**1966 SURVEYOR**  
Answers the Question . . .

Upon a majestic hilltop, overlooking the breathtaking beauty of the city by the Golden Gate, rests a powerful institution of learning.

Built as one of the main projects of the Public Works Commission in 1936, George Washington High School has lived up to the greatness of the man after whom it was named.

Mr. Timothy L. Pfeuger, world-famed architect, was responsible for the structure of the school. The architectural emphasis was aimed at achieving a bold, powerful appearance. The school consists of a main academic unit, shops, the auditorium, boys' and girls' gymnasiums, a football field, tennis and basketball courts, and a running track. Aside from these standard units, there is a frieze located on the south wall of the football field.

Covering the walls of the main lobby are over 1,300 square feet of murals with scenes depicting phases in the life of George Washington. Mr. Victor Arnautoff designed and painted the murals on the wet plaster as it was put on the walls.

Perhaps what people find the most impressive about George Washington High School is the inscription located at the east entrance to the football stadium, "Of all victories the first and greatest is for a man to conquer himself." Plato . . .

# What Makes a Good School Great?

# Communication Between Faculty

A great school has a competent faculty and administration. The young minds of today are being molded into trained, skilled minds of tomorrow by able, willing teachers and administrators. The faculty, which has come from all corners of the country, offers vast and interesting backgrounds.

But mere background is not enough. Preparation of lessons and activities is an essential ingredient for good education. Much of the planning takes place during the preparation periods, in the faculty workrooms, and after school.

The educators at George Washington High School have understood that a school is not great unless the students and teachers can communicate, not only on a teacher-student basis, but also on a friend-to-friend basis. In 1965, a new door to understanding was opened through the birth of the Student-Faculty Council. The students are now offered not only knowledge, gained through class work, but also a better understanding of world situations and the people with whom the students are to mature and live.

To this small but devoted group of educators is given the responsibility of teaching the adults of tomorrow, so that they can become proud and well-prepared citizens of the community and nation.

# and Administration Is Necessary

A Great School Offers

A great school strives for scholastic excellence.

Students today are competing on a much higher level of accomplishment than the generation preceding them. That is why it is necessary that the students understand the importance of high academic achievement.

Students must learn to think for themselves, to experiment with their ideas, and to profit from their mistakes.

Here at George Washington High School, students are given the opportunity to contemplate what the present and future will bring. The students can see and discover for themselves the many complexities which make up the world. Students learn steadily the importance of scholastic excellence in today's society for a brighter tomorrow.

# Increasing Intellectual Stimulus.

Learning Is a Many-sided Thing,

A great school has a good student government.

While the faculty and administrators stress the importance of studying, they also encourage the students to carry on the responsibilities of a student government.

The students of George Washington High School have been highly praised for their outstanding leadership in school affairs. The Executive Council serves as the legislative branch of the government. All important issues are decided by the student body in a general election by voting machines. Students write and organize all rallies, which are supervised by the students themselves. Activities and clubs are established by the students.

This vast organization of government did not happen over night. Many mistakes were made, but the students soon learned that they could profit by their mistakes. Taking part in school politics helps to show the students a preview of life after high school and the responsibilities that are in store for them.

# Student Leadership Being One Facet

# A Great School

A great school has organized activities. Studies cannot be the only thing stressed in a high school education. If this were to happen, the high school graduates would be socially unacceptable.

Typical of a step toward social development are the scheduled sports events. Cheering for the school team unifies the school in a common cause. Pre-game excitement gives the students a chance to make new acquaintances. A good sense of belonging and an atmosphere of friendliness is usually prevalent at a high school sports event. Fellow classmates and strangers can join together to create an attitude of good sportsmanship and excitement.

The fast pace of society today demands that one learn to be socially adjusted in order that one's full potential is brought to light.

## Offers a Variety of Activities

The Spirit of

Without spirit, George Washington High School could not be the great school that it is. Spirit plays a very important part in our school.

Because of the spirit shown at George Washington High School, many traditions have been started and carried on through the years. In 1936 the school colors, scarlet and grey, were officially adopted. Tillie Miesles wrote the school hymn in 1937. The "Dead Indian" is a famous meeting place in the main lobby under the murals.

Annual traditions which we carry on with renewed enthusiasm and spirit include the May Festival, the sport nights, the Lincoln-Washington Bell Game, the Christmas pageants, the spring concert, and the term play.

With spirit, the students of George Washington High School are constantly thinking of new ideas to improve the school. They hope that they can contribute something to the school that will be remembered and enjoyed by future students of George Washington.

# the School Is Seen in the Students

# A Great School

A great school has achieved excellence in sports.

Just as scholastic achievement is stressed, achievement in sports is encouraged. A sports program takes up a great deal of time and effort.

Activity in the sports arena not only extends a quality of sportsmanship in the individual, but goes on to physically develop the young person.

Since President Kennedy's program for physical fitness, the relationship between sports and physical well-being has remained in the lime-light. The mind cannot function at its fullest potential in a weak body. This is more reason athletics are so vital to a great school. The Physical Education department of our school continues to broaden its program for fitness through exercise—football, basketball, track, tennis, golf, baseball all aid in strengthening tomorrow's adult.

