> As Senior Section Editor, I feel that this is the best it's ever been; with the changing of grad pictures from rectangles to ovals, the baby picture name game, and Roller Skate Night. I would have liked to include all Senior Activities, but in order for the surveyor to come out in time, all deadlines had to be met.

Being Senior Section Editor does not mean that all the work was done by me. The credit goes to the whole staff - thanks for without your hard work, the deadlines would not have been met. I especially want to thank Mrs. Camozzi and Don Carson 3 for the guidance and confidence they had in me. Although there was much hard work and near heart attacks, it was fun.

I hope this section is as fun and memorable for you as it is for me. Much luck and success to next years' Surveyor Staff and the class of ' 80.

Somebody calls you, you answer quite slowly - the girl with M and M eyes ...

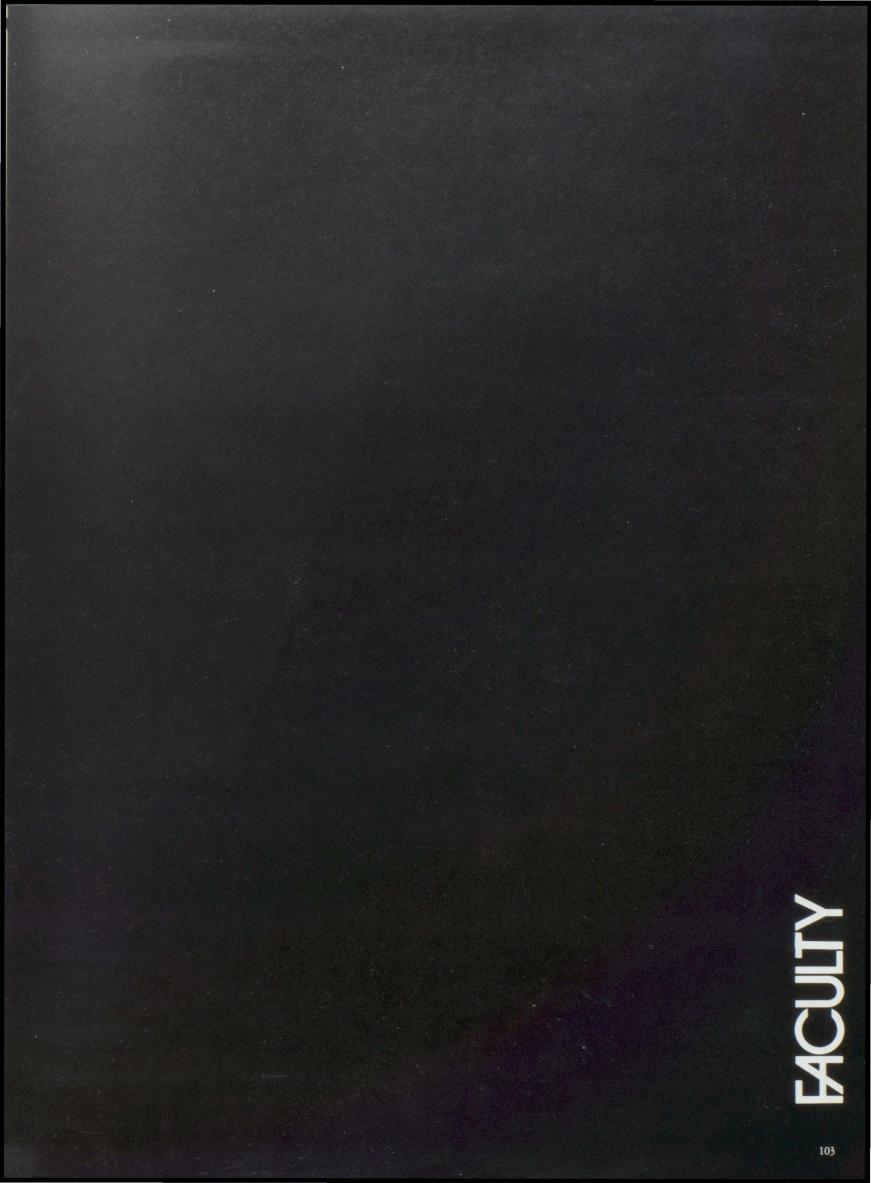

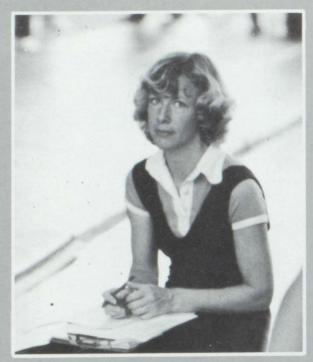

Some faculty of school year 79/80 could have been stuck in a time warp protecting the carbon units, of George Washington High, because according to our statistics the instructors have achieved the opportunity of running the Yearbook Class into an outrageously deranged Ballroom Blitz. For one thing most of the teachers did not answer our beg's for pictures, names detained to protect the guilty. Secondly, our photographers are not the gorgeous or wisest people around but booting them out of class accomplishes nothing. We only needed a minute of their time but no; not even a starving student fighting to pass. Some of the photographs have been enlarged for your convenience, therefore, HURRY HURRY, get your darts!

