Property of C. Tooley, 315

To the best teacher  
I've ever had. Mr. Tooley.

Sorry to have caused you  
a lot of trouble. Say hello  
to the little woman.

Always  
Miss Thelma Wright  
- 1961 -

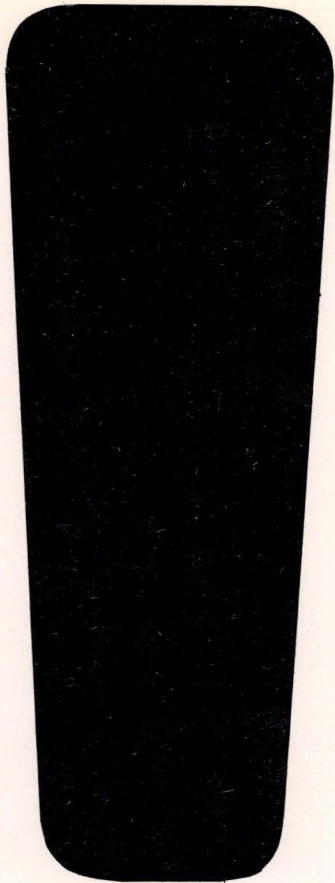

Mr. Tooley,  
It was great  
being in your Civics  
class. I liked some  
of the discussions we  
had. It was also a  
lot of fun in your  
U. S. I class, although  
I thought you could  
have given me an A- instead  
of a B+. Hope you get  
some good classes next  
year.

Dear Mr. Tolson,  
I'm writing you a lot of  
letters in your class.  
Always,  
Harris

## FORWARD

Time rolls on and we, the yearbook staff, present to you THE 1961 MISSION.

The yearbook staff believes that this year's yearbook shows much originality, and that imagination has played a large role in the making of this yearbook. It has been a great deal of fun, but many hard-worked hours have been put into this year's yearbook. We feel that the student body, faculty, and friends of Mission will enjoy this yearbook.

The seniors will always treasure this book. You will look through it in years to come and remember the games, the dances, graduation, the joys, and the tears. Mission High School is your alma mater, and as you look through these pages, you will remember these wonderful days.

We would like to thank Mr. Robert Rubenstein, our publications advisor, for his efforts, which can be seen throughout this book. Our grateful appreciation to Mr. McLea and the boys in the print shop. Their services were significant in the making of this yearbook. To Miss Colt for the fine art work done for the yearbook and to our printer and photographers, a sincere word of thanks. Without these people this yearbook could not have been produced with such excellent results.

We have certainly enjoyed making this yearbook. Every student played a part in the making, for there can be no yearbook without a student body, and Mission had the finest of student bodies.

The student body is made up of many races, creeds, and religions, but in this yearbook we are all together.

We sincerely hope that to all who see this book, it will serve as a lasting memento of happy high school years.

Nick Lopez, Editor  
and the staff of  
THE 1961 MISSION

# Dedication

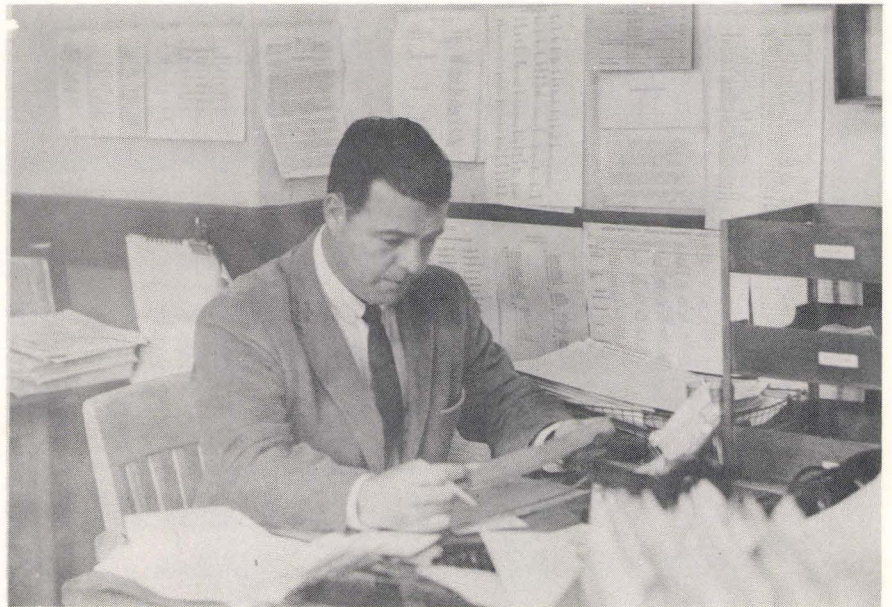

Mr. Milton Reiterman has been teaching, coaching, and counseling at Mission for a number of years. He is a former student of Mission High School, so his roots are deep here at Mission.

Mr. Reiterman was head counselor here at Mission and his job was a difficult one, but he always managed to win the friendship and respect of the students and faculty.

At mid-term, Mr. Reiterman took a leave of absence to help work on a research program for the San Francisco Unified School district under the auspices of the Ford Foundation. He is certainly missed here at Mission, for he has made himself a part of Mission.

We, the student body of Mission High School pay tribute to Mr. Reiterman by dedicating the 1961 yearbook to him.

Please hurry back!

Yes! Mr. Reiterman was a very busy man. His work was never done, but he always found time for Mission students.

# Administration

Miss Mary Lins has been at Mission High School for three years. In that span of time, Miss Lins has performed her duties with zest and zeal. She has combined this zest with gentleness and understanding to bring much harmony and success to her counseling duties. It is no wonder that Miss Mary Lins is respected and admired by everyone here at Mission.

"THE MISSION is the official account of the year's activities which the hard-working members of the journalism classes publish each spring. A school yearbook can never capture more than a fleeting glimpse of the great panorama of school activities and of the students thus engaged.

You will want to return to these pages often in the years to come in order to refresh your memory about the people with whom you were associated and with the events in which you and your friends participated.

The year portrayed in these pages has been a good one marked by academic and co-curricular successes. I want to congratulate the students of Mission High School for their efforts this year, but, more particularly, I want to bid farewell to the members of the January and June graduating classes. May their lives be marked by continuing success and happiness."

Mr. Emil Anderson has been one of the most efficient boys' deans that Mission High School has ever had. He is a strict disciplinarian, but he has also shown great understanding of the problems of the boys at Mission. He is always busy, his work is never done. In his two years at Mission, Mr. Anderson has shown that he knows how to be a counselor, disciplinarian, and a friend to the student body at Mission.

# Fall Politicans of 1960

Mission's fall leaders, left to right: Joe Ortiz, Vance Wells, Donna Felter, Betty Tatum, Roland Horm, Sharon Gee, Diane Burns, and Pete Botto.

The leadership exercised by the fall class officers was a fine example of good officers working as a team. Again Mission achieved a very successful term. Together, Joe Ortiz, president, and Donna Felter, vice president, worked to promote activities, assemblies, rallies, and school spirit to bring a greater degree of unity and harmony to Mission High School.

The excellent work done by Betty Tatum, recording secretary, and Sharon Gee, corresponding secretary, kept them both busy and active in their work for Mission.

Thanks go to Diane Burns, girls' financial secretary, Pete Botto, boys' financial secretary, and Rick Olivas for encouraging the sales of tickets during the fall term, and of always being informed of athletic events. Further recognition to Vance Wells, scholastic commissioner, for all of his vital work.

The fall term ended, but not before Mission showed that it had more spirit and unity than ever before. Thanks go to Roland Horn, head yell leader, who kept the spirit at rallies and games at a fever pitch. Mission was tremendous.

All were under the guidance of Mr. Arthur Samuels, activities co-ordinator.

While Betty and Joe cut up, Donna's moaning under the strain.

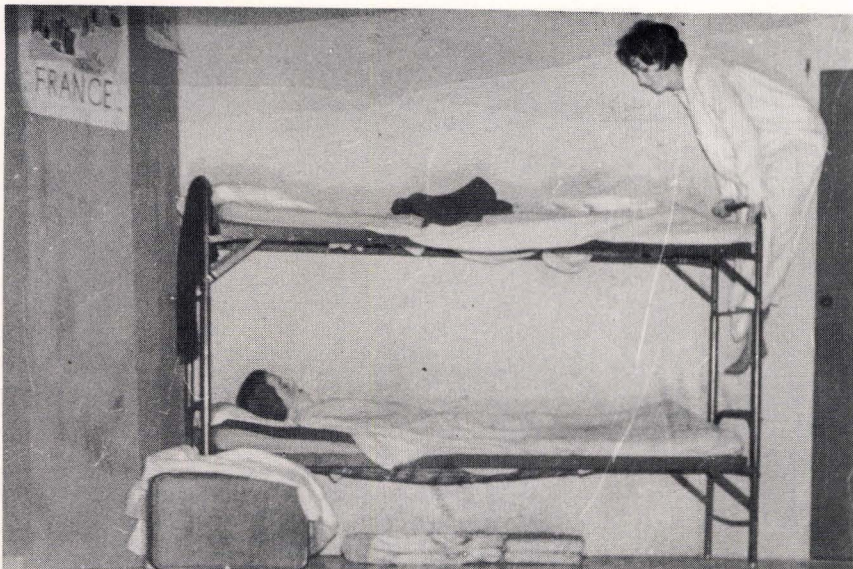

# Our Hearts Were Young And Gay

Cornelia Otis Skinner (Lynn Beeson) talks to our fine feathered friend, Emily Kimbrough (Carole McGowan) in the fall 1960 term play.

The roaring 20's came to life in our term play under the direction of the fabulous Frank Mc Naughton, Mission's popular new drama teacher. From left to right are: Aundrea Giles, Don Spears, Ted Fischer, Lynn Beeson, Skip Vetrano, Janet Sarkisian and Carole McGowan.

Time to hit the sack for Carole McGowan and Lynn Beeson starring in "Our Hearts Were Young and Gay."

# Pom-Pom Girls Were Active

Pert, pretty, and smiling faces bring out the fine qualities of Mission's Pom-Pom Girls.

Hard-working Pom-pom girls take time out.

These girls are Mission's finest, and excellent representatives of our school.

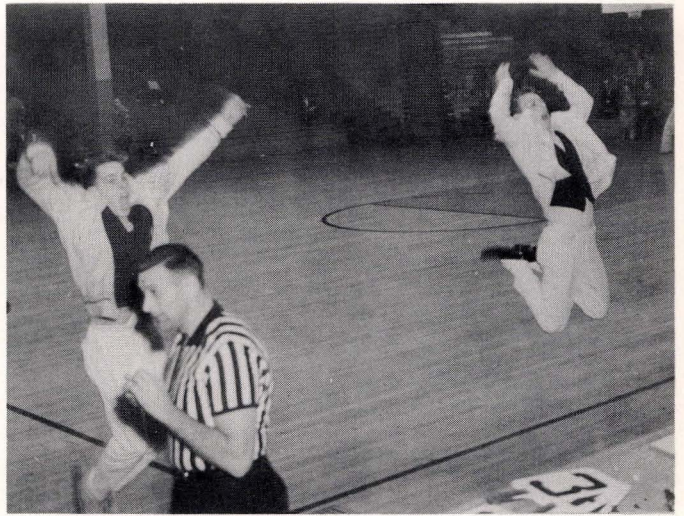

This year's Pom Pom girls did a fine job helping to build spirit and enthusiasm at rallies and games.

Through the zestful leadership of the Pom Pom girls, the student body made a fine showing at athletic events this past year.

The Pom Pom girls are:  
Rita Montgomery, Tanya Golden, Cydney Cabral, Nyoka Williams, Brenda Coney, and Shirley Botello.

# High Spirited Yell Leaders

Skip and Steve go all out to encourage spirit at all the games.

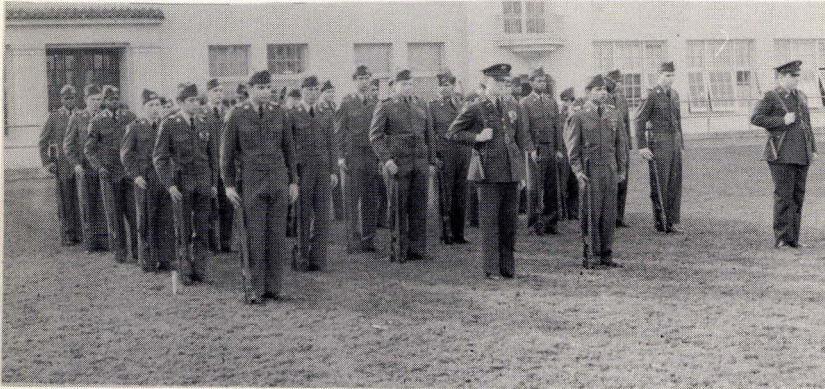

Look at those beautiful girls dance through their routine.

Oops - there goes the floor!

# R.O.T.C. Snapped To Attention

Company A drills under the leadership of Cadet Major Ronald King. They look sharp as a tack, don't they?

This is the fine Mission High School Color Guard. From left to right they are: Lester Johnson, Don Kirby, Jerry Roe, and Ray Burke.

This year, the Mission High School R. O. T. C. has had many honors, among them the opportunity for the Officers' Color Guard to be present at the reception for the King and Queen of Denmark which was held at the City Hall on October 7, 1960.

The R. O. T. C. participates in many activities during the school year, including various competitions, such as the Liberty Bell competition, with drill teams from seven high schools competing.

The Drum and Bugle Corps participates in civic parades and performs at all reviews and inspections held at school.

The Rifle Team usually does very well in the rifle matches with rifle teams from other high schools in the city.

However, the most important event during the year for the boys in ROTC is the federal inspection held in April and May of each year. This inspection determines whether or not the requirements for the Army Training Program have been met, and if the school will retain the unit.

# Dressed To Occassion

Hey! Is this West Point? No, it's Company B of the Mission High R. O. T. C., under the fine leadership of Cadet Capt. Julian Hastings.

Major James P. Kellogg checking rifles at the Pacific Military Science Inspection. Don't our boys look swell? From left to right they are: 1st Lieut. Leonard Olsen, Major J. P. Kellogg, Master Sergeant Troy Shelton, and Cadet Capt. Willie Webb.

Goodness Gracious, the Mission High School Drum & Bugle Corps is looking tops, as usual, under the capable direction of Joaquin Dominiques.

# Cathy Russo Football Queen

Our football queen, Miss Cathy Russo.

Judy Bowen, junior representative

Again, Miss Cathy Russo, senior representative

Annette Capitletti, sophomore representative

# Victory Dance

The Fall 1960 football queen, Cathy Russo, was crowned at our Victory Dance, November 19, 1960.

The football queen was chosen by the amount of money collected by class representatives from the student body. After the election the money was divided evenly between the classes.

The contestants consisted of one girl from each grade. The sophomore contestant was Annette Capaletti. The junior contestant was Judy Bowen. The senior contestant and winner of the contest was Cathy Russo.

Queen Cathy Russo and escort Gerald Clark

Well, so we have no partner's!

Dancing and fun was had by all at the Victory Dance.

# Rallies & Assemblies

John Flynn, Pete Botto, Hershell Hollie, Katina Iowana, Sandy Guisti, Sharon Gee, Evelyn Draper, and Nancy Bataiff take their oath as the new spring student body officers.

One of the outstanding assemblies was the one in which Representative John F. Shelly presented a 50-Star flag to the school and spoke about his earlier years at Mission. The students were very impressed by his speech.

The assemblies are presented for the enjoyment of the student body. College bands and other productions are presented every term. School clubs present their talent which is enjoyed very much by the students and teachers.