Sportsmanship, increased good health and mental well-being have all resulted from our school's rigorous programs. These qualities are contributing factors in making a good school great.

Being the principal of GWHS can be very rewarding.

Our principal, the only woman high school principal in San Francisco, avails herself to everyone connected with G.W.H.S. She is perhaps best known and admired for her fairness in dealing with every imaginable situation. She leads Principal's Cabinet each Tuesday, listens to questions and disputes, and never gives a hasty decision. Miss Adams establishes a more personal relationship with the students by giving information on formerly confusing topics and by explaining the reasons behind any debated decisions in frequent broadcasts. This is not necessary, but it is done. Miss Adams, our principal, is a great leader.

Smiling and a good sense of humor endear our Dean of Girls, Miss Mariani, to the students. She serves as advisor to the Girls' Service Society, helps students, and is always ready to participate in the many programs at Washington. Miss Mariani's endless services are greatly appreciated.

Mr. Pagano, assistant principal, acts as a trustee of Washington's male affairs. He sponsors the Eagles, one of our service societies, and, generally, takes an interest in all school business. His office is always open to those in need; he must be thanked for his invaluable guidance to Washingtonians.

## Executive Council

## Scarlet And Gray

## Cabinet

### Senior Advisors—

Guidance, direction, praise, advice, and general aid are all given to the incoming L-10's by their senior advisors. During the first few weeks of school, outstanding members of the low senior class go to L-10 registries to help in and check on the progress of the new sophomores. These students also are an invaluable assistance to the registry teachers.

### Executive Council—

All student body business is discussed and questions are decided on in the executive council. Money, clean-up, and changes in the constitution cause animated and important controversy, which is a must to a great school. Compromise often comes into play and intelligently settles debated points. Those who participate in the decisions made in executive council are owed a great debt.

### Scarlet and Gray—

Who keeps our halls quiet? Who keeps our halls free of uninvited guests? Who works for our honor study halls? Who keeps them silent and clean? The members of the Scarlet and Gray do all of these jobs. During all periods, members of this organization are posted for the purpose of keeping order in the school. Their presence is a necessity, and their success is unequaled.

### Principal's Cabinet—

Debates, discussions, and questions involving timely topics are all aired during Principal's Cabinet. Here registry chosen representatives meet with Miss Adams in this exchange of ideas program. Miss Adams freely discusses and answers all questions which arise. Announcements are made and taken back to registry by the representatives, completing another important communication link.

UNITED THEY STAND

MISS GRIMLEY  
Class Sponsor

The graduating class of Spring '65 started its three-year stay at Washington under the leadership of Butch Colyear who was low sophomore President. Teddy Skipitares, Student Body Vice-President, and Miss Grimley, class sponsor, laid the foundation for the future success of the class. The first class project was the planting of shrubs. By the end of its sophomore year, the class had two prosperous cake sales behind it and Garry Hoshiyama was class President.

The junior year again saw Garry Hoshiyama as class President. Under his leadership, the class held another successful cake sale and began preparation for its junior day. Mark Lubeck was elected high junior class President and aided in the humorous production of "Look Out Your Age is Showing." The class finished off its year with a romantic Junior Prom entitled "Shangri-La."

Mark Lubeck continued as class President in the low senior year. The class held a successful project by showing surf movies and adding a substantial amount to their treasury. The class, now ready for its high senior year, started the production of "For Heaven's Sake." Ken Israel, high senior class President, helped incorporate a great Senior Day. The Senior Day Dance was entitled "Come Alive." The 200 high seniors graduated from our own Washington stage on January 26, 1966.

# THEN, GRADUATION

The nerve of them! — forgetting to give me my diploma.

So, I can't afford a wig, what of it?

Practice makes perfect

Let's go, I heard the first pomp, and here comes circumstance.

A tearful farewell to high school days accompanied the High Seniors on graduation night, January 26, 1966. Speeches were given by honor students, Robert Thompson, Kaye Weatherby, Pamela Nunotani and David Mundstock.

The Summa Cum Laude awards were presented to Beverly Pinsky, Kaye Weatherby, Robert Thompson and Garry Hoshiyama for their outstanding services to George Washington High School. The Schmalze Cup was awarded to valedictorians Pamela Nunotani and David Mundstock for attaining the highest scholastic ratings of their class.

The diplomas were handed out by Miss Adams and her assistants. Amidst fond farewells, the graduates of Fall 1965 thought deeply of their commencement theme, a quote taken from Thomas Huxley. "The rung of a ladder was never meant to rest upon, but only to hold a man's foot long enough to enable him to put the other somewhat higher."

