in the 100; in the 130's Walt Mitchell failed to qualify for the 100 because he suddenly pulled a muscle during the relay trials. (Mitchell gamely fought on in distress so the team would qualify, and to honor this the team had him accept the trophy when the meet was won.) In the 120's division Mission had a good day in the semi-finals and was rated to beat our 120's. But it was a day of upsets and of

Eagle inspiration and we went on to triumph in all three divisions.

The Varsity summary: Vern Chambers took the 120 high hurdles in :15.8, while Cole Moss took a surprising and much-needed second. Ron Bauer turned the mile in 4:31.4. Lionel Brown made a miraculous comeback in taking the 100 in :10.3, as Al Jones took a fourth; Bob Lualhati took a third in the 440.

Vern Chambers came back for his second win of the meet, taking the 180 low hurdles in :20.6, while Cole Moss placed again with a fourth in the 880. Brown, Larry Wells, Lualhati and Bauer built up such a substantial lead in the relay that Lowell's Carlson and George couldn't catch up, and Chambers and Jones finished up as Washington took the event by 10 yards in a fast 2:20.5. In field events, Roger Mulkeen took second in the discus; Dick Miller, up from the 130's for the City meet, jumped a far 21 feet 8½ inches for a second in the broad jump.

The 130's summary: Bob Hilmo, to no one's surprise and everyone's delight, took the 440 in :53.1, as Elssesser took a fourth in this event. Mike Fanzone took a third in the 120 low hurdles and Skip Rogovoy came in second in the 220. Kent Reno, also a pre-event choice, won the 880 in 2:06.8, as Gordon Lee

took a third. Bob Miller came up from sixth place in the trials to take the broad jump at 20 feet 4 inches. Ron Rosenberg got away a good toss of 51 feet 8 inches in taking the shot put, as Kaplanis took a third. With Bob Miller and Mike Fanzone starting, and Skip Rogovoy coming from behind to pass the Poly man and Bob Hilmoie carrying it as anchor man, the 130's relay team won in 1:36.6.

The 120's summary: Harry Toy took the 120 low hurdles in :14.7, as Lin Lee took fourth in this event. Hidemaro Ishida took the broad jump with a 19 feet 6 1/2 inch jump. The relay team (Prevelos, Murray, Toy and Morris) took a third place. J. C. Morris established the only record in the entire meet as he took the high jump at 5 feet 10 1/2 inches.

Washington's Eagles not only won most of the individual medals and walked off with all three team championship trophies,

but also became the first winner of a new cup inaugurated this year. It is presented to the school with the most total team points at the City Meet. Washington had 104 total points to the nearest competitor, Lowell's, 65 points.

Much credit and praise are due all the team members, whether they won or not, or whether they qualified for the City Meet or not—all of them helped the team to final victory. Special praise and thanks from the student body is due to Coach Lou Vasquez and assistant, Mr. Bill Magner, for building this year's triumphant track team. Washington had the only organized rooting section at the Meet (around 350 Washingtonians) and the rooters deserve credit for helping to cheer the team on to victory. It was a great day for the team and the rooters (and the whole school) and it became one of the greatest days in athletics in the history of George Washington High.

Commerce downed the Eagles, **5-1**, in the next contest, which was not decided until the final inning.

We lost a shut-out to Galileo, **8-0**. Press pitched this one.

Lenny Sarkon pitched and allowed no earned runs as we lost a tough one to Poly, **3-0**.

With a 5-3 lead in the fifth, Washington lost the tightest game of the season to Mission, **6-5**. Pitched by Myron Raphael, leading hitters were Bob Carlson and Gene Mitchell.

In a terrific ten-inning pitching battle, Sarkon lost another close one to Lincoln, **5-4**.

