DEDICATION

Peg Rinal

HARRIET HELEN WILLIAMSON

We, the June Class of 1951, are not the first who have longed to dedicate the Shield to our mentor, teacher, and true friend, Miss Harriet Williamson, who has won our admiration and our deep affection. Miss Williamson's devotion to the youth of this school is evident in the fact that she has so freely given of her time and effort to the work of the yearbook; it is then fitting that we honor her in this issue of the Shield. Regardless of her traditionally furious objections that her name appear in the book, we humbly make this secret dedication, in appreciation of all she has done for our school.

Dick - I wish to
 write to you and but
 don't the you day
 I would like to say
 you will have

MR. DAVID C. GRAY, Principal

MR. ROBERT PASCOE, Vice-Principal

RICHMOND UNION HIGH

DAVID C. GRAY

Mr. Gray has been our friend as well as our principal. His kindness, tolerance, and good nature have tempered all his dealings with us so that we, like the faculty, are inclined to think of him in our secret hearts as "Pappy." Certainly he has been the man finally responsible for all our good times, just as he has been responsible for making sure that we received the best possible education.

ROBERT PASCOE

Room 12, office of the vice-principal, has two redoubtable warriors, the one on the wall being Rembrandt's, the live one in the chair being Mr. Pascoe. We have cause to remember with great satisfaction and/or perturbation our vice-principal's skilled tactics, brilliant strategy, and Spartan discipline, which kept our days full of order and the beckoning horizons, smokeless and unattainable. Besides all this, he knows us all by our first name, though he may call us by others, and we, being onery, commend him for his just rule and humanity in the face of great odds.

SCHOOL ADMINISTRATORS

HELEN BROOKE

If Richmond has any claim to distinction, it might well be our Dean of Girls, Miss Brooke. We have found her to be an institution of singular abilities and attitudes ,who can, with equal grace, counsel the misguided, befriend the timid, lead a yell, or play-act the hoodlum. Her droll fun, her big heart, her wholesome viewpoint and her dashing dignity have done us good.

WILLIAM OUTMAN

Mr. Outman, prepossessing in looks, has also impressed us with his performance as Dean of Boys and Baseball Coach. He is renowned for his superb generosity in giving one and all the benefit of myriad doubts .And despite his long experience—from his own boyhood days at RUHS as well as his present past—he still has the patience to lend a sympathetic but skeptical ear to all the tales of woe which are presented to him.

Mr. Outman and Miss Brooke settle a problem in the office.

OILER HOOPSTERS TAKE SECOND PLACE

Despite the fact that the whole first string from last year's champions had graduated, the Dick Christensen coached Oilers came in second in the ACAL.

After a bad start, the Oilers came through with a record of 13 wins and three losses in practice games. Among the Oiler victims were San Leandro, Napa, Commerce, Sacramento, U.C. Lightweights, John Swett, Albany, Alumni, St. Elizabeth's, Oakland, Poly, Balboa and CCJC Reserves. Eural McKelvey with 187 points and Ron Ferrari with 146 points led the Oilers in the practice games. Ferrari scored 20 points in both the Napa and Commerce games.

The first ACAL game was with the Piedmont Highlanders on the Oiler court. The Highlanders had too much height for the Oilers and won 43-38. Willie Preston was the top scorer for Richmond as he bucketed 11 points. The Oilers broke into the win column the next time out when they traveled to Alameda. After a brief scare, the Oilers came out on top 45-32. Dinky Wilson scored 13 points for scoring honors. Eural McKelvey, tall jump-shot artist, scored 10 points. Berkeley proved an unexpectedly strong foe but Richmond put together a second half rally to defeat the Jackets 43-39. Gene Busby cleared the backboards for Richmond and tallied 10 points to lead the Oiler scoring. Ron Ferrari also netted five baskets as he hit with his long set shots.

After leading El Cerrito for three quarters, the Oilers couldn't stave off a final rally and lost 50-48. Dan Quirk, who came in the game when McKelvey fouled out, held Moore, one of the league's top scorers, to two baskets. Dan and Gene Busby lead the scoring with 10 points apiece.

The Oilers closed out the first half of the ACAL season with a win over Hayward, 41-29. Emery Phillips, playing his best scoring game of the season, scored 13 points to

lead the game scoring. This game marked the end of Ron Ferrari's Richmond High playing days as he graduated in mid-season. Richmond was in third place at this time.