The civics classes of Mr. Barnett and Mr. Daskarolis presented a mock political rally in which Mr. Daskarolis's class presented the Republican Party platform and Mr. Barnett's classes gave the case for the Democratic Party. At both assemblies the student body participated in the activity and the fun.

Jeanie Kurtz seems to be saying "For he's a jolly good fellow!" Are Gloria and Janet true Democrats?

# Are The Heart of Mission

The student body president opens every rally. There is a variety of talent, such as dancers, singers, and skits put on by different students. The cheerleaders, with the help of the Pom Pom girls, lead the student body in spirited cheers to help build enthusiasm for the coming day's game. Mr. Arthur Samuels, student activities adviser, was in charge of all the rallies.

Everybody kicked up a real storm during the civics rally. This was one of the most exciting rallies of the fall term.

Yes! The Pom-Pom girls were active, all-city Pom Pom girl Cyd Cabral leads the way. I wonder what Roland Horn is thinking about???

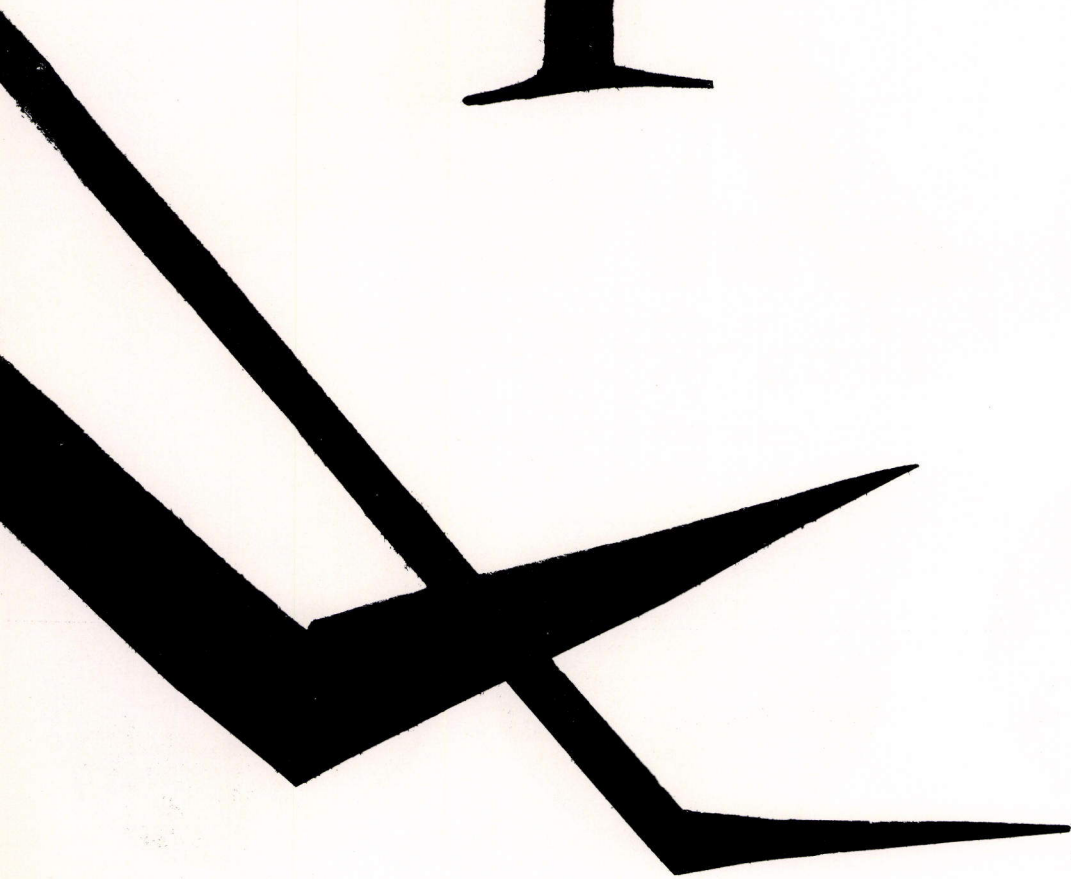

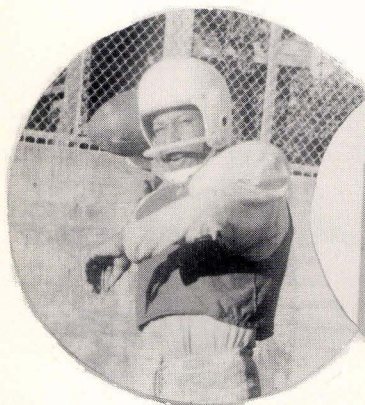

# FALL SPORTS

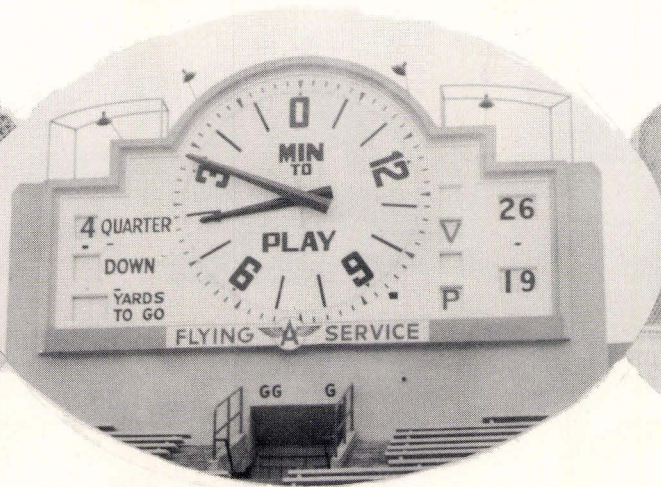

# Bear Big Guns For 1960

Verdell Price, quarterback.

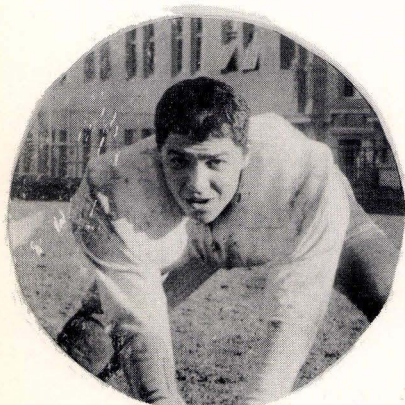

Al Raines, all-city back.

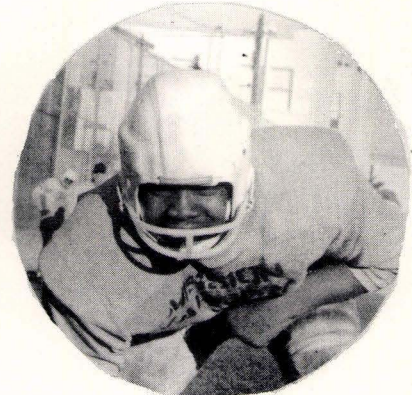

Here are the brains and the heart of our football team:  
Mr. Paul Olivier, Coach "Dutch" Elston, and Mr.  
Mitchell Benjamin.

All-city Paul Hicks

Manuel Lamboy, center

Walter Ross, tackle.

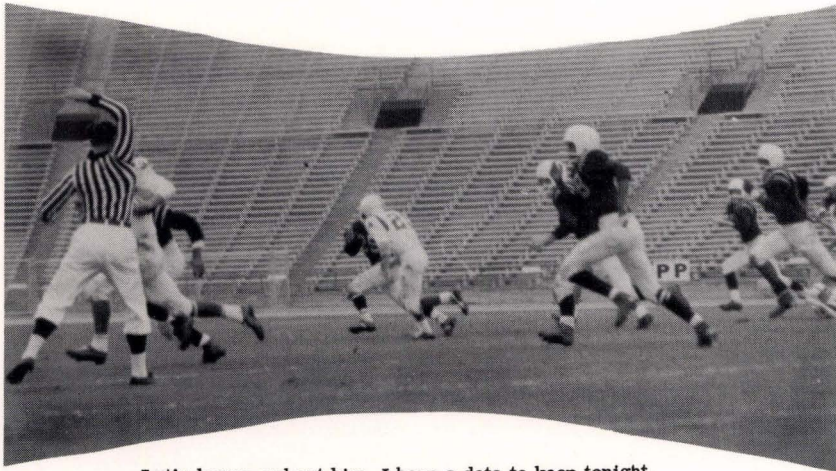

# Best Team Ever

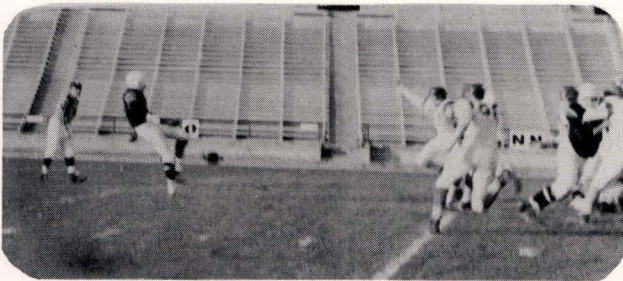

"All together now, one-two-three," say captains, Manuel Lamboy and Paul Hicks.

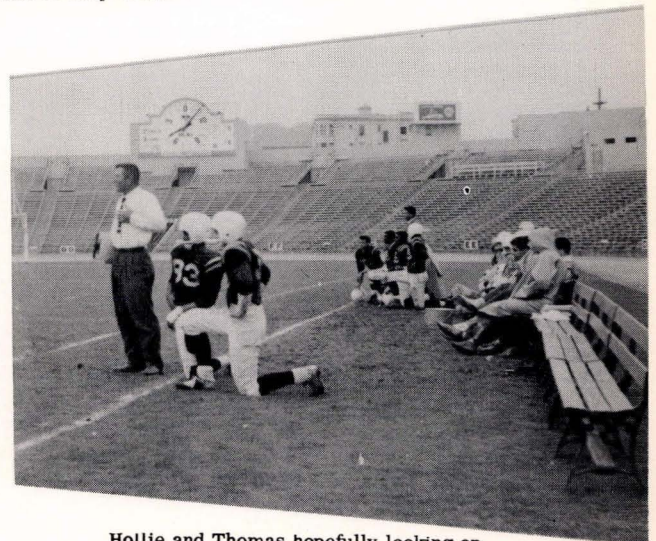

All right, you guys, let us in on it where the party will be held tonight.

Let's hurry and get him, I have a date to keep tonight.

It looks as though Rivers will either get this one off or he'll run.

Hollie and Thomas hopefully looking on.

# Varsity Football 1960

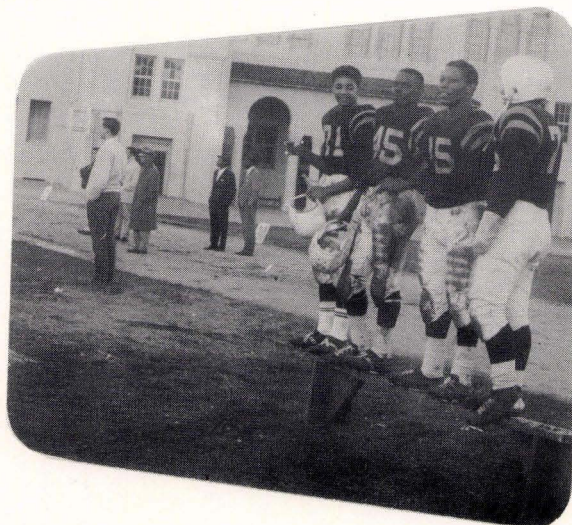

The 1960 fall prep season ended on a very successful note.

The varsity football team ended its season with a record of five wins, two losses, and one tie. This was the most successful season for a Mission football team in many years. Joe Bluford, Al Raines, and Paul Hicks were selected as All-City players and a great tribute was paid to head coach Dutch Elston when the San Francisco dailies selected him as the "Coach of the Year."

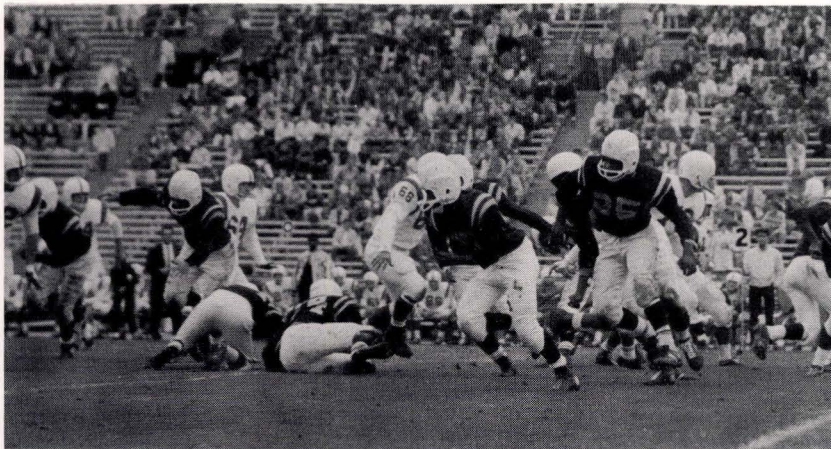

Hey, Tommy, what's her name?

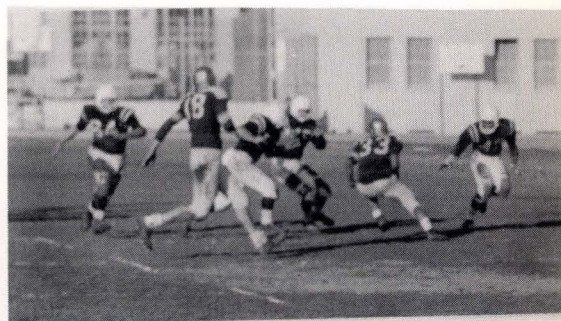

"Hey, Coach! when do we get in?" ask Raines, Benton, Price and Nelson.

# Greatest Season Yet

S. I. game was a 6-6 tie, but gave team high spirits to go on and win more, but, whose got the ball?

The Balboa game was a 24-7 victory. It's Al Benton in an end sweep looking for somewhere to go.

The Lowell game was still another victory with a 27-19 score. Watch out, Rivers! It looks as though you're in for it.

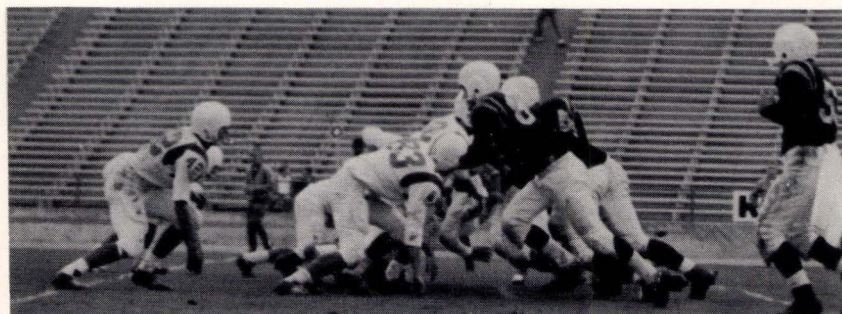

# Action Was Hot and Plenty

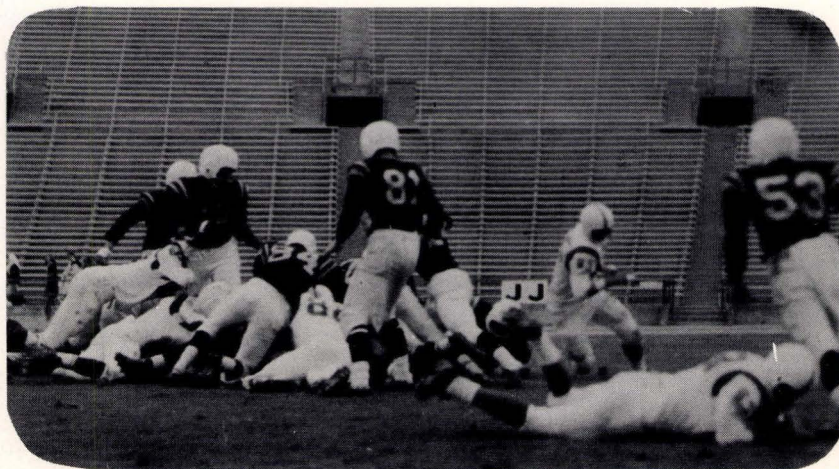

"All right, you guys, let's get out there and win!"

