FLAME

dated forever

Dear Jennifer,

I'm so glad that
I met you. You bring such
a joy into going to school.
Your laughter and humor.
I admire very much. I'm
glad that we are friends
and that I hope all
your wishes come true!

Always,
Danielle
Bogni

Dear Jennifer,

Hi! How are you? I'm
really glad I got to know
you. I just hope that we
will be able to stay in touch.
You are such a unique
person and that uniqueness
is what gives you that
great personality. I'm
really glad that we are
friends and I hope that
our friendship will last
for a long time. I hope
that whichever college
you go to that you
will do great. I wish
you the best of luck.

Love,
Screen Omar
1993

Dear Ms. Vick —

This year has certainly been
an experience! Having you in
class is ... unique. Keep up
your wit and intelligence; they
should continue to serve you
well. Thanks for your self.

FLAME
1991-1992

Immaculate Conception Academy
San Francisco, California

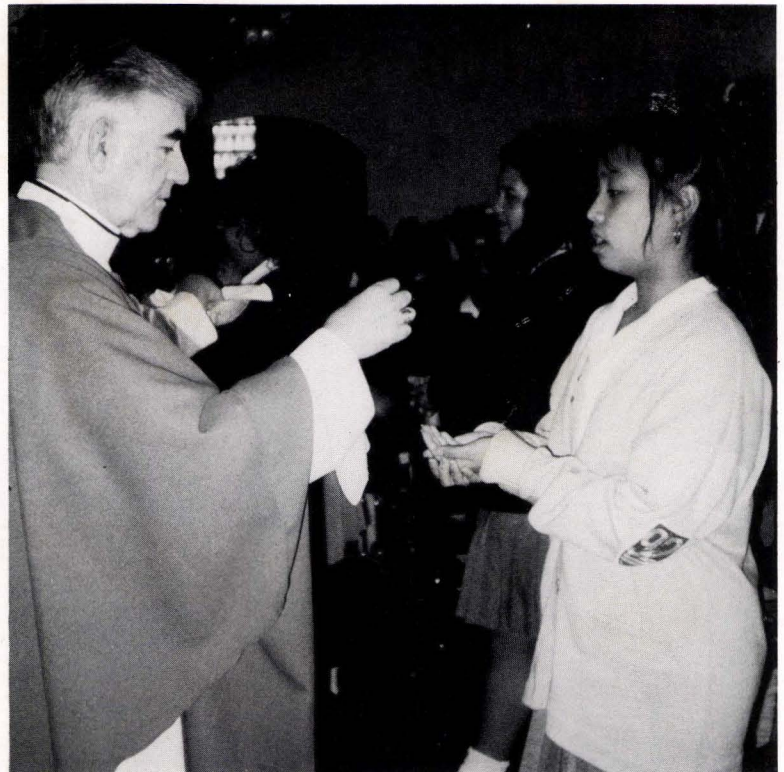

It's so hard to say goodbye to yesterday . . .

How do
I say
goodbye
to what
we had,

The good times
that made us
laugh . . .

I
 thought we'd
 see
 forever, but
 forever's
 gone away.
 It's
 so hard to
 say
 goodbye to
 yesterday

Sister Julie Distel

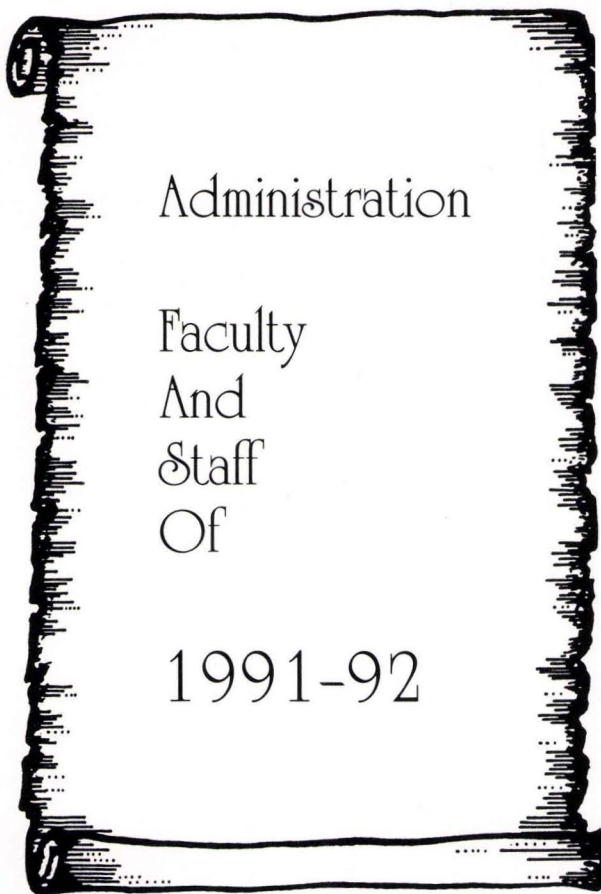

Dedication

We, the students of Immaculate Conception Academy, thank you, Sister Julie, for your dedication to ICA and to us, your students. Your love for teaching, especially your American history and government classes, your commitment to our growth as student leaders through your work as Student Council moderator, and your generous gift of time and energy to our activities program model for us what word "dedication" really means. Some of the things that will always remind us of you are World's Finest chocolate bars, the REAL coke in the red can, the American presidents, Walkathon bills, spirit points, the 49ers and the Giants, PA announcements, the hamsters, baseball, computers, sunflower seeds, your funny sense of humor, Close Up, your love for Mother Pia, and all the funny stories you told us in class!

With love and pride, we dedicate this issue of FLAME to you, and name you HONORARY ICA SPARTAN! May ICA always be "the school you love and deem the best!"

Congratulations Jennifer Elena

I want to extend my extreme gratitude to my mother and father Fred. We have had many bad moments these past years, but the happy ones shined through. Without your guidance, support, and love, I strongly believe I would've not accomplished what I did on the 22 of May 1992.

Many thanks to all my friends, especially Sonia, Liz, Marcela, and Suyapa for helping me make my dreams come true. I love you all. Bohemian Rhapsody Forever!

Roger, our friendship means a lot to me, although many obstacles have crossed our paths we still managed to remain closer than friends. No problem has ever been too big for us to handle. Separation has only made our bond stronger, and I hope it will continue throughout our lives. My love for you will never change. I will Always and Forever love you.

Dearest Jen,

Hello! Hello! How are you? Great I hope. You are a true great friend. You are really crazy and funny. You always make me laugh and smile, which brightens my day even when I'm down. Thanks for always helping me out. You are the most perfect airhead between me and Michelle. I'm really glad that we became friends. I hope that even through all your crazy moments, you realize that you are a friend that someone can really talk to. Hmm... I want a mint! "Gobbledy Gok" will faithfully be yours. To my everdearest
Jennifer, well, I really don't
know what to say!
Well, you truly are a GREAT FRIEND!
you have amazing taste in MEN! We
really have together some time. One day
let's go downtown and sit down at a
cafe and just stare. Okay? You definitely
are invited to my wedding with the men
of my dreams. Did that make any sense?
Anyway, I hope all your dreams come true
because you deserve only the best! I'm
ever so glad that we became much
closer.