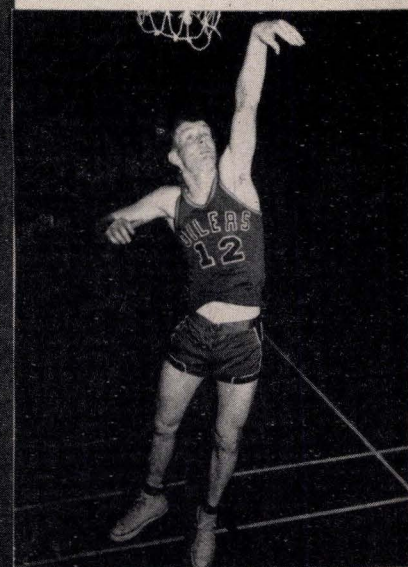

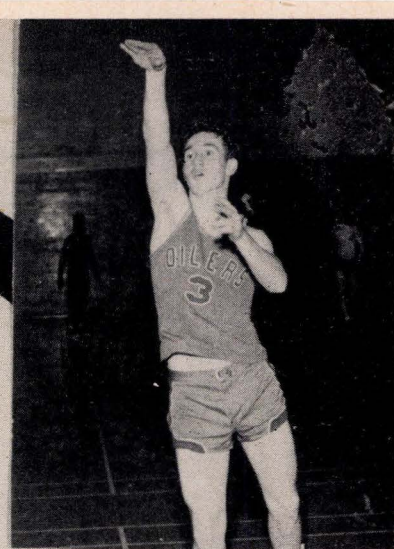

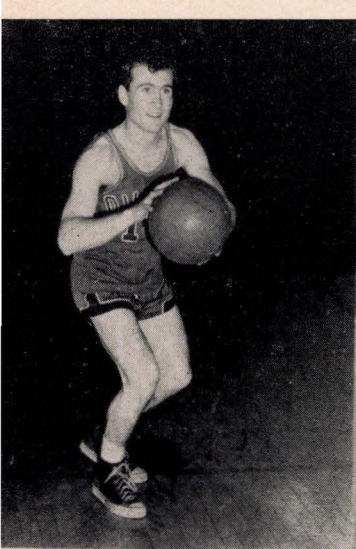

The start of the second half of the ACAL season marked the Oilers worst defeat of the season. Piedmont defeated Richmond 38-25. McKee, the Highlander 6' 5" center, scored 15 points and his rebounding power was too much for the local boys.

Lowell "Dinky" Wilson led the Oilers to victory over the Alameda Hornets as he scored 20 points; 51 to 45 was the score. Most of Dink's points were scored when he drove through the Hornet defense or lay-ins.

Berkeley was no match for the title-seeking Oilers who won 40-32. The Oilers had their offense working smoothly and the Yellowjackets could do little to stop it. Eugene Busby with 12 and Emery Phillips with 10 led the Oiler cause. El Cerrito was the only team left standing between Richmond and second place. The Oilers traveled to the Gauchos court with the idea of winning. This they did, 46-39. The Oilers were hitting from all over the court. The Gauchos couldn't match them. Eural McKelvey, Gene Busby and Emery Phillips formed the heart of the Richmond offense as they accounted for 39 points among them. McKelvey was high with 14 points.

