Dedication

Miss Carol Jean Hammond, popular member of the faculty and Student Activities Advisor, retires this year to become Mrs. Henry Schendel after eight years of teaching at Vallejo Junior High School.

Miss Hammond joined the faculty of Vallejo Junior High School in 1950. The next year she was transferred to the Highland branch of Vallejo Junior High School. 1951-1952 saw her traveling through Europe, returning to Vallejo Junior High School in the fall of 1952. For the past six years she has been chairman of the Student Activities Committee, Student Advisor, and in the center of the many worthwhile projects initiated through the Vallejo Junior High School Student Body.

In addition to her school and classroom work, Miss Hammond has taken an active part in the cultural activities of the community, especially in the Vallejo Choral Society.

Carol Hammond

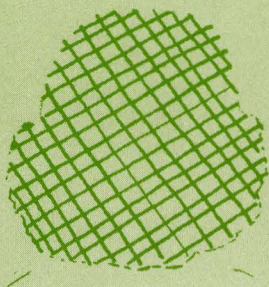

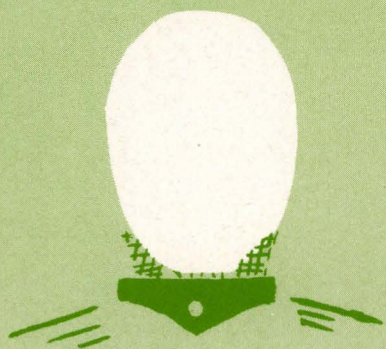

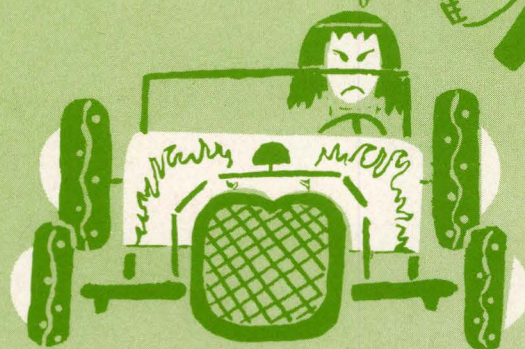

Miss Mildred Haines Stevens is a dedicated teacher who has devoted and continues to devote her life to the boys and girls of Vallejo, as well as to the improvement of the teaching profession.

Miss Stevens moved to Vallejo to become a member of the old George Washington Junior High School faculty in 1920, after three years teaching experience in other parts of the country. With the opening of Mariano Guadalupe Vallejo Junior High School in 1933 she was transferred to the new school where she has continued to be a loyal and respected member of the faculty, and in 1943 was honored by a life membership in the P.T.A.

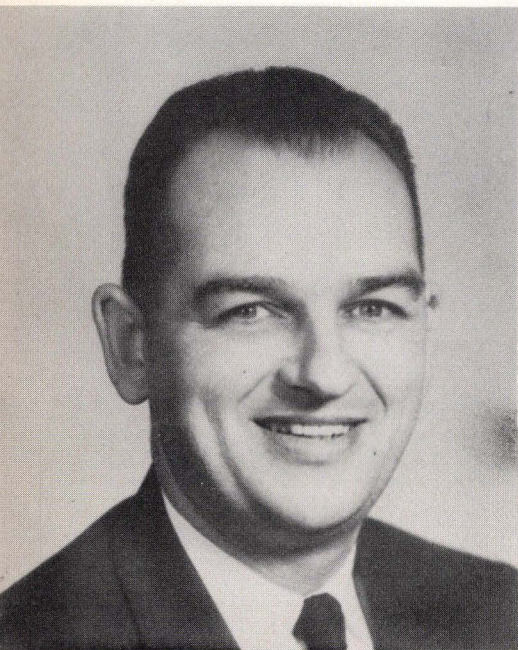

In addition to her school and classroom duties, Miss Stevens was President of the Bay Section California Teachers Association and was a delegate to the National Education Association convention in Washington, D. C.