# THIS IS THE CLASS THAT EVERYONE PICKS:

## WASHINGTON STARS OF '66

PRESIDENT  
JOHN SAKAI

VICE PRESIDENT  
LYNDA HODGKINSON

EXECUTIVE COUNCIL  
JANET ABRAHM

SECRETARY  
CAMILLA LEE

EXECUTIVE COUNCIL  
PETER HWANG

TREASURER  
DONNA ALLEN

CLASS SPONSOR  
MR. STADERMANN

The Class of the Stars began its stay at Washington under the leadership of its class sponsor, Mr. Stadermann and student body Vice President, Wendy Allport. Kevin Monaghan was elected L-10 president and the class was deemed the "Class of the Stars." In its urge to be different, the class held a cotton candy and sno-cone sale. The tremendous effect of this first project was felt throughout the school as the cotton candy machine blew five fuses—stopping the clocks, the bells, and the elevator. The H-10 followed up the great success of the first semester with Hans Art as president. Star-pops were sold as the next class project. The profit was marred, however, by an over-order of one thousand.

Jim Carter started off the Junior year as president of the class. The class decided to change class projects to cake sales to avoid the mishaps of originality. Its main concern at this time was to plan Junior Day. Richard Bernstein was class president and he also starred in Junior Day, "Boldfinker." The Junior Day dance, "Candle Light in Gold," was a sell-out. The Junior Prom entitled "One Enchanted Evening" was also a great success.

The L-12 president, Cyndy Fukagai, set the scene for the grand finale of the class of the stars. Car washes and cake sales were on the agenda for class projects. Senior Day was organized by H-12 class president, John Sakai. It was a smashing success entitled "A Whale of a Tale," followed up by the Senior Day dance entitled "Star-Kissed." The Senior Prom was held at the Fairmont Hotel, and graduation exercises followed it on June 16, 1966.

# "A TASTE OF HONEY" BEFORE

June 11 was the date of the Senior Prom entitled "A Taste of Honey". Held in the Terrace and Vanderbilt Rooms of the Fairmont Hotel, the prom was a "honey" of a success. The dance band, Ray Hackett, played the theme song, "A Taste of Honey" at 11 p.m. to announce the crowning of the courts. The King's Court included: King: Jim Goodwin; 1st Prince: Doug Berl; 2nd Prince: Ron Omori; 3rd Prince: Sam Holmes; and 4th Prince: Charles Caveness. The Queen's Court included: Queen: Fran Paizis; 1st Princess: Betty Louie; 2nd Princess: Cyndy Fukagai; 3rd Princess: Candy Francis; and 4th Princess: Maria Lobanovsky. The music played on until 12:00 when the couples slowly left to enjoy their night in a dream world.

included: Queen: Fran Paizis; 1st Princess: Betty Louie; 2nd Princess: Cyndy Fukagai; 3rd Princess: Candy Francis; and 4th Princess: Maria Lobanovsky. The music played on until 12:00 when the couples slowly left to enjoy their night in a dream world.

THE PROM COURT

# GRADUATION

Valedictorian Janet Abraham looks to the future.

The Graduating Class of Spring 1966.

Held in the University of San Francisco Memorial Gymnasium, the graduation for the Spring Class of 1966 was a memorable one. Graduation day began with church ceremonies followed by the traditional Senior Breakfast, entitled "Stars in Orbit". It was here that the members of the Class of the Stars presented their well-liked sponsor with a miniature replica of the rock the class left to the school. At 8:00, the graduates began the march into the gymnasium. The speakers for the graduation were: Harold Baer, Betty Louie, Roderick Leong, and Valedictorian Janet Abraham. Senior Class President, John Sakai welcomed the audience while Student-Body President, Lamont Allen carefully worked up enough nerve to pin a rose corsage on Miss Adams. Rod Leong and Janet Abraham received the Cummings Cups, while Jan also received the Schmaelze Cup for highest grades. After the ceremony, the graduates progressed to L&L Castle Lanes where an all night party for the class was held. The class of Spring 1966 expressed their regrets at having to leave their terrific Sponsor: Mr. A. O. Stadermann.

Sukiakin Saves Soul.

Our fall treasurer's rally was a satire on the popular television show "Man From U.N.C.L.E." The plot centered around the Mystic Order of The Hypnotized Elephant Riders (M.O.T.H.E.R.) and major spies Napoleon Soul and Illya Sukiakin. The dastardly villains were Baby Face Baggies, Polly Ethylene, and Sam Saran, members of the Federation of Lonely Underpaid Soybean Harvesters (F.L.U.S.H.), who cruelly and maliciously abducted Granny Goose and the G.W.H.S. student body cards. The highlight of the rally was the motion picture of the great chase. When the curtain closed for the last time Motherly, Jade, Napoleon, and Illya had succeeded in capturing F.L.U.S.H. and rescuing our student body cards.

# Raise Spirit

Mr. "A" presents the team.

Wanna play ball?

No shoving in the hallways.

Didn't know Francine was a shrinking violet.

Because the student body cards this year were for two semesters, the SB officers staged a spring spirit rally instead of the traditional treasurer's rally. Much spirit was raised for the opening semester, and particularly for the 130's basketball Championship game, which was held the same day. The special guest star was 130's coach Alex Athanasopoulos, whose performance was well-received, provoking an enthusiastic response from the students.

Spirit rally was a success.