All-City Paul Hicks warming up before the Bal game.

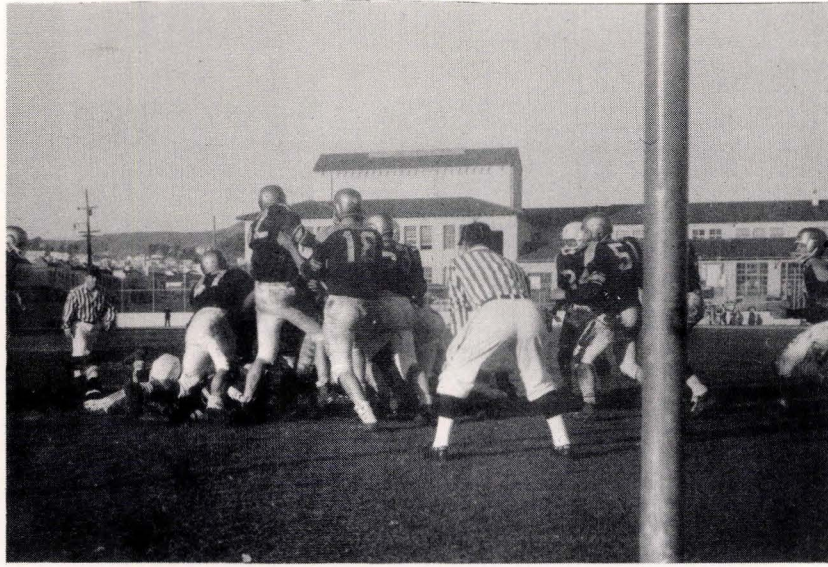

Charge! The bear big line smashes the forward wall of the SI linemen.

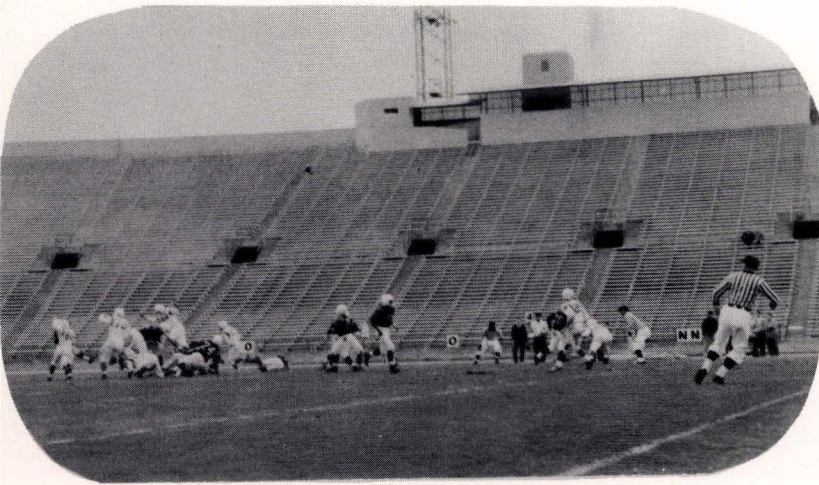

Ha Ha, S.I. didn't get very far. Who's that on top? It couldn't be Tommy Valasquez, 84, could it?

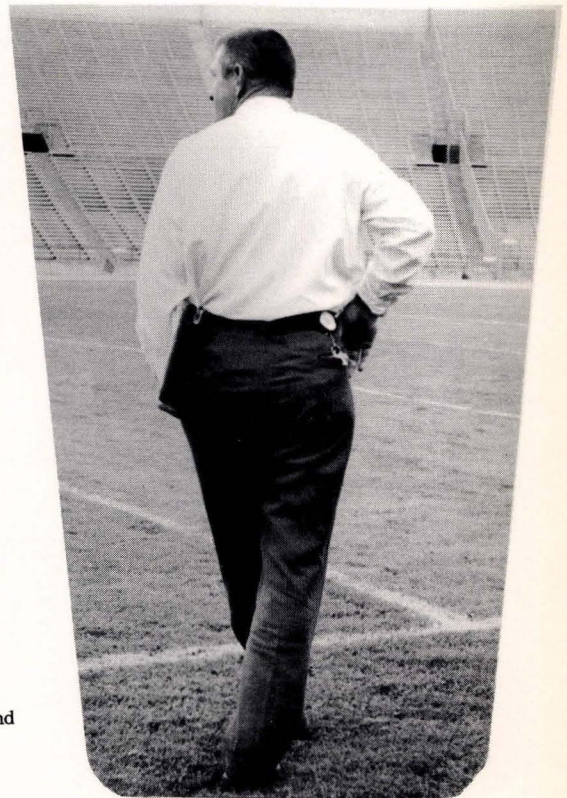

# Your Gridiron Heroes in Action

The Bears digging through Bal line for another touchdown.

Mission Bears get off good kick in the S. I. game.

Coach of the year, "Dutch" Elston, paces up and down the field.

# Junior Varsity

Front (L to R) John Fernandez, Richard Velasquez, James Swan, Everett Goias, Richard Colombo, Danny Caberera, Warren Wilson, Larry Bisles.

Middle (LtoR) Tom Evans, John Davis, Henry Scott, Richard Drapes, Edward Wienholz, Glenn Tuia, Ray Zuniga, Mike Lynch.

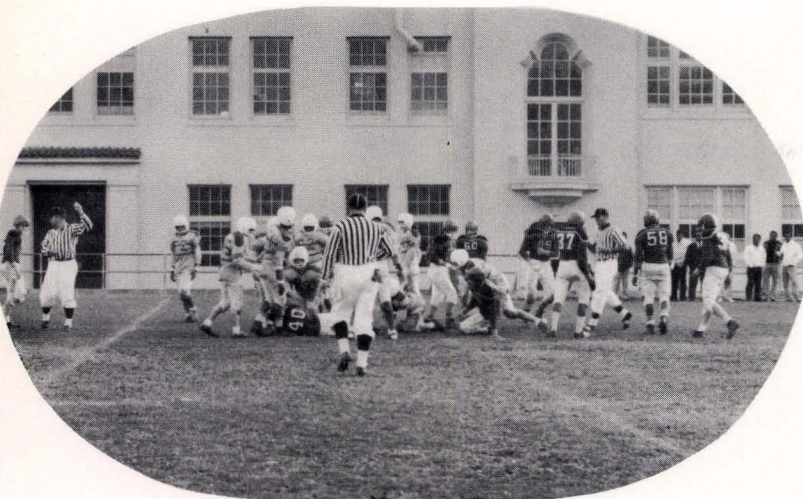

Back (LtoR) Don Westley, Neal Price, Warnell Armstead, James Lester, Chris Stromaier, George Blake, Vernon Crowdez, Ken Tuckes, Otto Bruster, and Coach Paul Olivier

Poor Poly! They couldn't break through that J. V. line. The J. V.'s won out 14-7.

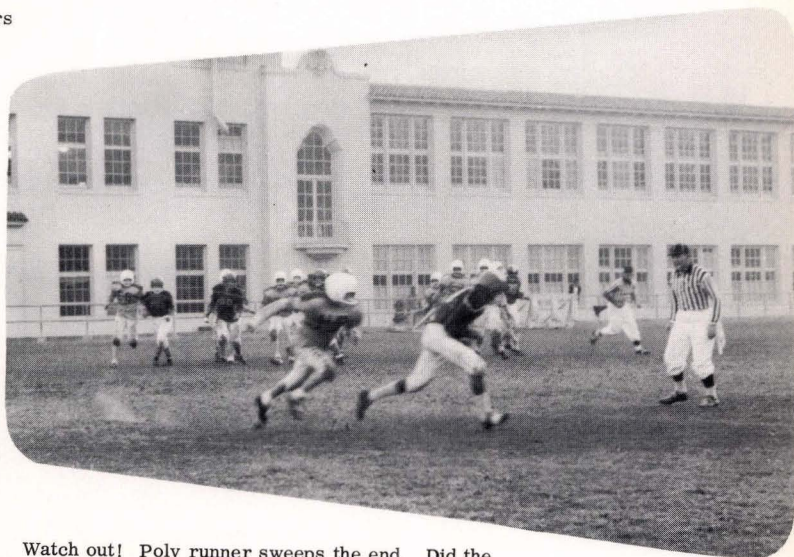

# Missed Possible Title

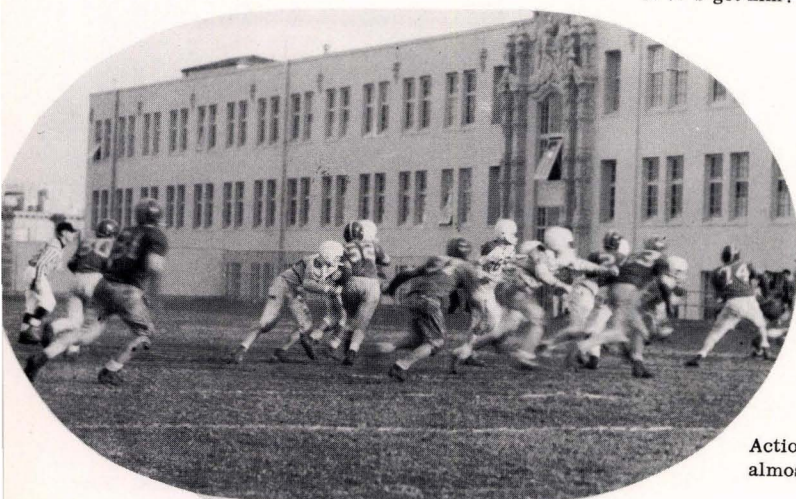

Well, Rich Velasquez, let's get in there. Bears stopped Poly runner for a short gain.

The junior varsity football team was an outstanding group. At season's end, they had the same record as the varsity team. They were coached by Paul Oliver and Mitch Benjamin. The J. V.'s proved to be one of the best teams in Mission's history. This is a promising group of rookies for next year's varsity.

Watch out! Poly runner sweeps the end. Did the J. V.'s get him? Yes they did.

Action was so fast during Mission - Lincoln game that we almost lost the camera man.

# 112's AAA Champions

The "Mighty Mites", Mission's 112's completed their season on a promising note. The 120's, coached by Lloyd Leith won five games and lost only three. This record was good enough for a fourth place finish.

The 112's, who are also coached by Lloyd Leith, won the championship after a fourteen year drought. The 112's won seven games and only lost one. That lone defeat came from Washington. Congratulations to Coach Lloyd Leith and his 112 and 120 basketballers.

112 lb Championship Team

Front row (L-R) Morris Jacobs, Mariano Auriello, Captain Dexter Garnier Ernest Guldbeck, Willie Joe Washington .

Back row (L-R) Manager Eugene Thomas, Edgar Banks, Augie Lopez, Ron Martorana, and Coach Lloyd Leith.

# Soccer Team AAA Champions

It's in orbit! All-City Dave Kay hustles during Washington game.

If I get it!

Workout Bill.

Again, the soccer team was crowned the king of AAA competition. Our Bear booters went through the entire season undefeated. They were tied once by Washington, which had the only team in the league that scored against the Bears. At season's end, the Bears were the Round Robin champs and went into the playoffs as favorites. In the playoffs, the Bears defeated Galileo and Washington to win the overall title. Their great play throughout the season is a tribute to their coach, Pete Dalton, and to the boys themselves.

Hot action during Balboa game.

Look at the Glamour Boys. Rick Olivas, Bill Aven, and Dave Kay. All three were All-City.

# Mission's All City Players

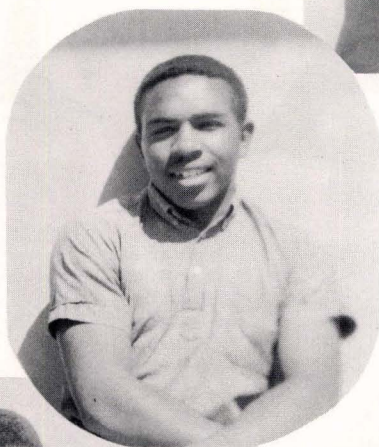

Gene Batiste, All-City Basketball. Unanimous choice by the city's newspapers.

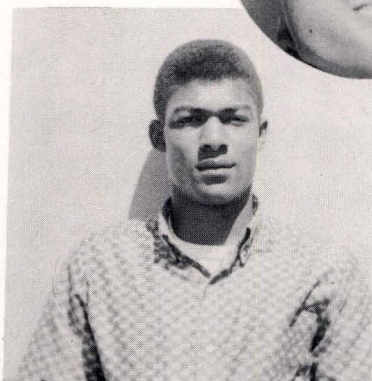

Al Raines, All-City Football and also "Back of the Year."

Rick Olivas, All-City Soccer.

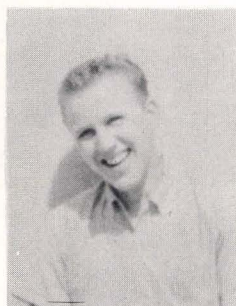

Joe Bluford, All-City Football. Also "Inspirational Player Award."

Paul Hicks, All-City Football.

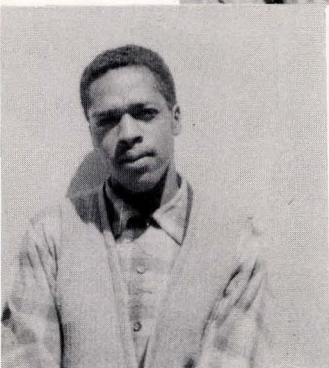

Fred Mathews, All-City 130's Basketball.

Dave Kay, All-City Soccer. Also "Glen Hass Award."

FALL GRADUATES OF 1960

# Ideal Senior Couple

The fall term's ideal senior couple was Ed Buttici and Betty Mikulas.

They first noticed each other at the beginning of the term when they were assigned to the same homeroom, but they didn't talk to each other more than to say "hi". They got better acquainted at the senior picnic. George Bordi and Donna Felter can be thanked for playing cupid and getting them together for a date.

Betty and Ed enjoy doing many things together; among them are, going to football games and listening to Johnny Mathis.

Their plans after graduation included the army for Ed and City College for Betty. Their plans after that are indefinite. They'll just let fate take its course.

# Cupcake Sale

On October 26th, 1960, the fall high-seniors held a cupcake sale.

The cupcakes were donated by the members of the high-twelve class. Members of the high-senior committee sold the cupcakes.

It was a smash success. The \$58 collected was put into the high-twelve fund to help pay costs of graduation and of some high-senior activities.

Janet, Jeannie, Lorraine and Gloria eat up the senior proceeds.

# Senior Picnic

Well! Ernie and Tito seem to be eating it up. Those poor girls, are they on a hunger strike!

The High 'n Mighties went to Adobe Creek this year for their traditional senior picnic. One hundred and nine high seniors went, chaperoned by six teachers; Miss Garry, Mr. Daskarolis, Mr. Ebert, Mr. Barnett, Mr. Samuels, and Mr. Wiesinger.