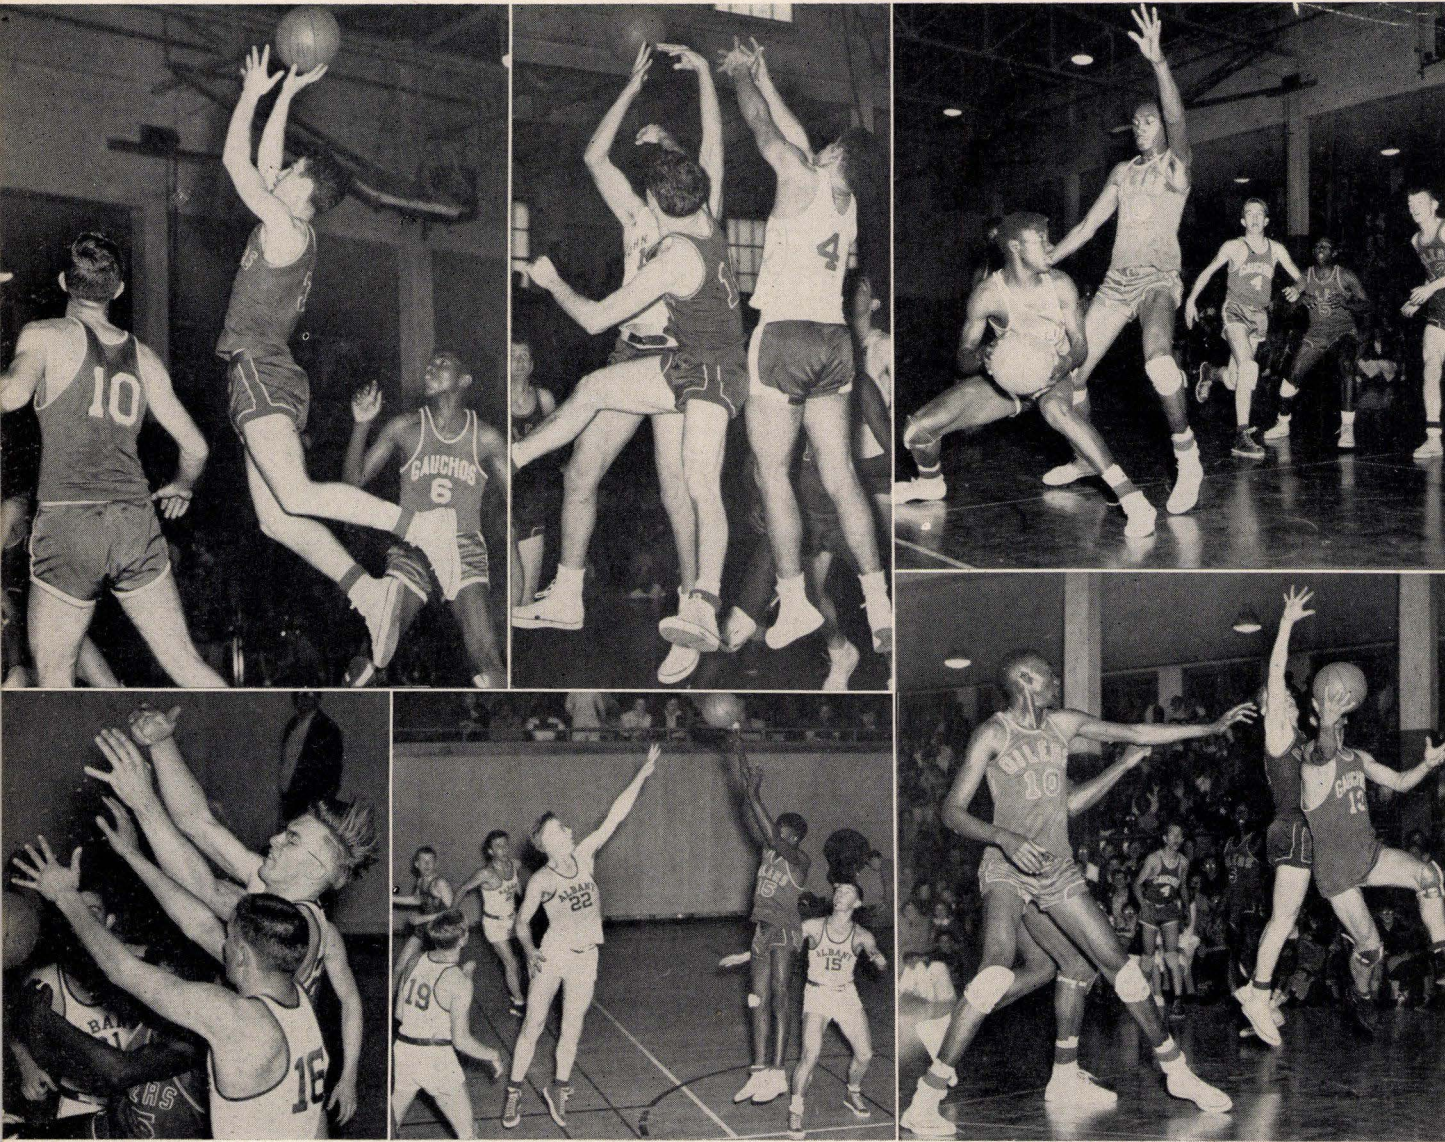

Richmond closed out the '50 and '51 season with a 48-39 win over Hayward. It was an Oiler victory all the way with the Farmers never pressing Richmond. Eural McKelvey came through with his season high as he scored 20 points. Eural, making a variety of shots, was also rebounding well.

When the All-ACAL selections were made, Eural McKelvey was on the first team. "Dinky" Wilson, Gene Busby and Willie Preston made second team honors.

VARSITY GAMES

J. V.'s Second In ACAL

With Howard Thomas leading the way, the Richmond Junior Varsity basketball team, under the direction of Coach Elmer McCormick, took second in ACAL play. Sophomore Forward Thomas scored 273 points for an 11.4 per game average. The race for second place scoring honors was close with Sammy Williams getting 113 points and Joe Rich, 112 points. Beppo Dyer, who played with the varsity until the start of the ACAL play, scored 71 points in league games and was one of the team's steadiest players. The Oilers had a good record in league play by losing only to

the league winner, Berkeley, and splitting two games with El Cerrito. Captain Larry Bowers, while not a high scorer, played a good defensive game all season and contributed many rebounds to the Oiler cause.

Joe Rich received the award for the best free throw average as he scored 69% of his throws.

Mickey Quigley was the second best scorer in practice games but was hurt and missed much of the ACAL season. He contributed points at the end of the season to keep the Oilers in the race.