G. A. A. Tea Time

Thursday, February 16, after school, a tea was held in the Cafeteria to sign up for their favorite sport. The tea went off well and the entertainment was prepared by Neilson, who played "Star Dust" on the piano. Mr. Schmeelke and Jackson were also present. After-school sports being sponsored by Miss Poole this term are: Ice skating, roller ice in charge of the badminton, and Miss Poole. Miss Baker is in charge of the sixth period classes softball. The girls are asked to bring a dollar to Miss Baker. Just a few more girls are needed to make a team. The girls seem to be rolling.

Girls' Athletic Association

The Fall 1949 G.A.A. officers were: President, Virginia Wyne; Vice-President, Riyo Kunisawa; Secretary, Isabel Lee; Historian, Joan Stauffer; Song Leader, Beverly Williams; and Assistant Song Leaders, Ruth Doul and Betty Wilkinson.

The enrollment in the Fall G.A.A. was next to the largest it has ever been with 513 girls participating in the sports program. The groups and group managers were:

Tennis (Mon.), Bobbie Anderson; Tennis (Tues.), Joyce Condrott; Bowling (6°), Claire Gottfried; Bowling (after school), Adele Underdahl; Badminton, Bette Orton; Swimming, Roberta Rogers; Volleyball (6°), Theonie Shephard; Volleyball (after school), Alice Capos; Riding, Laura French; Ice Skating, Irene Novikoff.

The G.A.A. Assembly held on January 10, 1950, was for the installation of officers for the Spring 1950 term and for presentation of awards. Mr. Klingner awarded the Block "W's" to girls who had completed four terms of work, Mr. Schmaelzle awarded the Stars to those who had participated in G.A.A. for five terms, and Miss Jackson awarded the pins to girls who had faithfully worked for six terms. Also, Virginia Wyne, the President of G.A.A., presented Miss Jackson with a gold pin for six terms of service to G.A.A. Entertainment was provided by Barbara Rolfe, Mary Ann Dolphin and Janice Martia.

Washington had badminton playdays with Presidio and City College. Our girls won the majority of the matches.

The Block "W" initiation for new members was held in the girls' gymnasium at the beginning of the Spring term. New members were put through stunts both unique and humorous. Refreshments were served afterwards.

G.A.A. has grown to a total of 549 members this Spring, the largest it has ever been. Officers this term are: President, Riyo Kunisawa; Vice-President, Joan Stauffer; Secretary, Beverly Williams; Historian, Jeanette Taylor; Song Leader, Pearl Morphopoulos; Assistant Song Leaders, Mary Ann Kurenda and Irene Otterbein.

The sports program and managers this term were: Basketball (6°), Sylvia Baquie; Swimming, Roberta Rogers; Softball, Magdalena Koshaba; Tumbling, Norene Phillips; Bowl-

ing (6°), Marjorie Skiff; Bowling, Pat Knapton; Volleyball, Harriet Hawkins; Ice Skating, Deon Nielsen; Badminton, Nancy Luscombe; Riding, Laura French.

On February 16, the G.A.A. had the first Sign-up Tea in its history. It was held in the cafeteria with Riyo Kunisawa and Ann Stelling in charge.

Washington participated in a badminton playday with Balboa early in the term and won four out of the six matches scheduled. The following girls scored this victory for us: Charlotte Menend, Virginia Benson, Charlda Livingston, Daisy Rainey, Lee Mitchell and Joan Stauffer.

Lowell and Washington had a volleyball playday in which eighteen of our girls participated. Riyo Kunisawa and Ruthie Rax were the team captains. The girls had lots of fun although Washington won only half of the games in which they played.

Miss Poole and five girls from Washington, along with girls from other high schools in the city and from nearby towns spent one Saturday from 9 a.m. to 4 p.m. at the University of California for a high school sports day. Charlotte Woebecke, Patsy Couto, Mary Ann Kloos, Jean Laclerque and Joan Stauffer were our representatives who saw the W.A.A. put on exhibitions in fencing, tennis, basketball, modern dancing, riflery and aquatic ballet. The girls also went swimming in the afternoon.

Washington was host to Lincoln on May 1 at a playday. On May 2nd and 4th a bowling playday was held with Poly and a badminton exchange playday was held with Presidio on May 3.

