Pam,

I'm back for the "third" time, but I'm not too happy. Its really hard for me to write after you said something to Art about me. Maybe it doesn't matter to you if someone talks about you, but to me, it does. I really don't think of you as a good GOOD friend if you can't tell me something. I guess I'd better stop for now before I get madder. I'll write later when I've got something better to write.

We urge that what man is capable of doing

Your brownie twin,
PAT "76"

Pam,

It probably was about me, but it doesn't matter. This is the fourth time I'm writing. When I find something nice to write about you then I'll write. (That means I'll never write again.)

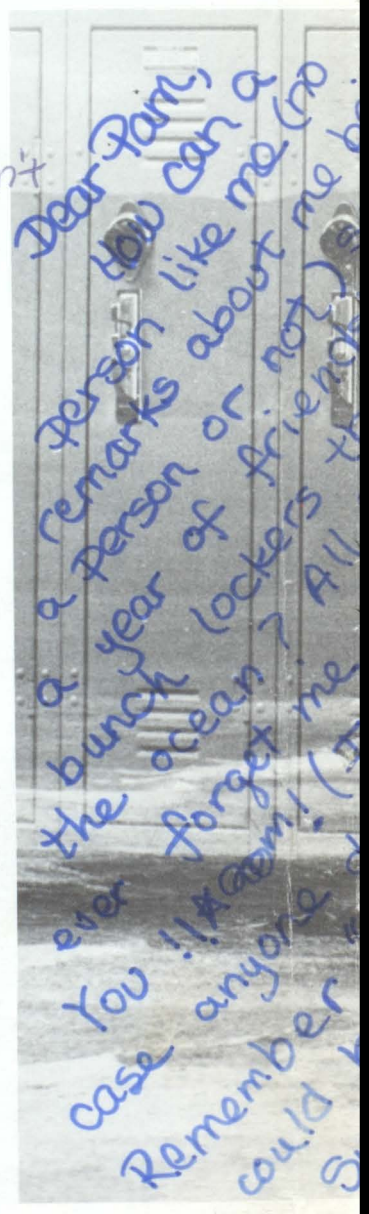

"76" Love,
Pat

Hi Stitch (Guess what that rhymes with)

TO my good, GOOD, GOOD friend.

Sorry about what happened above. I guess I'll talk to you on the bus since we don't have any classes the same in summer school. Have fun in L.A. (if you go), and if you don't go, have fun any way. It's been a good year, so I hate to see it come to an end. Well Steve said

I'm back, but I'm not using the same pen. By the way, how did you get your hands all blue? Someone mentioned Art's name but I don't believe the truth until I here it from you. I'll probably write something else as soon as I

FALL DRAMA PRODUCTION:

"In White America", Martin Duberman's documentary about the black experience in America, was performed by the Serramonte Drama Department on December 7, 8, & 9. The cast and crew worked hard, lived on hamburgers, laughed at "raw" and "squeezies", and collapsed after five weeks of late hours and poor nutrition. It was a show that none of us will soon forget. Besides learning a lot about black heritage, we also learned a lot about our selves and each other. The play ended December 9th, the last cast party was a Christmas celebration at Sam's, but what we gained did not end at the Christmas party.