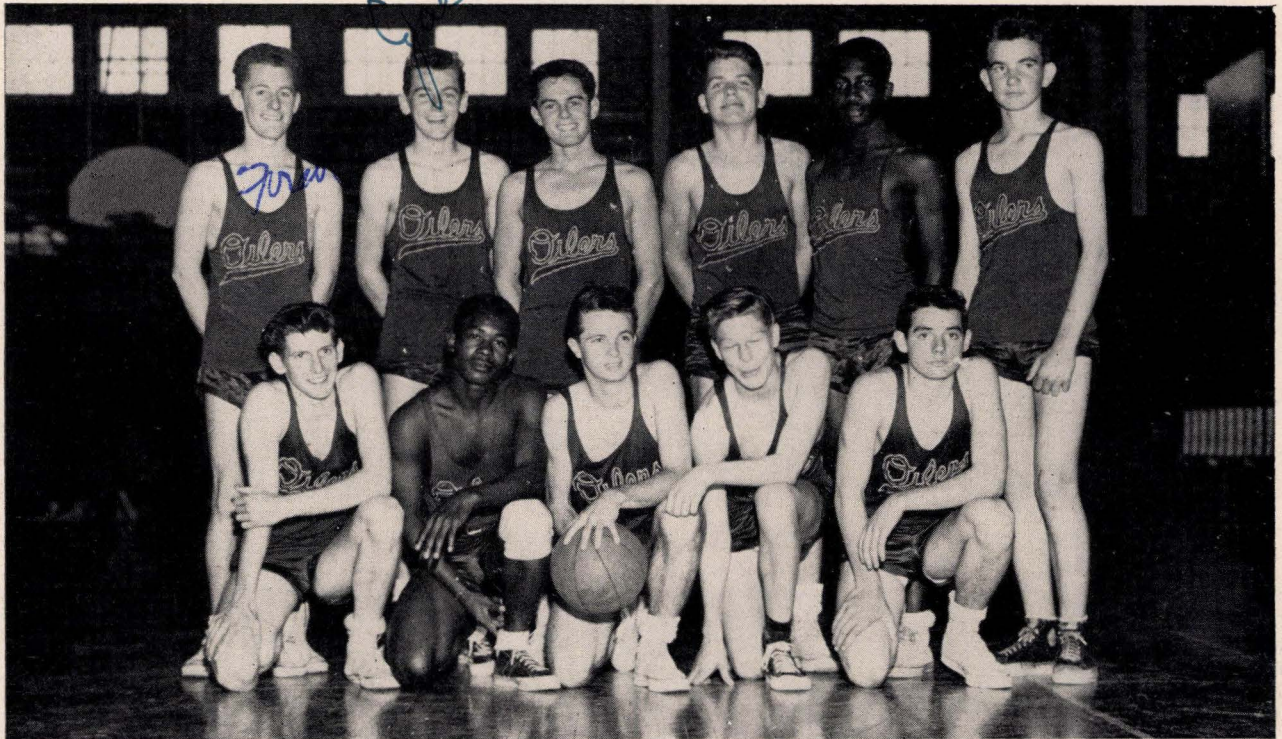

'B's' Win Eleven Out Of Eighteen

Led by Captain Bill Ratterman, the Oiler "B's" went through the season with an eleven win and seven lose record. Impressive wins were scored in the second round of ACAL play when the Oilers set back El Cerrito, Piedmont and Hayward to take 3 out of their last 4 games. Coach Carl Mayers directed the team throughout the season.

High score for the "B's" went to forward and senior Jim Baer, who scored 190 points in 18 games and averaged better than 10 points per game. Bill Ratterman and Fred Harvey followed with 108 and 102 points respectively.

Jim Melloway led the team in the free throw department. He made better than 60% of his free throws in game competition. Good defensive ball was played by Levell Holmes, forward, and Ken Wood, center. Sophomore guards Jim Melloway and Merle Whitlock played outstanding ball both on offense and defense. Highlights of the season were the three out of four wins over El Cerrito and the overtime game at Hayward when Jim Baer tied the game with a minute to play at 29-29. Ed Canopa made 3 points in the overtime period to give the Oilers a 32-30 win.

First row, left to right: Emery Phillips, Jim Landis, Mickey Quigley, Richard Shroyer, Bud McGee, Dallas Brikovich, Jim Anselmo, Ed Menosse. Second row, left to right: Monny Urquhart, Jimmy Johnson, Joe Porter, Eural McKelvey, Larry Darnell, Ernie Fuller, Jim Landis, Jim Goodwin.

The Oiler baseball team with a nucleus of five men tied for first with El Cerrito in ACAL competition.

The Oilers opened against St. Mary's and found little opposition as they won 18-3. The big blow of the day was by Joe Porter as he blasted one over the center field wall 350 feet away. Bud McGee got credit for the win as he pitched the first four innings and gave up only three hits. The Oilers went ten innings before they got beat by Stanford Freshmen, 4-3. Mutt Goodwin lead the Oiler hitting as he got two hits in five tries. Dick Schroyer got the loss. The third game of the season was against the powerful Mission nine of S.F. Joe Porter did his best as he got two home runs and a triple in three times at bat to drive in seven runs, but it wasn't good enough as the San Franciscans won 8-7. Wilson gave up only five hits but he had to take the loss. A big fifth inning was all the Oilers needed to win against Pittsburg. Porter and Goodwin each homered to drive in two runs. Jimmy A. Landis also picked up two hits in four tries. McGee was the winning pitcher as he allowed only six hits, four of them in the first two innings. The Oilers let Acalanes get a two-run lead and then beat them 13-4. Dick Schroyer was credited with the win. Porter lead the hitting, as usual, with a double and a single. The alumni found the Oilers too strong as Richmond won 4-3. It was double day as Eddie Menosse hit two and Monty Urquhart and Mickey hit one apiece. The Oilers had their revenge against Mission as they beat them in the return match 9-4. The Oilers only got singles but it was enough. Menosse, Goodwin and Eural McKelvy each got two hits. McGee was the winning pitcher. Wilson pitched well and then hit well in the seventh inning to take the game against St. Ignatius 3-2. He got the side out and lead off the Oiler half of the inning with a double and scored the winning run. Wilson pitched a three-hitter the following game only to lose 3-2 to Sacred Heart. The Oilers beat Albany with one earned run and five unearned ones. Porter drove in the winning run in the seventh inning with a single. Ernie Fuller established himself as a varsity pitcher when he pitched a no-hit one run game and won 3-1. Fuller, a sophomore, was raised to the varsity just previous to this game. Vallejo was the loser. The second Acalanes game was worse than the first as Richmond rolled the Dons under 13-2. Porter, Menosse and Quigley all hit circuit blows to get the scoring high. Joe Porter tried the mound and gave up only one hit as the Oilers won 7-6. McGee helped Porter out of the seventh inning, retired one batter and got the credit for the win. Menosse got three for four in the hitting parade and Jim A. Landis drove in three runs. The Richmond nine found the California Frosh team easy pickings as the Oilers won 5-2. McGee limited the college boys to four hits. Quigley and Porter each got two for three to lead the hitting. Fuller was hot again when Richmond played Emeryville High as he pitched shutout ball and gave up only two hits. Fuller also picked up two hits himself to take hitting honors. Oakland Tech proved too much for Richmond and beat them 11-4. The Oilers couldn't get started and Oakland didn't wait around. The Oilers closed out the practice season with a 5-4 eighth inning win over McClymonds. Jim Anselmo was inserted and got a walk as expected in the eighth, was sacrificed to second and scored on a pass ball and an error to break up the game.