Although the weather was not very good, everyone got into the spirit of the day by participating in various activities

Poor Donna! Look who she got stuck with.

such as football, volley-ball, swimming, and dancing.

On the way home, half of the seniors were sleeping on the buses and the rest were full of life. They sang songs, told jokes, ate some of the leftover food, and just enjoyed themselves.

This is one high senior activity that will linger in the memories of the High 'n Mighties for a long time.

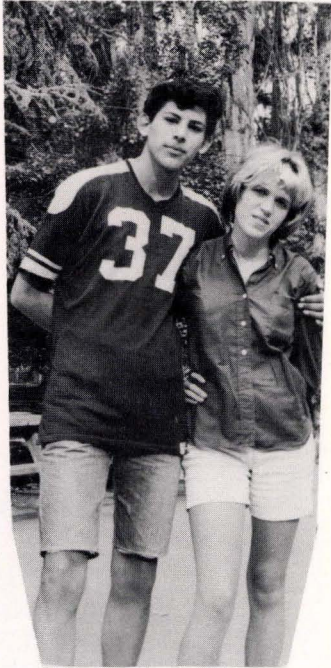

All right! Whose the wise guy??

Look! The Vic Tanny wonder s (Dasky, Barnett, & Samuels). Hey! Ed Caliz, what about the message to Garcia.

# A Day Of Gaiety And Laughter

Prez Joe Ortiz and playgirl Jo Ann Coffee. Looks like they're in another world.

I wonder where Big Linder got those U. S. Keds?

That was the click! Jim Carroll, are you one block away from the school?

Gee, isn't this senior picnic fun?

# Baby Day Was Fun For All.

Janet S. , Marrianne F. , Mary C. , and Cathy R. look like they belong to the Mission Mafia.

Funday Funnies.

Who let these guys out of their crib?

# Active And Enjoyed

Ah gee! We only have candy cigarettes.

Poor Gloria, just look for George.

Hey, Harold! What are you going to wear when the circus leaves?

One big happy family. Don't they all look cute?

# Fall Favorite Teachers

For the fourth consecutive time, Mr. George Daskarolis, alias Dasky, was selected favorite male teacher by the fall '60 high senior class.

Mr. Daskarolis states that the seniors give him the impression that they are enjoying their stay at Mission High School.

Dasky bids farewell to the seniors by saying, "I am convinced that I will never find a warmer, friendlier or more genuine group of seniors than those who are graduating in January. It has been a privilege to work with you."

The fall graduating senior class selected Miss Jacqueline Garry as its favorite female teacher. She is known, not only to the senior class, but to all of the girls at Mission because she teaches personal development, physical education, and swimming.

Miss Garry is a native of San Francisco and graduated from Balboa High School and San Francisco State College. In 1955 she received her teaching credentials but left teaching for a while to work in a recreation center in Germany.

After returning to the United States, she began teaching at Mission where she has taught for three years.

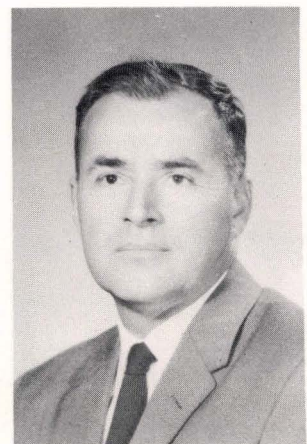

Mission High School's graduating class must be congratulated for its choice because it has selected one teacher that has made her subject matter more interesting and enjoyable than ever before.

Mr. Ebert, the fall 1960 senior advisor, has been at Mission for two years. He's not yet a fixture.

He attended San Francisco State College and the University of Southern California. His first teaching position was in Ukiah, California, after which he spent five years in the navy.

After the navy, Poly was fortunate enough to enjoy his services for six years, and he was then offered the position as head of the science department at Mission. He accepted. We're glad he accepted.

Mr. Ebert had the job of planning and coordinating the many senior activities, and the pleasure of participating in many of them. His presence and advice were always warmly accepted.

# Yearbook and Push to

*Chickie*

This rather determined looking group, consisting of Mickey Garcia, Betty Prattsmith, Mary Ellen Aragon, Susan Calfas, Rose Marie Baioni, Thom Velasquez, and Yvonne Branco, on occasion excel primarily at what they are doing here.

The two young ladies pictured above are two of the hardest workers on the publications staffs. Carol Ulstad, on the left, was this year's editor-in-chief of the WEST WING, and Barbara Bonse, on the right, served as feature editor. Aside from these tasks, the girls had the man-sized job of preparing all of the typed composition for the yearbook and the WEST WING. They deserve a big vote of thanks from the entire student body.

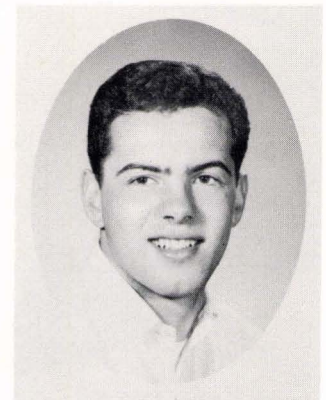

Mr. Robert Rubenstein  
Publications Advisor

We're told this picture was taken during the Stone Age.

John Flynn Aundrea Giles George Chavez, and Nick Shubin pondering over a vital matter concerning newspaper ethics.

Nick Shubin, on the right, is the camera-shy photographer who refuses to have his picture taken.

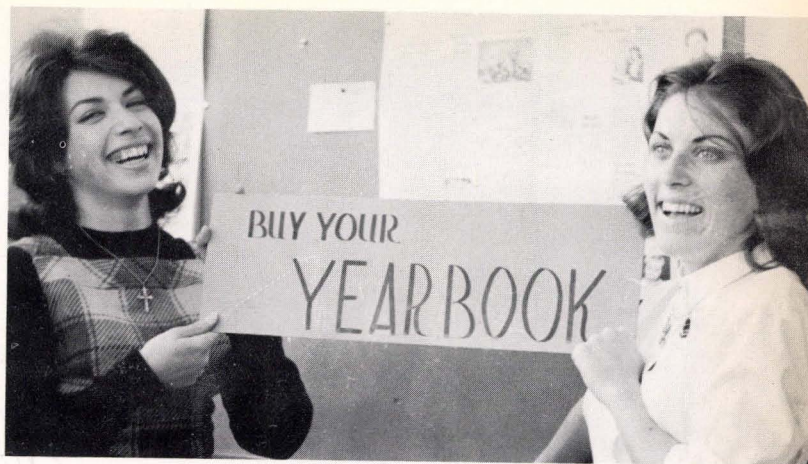

This is Nick Lopes, editor of the 1961 MISSION. Nick put in many extra hours of work to help make this one of the best yearbooks the school has had.

# West Wing Staffs

## Meet Deadline

Mary Ellen Paige and Shirley Botelho selling Gleem

Here's friendly old Nick Lopes surrounded by a bevy of ladies of the fourth estate, Edna McGruder, Shirley Klotz, Carole McGowan, Dorothy Tiano, Claire Armstrong, Rose Baioni's eyes, and Rita Montgomery.

This is the elusive Paul Adams who took many of the pictures you see on the pages of this book. Other photographs were taken by Michael Giosso, Nick Shubin, and Mr. Kenneth McLea.

Irrepressible Manual Lamboy admiring something, and being admired by the girls.

Here are the slaves, uh, I mean reporters, of the WEST WING. Their work made it possible to produce one edition each month during the past year. Pictured are outside row (bottom to top): Ernest Noble, Susan Calfas, Dorothy Quamby, Joyce Brauer, Lorraine Bither, Donna Felter, Diane Mackintosh\*, Jackie Pember, Nancy Lindo, Rosalyn Morales, Joan Heil, Elizabeth Rubio. Inside row: Jeannette Montiel, John Flynn, Betty Prattsmith, Yvonne Branco, Mary Ellen Aragon, Charlotte Brusco, George Chavez, Mickey Garcia, Diane Wylie, Rose Mary Rodriguez. Not pictured: Aundrea Giles, Nick Shubin, Tom Velasquez.

## WEST WING AND YEAR BOOK STAFFS

The yearbook staff, which is also pictured here, spent many loafing hours (just kidding) putting THE MISSION together, the finished product of which you see in these pages. Bottom row (L to R): Manuel Lamboy, Edna McGruder, Rita Montgomery. Row 2: Dorothy Tiano, Carole McGowan, Shirley Klotz. Row 3: Shirley Botelho, Mary Ellen Paige, Rose Baioni\*. Top row: Jean Stansbury\*, Judy Molaug, Mary Anne Jamison\*. Not pictured: Claire Armstrong, Carl Maniscalco. (\*Yearbook and WEST WING)

Front row - (l-r) Rose Mary Rodriguez, Elizabeth Rubio, Maureen Perez. Second row - (l-r) Vickie Trueter, Jackie Perez, Mary Hebdidge, Barbara Bonse. Last row - (l-r) Carol Ulstad, Mrs. Marcus, Mr. Fernandez.

## Latin American Club

Spanish speaking students at Mission, and those interested in the language and customs of the Latin American countries, comprise the membership of the Latin American Club. The club meets every Friday during the year. Club activities include dances, a picnic, breakfasts, and a dinner at the end of the term.

The sponsors are Mr. Armand Fernandez and Mrs. Elizabeth Marcus. Officers are; president, Elizabeth Rubio; vice president, Miriam Diaz; secretary, Rose Mary Rodriguez; and treasurer, Maureen Perez.

*Remember Me  
Lela*

## Photography Club

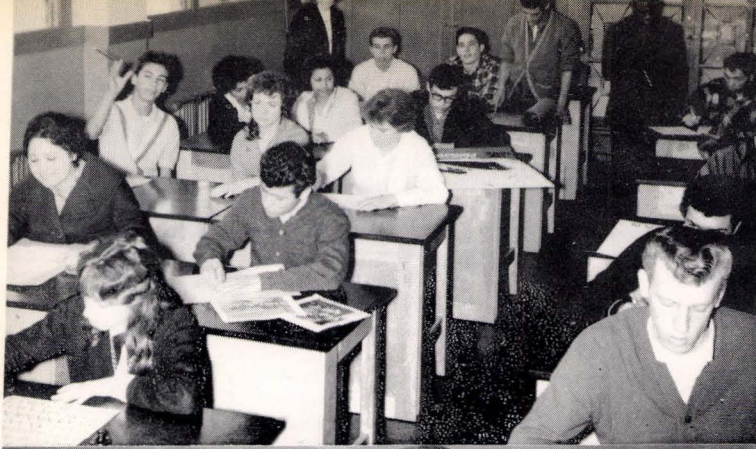

Mr. Paul Knudson and his assemblage comprised of Ed Mason, Michael Giosso, and Ed Gee have been taking pictures like mad and entering them in contests in the name of the school. We haven't been able to find out how many gold medals they've won, but with the talent pictured on the right, how could they miss a few?

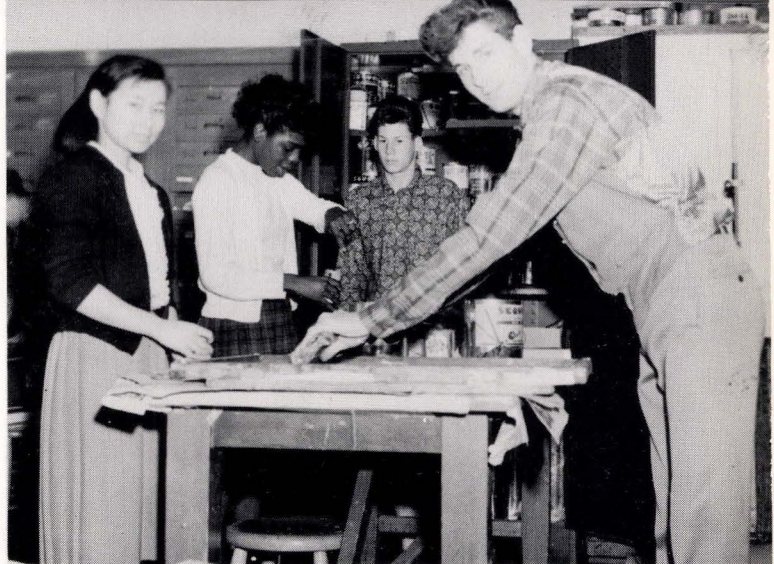

*To one of the  
best teachers at  
Mission Hight. I  
never forget all  
the nice fun in  
reg. Have a wonderful  
summer. And I hope all  
your registery are as good  
as our. God Bless you  
always. "Always"*

## Music Plays Big Part

The Mission High School band and a cappella choir really got around this year. Here we see them performing in the rotunda of City Hall in San Francisco. Can you see Mayor Christopher?

Now, if I could only get this started . . . .

That's a pretty fancy way to flatten cans.

Glen, the birdie is this way.

A special word of thanks to Mr. Kenneth Mc Lea and his graphic arts students who offered their skill to set headlines for the WEST WING and THE MISSION to help make this year's publications the best ever.

With many other activities going on, the high senior class and its officers found the time to hold a very successful cupcake sale. The date was April 2, 1961.

On the right we see the smiling face of Mr. Saul Barnett, advisor to the spring '61 senior class.

Mr. Barnett nobly performed the job of planning, coordinating, and supervising senior activities, as well as pacifying seniors, juniors, sophomores, teachers, administrators, and all others who were confused by the confused seniors.

# Senior Prom - Most Memorable Event

Sandy puts on the final touches before greeting Joe.

Alas! Sandy's date arrives.

Sandy Boulter and Joe O'Balle, the ideal senior couple, are featured preparing to go to the Senior Prom. The prom, entitled "Misty Rose", was held in the Colonial Room of the St. Francis Hotel on Saturday, May 13th, 1961.

The happy couple pose for a picture.

Sandy and Joe are ready to go.

Sandra Giusti helps Sandy prepare for the prom.

# "Happy Journey" Detoured

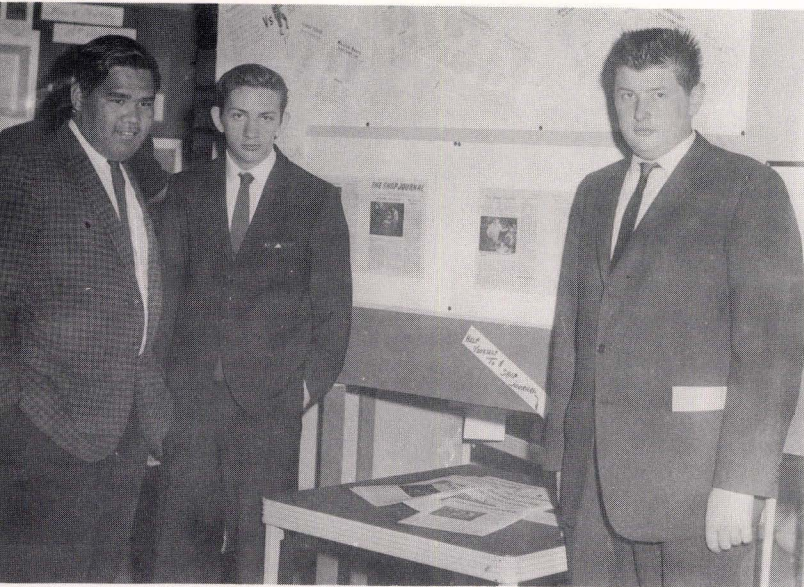

Dear Readers,

According to the table of contents, this page was supposed to have been devoted to pictures taken at the drama department's major project for the semester, Thornton Wilder's one act play, "The Happy Journey". The pictures did not manage to find their way into the book. Our apologies to Mr. Frank McNaughton and to the members of the cast.