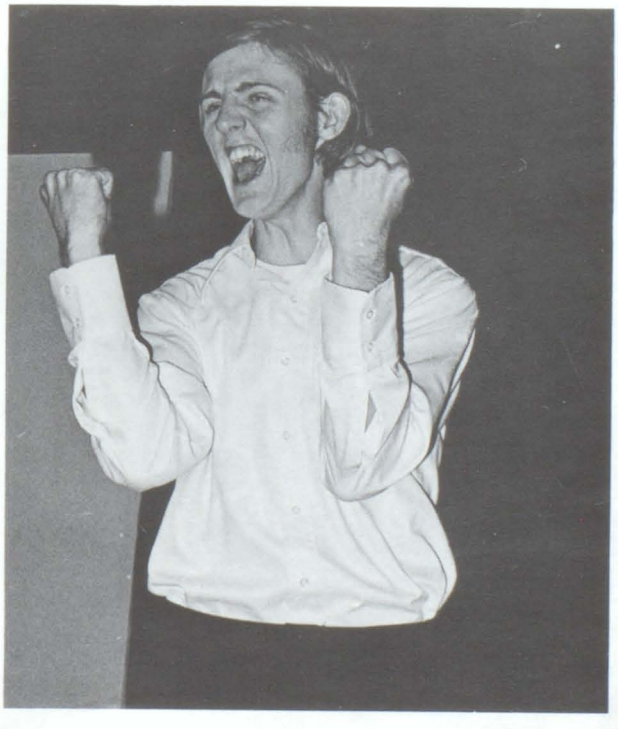

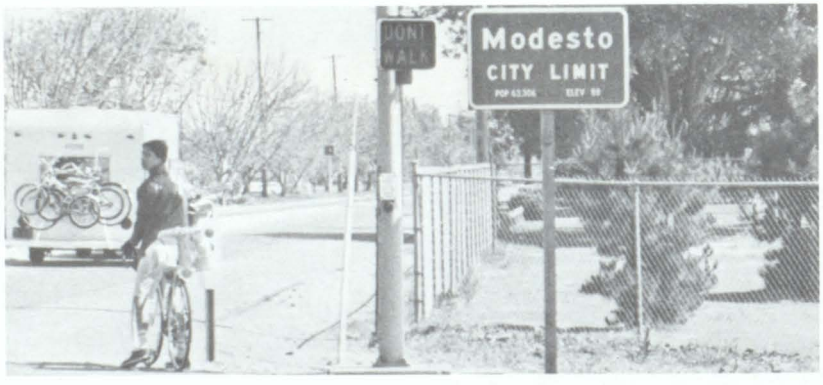

IN WHITE AMERICA

Through the fog on every possible route, sometimes cutting new trails to new discoveries. The Serramonte Sprockets have logged over 37,000 miles in the Bay Area and throughout Northern California.

CROSS

The loss of four returning veterans got this years Cross Country team off to a disappointing start. Early victories over city schools like: Mission, Galileo, and Washington helped to raise morale somewhat.

The Varsity's five wins, and seven losses were led by: Jose Maldonado, Frank Lopez, Rush Manbert, Dale Warren, and Bruce Thompson. They were given assistance from trackmen: Ike Allmond, Tom Adams, and Ray MacFarland. The Frosh-Sophs were last years NPL champs. They had finished the year with a nine win, three loss record. They were led by: Jim and Dan Martinelli, Peter Speros, Pepe Gutierrez, and Jose Chavez. With only one graduating senior, the out look for next year is very promising.

RED ROSES AND TEARS

Sensations of festivity and pagentry lit the faces of the crowds flocking to the '72-'73 Homecoming Rally. The various classes expressed the excitement of the occasion with cheers and confetti. Following the announcement by Rick Kushman, each princess rose to receive her crown. Freshman princess Denisa Rovai took the honors for the class of '76. Maria Bronies made a becoming princess for the sophmore class. Chosen from among the lovely classmates for Junior Princess was Kris Dale.

The excitement increased when Mary Gurr was crowned Senior Princess. Then, the announcement everyone was waiting for...Senior Beauty, Chris Iwahashi slipped into the robe of '72-'73 Homecoming Queen.

SERRAMONTE VARSITY FOOTBALL '72

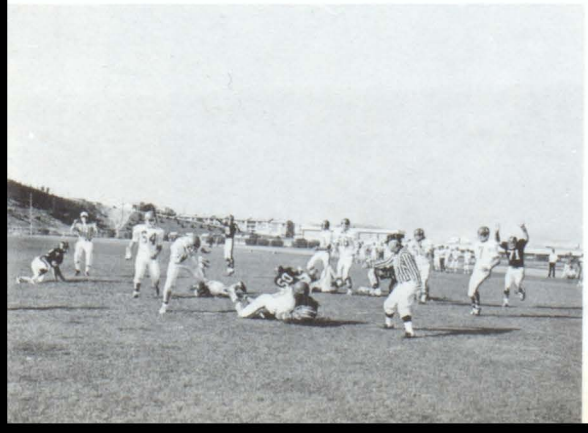

This year's win-loss is not indicative of the caliber of football players representing Serramonte. Their desire to win was there but they couldn't put it all together. The defense was steady most of the year but the offense could never really get it going.

