Spirit, involvement, participation—these are the key feelings exhibited by students on South City's campus this year. More student body cards were sold in the first two months of this school year than were sold all of last year. Over half of the total yearbooks sold last year were sold during the first sale held by the Iris staff this year. The Kick-Off Dance held in September sold-out! High school

dances on the peninsula have never been known to sell-out in years. Club participation increased and new clubs were created to meet the demands of students who wished to become involved. Student Government sensed this spirited attitude early enough in the year to increase the amount of ASB sponsored activities which kept up a high level of success throughout the year.

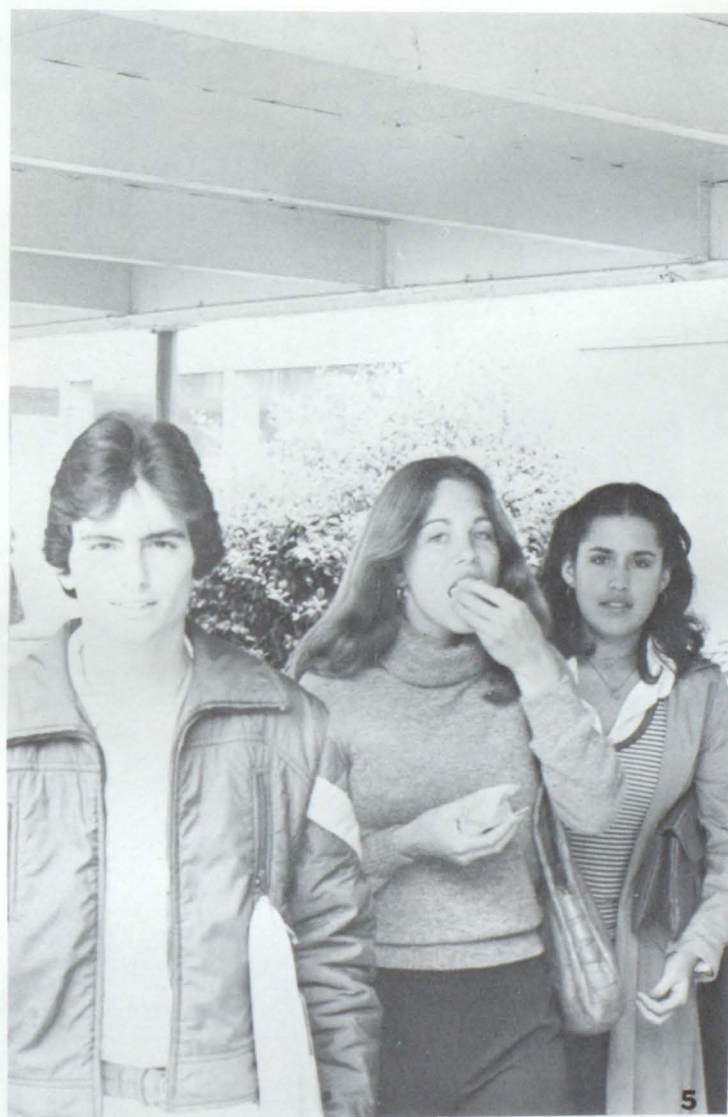

1. 1 to r: John Borrego and Julie Duldulao read over South City High's Constitution.
2. 1 to r: Debbie O'Sullivan, Karen Manning and Monika Keller explain various points of the Constitution at a Senate meeting.
3. They're ready to boogie at the BSU's Disco Extravaganza.
4. Rally participants converge backstage.
5. Is this the real thing?
6. Art students draw outside of the "D" wing.

1. Can the assignment be that tough?
2. Baron Huddleston flashes a winning smile.
3. Teachers brainstorm to solve some campus problems.

On the more serious side we have to remember all the time spent in classes, learning and developing new skills and ideas. To some it meant studying long hours in the library; to others it meant practicing new dance techniques. In whatever way your time was spent, we were together at South City sharing the good times.

4. Pat Goodrich flashes her bright blue eyes.
5. Steve Koukis, Lisa San Felipe, and Claudia Solorzano entertain themselves at lunch.
6. Dance class learns another routine.

1. Sophomore cheerleaders strengthened school spirit.
2. Jim Zertuche and Steve Serna sell football programs to spectators for Video Productions.
3. And they say we never show enough spirit to fill the bleachers?
4. Football games were the #1 Friday night attraction.
5. 1 to r: Linda Mosely, Lynn Mosely and Carla Clay pose for a picture after a thrilling Friday night football game.
6. Players look on as Mr. Bonanno shouts directions to the team.