Class History

As an unorganized group of 7th Graders, we entered Vallejo Junior High in the year 1955.

With the help of many students and teachers, we grew to know and love the school as the years passed.

During the 7th grade, things were strange to us. We wandered around the halls with bewildered looks on our faces. We ran like crazy to get to class on time, while the 10th graders strolled lazily down the halls.

As we entered the 8th Grade, we were more anxious to get things done, but I can't say we actually did them.

You might say, this was both an exciting and regretful year. In spite of the many activities, we suffered a great tragedy when death took the life of Marlene Hayes, along with her parents, during a terrible fire. The response and school spirit during this time was tremendous. We all participated in what we called "Hayes Week," in order to raise money for Marlene and the hard struggle for her life. We can honestly say, everyone did a tremendous job. We had dances, shoe shines, games, and various other activities in which we finally attained a goal of over two thousand dollars. Because of the death of Marlene, it was decided that the money should go to her younger brother Larry, who was the only survivor of this tragic happening.

Also, during this year, we sponsored an 8th grade potluck and dance, which was a huge success, thanks to the wonderful help and co-operation we received from our teachers and advisors. It was said to be one of the most outstanding dances of the year.

The beginning of the 9th Grade was looked forward to by most of us, because of the honor and privilege of being able to head the school government and hold student body offices. The year proved to be full of fun and activities, but of course there was homework, too.

During Christmas week, we enjoyed a potluck supper and dance, which was sponsored by our 9th Grade Class. It also was a huge success.

We later sponsored the Valentine Dance, which we called "Sweethearts on Parade." The King and Queen contest, which was won by Pat Pierce and Charles Gebhardt, helped to make the dance a big success.

As our Annual goes to press, we are making plans for our Prom. We know, with the wonderful help and co-operation we are receiving, it will be the biggest dance of the year.

In leaving, we wish to thank all of the teachers who have given their time to our class since the 7th grade to make our years at Vallejo Junior High the memorable ones they were.

Good Luck Ninth Graders,

Few classes in the past few years have gone through Vallejo Junior High School without some unexpected change in their programs. Your class is no exception, but like the others, you have adjusted well, and now as you leave Vallejo Junior High School to commence work at the Senior High, I wish to congratulate you both individually and as a class.

As the first Ninth Grade "Senior Class" in our school during the past ten years, you have set high standards in both scholarship and citizenship for the coming classes to follow, and I know that you can leave Vallejo Junior High School with the feeling of having contributed something toward making our school a little better for your having been here.

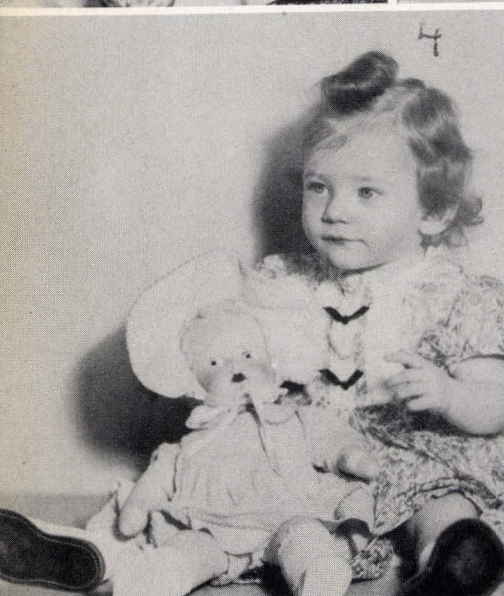

Sincerely,
ALLAN F. LOCKE, Principal

The Marianos

The Marianos is a service club especially founded to supervise the cafeteria. The members try to keep the lunchroom in order by watching for litterbugs, etc.

Each year at Christmas time, this group has charge of decorating the school Christmas tree.

May Day the cafeteria is appropriately decorated and a contest for the best May Day decorations in Home Room is sponsored.

For the past two years this club has filled a box with food (including turkey) for a needy family. They have also donated a check for \$10.00 to the P.T.A. for its "Christmas For Needy Families Drive."