Sincerely,

THE EDITORS

## INDUSTRIAL ARTS AWARDS at BIG "E"

This year Missionites brought home more honors than ever before, and from more places than ever before, including the Emporium in Stonestown.

On May 25-27 the annual Industrial Arts Exhibit was held in the main auditorium of the Emporium in Stonestown. This year we came away with 23 awards, including many first place ribbons. Pictured here are some of our winners.

Left: Standing together we see Bill Matsu and Larry Webber, who won first, second, and third place honors for their fine graphic arts work. On the right is Chad Boyd who won a first place ribbon as editor of the award winning Shop Journal, put out by our own graphic arts department.

Lower left: Here we see Mr. Lindquist and his wife, along with Vince Belli and Chris Beck, enjoying the many exhibits at the Emporium.

Lower center: First place winner Charles Cushere, tops in graphic arts composition.

Lower right: Glen Barber with his second place medal for his senior plaques, and Chris Beck, a winner for his trailer winch.

Mission babies gather. What's the big attraction kids? It's not Manuel, is it?

Get off my foot, Bonse, or so help me, I'll beltya one! Mary Anne, Barbara, Carol and Sue are having some fun (?) on baby day.

She's sticking her tongue out at me!

It's only a three wheeler, but Mommie said if I was a real good girl I'd get a Thunderbird next year.

Well, what is everyone looking so happy about?

# Romp

Watch that new bridge-work, honey.

## in Dolores Park

Your bloomers are showing, little girl.

It's time for your pacifier, baby, whether you like it or not!

Babies resting after a strenuous game of hop-scotch.

These babies never get tired.

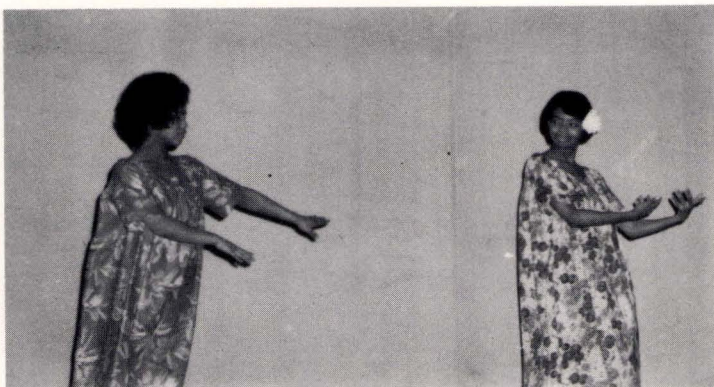

And now, sweetheart, now that the others have their wishes,  
do you want bony knees, too?

Here at Mission we have always been very fortunate to have many students with varied theatrical talents, and thanks to the ham in all of us, they have always been ready to perform at rallies and assemblies at the drop of a hat. On these pages we see just a few of the many fine performers who brightened up our rallies and assemblies.

No, Nyoka, you do it your way, and I'll do it mine.

Whew! Just 83 more times and we win

## IDEAL SENIOR BOYS

Front row (L to R): Don Flach, Bill Aven, Joe Ramirez, Vance Wells.  
Second row: Mike Stearns, David Kay, Manuel Lamboy, Jon Bogdanoff, Nick Romanzov, Gene Batiste.

Pictured on the right, we see Mr. Stephen Ebert, senior class advisor, busily preparing the program for the spring

Thanks to Mr. Ebert's efforts, most of the seniors get on and off the stage without serious mishap.

Mr. Ebert has also spent many hours planning and coordinating senior activities.

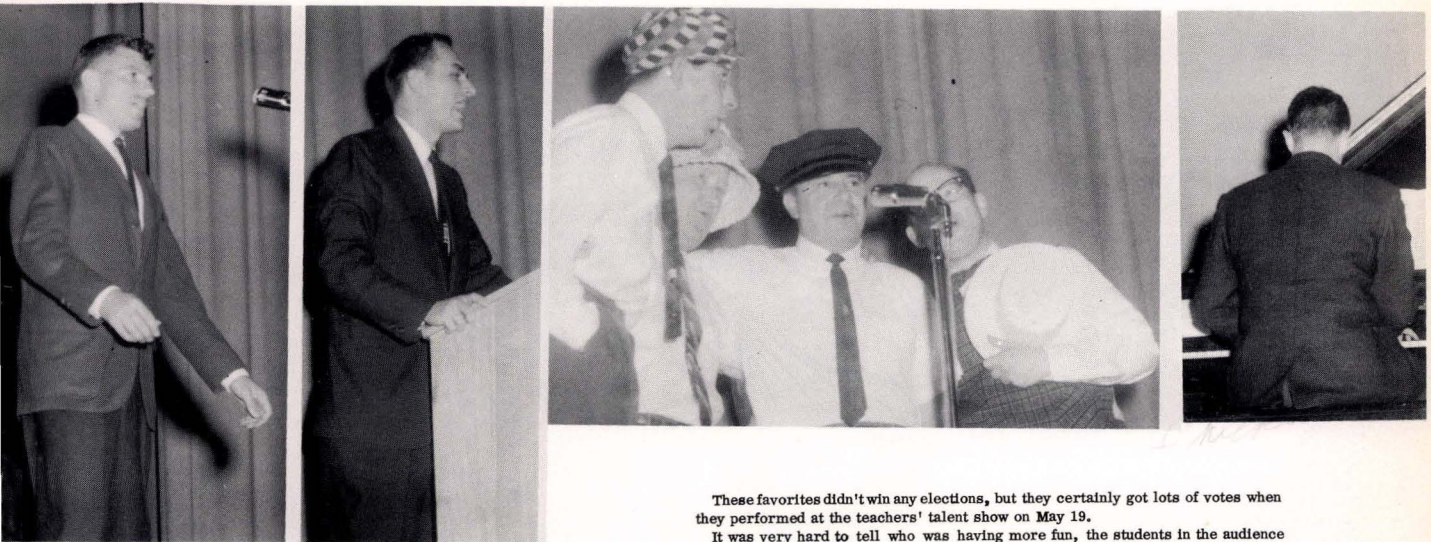

# Spring Favorite Teachers

This term, Miss Jacqueline Garry and Mr. Saul Barnett were selected as the favorite teachers of the H12's.

Miss Garry continues her reign as the favorite female teacher. Always on the job with a smile, Miss Garry always receives the respect and cooperation accorded such a fine teacher.

Mr. Barnett, the senior sponsor, was one of the most active teachers within the faculty. With his valuable assistance, the senior class has enjoyed a successful term filled with many activities: the move-up assembly, cup cake sale, senior picnic, and the senior prom.

We acknowledge these two teachers' great efforts and offer congratulations on having been selected as the favorite teachers of the graduating class of spring, 1961.

These favorites didn't win any elections, but they certainly got lots of votes when they performed at the teachers' talent show on May 19.

It was very hard to tell who was having more fun, the students in the audience or the performers on stage. It was a performance that deserves to go down in the annals of theatrical history.

SPRING

# Varsity Cagers Make

Gene Batiste and Herschel Hollie, hoisting coach Lloyd Leith to their shoulders after defeating Sacred Heart at one of the early games in this year's basketball playoffs, show the enthusiasm and good sportsmanship the whole team exhibited all season as it gave the student body one of the best and most exciting basketball seasons in Mission's history.

This militant crew went into the playoffs determined to do its best. They paved the way. Next year we go all the way to the top.

# ood Showing in Playoffs

The season saw a terrific turn-out by the fans. They were great, and they certainly got their money's worth this year.

MISSION HIGH SCHOOL VARSITY BASKETBALL TEAM

Front row, kneeling: Vince Belli

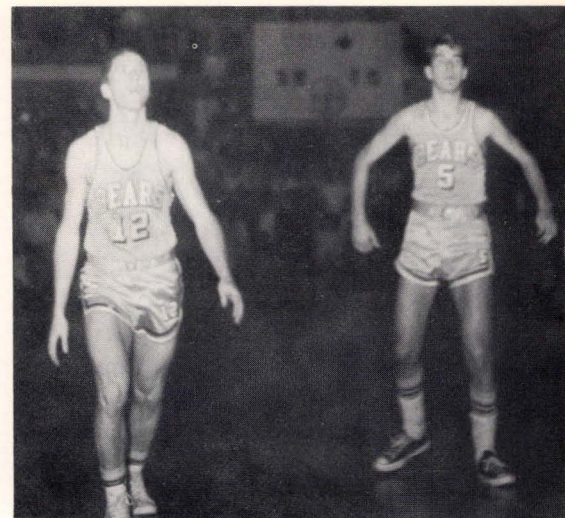

Second row (left to right): Tim Clark, Bobby King, Bill Valentine, and Herschel Hollie

Back row (Left to right): Ed Strain, Pete Seldner, Gene Batiste, Art Hopkins, and coach Lloyd Leith

Vince, this is not the time to scratch your wrist!

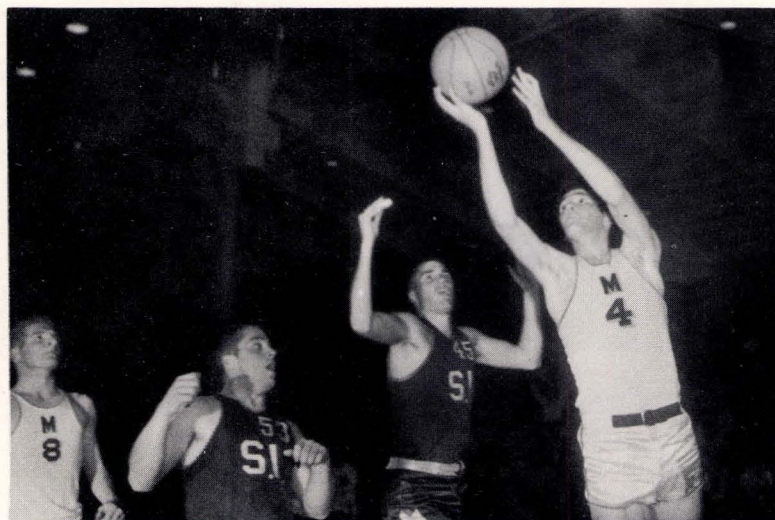

Me Bill Valentine. You Jane.

Art Hopkins in a quick dribble down the court.  
We don't know who the Irish fellow is.

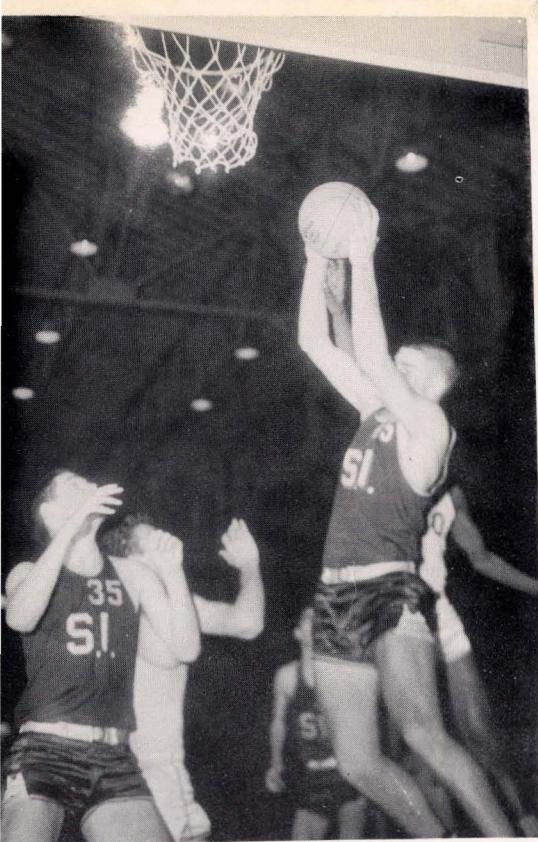

Now that we have our powder puffs, which way to  
the ladies' room?

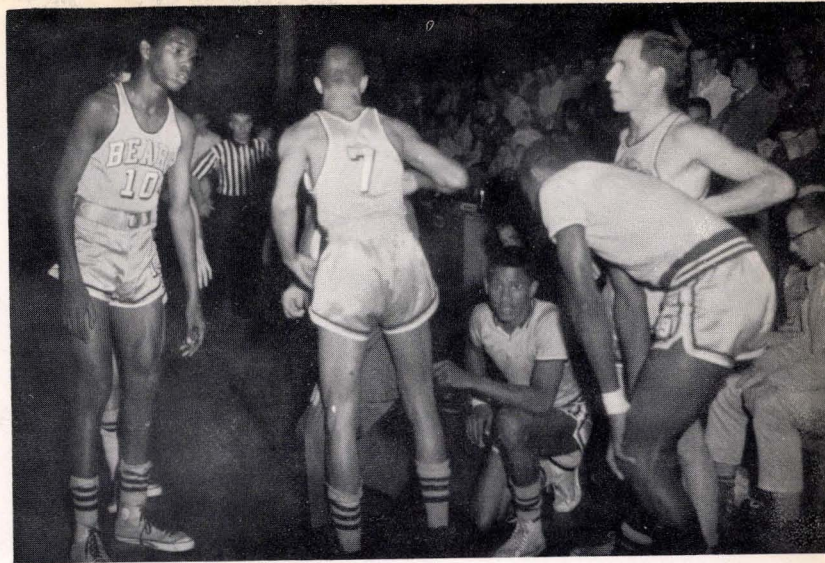

There's Tim Clark dropping one in, But, Vince, you're still not helping.

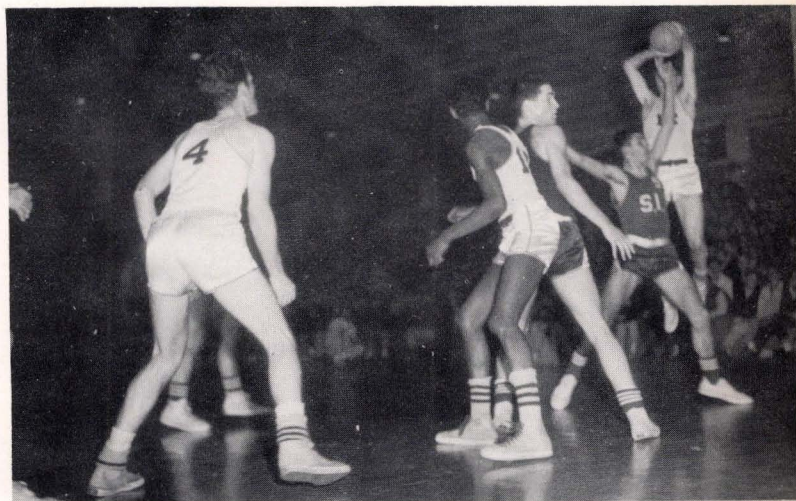

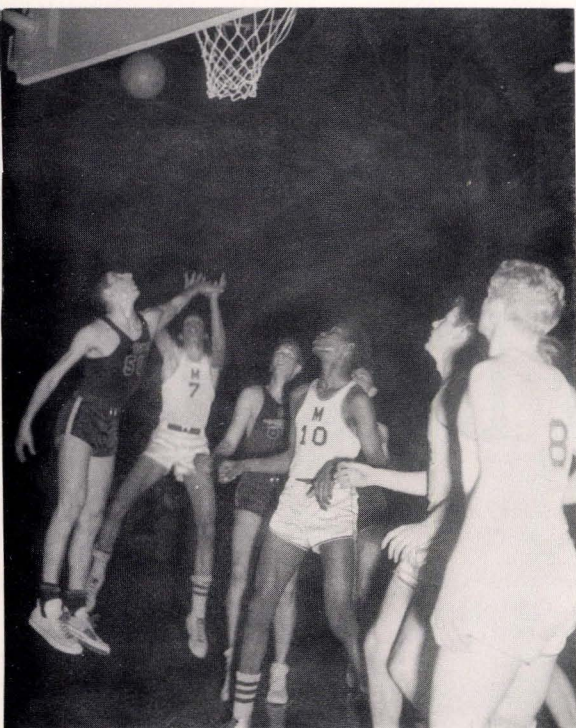

That's Art Hopkins's long reach.