Our spirit was soaring this year. Between sports events, rallies, assemblies, and just plain fun we displayed our enthusiasm in many different ways. Exhilaration over the thrill of sports events motivated us into a calypso of energy. Like the colors of a rainbow we dominated the city and county with a blend of excitement. Spirit is the main propeller of a successful high school and South City was flying high among the winds. On Friday nights in the Fall, we vibrated throughout the city from Sign Hill to Skyline Blvd. Winning wasn't the name of our game, but South City spirit is unbeatable.

Rallies received a large amount of support from the students who attended them. The auditorium was filled to near-capacity for the El Camino Rally, when the spirit competition between the classes was held. Football players, cheerleaders, student body officers and class members participated at rallies in skits which required a great deal of work but they had a good time. Attendance at non-mandatory rallies was an indication that South City spirit is the best in a long time.

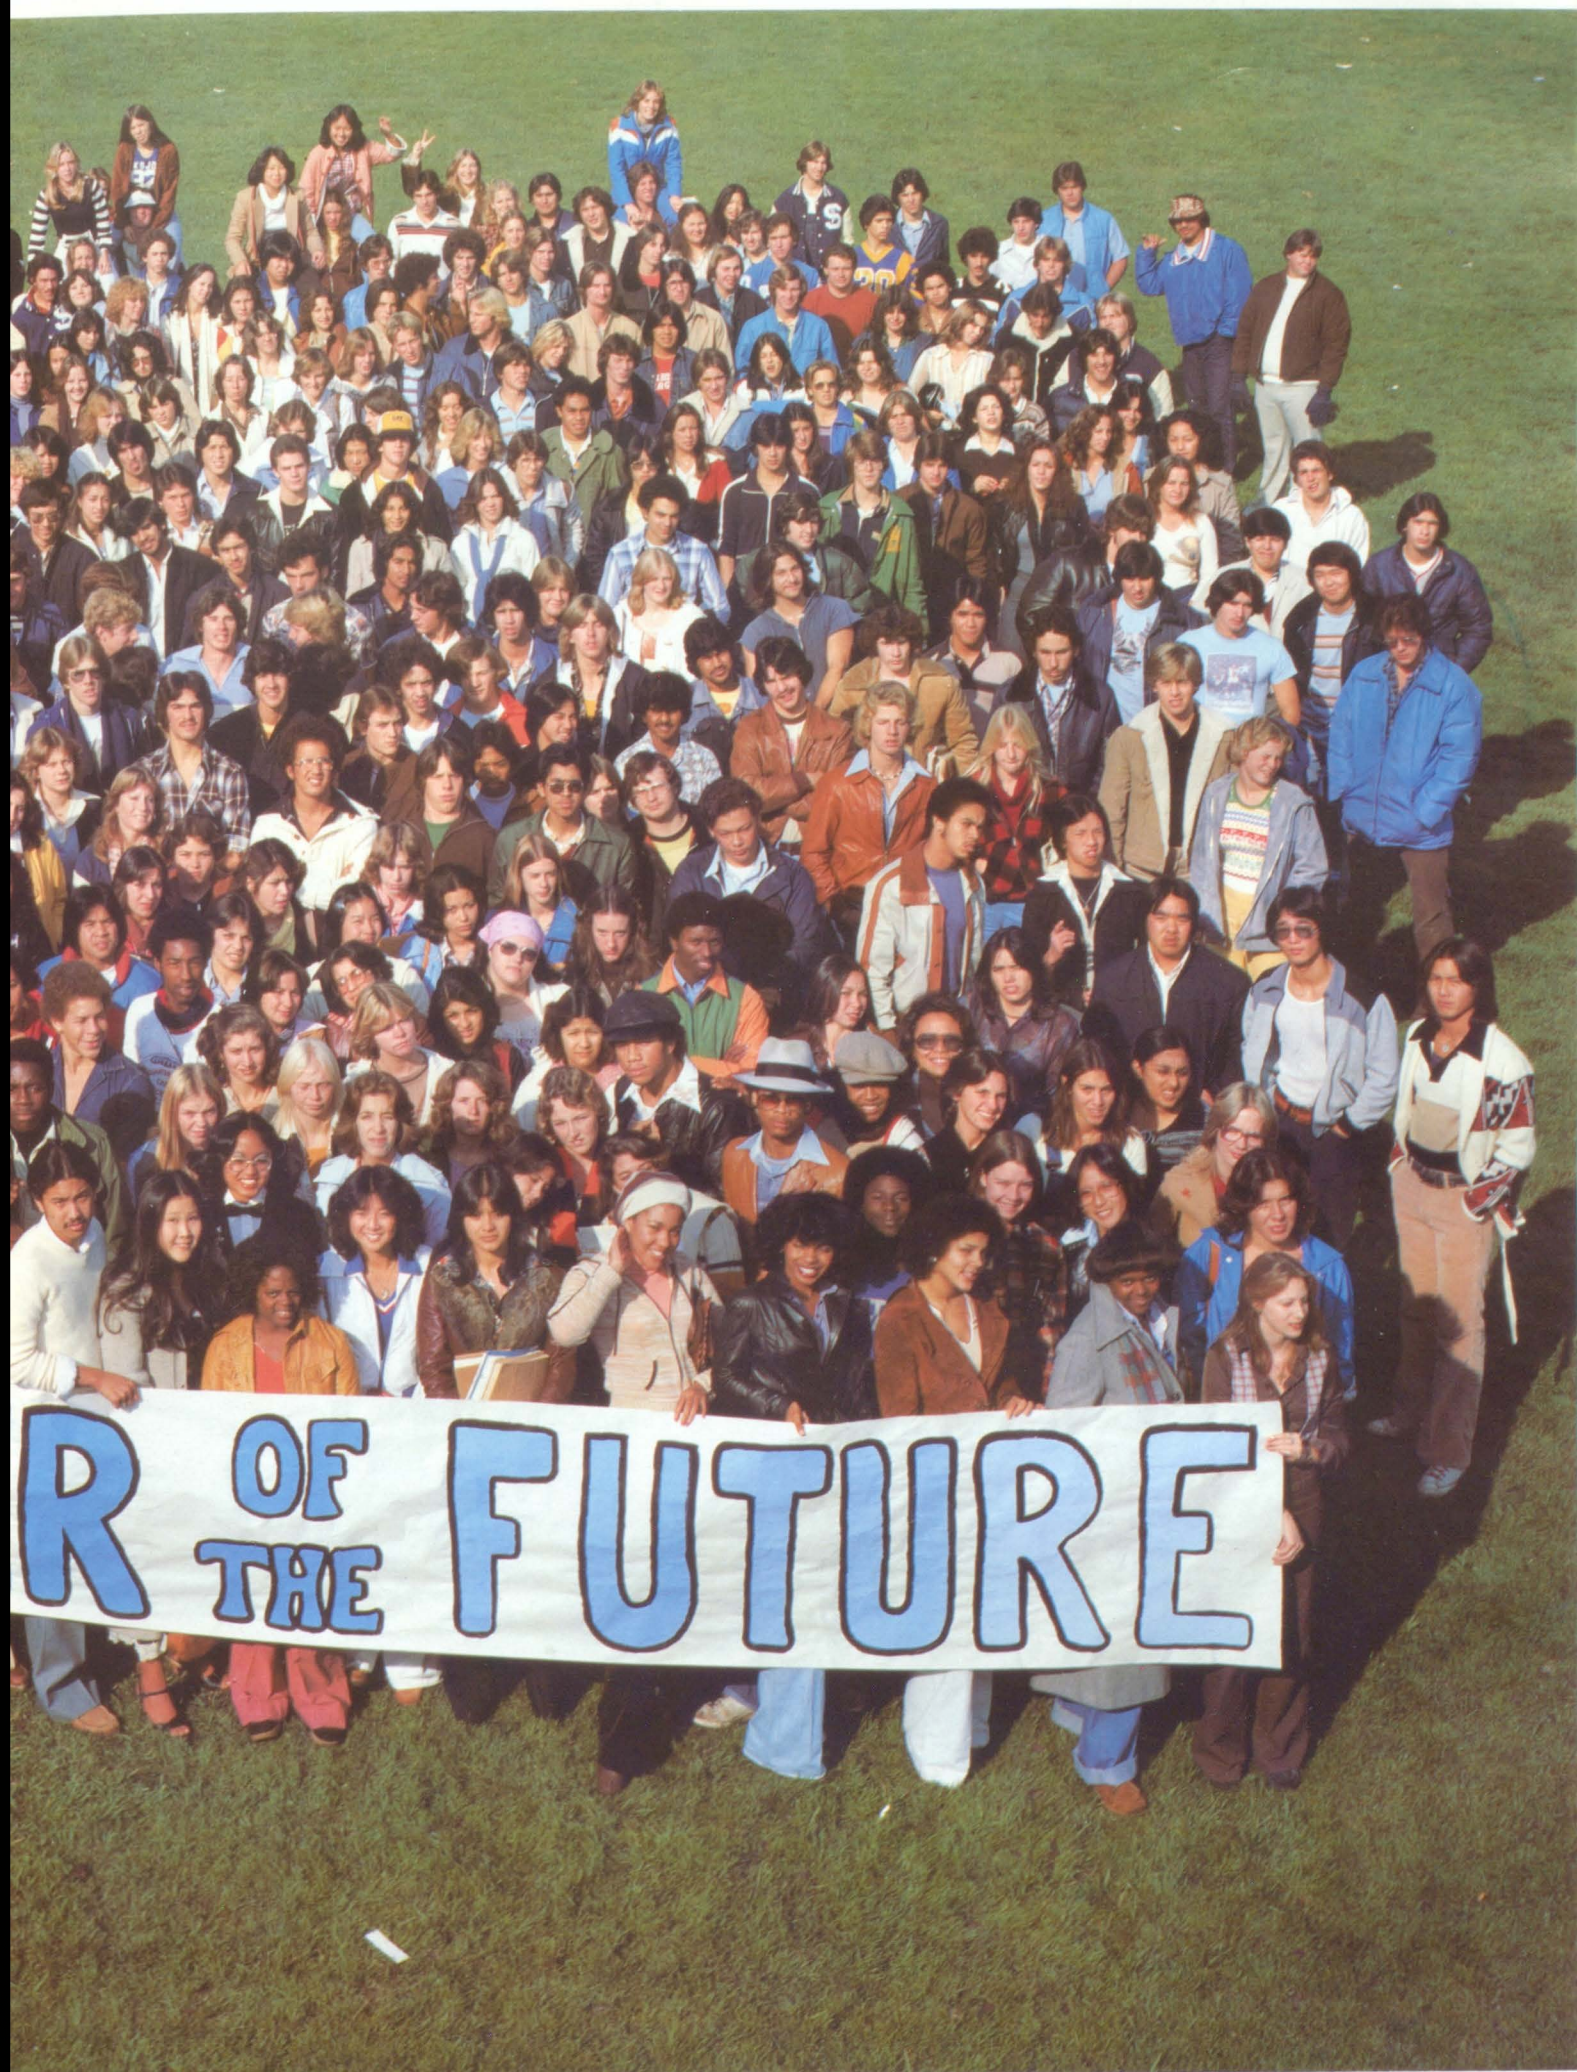

1. Don't you think the bottle is a little big Mark?
2. The sophomore cheerleaders prepare for the football players to return from half time.
3. Robin Hunter and John Tull after the rally.