On October 28th the class of Fall '66 presented their rendition of Junior Day. Their skit, a reminiscent view of the class's history from kindergarten to Washington, was entitled "Lollipops and Roses." It included scenes from kindergarten rest time, and rhythm time, a Jr. High Dance, and an eighth grade science class. Highlights included a folk singer, a kindergarten class version of "Money", and Mona Galant, singing "World Through a Tear." They ended their rally with the traditional Junior song; but the fun was not over yet. That evening they presented the Junior Day Dance, also entitled, "Lollipops and Roses."

Junior Day, Spring 1966, was entitled "What, Me Date?" It was a history of dating from the cave-man days to the present and included scenes from a Medieval joust, a wild west kidnap and a Roaring 20's speakeasy. The plot centered around a mother and father telling their son what it was like to date when they were young, and how inexpensive dating used to be. Spirit among the high-juniors was great and there was evidence of a strong senior class for next term. The festivities ended with the juniors' April 1 dance, "Fools Fancy."

The Class of the Stars have had their day . . . Senior Day Spring '66. "A Whale of a Tale," directed by Ann Lee and Rod Leong, was a smashing success. The plot centered around four aging pirates trying to regain the golden days of their youth. Their quest for youth ended in King Neptune's realm, where they were rejected by

Star-Kissed Tuna Co., and the infamous Charlie Tuna. A lunch time High Senior Picnic on the football field followed the rally. That night, the Seniors held a dance titled "Star-Kissed." Senior Day 1966 was said to be the most successful Senior Day ever held at Washington!

"Ye Gods," or "It's Greek To Me," was the comedy skit presented for the May Festivities. Song and dance set a fast moving pace to this rare all faculty performance. The May Festival Queen and court was presented at the rally, the results being the highlight of the day. Also the ugliest men on campus were crowned marking the end of weeks of voting at a penny a vote. In the evening, games and contests were held in the gym. The most successful booth was sno-cones; even tho the weather was not exactly warm; in fact the participants in the noontime DUNKO would heartily agree that the weather could have been better.

The classes of Spring '67 and Fall '68 chose "Tonight" as the theme for their Junior Prom. Held in the Girls' Gym, the Prom's music was supplied by El Camino High School Dance Band. The High Junior class chose Bob Vergez and Randy Firpo as their King and Queen. Rocky Trowbridge and Sharon McLean were chosen to represent the Low Juniors. The Prom was a great success, enjoyed by all.

## "She Stoops to Conquer"

The year's fall play, "She Stoops To Conquer," or "The Mistakes of a Night," presented quite a change from past productions. The carriage and diction of Mrs. Hardcastle, better known as Karen Young, were superb in this nineteenth century comedy. Richard Vinson's success as Tony Lumpkin, along with Dana Cole's and Mathys Bendel's as young lovers, added to the fine reviews of the play. Though the sting of satire has been softened by the century—this play retained the original humor and true wit. Opposite Eric Vissor, Coresa Bailey played the young Miss Hardcastle who, indeed, stooped to conquer. All of the performers helped to present an interesting night at the theatre.

"Then I shall be too young for the fashion."

"... out of my head."

"... you may steal for yourself the next time."

"... as you have been mistaken in the mistress, my wish is, that you may never be mistaken in the wife."

"Pray, sir, keep your distance."

# Productions Were Successful.

## "Christmas Festival"

The Advanced Orchestra, A Cappella Choir, Girls' Chorus, and the Drama Department combined their musical, vocal, and acting talents to present the annual Christmas program. This year's program was different from those of previous years. The traditional tableaux scenes were replaced by pantomimed action accompanying a narration by Miss Garin. The scenes included "The Veneration of the Mistletoe," "Saint Nicholas and the Gifts," "Miracle Play of Medieval France," "The Christmas Tree," "The Breaking of the Pinata," and "The Italian Manger" — all of which depicted various Christmas traditions. From the first chords of the Christmas Rhapsody Overture, to the finale of "Hark the Herald Angels Sing," the entire program was a success.

# Music Department An

Under the direction of Mr. Meder, the vocal department of George Washington High School has brought much glory to the school this past term. During the fall, the A Cappella and Treble Chorus participated in the Christmas Tableau and also sang the accompaniment to the dances of Mrs. Rocky's Adv. Dance class at the fall dance concert. During the spring term, the vocal groups participated in the

Choral Festival, held here at George Washington. George Washington has always had an excellent music department, and this year was no exception. The direction and training offered by the superb faculty at Washington has formed a music department that continually brings honors to the school, and proves itself to be a genuine asset.

Mr. McCormack

## Mr. Welch

George Washington has an instrumental music department to be proud of. During the fall semester Mr. McCormack came to our school as a student teacher, he assisted Mr. Welch in conducting the orchestra and band. When Mr. Welch left in the spring, Mr. McCormack took over as music instructor. Under the leadership of these two fine musicians the orchestra and band became skilled enough to win an excellent and superior at the music festival held at Menlo-Atherton High School. They also participated in the Pops Concert, which took the place of the music missing from this year's spring play.

