EDITOR'S NOTE

Senioritis may not be a word but it sure is a condition. For you who don't know what the term means, here is a simple explanation. Senioritis means the laziness and 'just plain taking it easy' that hits Seniors in high school. I know the term well because I was acutely stricken with this ailment. I think most of the staff was too. Never let this ailment get in the way of your goals because it fouls up a lot of things. I just want to thank a few people who did most of the work for this Surveyor like . . .

Ms. Camozzi-even when the chips were down, we kept on trying.

Peanut, Melissa and Ann-for their typing, etc.

Nancy-who did the undergrad sections.

Rowena-for being there when I needed her.

Don-His terrific art work in this Surveyor made it very special.

Sandmann and Mike-for their developing skills.

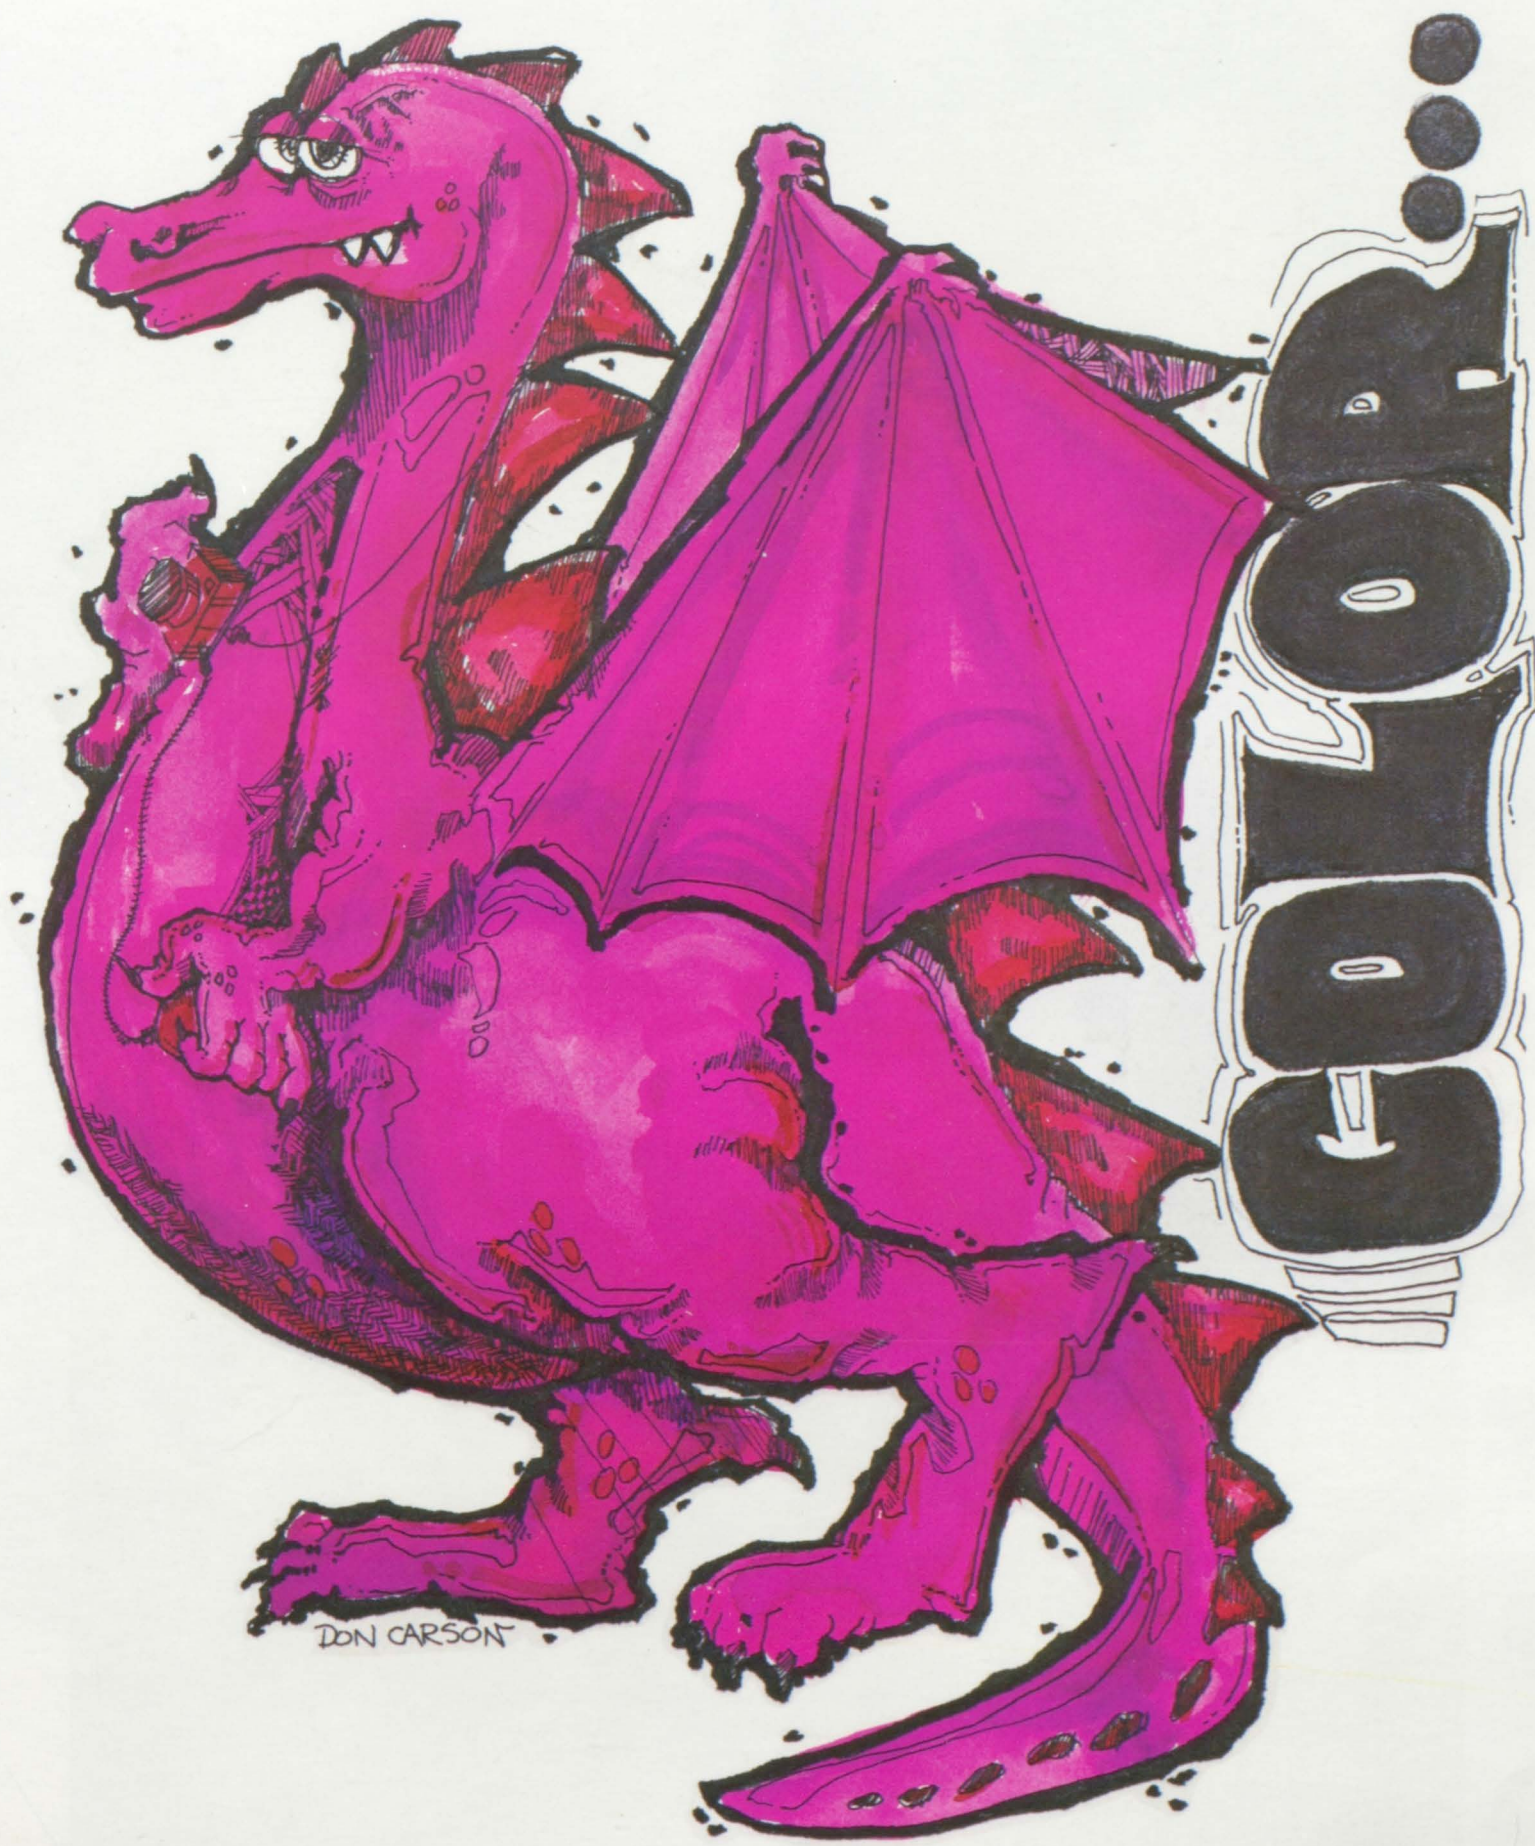

Richie and Doug for putting up with me . . . AND Debbie, Milly Glen, Bret, Lisa, Tapper, Burns, Mel, Cici, Laura, Kiki, Val, Michele, Kor, and Karen.

God Bless you all!!!!

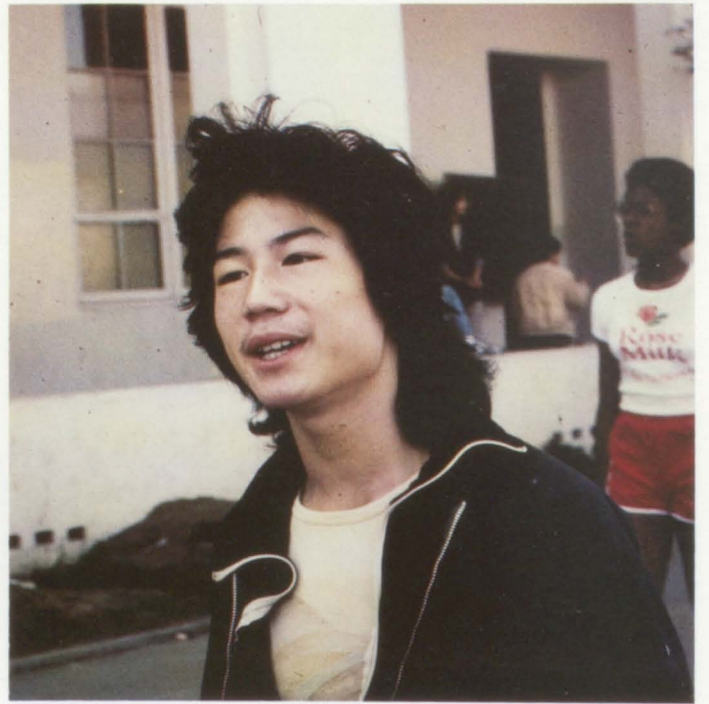

Thanks,
KED

The Varsity Football team had an exciting season despite their record of 2 wins, 4 losses, and 1 tie.

Coach Ruane amassed a lot of talent, but unfortunately errors cost the team most of their games. They worked hard and put individual effort into the games, the Varsity team deserved more than what they achieved during the season. Yet, this was not enough to put the Eagles on top.

Players such as Paul Burger, John Marksman, Mark Chase, David Lim, Paul Haas, Cedric Stockard, Matt McKay, and Naaman Starling displayed outstanding talent throughout the season.

The Frosh Soph football team was made up of highly motivated and dedicated athletes. Their team spirit and hard work during the season are not reflected in their disappointing win loss record. Many injuries and breaks did not break their "can do" spirit and their season will be remembered as a success in the eyes of all who knew them. They were led by Captains Charles White, Mike Diggs and Fenton Baptiste.