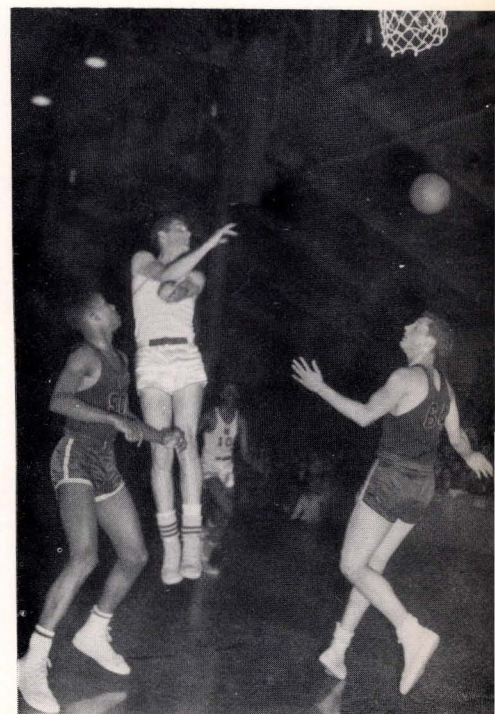

ANOTHER quarter! You mean we're not through yet?

Hey, Tim, that fellow's upstaging us. What are we gonna do?

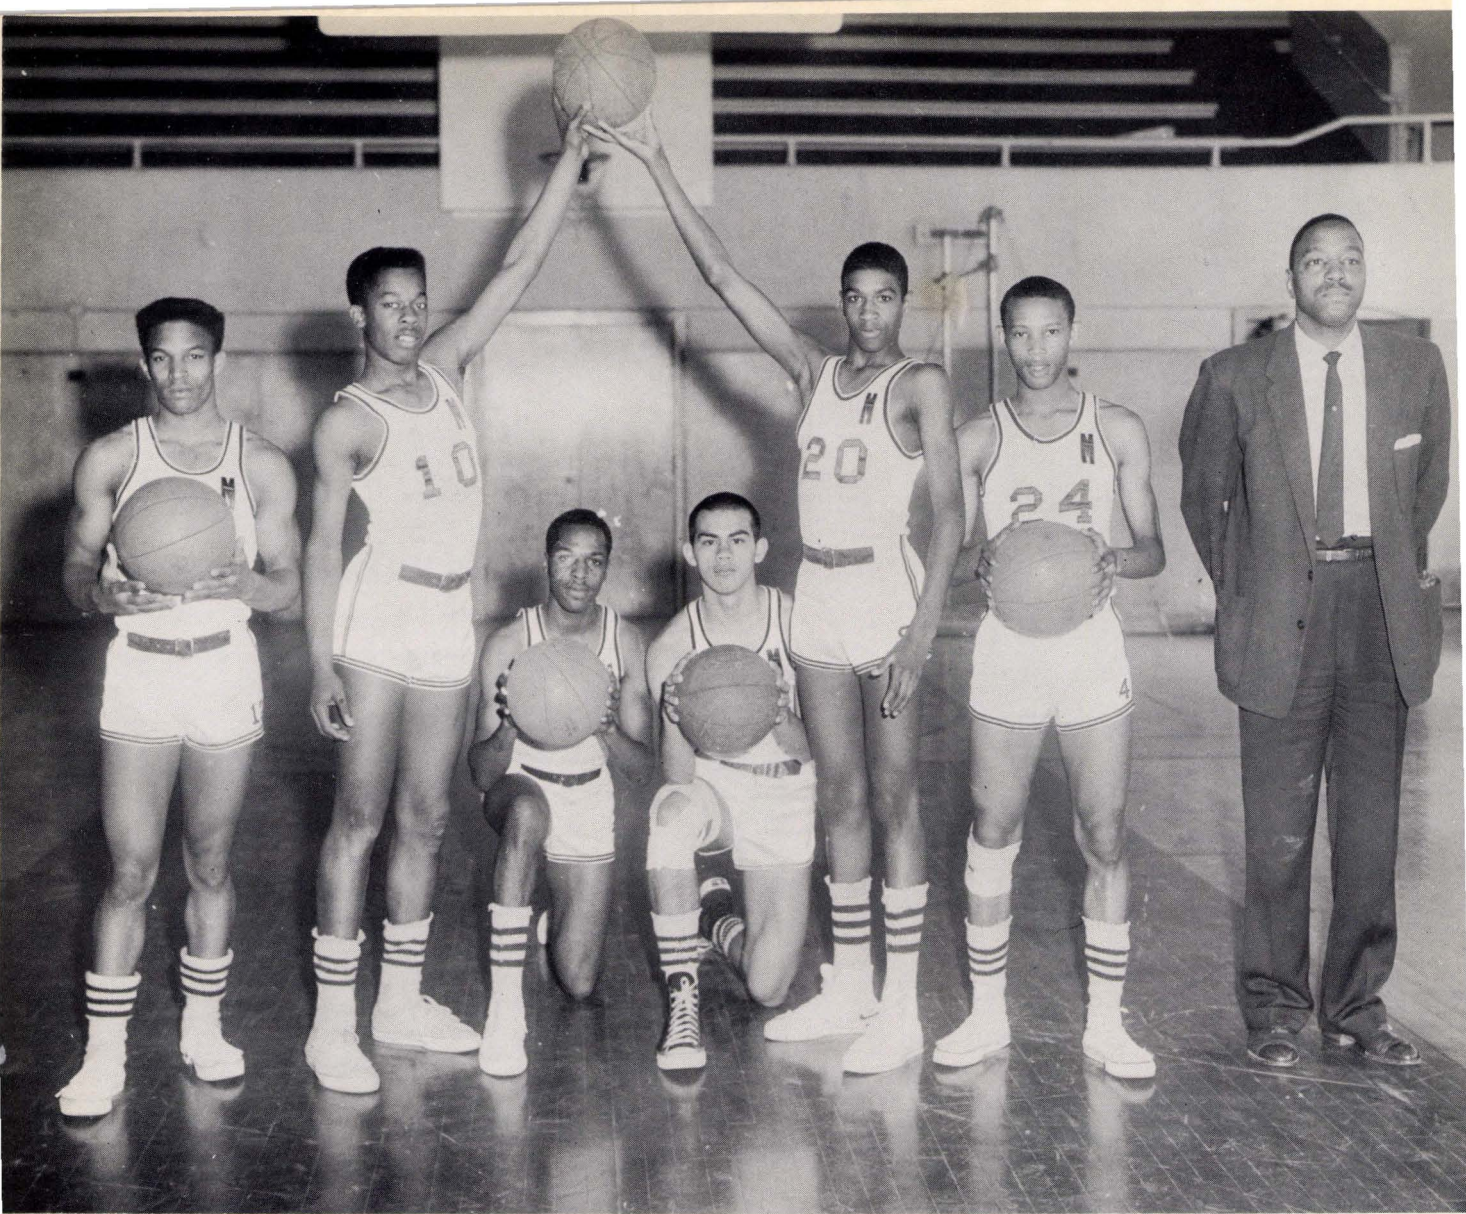

There's Gene Batiste making a good try. Mr. Belli, I don't think you quite get the idea. You're one of the players.

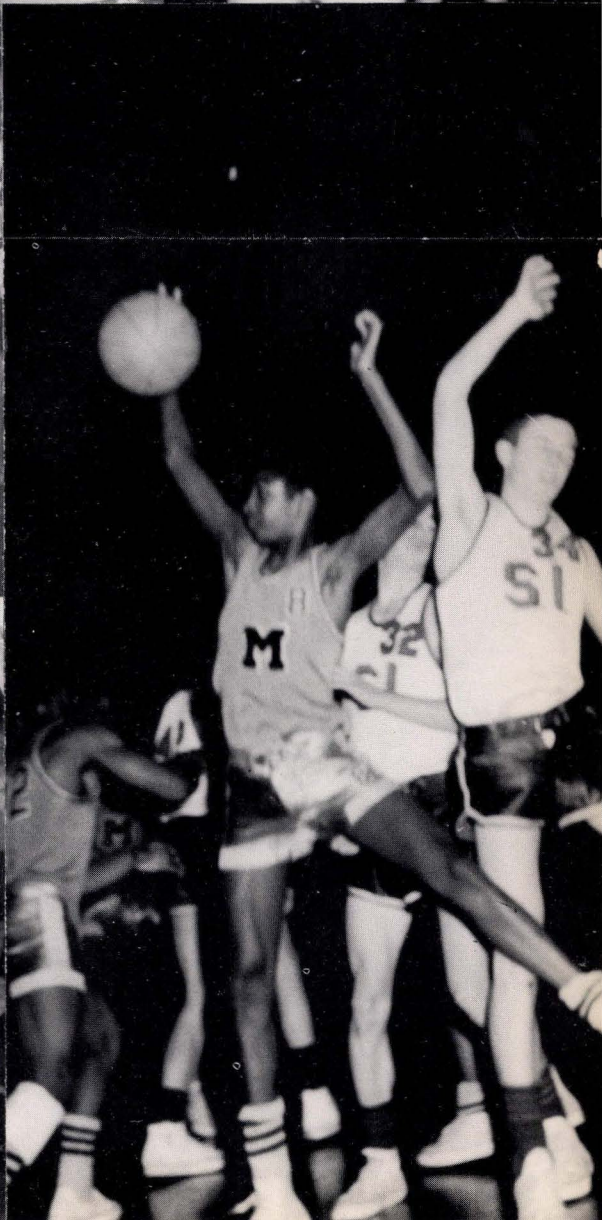

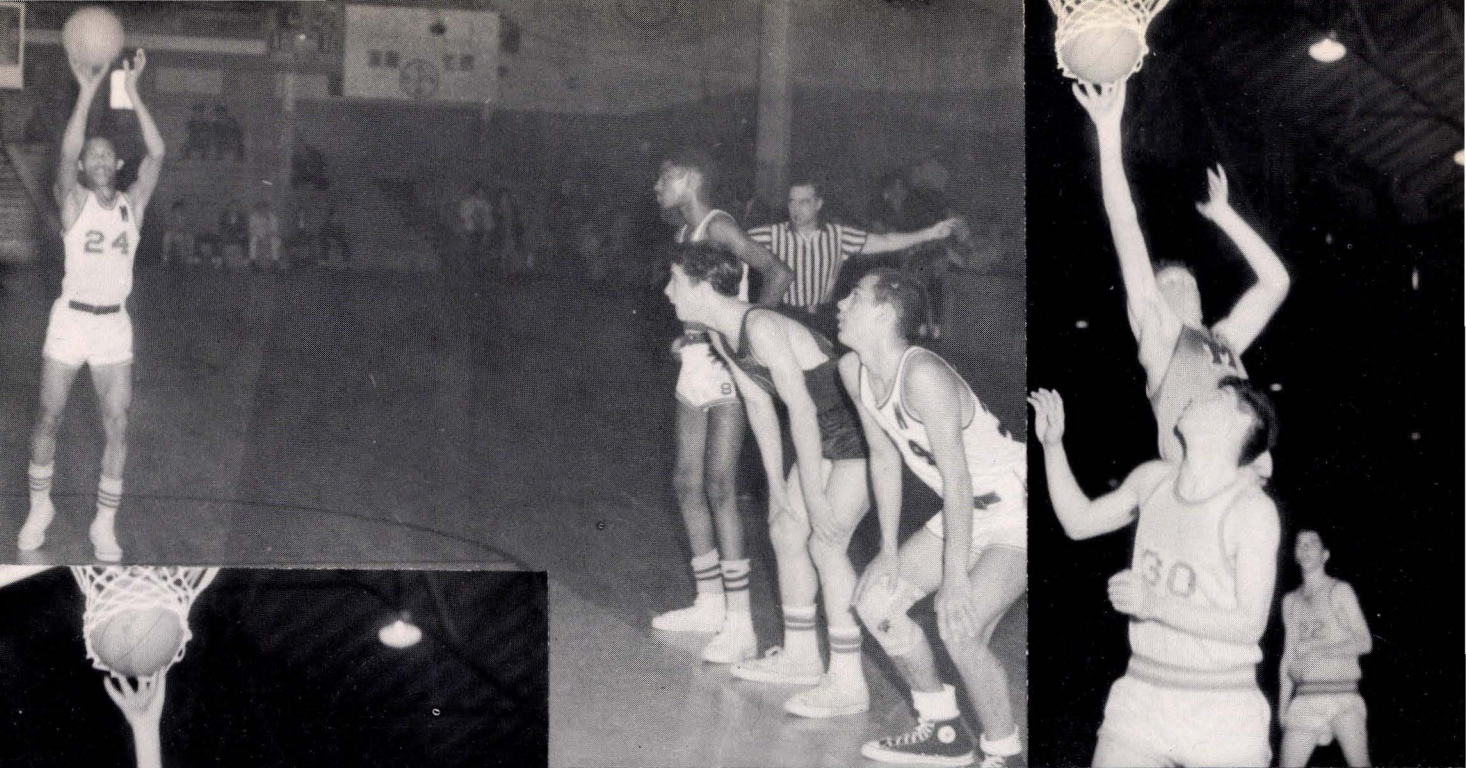

Say, fellows, I hear there's a talent scout out front from the San Francisco Ballet.

# 130's Make Good Record

# Cindermen Made Title

Go, Gene! Up and over six feet or or more.

The 1961 Spikemen of Mission High entered the season with high spirits and great enthusiasm.

The varsity team ended the season with a record of three wins and four loses, with Lonnie Brantley leading the field most of the way.

The 30's, having a more successful season than the varsity, ended their season with a six win - one lose record. We can all look to this year's 30's for bigger and better things next season.

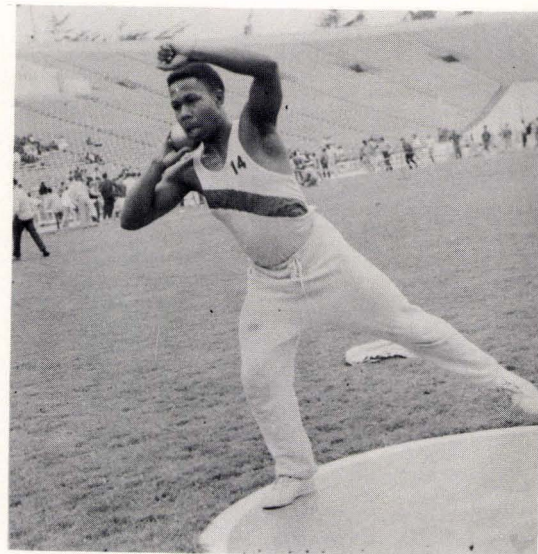

The 120 pound team, a young and inexperienced group, closed the season with one win and six loses.

"The Lord is my shepherd....."

Another Bear high-jumper, Cliff Garrett, warms up.

"Superman" Bishop. Top shot putter on the 30's.

Please help me! I'm falling!

Isn't it a little late for that, Mr. Brillhart?

Tucker shows his form as he clears 12 feet.

Beautiful form, No. 41. How about 40 feet this time.

Joe Bluford, goes up and over in track meet against Washington.