Richmond opened up the ACAL season with a win over Hayward, 7-4. Goodwin took hitting honors with three hits in four times at bat. McGee allowed only six hits as he pitched winning ball. McGee was back on the mound for the Oilers' second game in the ACAL and was robbed of a no-hitter by one lucky hit in the fifth inning by an Alameda outfielder. Jim H. Landis hit a home run into deep center field and made a sensational over-the-head catch to climax a winning day, Richmond 3, Alameda 0. A pitching duel between Richmond's Bud McGee and El Cerrito's Ernie Broglio was interrupted in the fifth by three long Oiler hits which were enough to win the game. Goodwin kept up his hitting spree as he got two for three. Richmond ended the game in front four to two. This meant that Richmond had split its series with the Gauchos. Ernie Fuller turned

in a pitching masterpiece against Hayward as he gave up only two hits and won 4-0. Jim A. Landis got two hits. The Oilers crushed Alameda 6-1 on McGee's three-hit pitching. Monny Urquhart hit two doubles and a single to lead the Oiler batters. The Oilers lost to Berkeley in the next to last game of the season. Fuller got the loss. This loss didn't count in the final standings as Berkeley was using ineligible men. The final game of the season was to make up a game that was rained out. Berkeley, with only eligible men playing, went down to defeat 4 to 3. Joe Porter hit a long homer with one on for the first two runs. In the sixth inning with two outs pitcher McGee helped his own game by hitting a single and then scored on Urquhart's triple. The winning run was scored when Jimmy Johnson got on second on a two base error, was advanced to third on a wild pitch and scored when Mickey Quigley hit a pop fly to the infield which the catcher and the third baseman let drop between them. This game gave Richmond a tie for first with El Cerrito in the ACAL. The championship tie was a fine tribute for Coach Bill Outman who announced at the baseball banquet on May 23 that he was resigning as coach.

1951 JUNIOR VARSITY SEASON

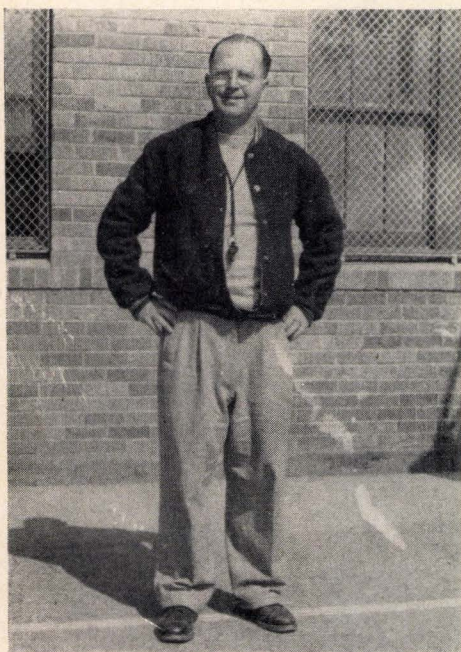

Richmond's 1951 Junior Varsity finished the season with a 16 win, 7 loss record. The team was a young organization. The starting infield and pitchers were composed entirely of sophomores.

The younger edition of the Oiler baseball machine started with two impressive victories over the Mission and Sacred Heart JVs of San Francisco. Jimmy Knox and "Beppo" Dyer were the winning pitchers in the Mission game. Four for 5 hitting in the Sacred Heart game led the JV's to an extra-inning victory in one of the hardest fought games of the season.

El Cerrito proved to be the most difficult team for the younger Oilers to handle as Grover Blackshear defeated them twice, 3-0 and 5-1. Richmond's most impressive victory over an ACAL school was its 3-2 defeat over Piedmont. Merle Whitlock surged home the winning run in the tenth inning.