FROSH-SOPH FOOTBALL

We have an excellent team with young quarterbacks, a good line, and a tough defense. Matsue and Friedman are excellent linemen. Pult and Schaffler are young quarterbacks. Rick Greene is a good varsity prospect. Ron Kennedy is a fine specialist wide receiver. We had a big letdown after the Westmoor game, we couldn't get started until the last game against Half Moon Bay.

After the first five games, the team had only one win. The season looked long. The team then came through by winning five of its next seven games, ending the season with a split record and in third place. All of the players contributed to this effort. Special recognitions go to Gerald Thomas and Ron Cipro who were All League 1st team and Honorable Mention respectively. Both kept the team in the games with their aggressiveness on the boards, on defense, and in scoring.

VARSITY BASKETBALL

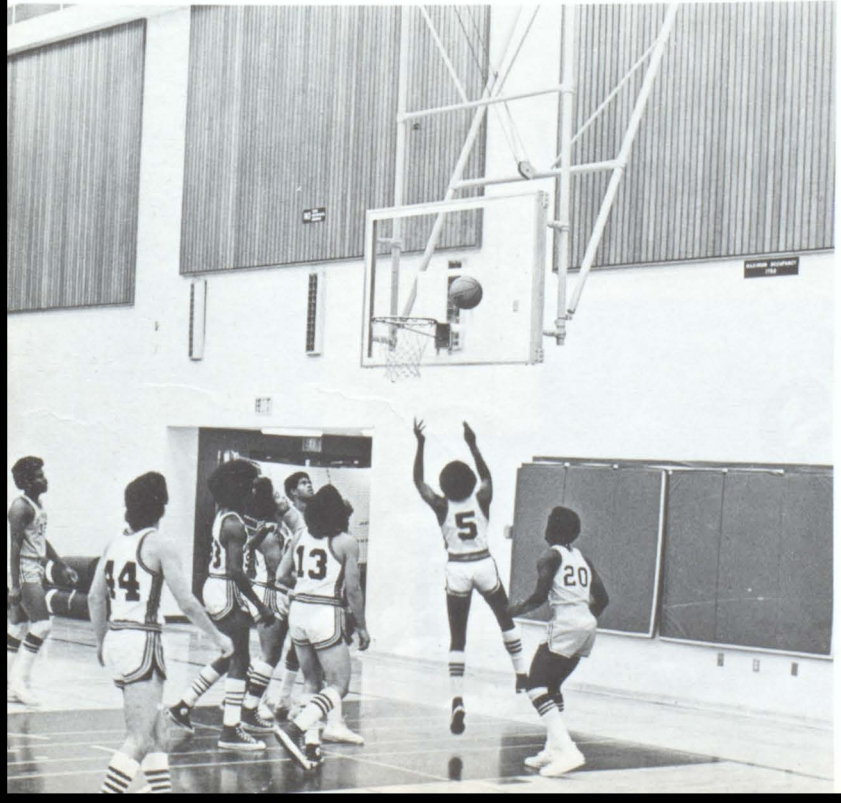

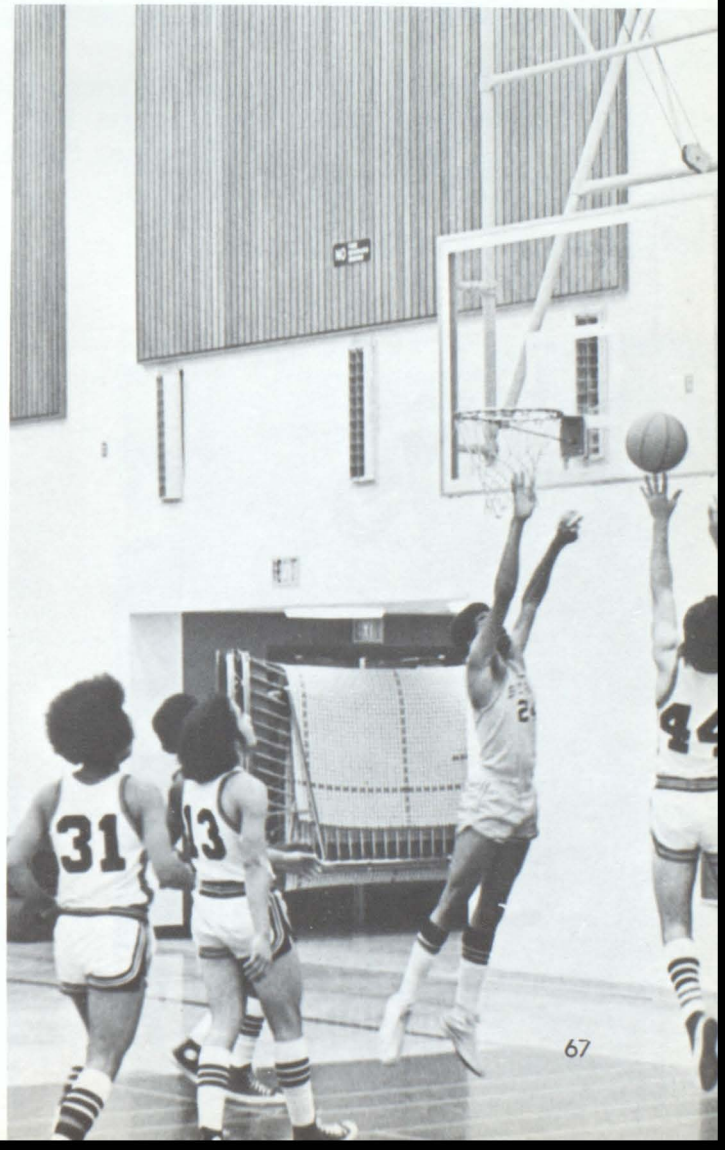

The 72-73 varsity basketball team was the most successful in Serramonte's history. They were led by Kirk Dove, Cornell Williams, Tim Gannon, Dennis Sims, Ralph Sands, and Peter Jurand. The key to their winning ways all year long was agressive team play and an overall desire to win. At the time of this writing the team stands 15 and 1 and ranks with the top teams in Northern California.

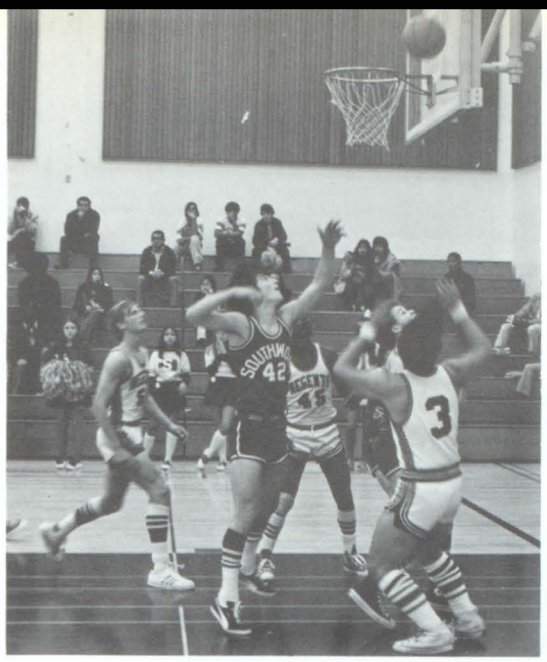

TOP ROW: (L TO R) Rick Green, Rich Counts, Matt Scheffler, Jim Manning. BOTTOM ROW: (L TO R) Glen Guillory, Eric Johnson, Keith Pult, Wilburt Matsu (NOT PICTURED) Jerome Williams, Ken Martin, John Surles.

