## Counselors Help Students With Many Problems

Every student who attends McClatchy is assigned a counselor. Throughout high school, the student has the same counselor who acts as his advisor in all school matters.

Counselors are a group of teachers especially chosen because of their training and ability to get along well with students and understand their problems. Students also can go to their counselor for help in solving educational, vocational, and personal problems.

If parents wish to find out information, they may go to their child's counselor.

The counseling system was established in Sacramento in 1927 and it has been developing and expanding since.

### COUNSELORS DUTIES

The counselor helps the student plan a program of studies and discusses future plans with him.

He will also furnish the student information about college requirements and vocations in which the student is interested. In deciding his educational and vocational goals, student and counselor examine his individual abilities, his grades, the type of vocation the student is interested in, and what the desire of the parents are.

Every semester a new program is made out for each student by the counselor and the student.

### STENOGRAPHY

The foundation of stenography is shorthand. Before this can be learned, typing is required. Typing 3 and transcription 3 are a continuation of the first two. Hand and both are required for these courses. These subjects help prepare the student for general office stenography.

The commercial department also offers courses in bookkeeping which give a background for accounting. These are also in business. Students take these courses in business. The subjects are family, business, and preparation for the future.

### OFFICE TRAINING

Included in the commercial field are two office training courses. These courses are principally for those students specializing in commercial work. Students work directly with the teachers and gain

*Center*—Dave DaPrato, fb; Ted D'Amico, qb; Ben Giovengo, hb.

This year's varsity eleven featured a strong line and fast break-away backs. Although with much improvement over last year, the team might have left a much more impressive record if all games had been played on a dry field, a necessity for an explosive team with light backs.

The Thanksgiving Day Game proved to be a big thriller, as the slightly underdog Lions held their cross-town rivals to a scoreless tie until late in the third quarter, when a McClatchy fumble set up the lone tally of the game. Because of a muddy field, the team failed to get their running game rolling; nevertheless they played a fine defensive game.

Four players were picked from McClatchy to the mythical all-city eleven. They are Gene Cronin, end; Gene Wiese, center; Chuck Pollard, quarterback; and Mickey Goncalves, halfback.

## CROSS COUNTRY

Cross Country, a comparatively new sport, is in its fourth year of competition here at McClatchy. The point system is that the first four runners from each school are counted. The winner receives 1 point, second place 2, etc., etc. Thusly the team with the lowest number of points is the winner.

The Lion B Team this year won five meets, including the Sectional Meet in Grass Valley, and lost one to Grass Valley at the beginning of the season. The Sectional win added a beautiful trophy to McClatchy's collection.

The varsity won two while losing four. C team showed one win against four setbacks.

The cross country course is located on the bridal path of William Land Park. The varsity runs 2 1/10 miles, the B team 1 3/4 miles, and the Cees 1 mile. Winter is the setting for these meets.

Row 1—Sam Fabila, Gene Cronin, Dick Traversi, Jim Burns, Ted D'Amico.

Row 3—Jerry Snider, Bob Clark, Ed Franklin, Norman Coons, Richard Thurn, Dick Battelle, Malcolm Hester, Lee Chambers, Carol Horner, John Roberts, Coach Wilson.

After a year and a half of Sac High supremacy in basketball, McClatchy finally pulled through with a 34-29 win over Sacramento in the season's finale.

This year's team featured a fast break, and found fine shooters in Norm Coons and Dick Traversi. Picked to the all-city five this year from McClatchy were Norman Coons and Dick Traversi, the latter being the intra-city scoring champion.

# GOLF AND TENNIS

## GOLF

*Row 1*—Bryan Babbage, John Greenwall, Roger Jansen, Jim Silverman.

## TENNIS

*Row 1*—Duane Smith, Don Davis, Dick Battelle, Warren Coffeen.

This year's golf team, as we go to press, has lost only one match, that one being to Grant. If Grant loses its match to Woodland, McClatchy's linksters will be conference champions.

The tennis team has not yet lost a tournament to anyone. If they win their games against Turlock, they, too, will emerge conference champions.

## 

*Row 1*—Bob Clark, Dick Battelle, Hal Schultz, Bruce Asher, Jim Forsty.

*Row 2*—Wayne Vasey, Reed Buckman, Bob Wilkenson, Gordon Best, Jack Huhn, Frank Munoz, Al Mehlhaff.

*Row 3*—George Dolan, Bill Heckes, Joe Way, Elmer Stepp, Orville Stucker, Al Bryant, Roe Young, Jim Stewart.

*Row 4*—Frank Geremia, Ken Johnson, Glen McClary, Ward Gardner, Herb Jackson, Larry Nisetich, Leo Monson, Dick Peoples.

This year's track team, a great improvement over last year's team, so far has gone through the season undefeated when we go to press. Not only did the cindermen win dual North-South championship, but also the Davis Invitational and Sac-Joaquin Conference Championship.

Though there have been no new records set the season in the varsity, with two more meets scheduled, we can hope to see new records set by Dick Battelle in the 120 high hurdles, Larry Nisetich in the 180 low hurdles, and Al Bryant in the high jump.

Baring some misfortune, McClatchy's thinclads have top chance in winning the California Relays on May 17.

*Row 3*—Rus Fries, Bill Fisher, Dave Crum, Bill Bryant, Nario Yasude, Ernie Longchamp, Keige Takagi, Carl Turpin.

The B Track Team this year won the North-South Dual Championship over Turlock, and placed second to Modesto by  $\frac{2}{3}$  of a point in the conference championships. A new race, the 75HH, saw the best time of the season posted by Bryce Vernon in 10.5 seconds.

Our C team set 2 new records this season. One was by Jim Silverman in the 880. His time was 2:07.2 for the distance. Bennie Baker traveled the 330, also a new race, in 38.9 seconds.