The sports section of the yearbook does not contain all the sports of our school, but it does contain as many as time allowed. With the deadline so early, many sports had to be left out. I tried to fill every page with as many pictures as I can, because we have some great athletes. This is my first and last year on the staff. It took a lot out of me, but it was worth it. I hope that the sports section is satisfactory to all the students and members of Washington. I would like to thank Mrs. Camozzi for having faith in me to do the job, and I would like to thank the coaches for their cooperation. I enjoyed working with the Surveyor staff and wish them luck next year.

Varsity Football

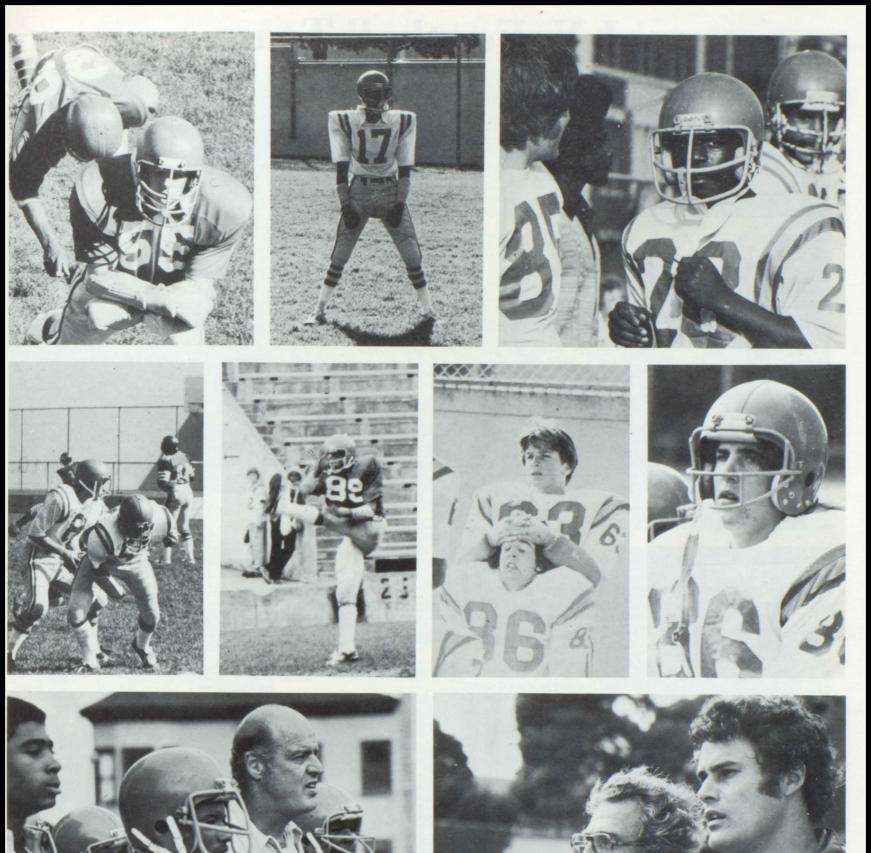

The Eagles had a disappointing 1-5-1 season, but gave their rooters some exciting moments. In their opening game against Mission a 72-yard touchdown run was called back by a penalty, and three other penalties held the luckless Eagles from scoring the six inch line before losing 6-0. After being routed by Lowell 26-0 and 39-6 by Galileo, the Eagles bounced back holding playoff bound Balboa to 0-0 until the Bucs scored 21 points in the fourth quarter. In the annual Bell game, our varsity had the Mustangs tied 12-12 in the fourth quarter. Lincoln posted an 18-12 victory in the final two minutes. The Eagles finally fired up and defeated Wilson 20-12. In the final game, the Eagles knocked McAteer out of the playoffs in a 0-0 tie. Senior Captain Anthony Walker and sophomore receiver Sadao Langfeldt were selected to the All-City.

J.V. Football Team

The Soph-Frosh football team enjoyed an outsanding season in 1978. The disruptive start of school caused them to get off to a slow start but by the time the strike was over and all players had reported, the team was unstopable. The team produced some good sophomore players who should be good varsity players in 1980. Some of these were Brian Rhodes, Robert Mongomery, Gene Chao, James Yelton, Adan Allen, Williams Tavares, Ed Louie, Ty Kushner, and Robert Huntley.

The freshmen class also had its share of talent and they should be the heart of next year's team. Among them were Russell Hall, Renard Ford, Kevin Stampley and Tony Valosak.