FROSH-

FROSH-SOPH BASKETBALL

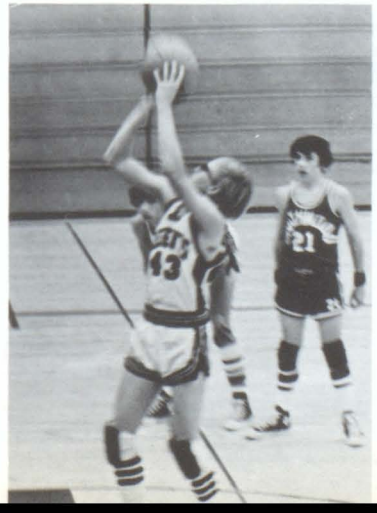

This year's frosh-soph basketball team was led by Rich Counts and Matt Scheffer. The team looked very good in the pre-season play, but inconsistency during league play, led to an average season record. Many of this year's team were freshmen who with experience, should provide a good core for next year's team.

"The quality of understanding and experiencing things whole, knowing you are a part of that whole."

The trips into the wilderness have helped to develop the student's understanding of his relationship to other living things and their shared environment - including cares, responsibility, and appreciation. The student learns to share life's experiences and feelings in a natural setting.

This Has Been A Long Season

Coach Rueda and Coach Doctolero both agree that anytime you lose 10 matches all by one goal, it tends to make a long season. This is one of the better soccer teams in the school's history in spite of their overall record.

The coach said the team was led by Walt Yamamoto, Dave Broussard, Frank Weber, and Rich Fern.

VARSITY BASKETBALL

OUR FIRST CHAMPIONS

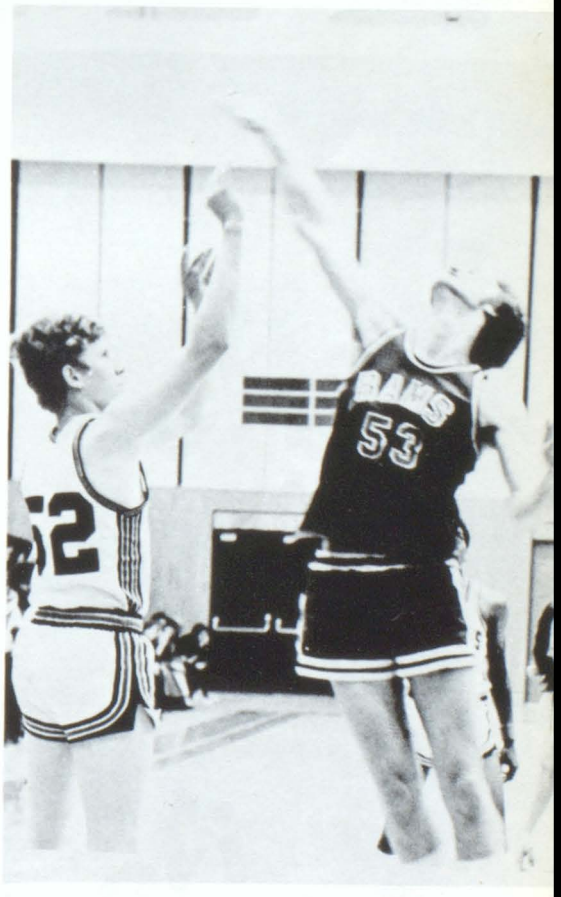

This years Varsity Basketball team exemplifies the value of team effort!

Kirk Dove made "Most Valuable Player" of the N. P. L., Peter Jurand made second team all-league and Cornell Williams made honorable mention.

No one should over look the value of Tim Gannon, Dennis Sims, and Ralph Sands who play a very important role in the participation of this sport.

The six young men united their abilities together to form one great talent.