# Art Department Adds Culture and

George Washington's art department is one of the best in the city. Headed by Mr. Brandt, Miss Marshall, and Mr. Feldman, it offers a wide variety of courses. The serious art student is able to study advanced courses in Freehand and design. For those who are more interested in fun there is ceramics. Under the direction of Mr. Feldman students are allowed to shape and mold great mounds of clay. Miss Marshall's design classes also allow students to test their creativity. The only requirements are a little talent and a lot of determination. Mr. Brandt, who is the head of the department, teaches advanced courses and history of art. The art department here at Washington promotes school spirit and unity. Miss Marshall sponsors regular contests to encourage her students in school activities. The cover of the yearbook, designed by Steve Kahl, is an example of one of the contests. The hall displays which advertise the term play and yearbook sales, also add beauty and culture to our school.

## HOLIDAY CLUB

The Holiday Club, formerly the Floral Arts Club, is a group of girls who meet occasionally under the supervision of Miss Marshall. The club's major projects are Easter and Thanksgiving decorations and Christmas corsages. The proceeds from the sale of the Christmas corsages are donated to charity.

Again this year the Girl's Athletic Association was an active and important part of the school's activities. Meeting weekly, the members participated in such sports as volleyball, basketball, tennis, badminton, modern dance, bowling, swimming, and gymnastics. Those girls who attended three-fourths of meetings were eligible to receive an award at the end of the term. The awards in order are: Numeral, Chevron, Circle Block W, Block W, Star, and Gold Pin. After a girl has received her Block W she is eligible for membership in the Block W Society.

This year's sponsor of the Block W was Mrs. Monaco. Among their many activities this year was a fashion show with clothes from H. Leibes.

Other G.A.A. activities included, award rallies, candidate rallies, and the Jinx held at the end of the semester.

The R.O.T.C. is a specialized group of cadets substituting military training for physical education. They are headed by Sgts. LaPlante and Patrick. The Honor Guards and Flag Bearers present at every rally are only representative of the R.O.T.C.'s many activities. George Washington's R.O.T.C. Battle Group started the fall term by winning four awards in the Columbus Day Parade. The Drum Corps and Drill Team won awards for their performance in the Veteran's Day Parade.

The spring term began in a flurry of activity with the Drill Team, Drum Corps, Rifle Team, and Platoon practicing before school. As a result two awards were won in the St. Patrick's Day Parade.

The R.O.T.C. sponsored an invitational Rifle Match, including the rifle teams of various Bay Area Schools. Nearing the close of the year's activities was the participation of the Drill Team and Drum Corps in the Santa Rosa Festival Parade in May.

The Federal Inspection and Awards Ceremony culminated a highly successful term.

# IT WAS A SLOW SEASON

The 1965 defending champion Eagles, despite a backfield considered one of the fastest in AAA history, suffered a season filled with frustration and disappointment.

On September 17, the Lowell Indians handed the Eagles a loss in their season opener, scalping Washington 20-7. Taking their cue from Lowell, the Sacred Heart Irish downed the Scarlet and Grey 20-6. The win-hungry and eager Eagle eleven bounced back the following week by hitting paydirt six times to shut out Poly's Parrots 38-0. Woodrow Wilson shocked Washington by scoring a touchdown with only 23 seconds to play to eke out a 12-7 upset over the Eagle footballers. Heavily favored and previously undefeated St. Ignatius was stunned in the best game of the season, as the speedy Eagles annihilated them 21-0. The Scarlet and Grey, hitting their highest point, made shambles of the best defensive unit in the city and

mowed down the 'Cats in all four quarters. The smashing victory was televised on KGO-TV the following morning. Oscar Williams, a fine all-around player, was named the Examiner Prep of the Week for his exceptional performance in this game. The high-flying Eagles winged their way to easy victories over Galileo and Mission, making good use of Tom Mayfield's razor-sharp passing. Stubborn Balboa, armed with a strong defense, held Washington to a 0-0 tie in a hard-fought and tense battle. The final game of the season saw Lincoln's power-charged Mustangs slosh to a 40-6 victory in a muddy rainstorm to win the 21st Bell Game. Although we were in the Championship race all during the season, our hopes for making the play-offs were dashed by this last game. Our Eagles finally finished in sixth place with a 4-4-1 record.

By the end of the season, several players stood out as

# FOR THE SPEEDY EAGLES.

particularly fine because of their extraordinary skill, determination, and leadership. Included in this group were co-captains Greg Pedrin and Oscar Williams, who both made second-string All-City, quarterback Tom Mayfield, and halfback Tom Coleman. The latter two made All-City honorable mention.

Our Eagles, guided by coaches Al Lubamersky and Bruce Nelson, may have met defeat too often on the football field, but throughout the season, through games that were won and games that were lost, they never gave up or let Washington down. It was fair play, strong determination, high spirits, and a united effort all the way. Washington can certainly be proud of its 1965 Varsity Football Team.

# THE SEASON SOON ENDED

On November 12, 1965, one of the wettest and muddiest Bell Games in the history of the fierce Washington-Lincoln rivalry was held at our own stadium. Playing in almost constant rain which turned the field into a swamp, the Eagles were unable to stop the rough offensive attack of the eventual city champion Mustangs, who rolled up 316 net yards to Washington's 59.