The unfortunate aspect of the season was the injuries some of the team's best players. These were: Leon Salem, Tony Watt, Kevin Bryd, and John Fukua. Hopefully these players will heal and be as good as ever.

Much credit to the teams success also to James Ng and Tracy Wong for their hard work as managers.

The Washington Volleyball Team had a disappointing year. The team's hearts were in the right place, it was the points that were in the wrong. Our three-four record does not tell the team's story. Our coach was changed before the season and made it difficult, but not deadly. Congratulations to Anne Lee and Roseilin Rogers for making All-City this year.

The girls' basketball team did it again. For the second time in a row, the team were the champs in the Girls' Basketball Washington Invitational Tournament. In the playoff, the team was a bit nervous, but after awhile the team made shot, after shot and defeated San Rafael in a spectacular game. The team received the championship trophy and Michelle Woods received the all tournament player trophy.

The Varsity Cross Country Team finished second in their division this year. This is quite an improvement over last years seventh place finish. The team also represent the city in the All Northern California Cross Country Meet. The Soph-Frosh Team finished a sixth place in their division.

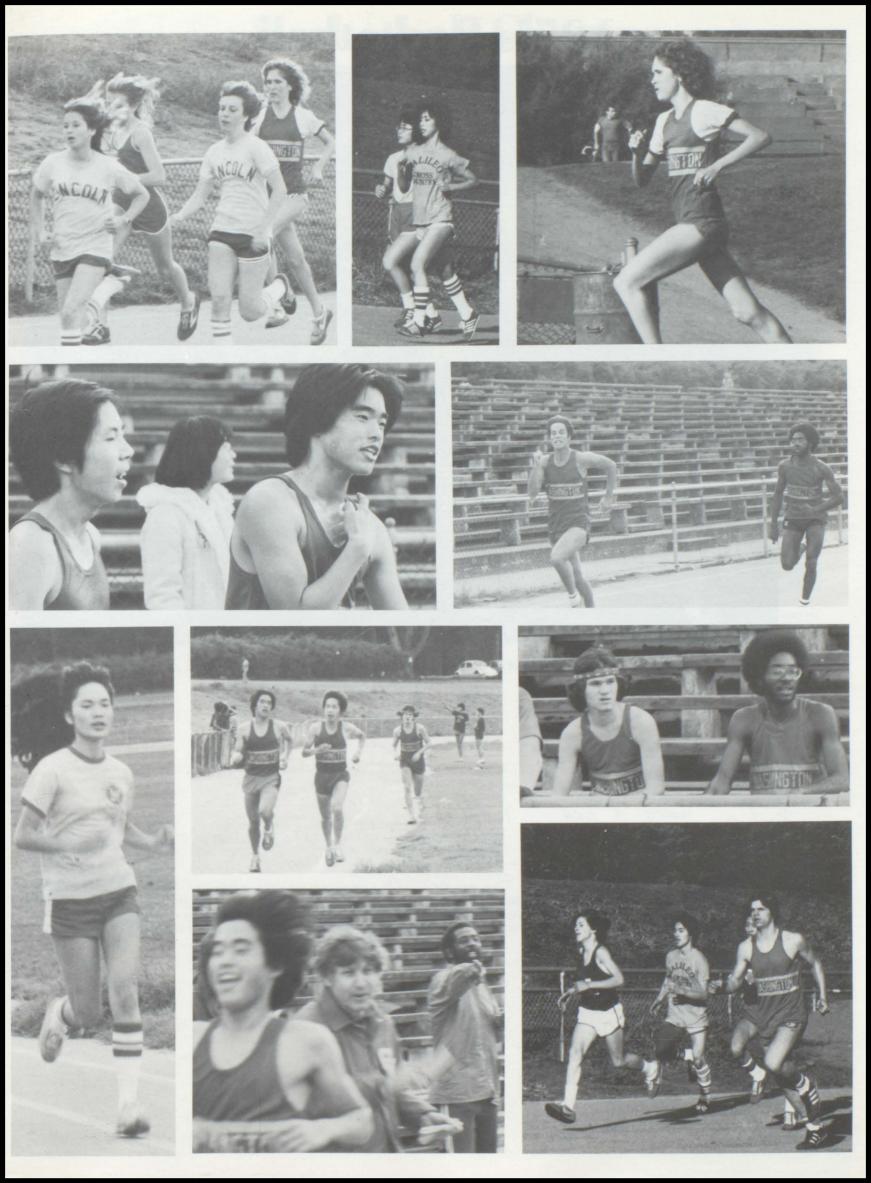

Girls' Cross Country

1st ROW: L. Yamamoto, P. Sherwin, J. Robertson, D. Graham

1st ROW: V. Key, T. Fukuda

The Girls' Cross Country Team finished third this year in only their second year of competition as a team. Overall the team did a good job in competition. Congratulations to all the Eagle runners.