With their team effort and determination they won their goal, and are now recognized as the N. P. L. Champions of 1973.

The varsity baseball team should be outstanding this season. Tim Gannon, Mark Richards, and Marc Schaefler will provide a solid pitching staff. Ralph Sands, Dennis Sims, Ron Reynard, and Reggie Redmond will contribute hitting power. Leading the defense will be Tom McLaughlin, Larry Ortiz, George Parry, Bob Finney, Jeff Baca, Dennis Newhoff, Robin Greene, John Parker, and Brad Adams. This team has both the ability and the desire to go all the way.

Coach Barnes

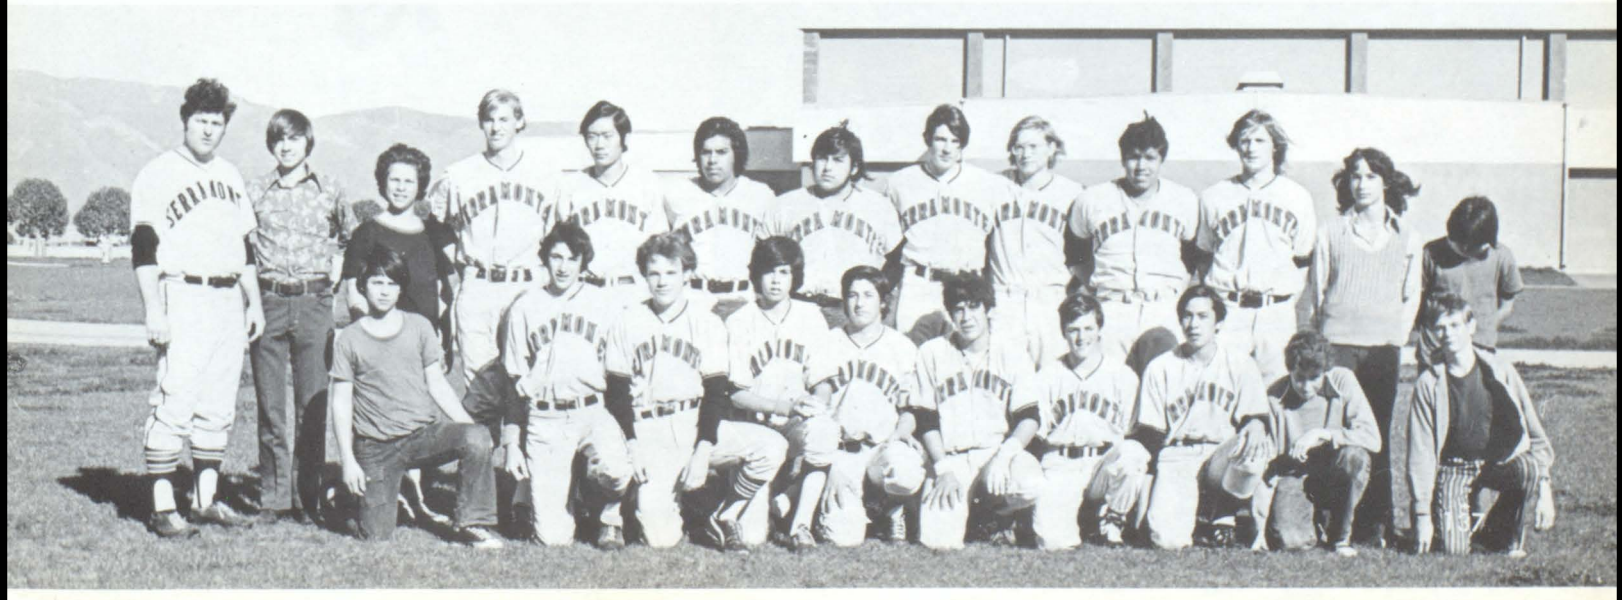

Four returning veterans and a promising group of freshmen highlight this year's frosh-soph baseball team. The club is young and aggressive. The veteran players include Marty Moreno, Bill Parnell, Louis Vargas, and Bill Pagan.
