## VARSITY

Old man jinx played a major roll in the affairs of Oakland High School's 1946 football team. Although losing all of the games, the fighting Wildcats proved themselves hard to beat as only the championship San Leandro squad downed them by more than one touchdown. In the other games it was always a case of a bad break at the wrong time. Coaches Hansen and Wasson are charging this year's season to experience in hopes of fielding a better squad next year.

Although the Cats looked good in the first half of a practice tilt with Alhambra, the visitors won 6 to 0.

The San Leandro champions completely overwhelmed the green Wildcats 25 to 2 in the first league game.

Castlemont escaped 20 to 12 from an inspired Cat team. The strong Cat line led the way as Oakland almost upset the runner uppers in an impressive manner.

5. Oakland traps and drops a Fremont man.
6. McClymonds was heading the other way until the Cats hit them.

# FOOTBALL

Third place Fremont ran up against strong opposition, but won 7 to 0 in a rugged, bone-crushing game.

Vandalism cancelled the Big Game with Technical. Spirit was high for the game and the team felt certain of victory.

With disappointment due to cancellation of the Tech game still enveloping the team, Oakland entered the last game of the season with McClymonds. The Cats completely outplayed and outclassed the Warriors. A sixty yard touchdown run in the first quarter was the Mack's only penetration of Cat territory. The rest of the game was all Oakland, with many drives bogging down close to the opponent's goal. However, the final score remained 6 to 0 for McClymonds.

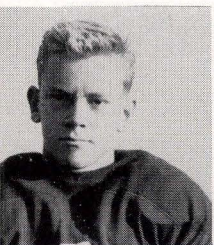

In a post-season meeting the squad selected an all-opponents team and elected Bob Taylor and Fred Hammer as Co-captains.

# BASKETBALL

By walloping Piedmont High School 40 to 17 in a pre-season opener, the Wildcat Basketball Team showed indications of being a strong O.A.L. contender for the current season. With this flying start behind them, coach Wasson's wards are hopeful of a successful year. If graduation does not take too much talent from the squad in mid-season, the Oakland cagers should be on or near the top of the heap in the final standings.