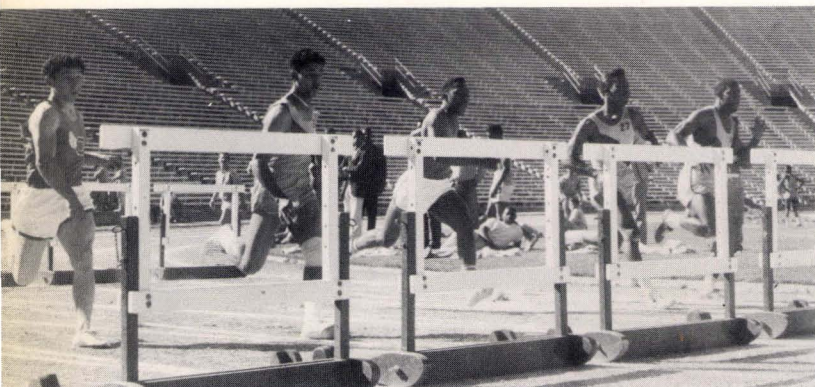

It was a long run.

Leon Cooper first to hit the tape. Old "Coop" is top man in the 30's hurdles races.

Well, now, I won.

Bill Raines prepares to meet the challenge of the high hurdles in Galileo meet.

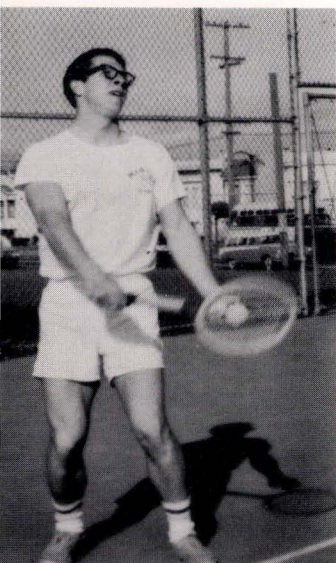

They're off! Lonnie Brantley is off like a rocket in the 330 yard race.

# Tooley's Master Touch

POW!

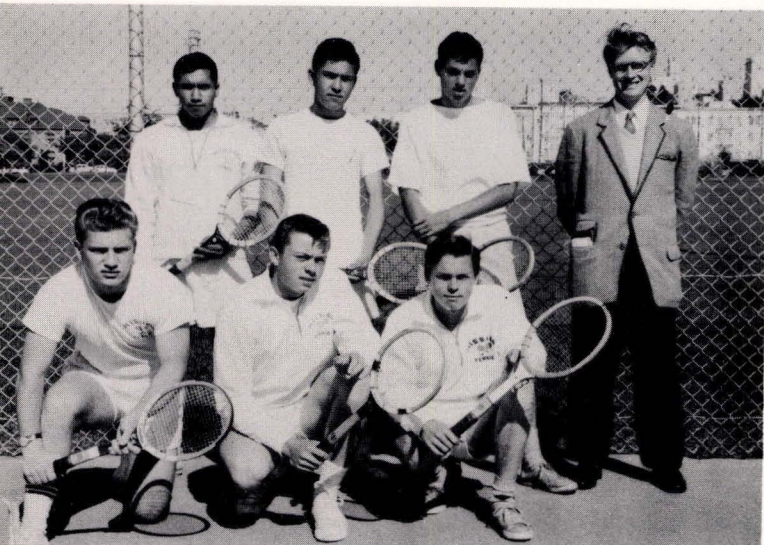

SINGLES TEAM

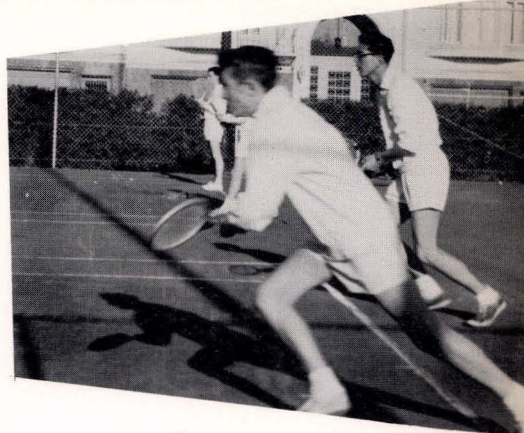

Versatile Bill Hystead waits for that pesty little ball in match against Poly.

The Mission High tennis team, coached by Mr. Tooley, placed 5th in league play this season with a commendable 4-4 record. The netmen triumphed over S. H., Balboa, Galileo, and Poly, and were beaten by S. I., Washington, Lincoln, and Lowell, the league champ.

Tom Lawn prepares to serve against opposing player in singles match.

Dear Mr. Tooley,  
I wish to express my sincere appreciation for the excellent instruction both scholastic and athletic wise  
Rich Norvelle

All together, now.

DOUBLES TEAM

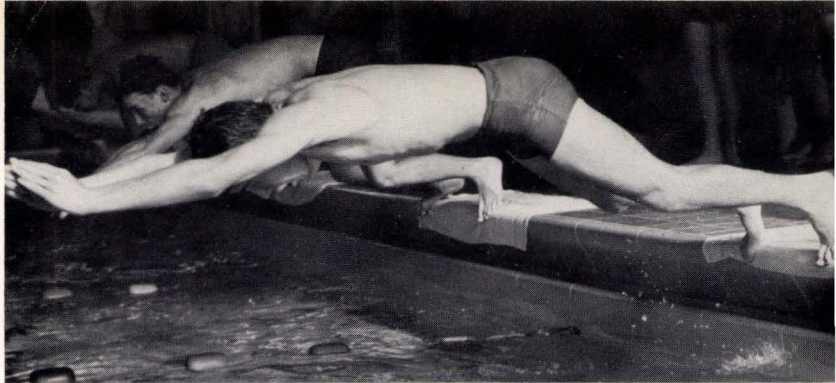

Top row: Steve Wilhelm, Tom Lawn,  
Bottom row: Oddvar Lindaas, Henry Black.

Top row: Ivan Bermudez, Charles Lee,  
Rich Winn.  
Bottom row: Ed Finerty, Bill Hystad,  
Richard Norvelle.

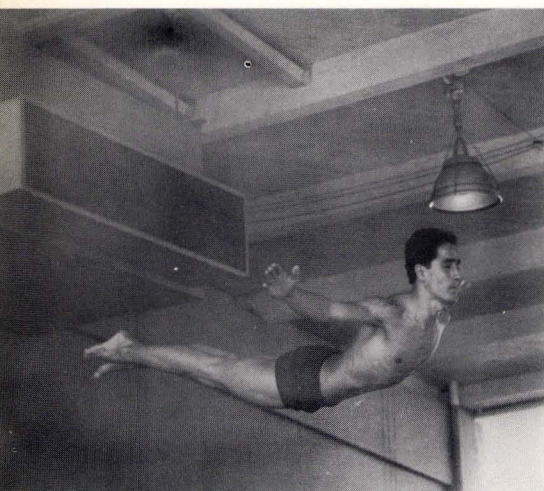

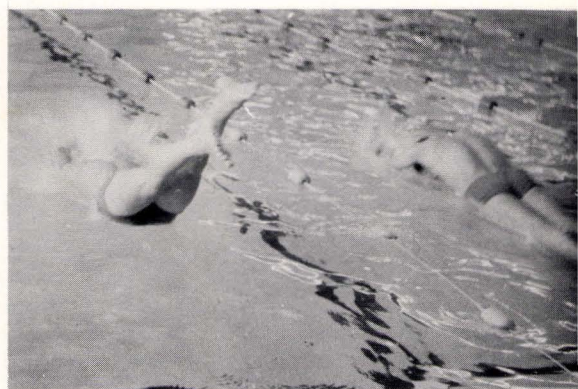

Are there fish in the pool?

In they go. Mission vs. Lincoln

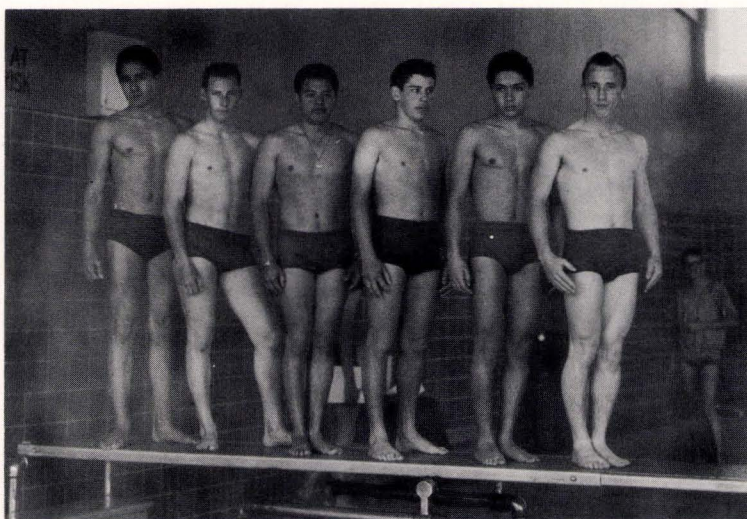

A beautiful swan dive performed by Rich Nederlof.

Diving for pennies?

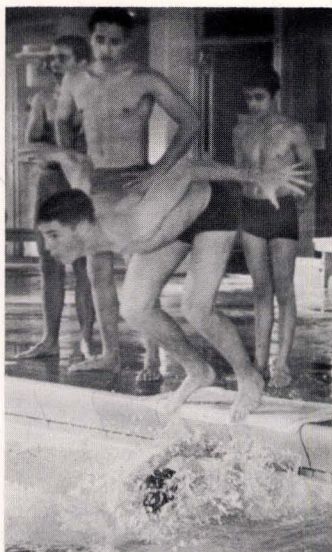

It's awfully wet!

Toward the end of the swimming season, the diving team couldn't seem to find a board, but the fellows still make a good picture. Left to right: Rick Nederlof, Art Weinshank, Rene Tellez, Jan Uribe, Jack Fernandez, and Mark Lewis. Not shown is Ted Conn.

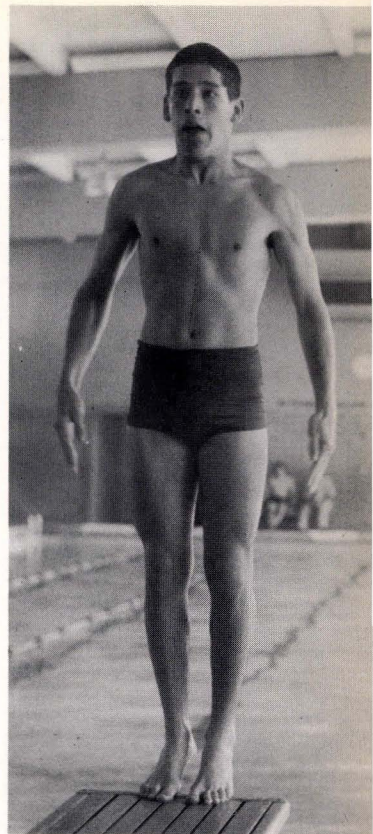

# Swimmers Were Strong and Sturdy

The varsity swimming team ended the season with a record of three wins and five losses. Carrying the weight most of the way was Skip Vetrano, a three year veteran and a graduating senior. Jerry Klesow, a high sophomore, and one of the team's most outstanding swimmers, helps make the future of the swimming team look bright.

The 130 and 120 pound teams both ended the season with a record of four wins and four losses. Through the experience they gained this season, Coach Olivier looks forward to an even more successful season next year.

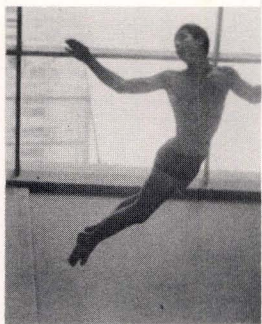

Do you see what I see?

Do I have to go in?

Front Row (L to R): Curtis Vose, James Lambson, Mike Destiny, John Johnson, and Tom Evans. Row 2: Ray Stevens, Richard Jevariam, Everett Golas, and Ron Barber. Row 3: Brent Hinchman, Rick Nederlof, Bill Bogdanoff, and Robert Hayes.

Peter Pan never had it so good.

It's a tight race as the boys swim the breast stroke to the finish line.

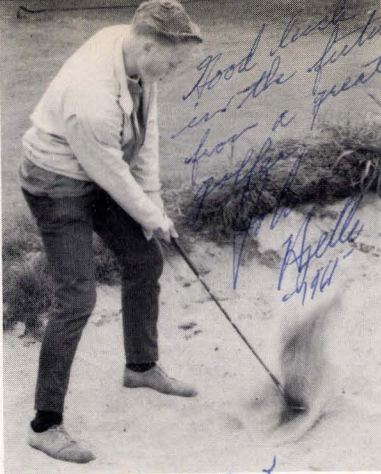

# Golf Team Improved in '61

We must admit that the golf team didn't win many blue ribbons, but they were out there trying for good old Mission, and that's what counts.

Jim Stone

John Hjelle

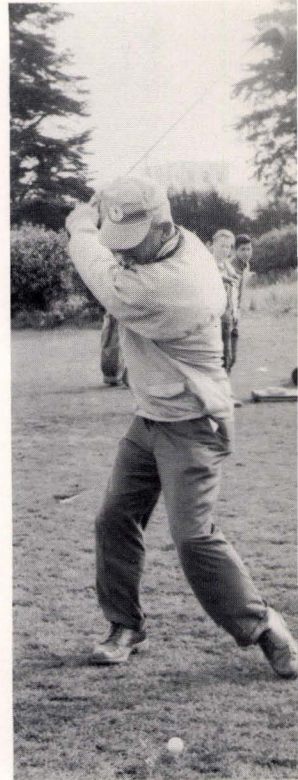

George Massarwich

Charles Lee

Rich Norvelle

Coach Elston

## HR Basketball

Although homeroom basketball hasn't had the popularity of most of the other sport activities, it has received the eager support of many homerooms.

Pictured at the left are the H11 intramural basketball champs, Mr. McLea's boys from 204.

Left to right: Paul Adams, Glen Rieken, Walter Davis, Pat Reyes, and Ron Clark.

# J.V's Came Through In Fine Style

Our JV's did very well this year. They ended up in fourth place, but as stated by coach Benjamin, "All of our games were played very well and hard, and with a little more luck we could have made the play-offs."

Some of the most outstanding playing was done by Henry Scott, voted most valuable player and a sure prospect for next year's varsity, Vernon Crowder, who did some outstanding hitting, and Leonard Green a good pitching prospect for next year.

Row 1 (L to R): Cliff Viera, Bob Brown, John Munguia, Vern Crowder, Ron Rusuro, Humberto Rodriques, Rich Toro, Deano Lagusia, and Len Green. Row 2: Jessie Reed, Bob Valdez, Joe Vargas, Rudy Juarez, John Cahill, Jim Swan, Tom Rojas, Lou Santiestaban, Rick Hays, and Don Wesly, Mgr. Row 3: Bob Sturart, Bob Holloway, Henry Scott, Ed Wilson, Warnell Armstead, Duane Keller, Mike Lynch, Don Evitts, Joe Lopez, and Coach Mitch Benjamin.

Jim Swan slides back in time.

Ron Rusuro leads off first against S. H.

Vern Crowder singles against Poly.

Row 1 (L to R): Gary Rateliff, Jim Smith, Al Gallagher, Ivan Martie, Paul Valdez, Dave Hogan, and Len Green. Row 2: Coach Mustanich, Al Gianquinto, Rich Columbo, Tom Velasquez, Paul Coke, Hershel Hollie, Bill Farmer, and John Zamb, Mgr.

The 1961 season for Wild Bill's horsehiders was not their most successful season if you look at the record, but it was certainly an exciting season and the boys were always hustling.

The varsity nine won six and lost ten, but their good spirits and sportsmanship were always on display to best advantage.