Harriet Hawkins was in charge of the G.A.A. Candidates' Rally, held May 17th in the girls' gymnasium.

Carole Baker was in charge of the banquet which highlights the G.A.A. activities during the Spring term.

The G.A.A. board planned a pot luck dinner for May 31st given at the home of Deon Nielsen. This was the second time anything like this had been held and it was a lot of fun.

The G.A.A. concession at the May Festival this year was a variation of the ring toss. Rings were thrown at the nose on a big clown face and white elephant prizes, brought by the G.A.A. girls, went to the winners.

Organizations and Activities

The Reserve Officers' Training Corps.

The ROTC course is an elective subject for which all regularly enrolled male students who are over fourteen years of age, physically fit, and citizens of the United States, are eligible.

The objectives of the course are:

To lay the foundation for intelligent citizenship by teaching the principles of leadership, respect for constituted authority, and habits of precision, orderliness, courtesy, and correctness of posture and deportment; to give the student basic military training which will benefit him and be of value to the service, if and when he becomes a member thereof.

As a general rule, each weeks instruction consists of two hours of theoretical instruction, two hours drill, and one open hour.

In addition to regular program of instruction two

rifle teams are formed to compete in William R. Hearst and National matches.

There are three clubs: the Saber Club, an Honor club and a National Junior Rifle Club. All cadets are eligible to become members.

Each term the Corps visits Hamilton Field Air Base and spends a week end at Fort Berry. These trips are voluntary and not a part of regular instruction.

During this year the following awards and trophies have been won by the George Washington Battalion:

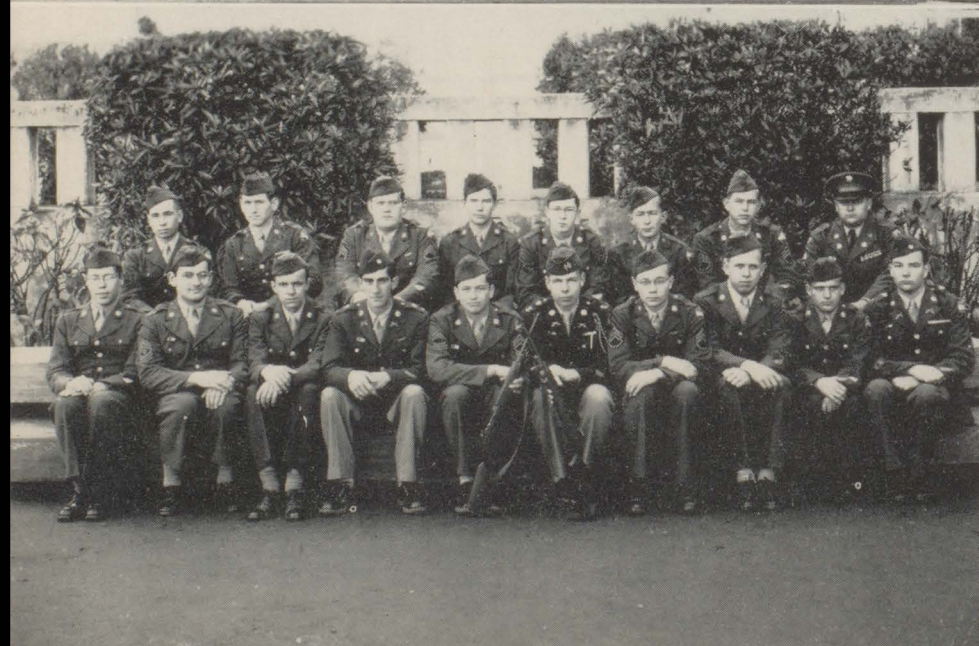

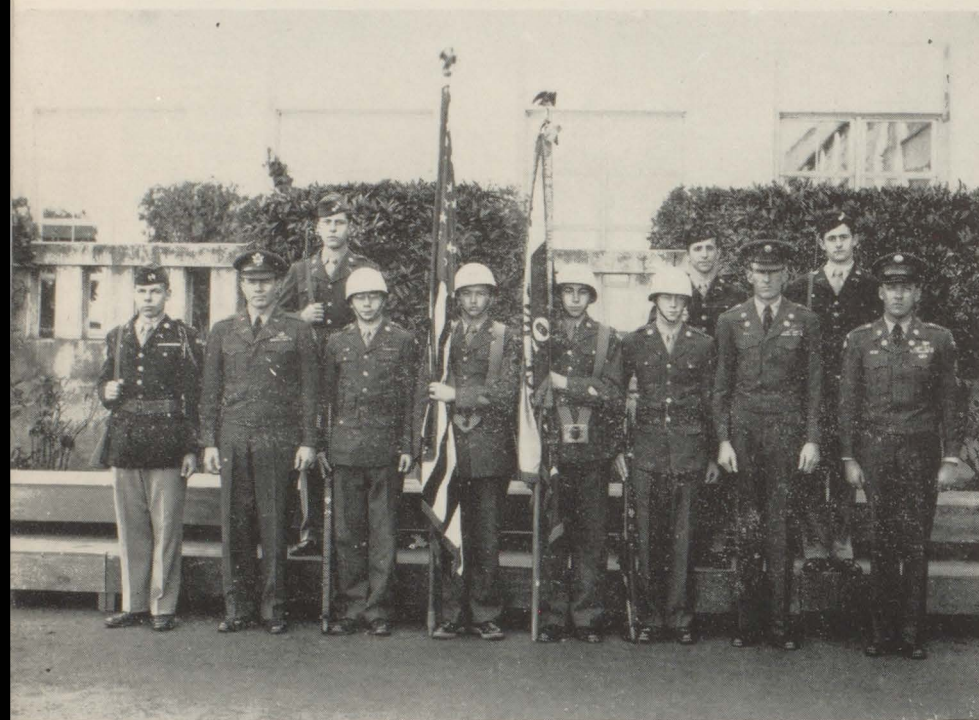

91st Division, best drilled unit in Bay Area; Reznic Trophy, battalion most proficient in theoretical subjects in city competition; Best battalion in First Regiment; Honor school.

The fifth period drama class is a class of fundamentals where plays and the technique of acting are studied, while the sixth period, the more advanced class, presents the term play.

It is a tradition at Washington to present a comedy play during the Fall term. On January 13 the advanced drama class and Mrs. Dickson, the instructor, carried out this tradition with "I Remember Mama," by John Van Druten, adapted from Kathryn Forbes' book, "Mama's Bank Account."

"I Remember Mama" was a two-act play of the sturdy, simple life of a Nor-

wegian family in San Francisco during the early 1900's. Mama, with her keen insight to erratic, unpredictable Uncle Chris, and the writing craze of her daughter Katrin, held the robust family together.

Mama's cleverness and the family life in the Old World atmosphere provided a very enjoyable evening for those 1200 people who braved the stormy evening to attend.

Both drama classes collaborated to present the Christmas Tableau in December.

This term's May Festival Drive goal was to sell 1200 tickets to the term play. Washingtonians did it to the tune of over 1400 tickets and earned a special consideration—a comedy play in the Spring term.

"Dear Brutus," the play by J. M. Barrie, given on Friday, March 24, by Mrs. Dickson and the advanced drama class, was a fantasy based on a quotation from "Julius Caesar." A group of people, when given a chance to relive their lives, make the same mistakes all over again. Their weaknesses of charac-

Lending their talents to Washington for the last time were Ken Dentici, Sonia Litvin, and Elaine Benas.

During the term the fifth period class busied themselves with the usual fundamentals of acting while the sixth period advanced class did a series of one act plays and many individual readings, giving them valuable experience. Some of these plays were presented in various sixth period English classes.

George Washington's Choral Society, including members of the Girls Choral and the Choir, draws to a close its work for the years 1949-1950, under the leadership and direction of Mrs. Myrtle P. Swanson.