Once again the 125's take a 2nd place in the season of basketball. They were led by outstanding guards, Mike Harris and Andre Scott. The 125's also had a strong front line which kept rebounding and scoring. Richard Wells, Andrew Gordon and Emanuel Steward were responsible for the backboards. Mike Harris was the only one selected this season to be on the All-City team.

115's Basketball Champs

The season was a very successful one for the 115's. The team went undefeated with a record of 7-0, and they easily made their way to the championship. With front liners Jon Amedu, Andrew Brown, and Robert Rainey, the 115's prevented the oppositons from rebounding and scoring. Mike Kemp and Ricky Myers defended the backcourt. All-City honors for this year were Robert Rainey, Mike Kemp and Ricky Myers.

J.V. Basketball Team

1st Row: D. Duann, M. Coit, D. Turner, M. Smith, Coach Firpo. 2nd Row: B. Rhodes, T. Renfrew, K. Neeley, R. Simpson.

The J.V.'s had a successful pre-season romp through Marin County but lost their first game to Oakland High. Since the regular season began, the team's hopes for a playoff spot have been dimmed with close losses to Lincoln and Lowell and a not so close loss to McAteer. Wilson was different. The J.V.'s scraped by the Warriors. Contributing to a fine effort are Maurice Smith, Todd Renfrew, Derrell Turner, Ravin Simpson, Mike Coit, Dennis Bell, Brad Stewart, Bill Lassiter, Alan Thomas, Bryan Rhodes, Kim Neeley, and as always The Coach, Flash Firpo.

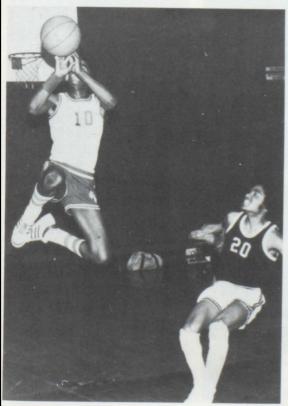

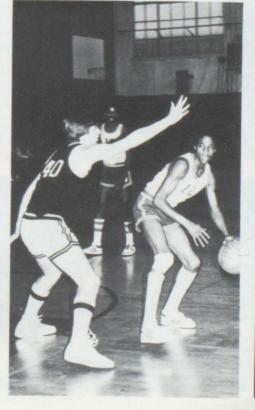

Varsity Basketball Team

Kneeling: D. Gordon, C. Storey, L. Rhoder, E. Robinson, N. Mossa. Standing: Mr. T. Swartz, N. Grant, G. Moore, D. Boone, J. Brown, C. Stephens, M. Smith, Mr. 'A'.

The Washington High Varsity Basketball team put out a great start. The first game against McAteer was one of the most exciting games of the season. The lead changed hands many times, but the Eagles finally prevailed. To add insult to injury, Guy Moore slam dunked the ball with four seconds left in the game.

The team appears to offer an even more promising season next year since only four of the eleven team members are seniors with one junior and two sophomores as starters.

Girls' Basketball Team

Top Row: Mrs. Zinns, P. Johnson, G. Wiggins, R. Rogers, M. Wood, B. Brady, Bottom Row: A. Venenciano, J. Strickling, M. White, R. Quilala, E. Jimenez, N. Rooks, Absent: M. Berne.

Like always, this year's Girls Basketball team is a good one. During the preseason games, the team did splendidly. They won game after game. Later they defeated the bay area high schools to take the first trophy in the Washington Invitational Tournament. The girls gave spectators a good show. They dribbled past the other team, they made lay ups, they shot back hand hook, and most of all, they gave it all they got.

This year's team is a young one. The team is made up of three seniors, five juniors, two sophomores and three freshmen. The team is a good one and with only three seniors leaving, next year's team will be just as good. Keep up the good work girls and best of luck Mrs. Zinns.