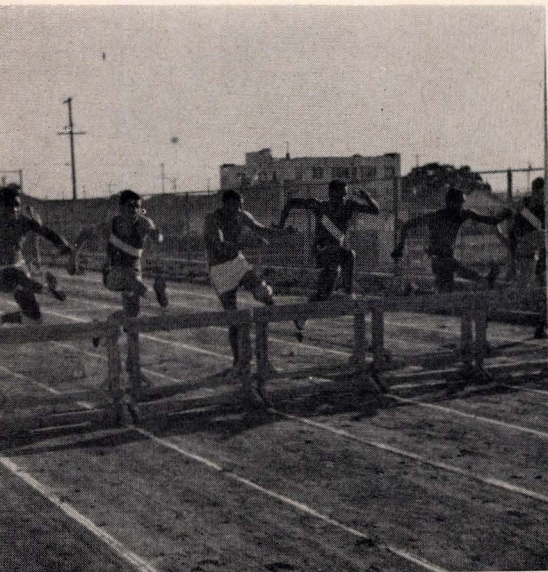

The pitchers for the Oiler JV's this season were Sophomores "Beppo" Dyer, Jimmy Knox and Charles Youngquist; Juniors Vernon Watkins and Don McKinney. Three catchers who saw action were Lloyd Thornburgh, Sophomore, and Juniors Jerry McCuan and Bob Van Amburg. Infielders were "Beppo" Dyer and LeRoy Strain on first, David Hufford on second, Ken Puchett as shortstop and Merle Whitlock on third. JV outfielders were Joe Rich, Junior; Paul Gulbranson, Junior; Sophomores Stanford Charles, Dennis King, Doyle Williams and Don Moitoza.

Coach Jeff Yates and his Junior Varsity Squad ended a very successful season. Much is expected of the team members on future Varsity baseball teams of the high school.

ACAL champions for the fifth straight year and North Coast Sectional champions for the third time in the last four years is the Oiler track team. The team coached by Frank Porto and Joe Stenson also took second in the Martinez and El Cerrito relays. Besides winning the big meet titles, the Oilers took all seven of their dual meets. The first meet of the season gave an indication of Richmond's powers as the Oilers took ten out of the thirteen possible first places. Willie Brown won both the sprints and Carl Turnipseed won the high and low hurdles. Final score: Richmond 88, Tamalpais 25. The second meet was against the team that was to go on to win the Oakland league, McClymonds. Battling to the last event, the high jump, the Oilers finally won 56-48. Gene Busby won the high jump with a jump of 5' 9". Turnipseed won the hurdles. The meet against Alameda was a record breaking one. Turnipseed broke the stadium school and meet records in the low hurdles with a time of 20.1. He also tied the high hurdle meet record with a time of 15.3. Herb Turner of Alameda broke the sprint records with a 9.7 century and a 21.2 furlong. Calvin Moore with a record-breaking 52.3 in the 440 and Lawrence Purley with a 4.48.4 mile completed the record-breaking parade. Final score: Oilers 87, Hornets 26. Piedmont, the team that was supposed to give the Oilers trouble in the ACAL, was the next victim as the score ended with Richmond ahead 77½ to 35½. Wilbur Gary won the broadjump with a 21' 10" leap. El Cerrito was the team the Oilers had been wait-

ing for. Richmond amassed 89 points to the Gauchos 24. Ron McGranahan, Leonard Reed and Jim Rankin swept the pole vault. James Thomas won the broadjump, Phil Shaffer the 100, Marvin Marciel the 220, and Jack Harris the 440. Gene Toffoli put the shot 47' 9¼" to take that event. The Oilers were aiming for 100 points in the Berkeley meet, but they had to settle for 92. Turnipseed and Brown were again double winners. The final practice meet of the season was a triangular affair held at Hayward and the Oilers scored enough points to beat Alameda and Hayward combined. Lewis Tucker won the high jump. Final scores: Richmond 77, Alameda 37, Hayward 27.

The Oilers came into the ACAL meet as big favorites, but they ran into a number of come through performances by athletes from other schools and won by a much smaller margin than expected. Wilbur Gary got the best jump of his career, 22' 3", only to have Piedmont's Taber leap 22' 7" for the first place. The high jump only awarded one place as five athletes, three from Richmond, tied for first. Gene Busby, Lewis Tucker and Howard Thomas scored the points for Richmond. James Thomas lowered his own ACAL record in the low hurdles as he ran them in 20.4 seconds. Carl Turnipseed took second. Carl won the highs with Thomas fourth. In the pole vault, Jim Rankin took second, Leonard Reed tied for third and Ron McGranahan tied for fifth. Willie Brown took third in the 220 and fourth in the 100. Phil Shaffer was fifth in both. In the close mile race Lawrence took third. Jack Harris took third in the 440. Ellis Swalley took a fifth in the 880. Richmond ended up with 54 points to second place Piedmont's 39.

The Oilers came back in good form the following week as they took the North Coast Sub Section meet scoring 72 points. Willie Brown was in top form as he won the 100 and 220. Turnipseed and Thomas ran one, two in the highs and one three in the lows. Turnipseed winning the highs and Thomas the lows. Lawrence Purley came through with a first in the mile. The relay team also took a first.

The members of the track team that qualified for the North Coast Sectional meet came through with top performances. Purley, Brown and the relay team got the best teams of their careers to take firsts. Purley won the mile in the excellent time of 4.33 and ran his opponents into the ground. Willie Brown cut .4 seconds off his previous best time in the 220 and won his race by four yards. He also won the 100 and ran the anchor lap on the winning relay team of Phil Shaffer, Wilbur Gary, Jack Harris and Brown. James Thomas took first in the low hurdles with Carl Turnipseed fourth. The Oilers scored 42 points which were almost twice as many as second place Vallejo.