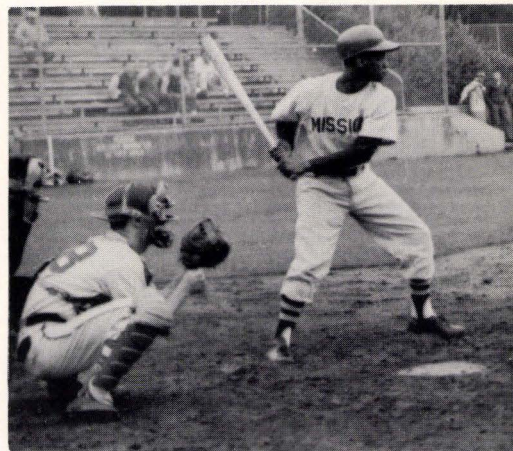

Congratulations and best wishes for a successful '62 season.

"Wild Bill" Mustanich on the coaching lines.

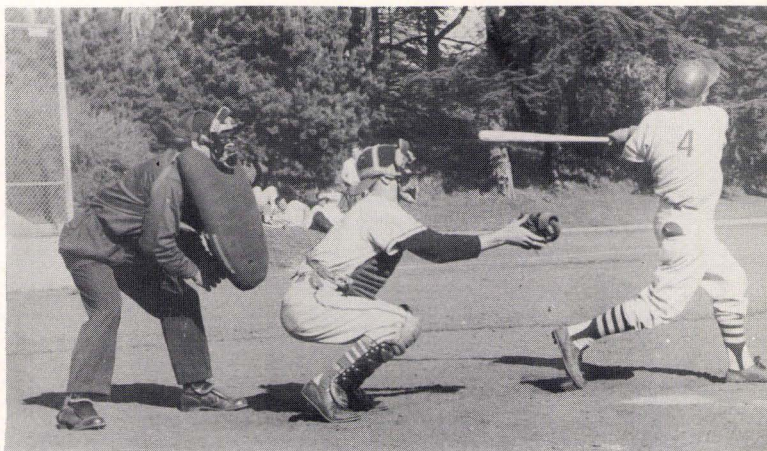

Run hard, Tom! It's only 90 feet to home plate.

Look at THAT form, Patton batting against S.

# Horsehiders

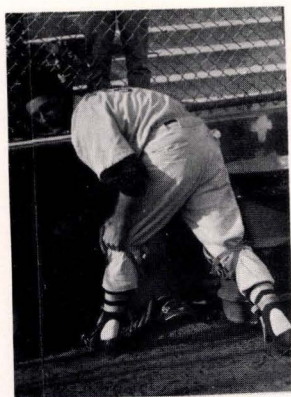

Wow! There it goes, Bye-Bye, Baby.

"Daffy Al" warming up  
before the Poly game.

Velvet garters! The things I  
do for my girl!

Whose camera shy??? Not Louie.

# Too Inconsistent

You'll never make second base that way.

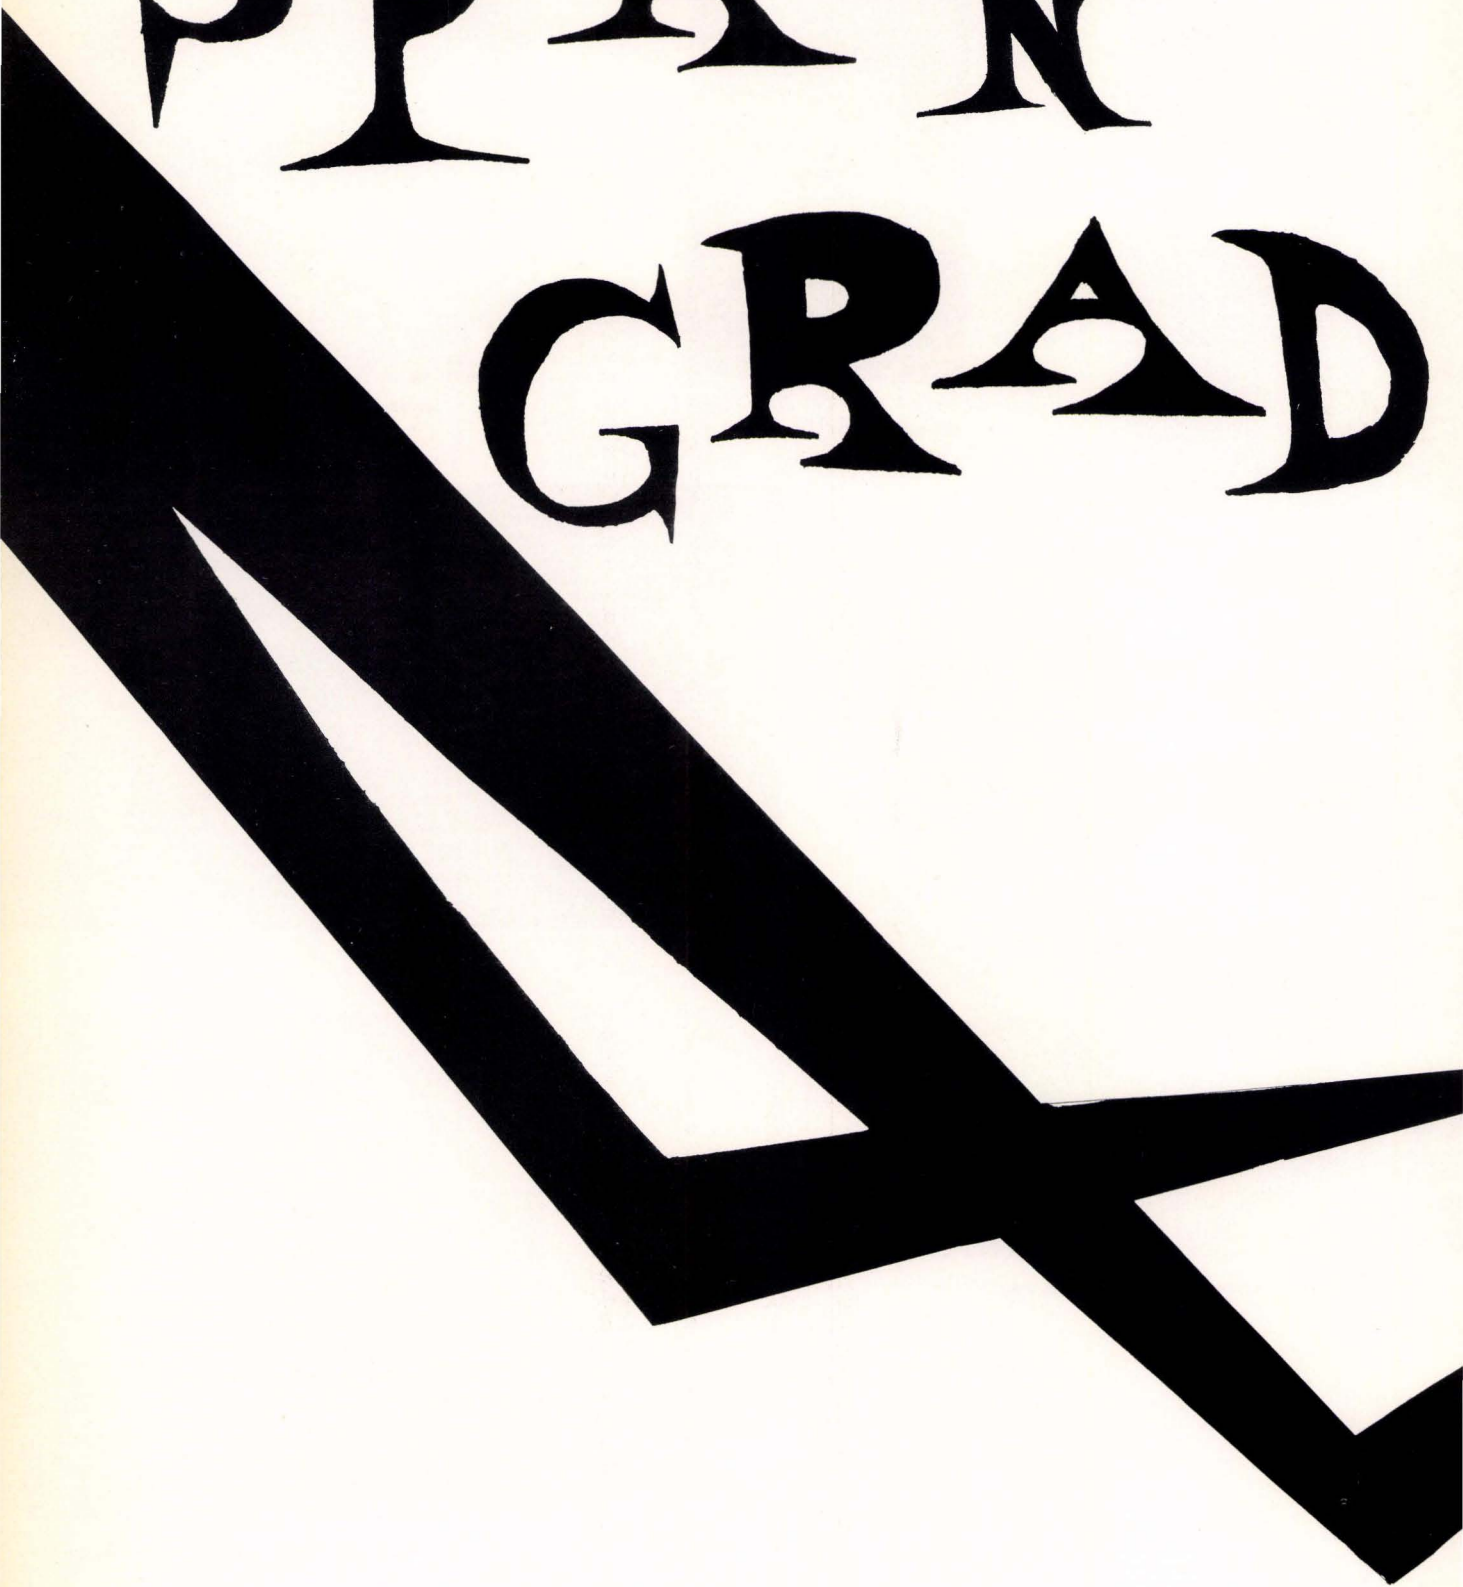

Run scored. Paul Vadez hustles home.

I don't care. Bring the whole marine corps. I still won't change his grade.

Skirts are getting shorter and shorter.

Ivan, we never noticed how bow-legged you are.

Waiting for a taxi?

Oh, curses! It turned back into a pumpkin. How can I face Prince Charming now?

Dracula's daughter!

Are you sure you're old enough for a two-wheeler, Steve?

Mr. McLea's son looks just like his daddy.

Go, Rick!

Ain't she sweet. See her jumping down the street.

Twins, I presume.

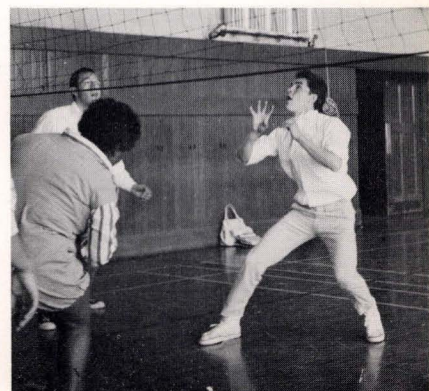

Nick has a new gal.

Gees! What's a party without ice cream?

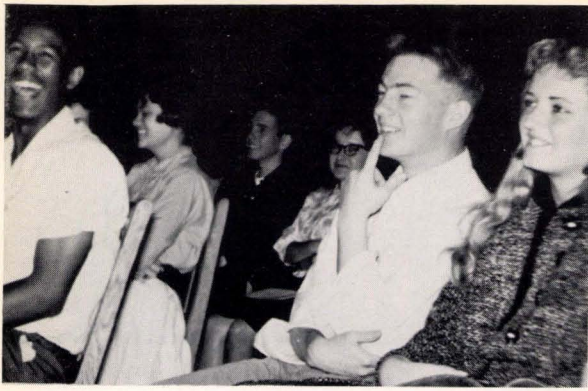

Too bad there isn't a streetcar coming. There would be two less "red hots".

Where the heck did the ball go?

Something must have been funny.

Goo, Goo, Vanev Estolet.

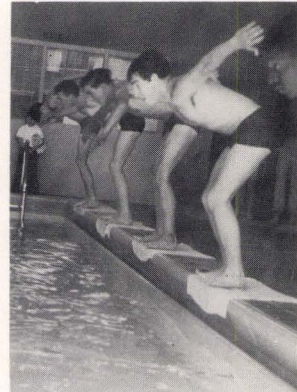

All kinds of fun.

Hams!

We're going to sit here until Fabian says he'll buy us an ice cream cone.

This is the biggest broad jump pit I've ever seen.

Lucy's a great one for athletics.

Now what do I do?

Don't fight it, Tommy.

My mommy said I could play with it today!

An apple a day, Shirley?

But, Mr. Anderson, we thought it was lunch time.

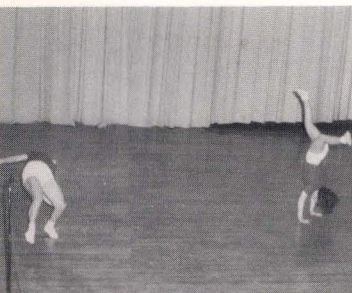

Manuel the lover.

The gang.

Jeanni, looks like she's been through the mill.

97 more times and we earn our box of Girl Scout cookies.

Why don't you join Rosie and Joanie in the Can-Can, Diane?

Nice tongue, Lucy

Evelyn likes cookies

..... and when I snap my fingers you'll no longer be airplanes.

"I hate suckers".

Dress rehearsal isn't much but opening night should be a smash.

I think the expression is, "Shape up or ship out, troop".

Keep your chins up, girls. Just 98 more miles to the reviewing stand.

Al Capone's gang!

I'd hate to be the driving teacher!

Gee, girls! What happened to the worm?

Noontime recreation on the Riviera

Surprise!

The bloomers that grew and grew.

The line up.

Splish! Splash!

Road block.

Wailing with Wagner.

Ugh!

Heave Ho!

Try me.

Educated sleeper?

Yakity yak.

Some people! Why's George looking so hard at you, Barbara? Could it be your swing?

Bewildered.

Hail, hail, the gang's all here.

Big Bill Galvanoff.

"Goodnight, everybody," shouts Kathy Olson

If I could only find the words to explain what it was like out there in outer space.

Here we are, girls.

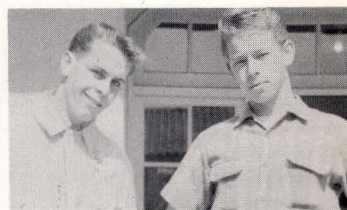

No, silly, that's not Keats, it's Shelley.

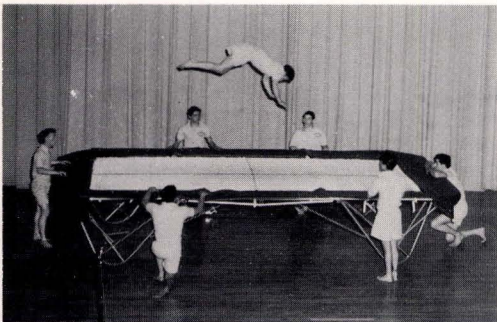

Now what kind of story is SHE going to come up with?

Do you have a pass. boys?

Smile, stupid.

Whoooooooooooo!

Katy did it.

An ideal couple, Tom and Cathy.

The old gang of 5th period lunch.

No. I'm not hanging out my wash.

You didn't have to pose if you feel that way about it.