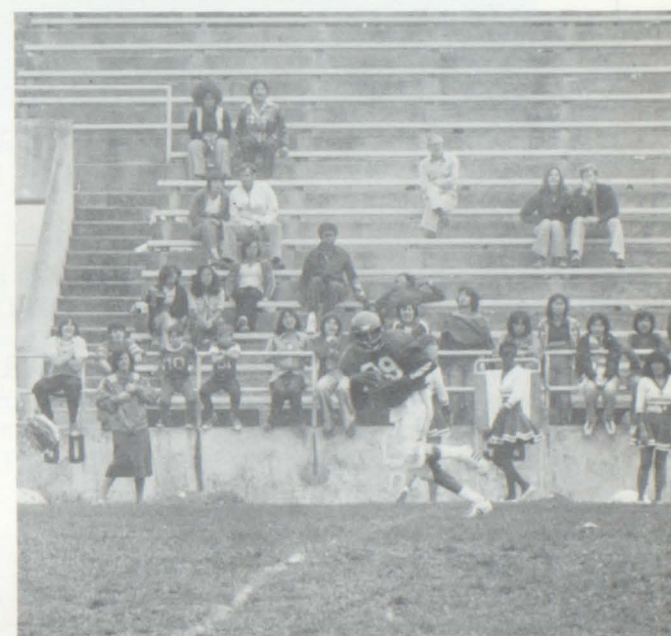

Roger Johnson and Bill Bracy were both selected to the first team All City Frosh Soph squad. Sadao Langfelot, Dennis Bell and the Captains were also selected to All City Berths.

The Eagles' 1979 Varsity Basketball team has been one of the strongest in Washington's history. In the prediction of the coaches, Washington was favored to be #1!! The Eagles had 5 returning players back from last year, Tom Frazier at forward, Lamar Baker at center, Dexter Thomas at guard, Eric Gaskin also at guard and Paul Burger at forward. Also in the line up with their excellent performances were Robert Akins Darry; Valdez and Willie Burns along with the rest of the team with two outstanding returning juniors, Guy Moore and Matthew Smith.

In the first game of the season, Washington opened up to Balboa. With much of a surprise, Washington was defeated 50-48. But that certainly didn't stop the Eagles. They went non-stop for the rest of the season with determination and a together team attitude.

PLAYOFFS

In the Eagles first match up in the AAA playoffs, the outstanding Eagles were able to defeat Wilson 97-90. Washington's Lamar Baker scored on two consecutive dunks and a tip in. Washington was on it's way to a victory but Wash led only by 6 points at the half time 51-45. In the third quarter, Wilson came within three points 58-55. But the Eagles Tom Frazier scored on a drive, from the corner and from the top of the key to spark a 15-6 run, which put Washington on top.

After the Washington Eagle's victory over Wilson, Washington's next opponent was the Mission Bears.

During halftime the Eagles were behind for 2 minutes in the second quarter by 7 points. But with outstanding skill and performance the Eagles worked together as a team and gained victory 73-68.

BOYS' CHAMPIONSHIP

The Washington Eagles Basketball team returned to the winner's circle for the first time in years for a shot at the Championship against last year's champions Balboa High. The Eagles earlier in the season were defeated by Balboa 84-75 in the Eagles disfavor. The Eagles did what they had to do to reach their goal of showing Balboa that we are the best, and our next stop was T.O.C.

EAGLES GO TO T.O.C.

The T.O.C. for Washington, 1978-1979, will be a year long remembered in Washington High School history. The Eagles were defeated the first game which eliminated them from the rest of the tournament. This season will a long remembrance, because not only did both the Eagles girls and boys win the varsity titles, but the school became the first in the 33 year history of the T.O.C. to send two teams to the event.

GIRL'S VARSITY BASKETBALL

The year the Girls' Basketball Team was made up of the finest grouping of Washington girls that has ever been. Their winning season resulted from the outstanding teamwork of the players and the dedication of their coach Ms. Zinns. Rossiland Rogers, Bonnie Herman and Mazetta Garrett led the team to complete victory against all of the schools they played and went on to become the second best team in Northern California.

GIRLS' BASKETBALL CHAMPIONSHIPS

The Girls' Basketball team showed great skills in capturing the AAA crown for the 2nd time in two years. Their great success will be attributed to their team leaders, Mazetta and Rossiland. Ms. Zinns, the coach of the championship team, credits the team press and the defense as the keys to the Eagles' victory this season in the championship against the other playoff teams, Mission and McAteer. The closeness of the last game against McAteer is displayed by the score of 59-58 where the last seconds of the game were the crucial points earned...

Mazetta dribbles down

The George Washington High Eagles return to the 1979 TOC with six players from their 1978 team, but are still headed by Guard Mazetta Garrett senior, squad high scorer, with 344 points and an average of 18.0. She was All-City in both her Sophomore and Junior years and seems to be a cinch to repeat in 1979. She has received the Flecto award as Athlete of the Week for the past two years. Not only does she score well, but she also had 107 steals and 136 assists during the year. Rossiland Rogers, second high scorer with 268 points, is an excellent defender and shot blocker. The Eagles' coach, Fran Zinns, says "We take pride in an evenly balanced scoring team. Four usually score in double figures. Our main strength is our ability to come from behind.-TOC write up. GIRL'S TENNIS TEAM

The Girls' Tennis team, led by Miss Podesta had anticipated a more glorious season, but still had a fun and spirited season finishing fourth in the City with a record of 5-5.