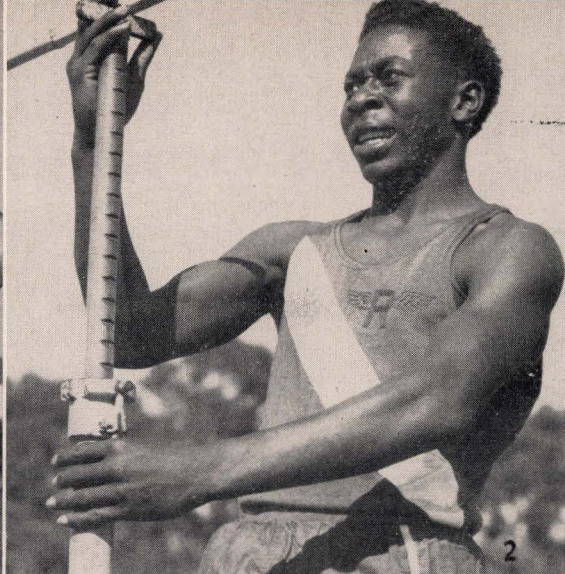

Willie Brown and Carl Turnipseed were elected co-captains for the season. Lawrence Purley was given the All-American blanket award.

Junior Varsity Has Successful Season

The Oiler "B" team, while not as successful as the Varsity, had a good season as it won four out of its six dual meets and took second in its triangular meet.

The Oilers opened the season with a win over Tamalpais, 62 to 33. Bobby Jones established himself as the sprint ace as he took the 75, 150 and broadjump. Bob Torres was a double winner as he took the 660 and the low hurdles. The Oilers were edged by the McClymonds team 49-46. McClymonds has no exponent system; the best three men in every event are varsity, the next three "B"s. Tony Johnson, Al Torres and Henry Covell swept the 1320. Another close win over the Oilers was scored by Alameda, 45-50. Gail Moore won the pole vault at 9' 6". Bob Torres set a new stadium and meet record in the 660 with a time of 1:31.4. Richmond got back on the win trail with a 53½ to 41½ triumph over Piedmont. Jones won the broadjump, 75 and 150. James Galbert jumped 5' 5" to take the high jump. El Cerrito, Oilers' traditional rival, was next on the list and the Oiler "Bs" were up to the occasion. They came through with a 55½ to 39½ win. The relay team of Bob Torres, Dwight Christopher, Otheree Christian and Bob Jones took their event. The Oilers had to give everything they had to win over Berkeley 49-46. The shot put gave

the Oilers nine points as Davis, Germaine and Watson swept the event. Tom Faulkner won the pole vault and Galbert and Moutan tied for first in the high jump. The Oilers ran into the Alameda team again in a triangular meet which was held in Hayward. Alameda won again with 55 points to Richmond's 39 and Hayward's 25. Richmond's only firsts were in the high jump where Galbert took first and in the pole vault where Faulkner took first. The ACAL had several high lights for the Oilers. Galbert and Moutan took first and second in the high jump with Galbert clearing 5' 6". Bobby Jones took seconds in the 150 and broadjump and third in the 75. Tony Johnson came out of the 1320 with a third. Tom Faulkner took fourth in the pole vault with Benny Brown and Gail Moore taking part in an all-way tie for fifth. Richmond took fifth in the meet.

In the North Coast Sectional Meet James Galbert was in a three-way tie for first at the record breaking height of 5' 8½". Tony Johnson took fourth in the 1320. Bobby Jones came in second in the 150.

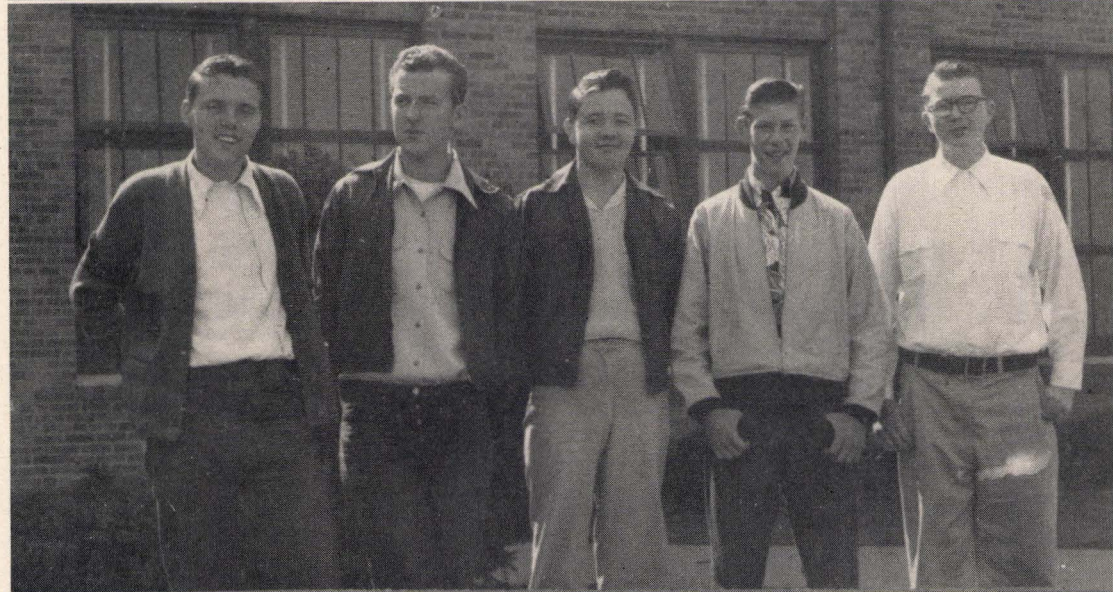

Again it was a very successful season for the team and the coaches. Bobby Jones and Bob Torres were the co-captains of the squad.