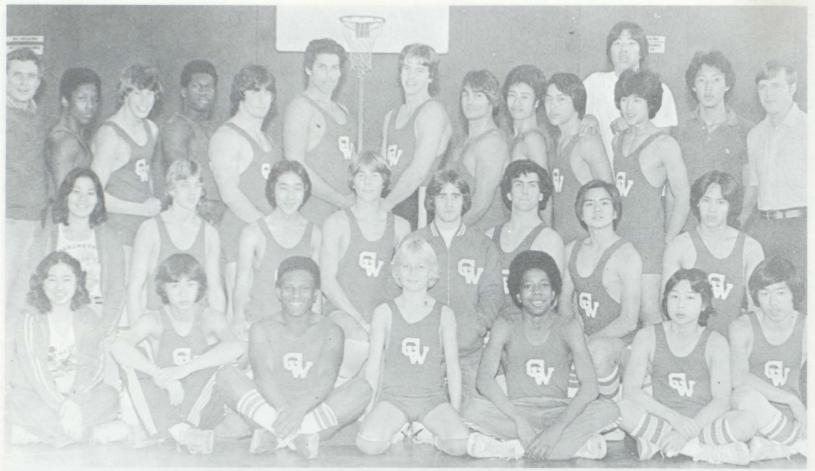

1st Row: L. Murakami, E. Wong, R. Montgomery, N. Dierauf, K Coleman, G. Jeong, J. Ng. 2nd Row: N. Lew, M. Toby, D. Murakami, T. Dierauf, J. Stern, H. Klein, M. Huie, E. Louise. 3rd Row: Mr. Block, D. Williams, J. Haber, K. Dixson, J. Byrne, C. Ward, W. Warren, D. Khadjehour, E. Ge, M. Wayne, J. Fukuda, T. Takeshita, G. Cha, Mr. Busic.

Wrestling is a very different sport. It takes time to learn all the moves and it's a one on one match. Every person gets only one chance at each meet. No matter how many points are given to one person, the pin determines the match. Everyone works hard to win. If he loses, he cheers for his teammate.

Most of the members of the wrestling team are first year wrestlers with the exception of J. V. 1146's Doug Murakami, 105's Ira Bibins, 114's Toshio Takeshita, 122's John Stern, 129-135's Hank Kelin, 140's Matt Wayne, Darius Khadjenouri, 167's Kevin Dixson, and 193's Joe Byrne. With first years wrestlers 95's Nick Dierauf, 129-135's James Ng, 140's Gene Cha, 145's & Melvin Huie.

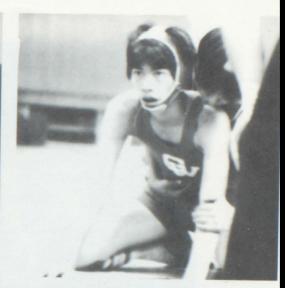

Most of all we want to thank our coaches Mr. Block & Mr. Busic for training us and putting up with us. Also, a special thanks to our female wrestlers and cheering section Nancy Lew, Lynne Murakami, Kari Wong, and Suzanne Naito.

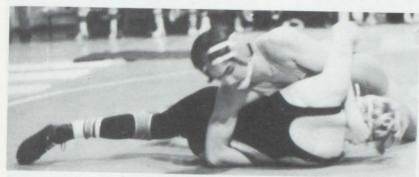

Due to the lack of true dedication and the many injuries that plagued them this season, the Eagles wrestling team placed 6th in All-City.

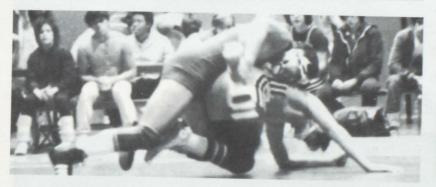

Next year, the mother hen hopes to hatch a new nest of champions The wrestlers that you see today are striving to win Trying to score some team points Their man they want to pin He diets like a champion, his training program's tough And when the month of March is here Well boy he's had enough No matter who does win or lose All these kids have pride And once a match is over You know they all tried.

The Washington Eagles Girls' Tennis Team had a better year than they anticipated. In spite of the strike which delayed the regular season until December, the team placed fifth out of ten teams. The #1 & #2 seed singles and #1 doubles did exceptionally well in All-City. Cathy Wong and Tracey Frazier both lost in the singles quarterfinals and #1 doubles Susan Wong and Susan Fong went to the semifinals before going down.

Producing this section was often an exasperating experience, but an enriching one neverteless. We have finally managed to get the chaos together, and put it in some sort of logical order. CULTURAL CLUBS are on pages 148-150, HELP AND SERVICE organizations on 152-155, ACADEMIC endeavors on 156-158, and miscellaneous FUN or ATHLETIC groups can be found on 159-161. The paragraphs accompanying the pictures were written by club associates. Many groups didn't submit a paragraph, and for these we listed the names of the club memebers. We apologize for not including the names for all the groups. It would not be fair for one group to have both names and a paragraph and another to have no recognition at all.

I wish to thank the section's two photgraphers, James Ng and Ron Lee. Special acknowledgements to Ron for marching to his own drummer and his valiant attempts to pull the whole ship down with him. Many thanks to the groups who did cooperate, and to the student artists who contributed their works to fill these pages. I also wish to thank Allison Wong and Chrysanthe Paxinos for working on layouts. Hope you all enjoy looking through our production, and appreciate the care taken to print the pictures with everyone looking reasonably normal (If possible!) Ad. Astra,

Chinese Foreign Students

This club was originated a year ago. Because of its size, it has been seperated into two branches, Cantonese and Mandarin. The members of this club are free to participate in any one of these two branches. Each branch has 5 officers and they are chosen by their own branch members for a semester term.