The Links jumped to a quick lead in the first quarter when big Mike Holmgren tossed two touchdown passes to end John Jamison. The Eagles came back in the next quarter, as Bill Alfred hit paydirt after a 31-yard punt return to make the score 14-6. Washington failed to score again in the game, while Lincoln racked up 26 more points to make the final score 40-6.

Many Washingtonians, whipped into a high spirit by the traditional occasion, loyally attended the game despite the biting wind and driving rain. Much enthusiasm was displayed at the Bell Game rally, and once again our Bell Court showed that Washington does indeed have the most attractive girls in the city.

Although Washington lost the game this year, it is a sure bet that Coaches Lubamersky and Nelson and their Eagles will go into the 22nd Bell Game ready to bring the Bell back to where it belongs.

# THE JVS AND SOPHS

Losing only one game, Washington's junior Eagles came through a strong season to capture the league's 1965 Junior Varsity Football title. Ken Wada, first-string quarterback, was considered by Coach Bill Firpo to be the team's most valuable player, while Ron Lanning, an end with an average of two touchdowns per game, Gil Ross, and Greg Livesey were also cited for outstanding contributions to the team.

This year, under the direction of L-11 class sponsors Harry Redlick and Bruce Nelson, the Junior Bell Game was introduced. Playing at their own field, the

Eaglets played their most exciting game of the season against Lincoln's JV Mustangs. The final score was 13-6 in favor of Washington. The event was attended by many loyal and enthusiastic juniors, with junior yell leaders and song girls chosen to raise spirit for the occasion.

In a summation of the season, Coach Firpo felt he had "a great team with great spirit and real team effort in every game"; both the team and the coach are to be congratulated for a fine showing.

## SOPHOMORE SONG GIRLS

Under the direction of Coach Richard Lee, the 1965 Sophomore Football Team compiled a good record of five wins and two losses, bowing to Poly 2-0 and St. Ignatius 26-7. The team was led by Greg Smith, Roy Nishimoto, Ernest Novelozo, Floyd Johnson, Milton Smith, Mike Dadaos, and Rolph Petersen. Coach Lee especially praised the backs, and predicted that some of the sophomores would make the Varsity team next year.

# Made Good Showings

1965-66 120's Basketball Team (l. to r.): Miles Hamada, Alfred Jin, Wayne Farinas, Carl Washington, Henry Lee, Ken Lawson, Dave Gerugthy, Michael Ching, Rich Yee,

Leroy Farinas, Parry Poon. Front (l. to r.): Trainer Athanasopoulos, Albert Hom, Daniel Chin, Coach McGrath.

Under coach John McGrath, the 112's Basketball Team battled its way to a strong second place finish this season. Losing only to Poly and Lincoln, the lightweight cagers compiled a fine 7-2 record. Leading the team were Bob Mizono, considered by Coach McGrath to be "one of the best lightweights to enroll on the hill in years," and James Brooks, both of whom made the All-City Team.

The 120's didn't do quite as well as the 112's, ending up in sixth place with a 4-5 record, but nonetheless Coach McGrath thought this team was a "good, above average team which had to play in a tough league." Enthusiastic teamwork was evident throughout the season and was responsible for a great 20-pt. victory over Poly. Although no one made All-City, Albert Hom, Alfred Jin, Dave Gerugthy, Carl Washington, and Leroy Farinas turned in particularly fine individual performances.

# OUR BOOTERS ALMOST

(L. to r.) Top Row: C. Griffin, E. Mitschenko, D. Morales, J. Goodwin, C. Butler, W. Akinshin, R. Zerbib. Third Row: K. Berzin, W. Porkda, M. Lay, R. Macias, R. Sarria, J. Zerbib, L. Shih. Second Row: W. Alsobrook, B. Lee, J. Freysleben, H. Ozols, S. Meyer, I. Safdie, J. Lisha, P. Bogatsby. Front Row: P. Bogatsby, V. Baksheef, S. Torpis, W. Suhonos, A. Soaves, R. Ebbink, D. Nakano, Coach Ellinger.

Washington's Soccer Team almost made it three years straight when it nearly made the championship this year. This season, which was supposed to be a building one, turned out to be most successful, with only one loss in regular play.

During the season, our booters tied Poly in the season opener, dropped one to Galileo, and defeated Lowell, Mission, Wilson, Balboa, and Lincoln to finish tied with Balboa for first place, each team having a 5-1-1 record. In the semifinal contest against Mission, the Eagles buried the Bears, 2-0. The round robin co-champs met at Balboa Stadium for the title; the two teams, tied 2-2 in the latter part of the game, fought fiercely through a double overtime before the Bucs scored to win the contest, 3-2.

Leading the team to its victories were two outstanding players, Bob Macias (left wing) and Roger Sarria (center forward, center half), who both made All-City for their third year in a row. The former also tied for third in league scoring. Steve Meyer (center half) and Peter Bogatsky (left inside) were named to the second string All-City Team, while defensive halfback Clive Butler made honorable mention.