History of Class of June, 1951

Here we are looking back on three years of high school life. With timid eyes we first beheld the brick majesty of Richmond Union High School in the Fall of 1948. In our fledgling year we tried our hand at politics and elected Jerry Harvey to lead us through our 1-10 semester, aided by Christine Gray as vice-president and Barbara Cramer as secretary. That memorable fall we started on the pursuit of the Perpetual Sportsmanship trophy and won it from haughty juniors and disdainful seniors. High stepping sophomore majorettes were Pat Luiz and Gail Reeves. We became active in school affairs by putting Glynna Maxwell and Phyllis Peres into the offices of 1-10 representatives of Girls' League. Our social venture was an afternoon dance entitled, appropriately, "Di Dee Dance."

By our 2-10 semester we settled down and found our niche which was destined to be that of the most spirited and active class to make its appearance at R.U.H.S. in many a year. We voted Derek Walters to be our president and set up Noma Cole as vice-president and Barbara Cramer was again chosen secretary. Carol Cole and Gail Reeves proved active 2-10 representatives of Girls' League when the Richmond girls played hostesses to other Contra Costa schools at the Girls' League convention. Bobbie Kendzieski and Mary Ann Kaldunski added bounce and beauty as yell leaders.

Moving into the junior status with Jack Harris as president, Herb West serving as vice-president and Olive Hale taking minutes, we took on more jobs about the school. This time Lynne Richards and Glynna Maxwell were secretary and treasurer, respectively, in Girls' League. 1-11 representatives were Carrie Allen and Gail Reeves. Bobbie and Mary Ann stayed on as yell leaders cheering us on to win again the sportsmanship trophy causing us to enviously eye the approaching senior year. We swelled the ranks of majorettes with Pat Allamano, Bonnie Freeman, Pat Luiz, Alice Merrel and Gail Reeves. The Junior Prom for that semester was "Winter Wonderland."

As 2-11's, Don Tognetti rapped the gavel and Mary Fresquez, vice-president, and Jane Monday, secretary, aided and abetted him. Diana Engelking designed the Shield cover; Mary Fresquez was top Shield salesman; Pat Allamano starred as Tootie in "Meet Me in St. Louis;" Ronnie Wilkerson was assistant-editor of the Hi-Nus; Connie Coonrod and Betty Stovel were yell leaders; SA officers included Dink Wilson as treasurer; Barbara Dixon was vice-president of Girls' League and Carrie Allen was secretary; in GAA Maxine Wyland was elected secretary and Helen Ray was chosen social chairman; the brainy leaders of CSF were Dink Wilson, president; Neil Miller, vice-president; Barbara Cramer, secretary; Dixie Menzie, social chairman; Barbara Dixon scholarship representative. Our junior prom, "Flamingo Isle," was successful.

Our 1-12 officers were Derek Walters, president; Dixie Menzie, vice-president; Barbara Cramer, secretary. We were really flying this semester and our adventures included stocking the Board of Commissioners with plenty of 1-12s. Making up exactly half of the SA officers of the school, we had Jack Harris as vice-president; Connie Coonrod, treasurer; Dick Osterude, student judge, and Mary Lou Austria, prosecuting attorney; Carol Cole managed the publicity work; and Nalda Meaders with her peppy crew of Connie Coonrod, Barbara Cramer, Mary Ann Kaldunski, Bobbie Kendzieski and Betty Stovel led us onto that heady victory of winning the prized Perpetual Sportsmanship trophy for the third time. We have the distinction of being the only class to have won it for each year in school.

The Hi-Nus staff was composed mostly of 1-12s and putting out the paper were Marian Belenis and Dave Pierce, co-editors; Pat Luiz, feature editor; Carol Cole, girls' sports editor; Don Mudell, art editor; Anna Wentzel, circulation manager; and Marie Maderos and Ronnie Wilkerson, reporters. On the Shield staff were Jack Harris, sports editor and Bob Jensen, art editor. CSF officers were Neil Miller, president; Barbara Dixon, vice-president; Jackie Anglum, secretary; and Georgialee Korsborn, social chairman.

Under the grease paint we found two Thespians, Pat Allamano and Gene Parola. GAA executives were Helen Ray, vice-president, and Carrie Haase, secretary. Majorettes were Pat Allamano, Bonnie Freeman and Gail Reeves. Girls' League officers were Virginia Odom, president; Janet Peacock, vice-president and Margaret Lowe, secretary. It was that semester that the play writing committee began composing that memorable western epic, "Drums Along Dry Gulch." The budding playwrights were Mary Lou Austria, Carol Cole, Connie Coonrod, Ken Larson, Gene Parola and Carol Westenberg.

At last we have reached the top and are about to leave this school that has given us so much and to which we have tried to be an active part. Just by looking through the pages of this book one can see the contributions we have made this semester. We have more life members in CSF than any other class. On most every page you can see a senior face. Each and everyone of us has worked and we feel we have succeeded in making this school better yet. Thanks to everyone, it was great fun while it lasted and will stay in our memories forever.—Until we meet again.