The main purpose in establishing this club is to assist students who have difficulty with their academic work in the school. In addition, there are other purposessuch as helping students get acquainted with each other, to glorify the Chinese culture, and to enrich the students extracurriculum.

Because the members are very cooperative and responsible, the club is doing quite well now and will be even better in the future.

Spanish Club

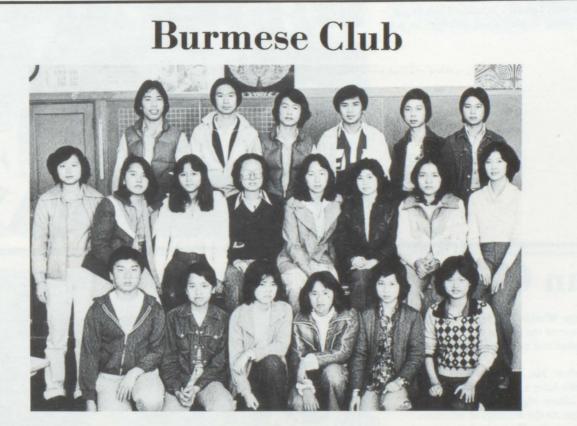

The main activity of the Spanish club was to plan a trip to Mexico this summer and they organized various fund raising activities to make this project possible. Their trip was arranged by the American Institute for Foreign Study and includes a one-week stay in Mexico City with side trips to Taxco, Cuernavaca, and Acapulco.

Greek Club

The Greek Club is comprised of mainly Greek students and is open to anyone attending George Washington High School. During the course of the school year, we have had various sales to raise money so that we could visit a Greek institution, i.e., the Greek Easter Picnic at Blackberry Farm held in April.

Japanese Club

The Japanese Club participates in many activities in school as well as in the community. In school, the club participates in the candy sales, May Festival, and athletic competition between clubs. In the community, the club participates in the Fall Festival and the Cherry Blossom Festival.

This year, our club joined with Lowell's Japanese Club to participate in a dance. We are going to plan more activities to get the two schools together.

Korean Club

The Korean Club of George Washington High School was organized in 1976. The purpose of the club is for Korean students to get to know each other and to introduce the Korean culture.

We have a hundred members. Mr. Woo has been helping us as a sponsor since 1976. We have a picnic and dance party twice a year, two Korean Culture nights, and we publish a club book annually which contains the writings of members.

We have our meeting every other Friday and always welcome new members.

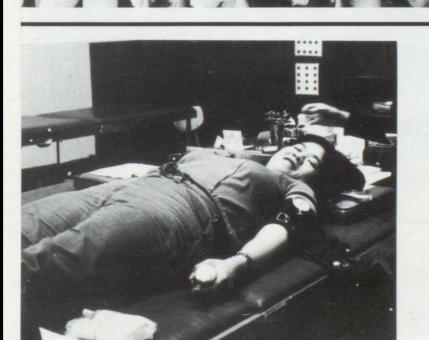

Recycling Club

Each week the recycling club receives paper from students bringing their registry boxes down. When there is enough paper collected, we load it into a truck and take it to the recycling plant. We receive a certain amount of money for each ton. In this process, we conserve trees and energy. Thus, Washington contributes to the conservation of the environment.

Red Cross

The Red Cross Club provides a number of special functions and services for Washington. They hold a blood drive for Irwin Memorial Blood Bank. They also arrange first aid and CPR classes for interested Washington students. Part of the club is also part of forming a youth disaster team. These services along with the annual community service chapter fund raiser comprise most of the club's activities.

The GSS is a service organization consisting of fifty members. These fulfill requested services for the school and community. Services for the school consists of office services, library duties, hostessing the girls' basketball tournament, painting the bleachers, ushering at graduation and school assemblies, guarding the football field at home games, sweeping the bleachers before graduation, hostessing a MUN conference and Casino Night, inspectors for SWEEP, and coat checkers for school dances. The senior GSS members (along with the senior Eagles) serve as Senior Advisers. They help the freshmen get better acquainted with the school by giving them an orientation on their first day.

This year the GSS went to Shriner's Hospital for the crippled children, and helped them make costumes for Halloween. We also sponsored the Great American Smokeout Week for the American Cancer Society; donated candy to St. Anthony's for Christmas; and donated \$50.00 to the Cerebral Palsy telethon.

General Service Society

The Eagles are a group of students who service the school and the community. For example, the Eagles have been patroling the football field during home games, we have been senior advisors to new students, we have been ushers for assemblies, guards for graduation and have been visiting hospitals. Each member maintains the minimum requirements and a good school record. At the end of the year a group of applicants are given the chance to enter the service society and only those who fulfill the requirements are given the privilege to join.

The Eagles have gone through many changes during the years and through these years Mr. Tom Swartz has been the man who kept the service society on its feet. We thank you Mr. Swartz for being our sponsor and wish the best of luck in the following years.