For the Fall term the choir presented a program at Presidio Junior High, caroled in the halls, participated in the Christmas Tableau, Graduation exercises, and sang for the teachers luncheon, and made a night

appearance at Letterman Hospital.

The Spring term included the Pan-American assembly, with the Girls Choral singing two numbers, a concert at City College in which several different schools were represented in choral groups, the annual Spring Festival, Girls Choral participating, the P.T.A. night concert, an appearance at Lowell High School, and Graduation exercises for the Spring, 1950 graduation.

As the George Washington High School student body files into the auditorium, they are greeted by the cheerful notes of the school band.

Due to a greatly increased enrollment, 45 to 65, the band has been able to play for almost all assemblies, rallies and athletic games. They also marched at Kezar Stadium for the semi-final football games.

Washingtonians will really be proud to know that our ROTC Band received an award for the most outstanding group in the St. Patrick's Day parade.

"We also hope to have new band uniforms for next year,"

stated Mr. Herbert Welch, director.

The sweet strains of violins and the insistant rumble of the kettle drums announce George Washington's school orchestra, which has had an outstanding season this year and has been received very well on many occasions, according to Mr. Herbert Welch, director.

A welcome event each year at Washington is the Spring Concert in which the orchestra and choir combine talents to offer the student body a musical program.

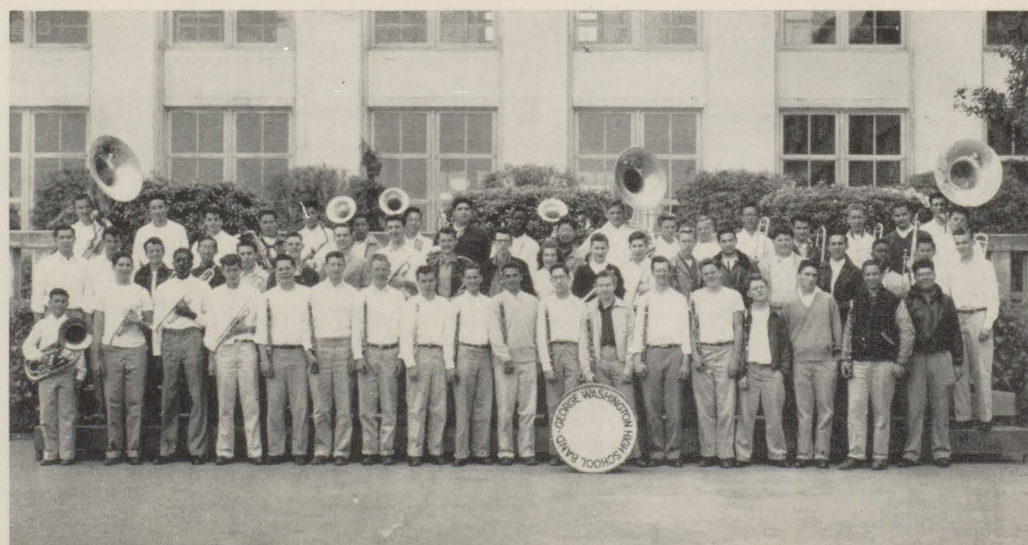

The orchestra played at both graduations, the term plays, and accompanied the Junior and Senior assemblies.

Term Play Big Success

Friday the 13th, January 13 to be exact, certainly wasn't unlucky for the Washington High drama classes. As their production of John Van Druten's, "I Remember Mama" was presented on this date and was a tremendous success.

The cast, including Elizabeth Wilkenson as Mama, Kip Lacey as Nels, Dore Winter as Katrin, James Barlow as Papa, Myra Koblick as Christa, and Conita de Cortoni as "pet" Dagmar, all gave heart-warming and extremely convincing performances.

A play difficult to present due to the necessary use of a Norwegian dialect, "I Remember Mama," took weeks of arduous work, and rehearsals before it became the Washington production.