This year's team possessed a united effort, high spirits, and a well-balanced attack. Because of these elements, it was a real winner. Congratulations to Coach Ellinger and his squad for a fine season.

# DID IT AGAIN.

# Wrestling Had a Building Year;

Top row (l. to r.): Nelson, Carpenter, Neyland, Nious, Cort, Meyerhoff, Rodriguez, Tokugawa, McRae, Holland, Krisan, Dryden, Kajiyama, Franks. Middle row: Levy, Mihara, Lum,

Toner, Thomas, Wong, Mendonca, Jones. Bottom row: Ramos, Lee, Colyear, Terada, Liang, Avedian, Friedman, Schubert.

Although it lost a majority of its meets, this year's wrestling team showed fine improvement in its second year of team competition. The Eagle matmen, again under the coaching of Mr. Ellinger and again making up the only full varsity and junior varsity wrestling team in San Francisco, met with ten organized teams from outside the city. Butch Colyear (127 lbs.) was chosen the most valuable lightweight wrestler, while Mits Tokugawa (154 lbs.) and Randy Brachman (165 lbs.) received similar honors in the heavyweight division. Considered most improved players were Rich Osborne (138 lbs.) and Don McRae (165 lbs.). It is Coach Ellinger's hope that other city schools will field wrestling teams and that wrestling will become a regular part of the AAA program in the near future.

# Fencing Was Tops

1966 Fencing Team (l. to r.): (top) Arthur Chin, Clark Smith, Paul Au, Alfred Jan, Rossi Snipper, Arthur Nonomura. (bottom) Rich Sante, Francis Yung, Ken Stroughter, Chester Lim .

Fencing, a relatively new AAA sport, did well at Washington this year. Under Coach Reade, the Eagle fencers worked hard, practicing through the fall semester and defeating all the schools they played in exhibition matches. Their hard work paid off well when the regular season opened, and the team went undefeated, going on to play the Mission Bears for the championship. Although there was no All-City for fencing, Rossi Snipper, Arthur Nonomura, and Paul Au turned in consistently fine performances. Congratulations to Coach Reade and the 1966 Fencing Team.

# Cross Country Ran Second.

Although the cross country team got off to a slow start, the long-distance runners gradually picked up speed to have one of the best seasons in many years and to capture second place in the over-all standings. The dual meet season was unimpressive as the team compiled a 4-4 record, but the potential was greatly in evidence even then. The Eagles proved their ability beyond a doubt when they took second place in the All-City meet, and two boys, Roger Lewis and Arthur Wong, made All-City. Besides the previously named Lewis and Wong, Denis Merz, Eric Shaw, and Lamont Allen made up the Eagles' top scorers. The exceptional individual performances were matched by a unified, spirited team effort and by fine coaching by Mr. Harry Redlick.

# THE 130'S

Washington's 130's basketball teams have always been great, and this year's lightweight cagers proved to be no different. Led by Larry Mosely, who made All-City, Daryle Thompson, Ron Iwamasa, Arthur Wong, Al Carter, and Bruce Stanbridge, the Eagles played their way through an extremely successful season, bowing only to Wilson to compile an 8-1 regular season mark and to be tied for first place in the round robin. The mighty 130's were handicapped early in the season when they lost first-string ballplayers Stanbridge and Carter, but this didn't stop them. They rolled over Galileo 73-61 in the AAA semi-finals and thus made it to the championship game against Wilson. The Warriors proved too much for the Eagles as they won the title and their second game from us, 49-39. Coach Athanasopoulos and his fine team are to be congratulated for a close-to-perfect season.

1965-1966 130's Basketball Team (l. to r.): L. Allen, R. Iwamasa, A. Wong, D. Thompson, C. MacDonald, B. Stanbridge, A. Carter, L. Mosely, C. Der, C. Brown, S. Pearl, A. White.

Varsity basketball was one of our most exciting sports this year, with the Eagles just barely missing an AAA playoff spot. Although our chances for the championship didn't appear too bright at the beginning of the season, Washington found itself in the thick of the AAA race shortly after the league schedule began. Our first game against Galileo ended in victory, as did our later games against Wilson, Poly, Sacred Heart, and Mission; Lowell, Lincoln, Balboa, and St. Ignatius were able to register wins over us after close battles. With a 5-4 regular season record, the Eagles were tied for third place with Sacred Heart, Wilson, St. Ignatius, and Balboa, but they were edged out of a playoff spot by the Irish and the Bucs. Leading the varsity cagers were two boys who eventually made All-City, Mike Johnson, the league's leading rebounder with 137 rebounds, and Rich Gray, the league's leading scorer with 164 points. Great teamwork was also provided by Don Mamou, Sam Holmes, Doug Berl, and Doyle Miller. Largely responsible for the team's success was its fine coach, Mr. John McGrath.

# OUR NETTERS TOOK SECOND

Washington's spring 1966 Tennis Team almost had a perfect record this season and was able to place three players in the All-City finals. In AAA competition, the netters compiled a very good 7-1 record, bowing only to Lowell in a close meet, 7-0. Finalists in the All-City competition were John Wong (singles), whom coach Callen described as one of the best players to come out of Washington, Ira Duden (doubles), and Tony Lee (doubles).