Psycho Club

Back row (L to R) David Louie, Francis Parachaso, Andy Heyneman, Mr. Leach. Front row (L to R) Nancy Lew, Lynne Murakami. Kim Wong, Miche Wong, John Stern.

This year the Psycho Club is one of the most spirited clubs in school. Through the genius of Mrs. Green and Mr. Leach, S.W.E.E.P. and the Psychology Club have been combined to form a better and bigger Psycho Club. Their motto: Sweep in the spirit. With the help of classes, they will be keeping our campus clean as well as promoting school spirit.

They came up with something original, a walnut sale. It is the same principal as carnations; only you send walnuts. Next semester, it is to be hoped that the Psycho Club will be able to promote more things. With their new ideas, they 're sure to bring the school spirit out of everyone.

Letter Society

The George Washington High School Letter Society is joined together in order to promote wholesome athletic activities for the members of the societyand the George Washington Student Body. Membership is open to anyone who has received a Block W at George Washington High School, and has participated in certain Letter Society projects. The purpose of the Letter Society is to help in building and maintaining school spirit and the further development of intramural sports. Upon request, the Letter Society will assist in all other activities concerning the Student Body. The activities that the society has participated in this year have been to provide spectator supervision for the Novice Wrestling Tournament, Girls Basketball Tournament, and timers for a blind track meet held at our school.

The Eagle is Washington's newspaper, written by the Journalism class with some assistance from guest contributors. This year The Eagle was published once a month and included a wide variety of news and feature stories. Liberally supported by the entire student body, the paper's staff's goal is to provide complete and regular coverage of school and community affairs. The present journalism teacher, Mrs. Chandler, was herself an editor of The Eagle and says of her class, "They are an excited and talented group, and I'm delighted to be working with them."

Model U.N.

The Model United Nations (M.U.N.) is a club whose members are interested in world affairs and international relations. We meet once a week, and sometimes more often, to study the country or counties we will represent at the annual M.U.N. Conference at UC Berkeley, every February. This year we represent Nigeria and Bangladesh. At the conference we and about 100 other high schools from California meet just as the real United Nations does. We try to pass resolutions which will benefit the peoples of our countries. The topics of these resolutions are preselected and change every year. We also like to party...

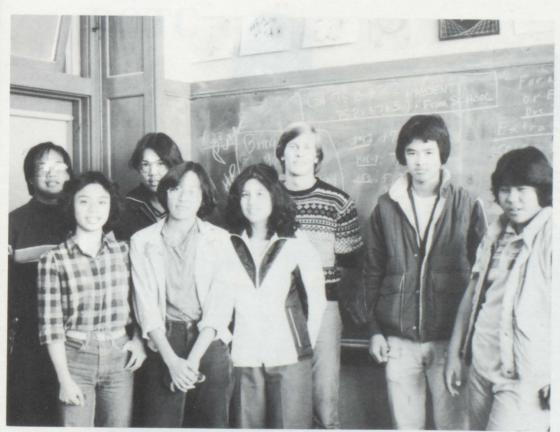

Backgammon

Backgammon, one of the oldest games around, is not a pure strategy game like chess. However it is far from a game of pure chance, as beginners in the club are quick to find out. The backgammon club meets daily during lunch in Mr. Serra's classroom to play individual and team matches. During play the more experienced players teach new club members basic strategies to improve their game. Last year G.W.H.S. won 5 straight city tournaments against other high schools including Lowell. Again this year our team is number one.

Bowling

Washington High School Intramural Bowling League was established for students interested in recreational and social activities via bowling. The league meets on Wednesdays at Japantown Bowl. Trophies are awarded each term. There are team trophies and individual trophies for high scratch game, high scratch series, high handicapped game, high handicapped series, high average and most improved.

Carwash 1980

During the summer & throughout the year, Washington students grabbed their buckets and rags and marched down to 6th and Geary. Each student fought the dirt off the cars and left satisfied customers. They all got wet, but they had fun. So, if you see anyone yelling, screaming, singing, or dancing on 6th and Geary - you can bet it's a Washingtonian.

Words

Just a few Dictionary words and phrases that we have all run across in our High School days . . . (whether we liked it or not!)