Kerry Onishi, in her first year of singles after playing in the team for her third year did very well, with a 6-3 record.

The #1 doubles team of Crystal Chow and Susan Wong were an outstanding duo. Crystal and Susan went to the Semifinals in All City, until finally bowing to St. Rose, then eventually went on to win it. The two were very consistent and exciting with their long rallies.

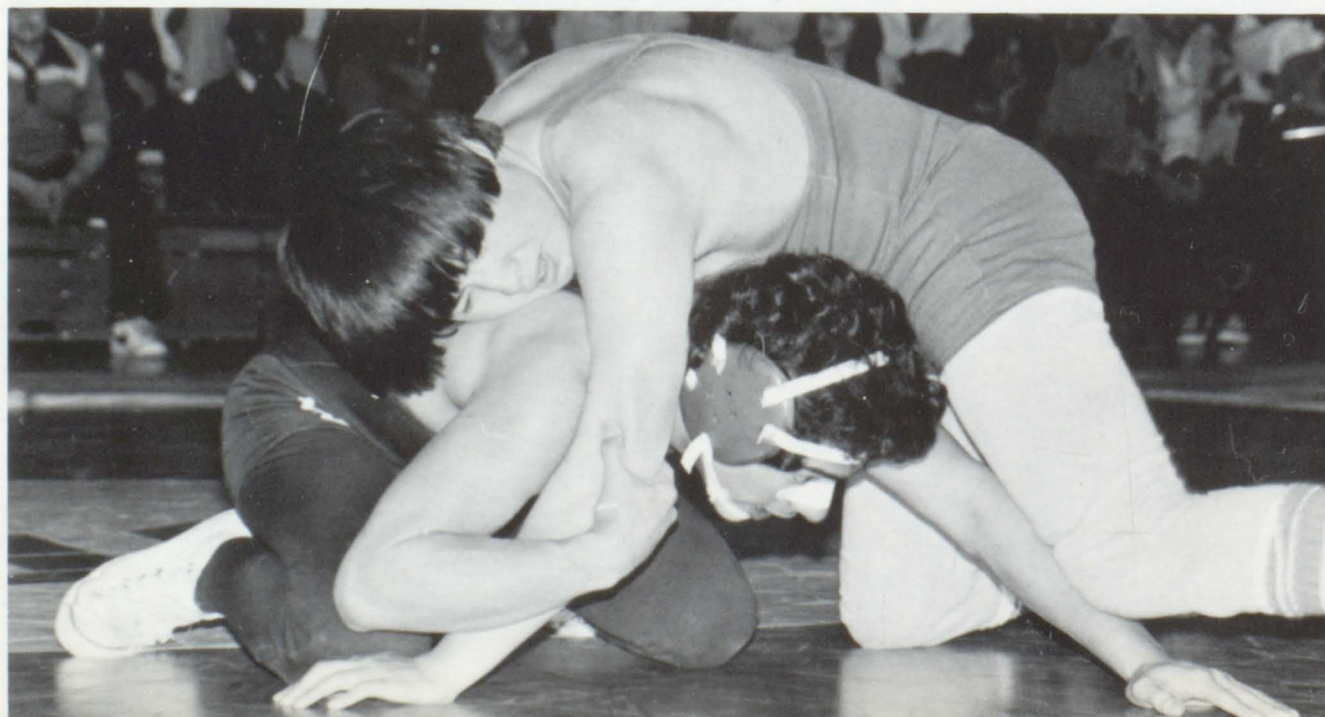

The #2 doubles were seniors Debbie Gee and Laura Chin, with junior alternates Susan Fong substituting for Laura several times. The #2 doubles finished at 5-5.

SACRAMENTO'S WALKOUT

Among the 2,500 participants in the April 25th city wide protest of proposed cuts in next year's school budget were many G.W.H.S. faculty members and students.

Demonstrators representing San Francisco public schools and daycare centers marched peacefully along Sacramento's Capitol Drive carrying signs and banners expressing their support of public education.

In the following rally, several speakers voiced their opinions in an effort to persuade legislators to provide more funds for the S.F.U.S.D.