# THEY LIVED UP TO

The Varsity, 130's, and 120's Track Teams were superior — as usual. In the regular dual track meet season, the varsity trackmen compiled a 6-2 record, the 120's were 6-2, and the 130's went undefeated. The AAA All-City Track Meet found the three teams tops in their divisions.

The Varsity Eagles were barely edged out by Balboa, 51-50, at the All-City meet. Ernie Provost and Oscar Williams came through with double wins in their respective categories, Provost racing to a record-tying 9.7 in the 100 and a 22.1 in the 220 and Williams putting the shot 50-9 and tossing the discus 158-3. The latter also placed fifth in the high hurdles. A second in the quarter-mile, a fourth in the 220, and a third in the long jump by Larry Mosely added important team points. A third and a fifth by Sam Holmes and Gil Griffin, respectively, in the high jump, a second by Arthur Wong in the mile, and a third by Roger Lewis in the two-mile also helped gain points for the Eagles.

The 130's turned in fine performances to capture the city crown with 54½ points. Important point-makers included Jeff Shifts, who took a first in the 75-yd. dash and a second in the low hurdles, Tom Coleman, who placed fourth in the 75-yd. dash, second in the 50-yd. dash, and first in the long jump, 330-yd. and 150-yd. runner Ismael Relampagos, and Tyrone Hanna. Team members Radar, Shaw, Rabin, Merz, Foster, Haines, and Duncan also turned in good performances.

Third place behind Balboa and Poly was taken by the Eagle lightweights, who were led by R. J. Gopez, Burroughs, Hieda, DeGuzman, and Farinas.

Track coaches Harry Redlick and Bruce Nelson and the teams are to be congratulated for a fine season.

# OUR GOLFERS WERE REAL SWINGERS!

The 1966 Golf Team (l. to r.): (back row) Kaufton, Colvin, Links, Whitman, Susko, Silverstein. (front row) Wong, Kong, Baer, Rosenberg, coach John McGrath.

Under coach John McGrath, this year's Golf Team was able to grab second place behind Lincoln in league competition. Losing only two meets out of nine, the team included many fine players despite the fact that many of them are relatively young. Harold Baer, Jr., was voted the most valuable player, while Stewart Whitman, only a junior, blazed to glory by seizing first place in the AAA All-City competition. Other outstanding players were Dukeminier, Susko, and Lee.

# OUR SWIMMERS REALLY PUT OUT.

GW's Varsity, 130's, and 120's swimmers swam to strong finishes both in the regular season and in the AAA All-City Meet.

In the regular dual meets, the varsity and 130's mermen lost only two meets out of nine, while the lightweights concluded the season with an 8-1 record.

At the All-City Meet the Eagle swim teams took seconds in unlimited and 130's competition and fourth in the 120's division with 47, 61, and 27 points, respectively. Under the combined power of Ron Lanning, Alex Moskowitz, Dan Cort, and Doug Cort, the varsity took a first in the 200-yard medley relay. Second place in the 400-yard freestyle event was captured by Steve Dick, while third place in the 100-yard freestyle was won by Paul Meyerhoff. The combined efforts of the team enabled the varsity to finish behind St. Ignatius. At the same time, the 130's also came in behind S.I. although the former were able to take all but three firsts. Responsible for the outstanding overall performance were such swimmers as Ron Omori, who took firsts in the 50-yard butterfly and the 50-yard freestyle, Howard Terada, who took a first in the 100-yard breast stroke, and Steve Blumenkrantz, who took a first in the 100-yard freestyle.

Although the lightweights finished fourth, they turned in many good performances, including those of Jim Reich in the 50-yard freestyle and 50-yard breast stroke swimmer Liang.

# THE BASEBALL TEAM

Unlike past Washington baseball teams, this year's varsity squad, under coach Bill Firpo, surprised everyone by turning in a season which almost led to a spot in the AAA playoffs. Making a great effort, especially in the last half of the season, the Eagles set a win streak of six games, missing the playoffs by only one game and turning in a 9-9 record. Much of the credit was due to outstanding pitchers Roger Sarria and Paul Grootman, to Mike Jones, who was the leading hitter in the AAA with a .459 average, to leading base-stealer Henry Harris, and to Tom Mayfield. With six juniors on the first team, the Eagles have a good chance to capture the city championship next year. Congratulations to coach Firpo and the 1966 Varsity Baseball Team.

# Looking Ahead

Step from classroom to a bright future at Metropolitan Life. Good starting salaries, regular raises, frequent promotions. Stop in after school and let us tell you about it. As a Metropolitan employee, you'll enjoy many benefits. Insurance benefits, for instance, include life insurance, disability insurance, hospital, surgical, and major medical expense benefits. There are liberal vacations and holidays and cash awards for suggestions. There is a well-stocked library, free to employees, of course. Many different social and athletic groups help you get to know your co-workers. Stop in to see us soon, at the address below.