... as seen by LIFE magazine, December 1979 issue

- ADIDAS Brand-name graffiti appearing primarily on running shoes, including a pair that glows in the dark.
- BLACK HOLE A hypothetical hole in outer space into which massive stars collapse upon themselves, leaving behind only gravity so strong that nothing, not even light can escape.
- BOX Portable music system traditionally operated on crowded city streets at peak volume.
- CONEHEAD Former inhabitants of Saturday Night Live who spoke in monotones and had sex by tossing quoits onto each other's . . . what else?
- DESIGNER JEANS Thanks to Gloria Vanderbilt, Ralp Lauren, Calvin Kelin et al., you can look sensational shoveling out the barnyard.
- DISCO "noun, verb, and adjective of the '70's" -Robert Vare.
- DYNOMITE Fab-u-lous.
- GAY POWER Out of the closets and into the streets.
- GET DOWN Get serious.
- GO WITH THE FLOW Ease on down the stream.
- HAVE A NICE DAY (or western-style, "Have a good one.") Once meant have a nice day; now means nothing.
- HOPEFULLY The most misused adverb of our time. Proper usage, such as "He faced the future hopefully," will eventually come back into use . . . hopefully.
- LAID BACK Opposite of uptight. Self-image of many southern Californians. Henry Fonda is laid back . . . Jane is not.
- MACHO Descriptive of a man who shuns deodorants and buttons his shirts at the navel
- MELTDOWN The metling of a nuclear reactor core and release of radiation following a cooling system breakdown. See China Syndrome.
- PUNK Momentarily hip nihilism of the mid 70's, characterized by rainbow-dyed hair and pin-pierced flesh. Very punk.
- RELATIONSHIP Once upon a time people met, fell in love, got married and lived happily ever after. Now they have relationships.
- SICK OUT A new labor tactic: large number of employees staying home from work on the pretext of illness in order to avoid the corporate and legal ramifications of a formally called strike.
- STONEWALL Whatever happens, admit nothing.
- STROKE To soothe with flattery, to lay it on thick.
- THEME PARKS Amusement parks based on central metifs, inculding everything from Mickey Mouse to rattlesnakes. Whatever turns you on WHAT'S HAPPENING? — All purpose greetin!.

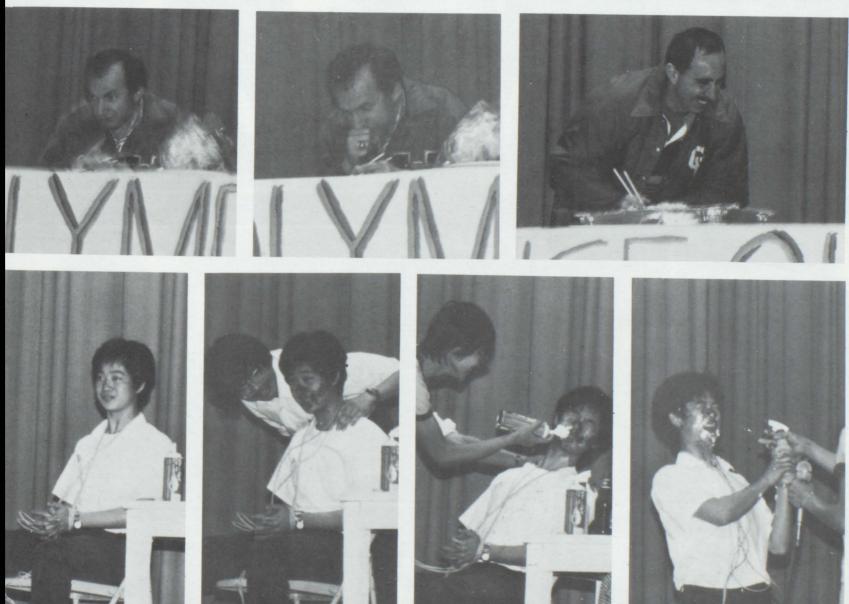

1st Annual "Squeeze" Contest

WASHINGTON'S 19 sophomores and 6 seniors defeated Galileo's 24 students, and McAteer in one of the strangest contest between schools. Everyone pushed and shoved to take the trophy. The contest was full of laughs and fun.

Editor's Note

This year I believe I should acknowledge, not my efforts on the 1980 Surveyor Yearbook, but the efforts of the whole Surveyor Staff. What most Washington students don't realize is that this book is produced 100% by hardworking and dedicated students, whose goal is to put out the most memorable yearbook that they possibly can.

This year we were plagued by never-ending problems with the Teacher's Strike, our change from Josten's Yearbook Co. to Taylor Yearbook Co., the splitting of our staff into two separate groups, and the bad reputation we have received from last year's yearbook. Although we had our problems, these problems made us even more determined to produce the best quality and most memorable book we could.

I wish to thank the following people, for this book would not have been possible without them ... Ms. Camozzi, who helped us with the change of companies, and helped smooth out some of the major difficulties we faced during production.

Mr. David Setnicker, our Advisor from Taylor Yearbook Co. A special thanks to Dave Hall, our Financial Director. I also wish to thank . . . James Ng, Nancy Lew, Willow Munger, Emin Oliver, and Lisa Pearson, the section editors . . . without their help this yearbook would be non-existent.

... above all I want to say that this past year has been very special for me, and I hope that future editors will find it as positive an experience as I have.