4. Non-mandatory rallies attracted large crowds.
5. The Varsity Football Team and the cheerleaders put on a skit.

Congressman Ryan was an honored guest at South City High during November. He spoke to government classes and responded to questions from the students. It was a very personal type visit and Mr. Ryan spent an extra hour with any students interested in speaking with him more directly. It is really a tragedy that a man devoted to public service and interested in student activities has been taken from us so soon.

1. Congressman Ryan spoke to South City High's government students prior to the tragedy in Guyana.

2. Kim Coon and Ron Smith in a romantic scene from "Celebration".

3. Henry Aronson attempts to talk Ron Smith out of ending his dull life.

4. l to r: Cara Dennis, Cindy Dianda, Pat Goodrich and Jeff Baranti leave the auditorium after Congressman Ryan's presentation.

Halloween received an enthusiastic response from the student body. Members of the faculty enthusiastically joined the weirdly dressed student body as is obvious by the photos on these pages. Costumes included clowns, hillbillies, Laverne from "Laverne and Shirley", martians, sailors, Alphonso Bedoya, bunnies, mice, cowboys and cowgirls, baseball players, and little German girls.

1. South City's own sailors-Mrs. Thomas and Mr. O'Connell.
2. Isn't Mr. King's flower unique?
3. Student Government shows it's high level of spirit.
4. Do teachers really do it with class Mr. Giachetti?
5. Cara Dennis will zap you.
6. Ellen Barni and Sundy Dewilde are definitely dressed for Halloween.

1. Seniors listen to presentations made by the officers at the senior class rally.
2. Mr. Murphy should be remembered as the advisor of the senior class when they were sophomores and juniors.
3. Mrs. Eiserloh has taken the position of senior class advisor this year.

A Bright Future For A Colorful Class

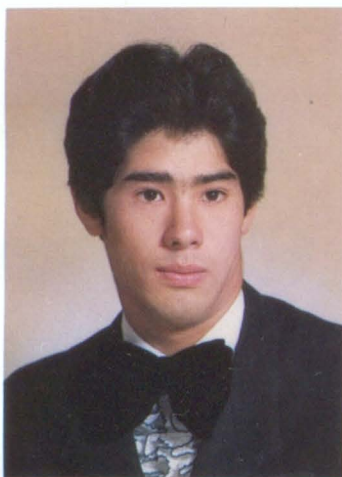

The class of 1979 was led by President Michael Lee, Vice President Michelle Young, Secretary Sue Toto, and Treasurer Jennifer Hillebrandt. The major fundraising activity for the fall semester was the Christmas Dance and candy sales were also scheduled for the spring. A senior rally was conducted on November 29 to announce to seniors

the dates of the Senior Snow Trip, tentatively planned for February, and the Camping Trip, scheduled in March, and other senior activities. The Senior Ball was held in San Francisco during the last weekend of May, as it is a senior tradition. The location of the ballroom was tentatively scheduled for the Fairmont's Grand Ballroom.

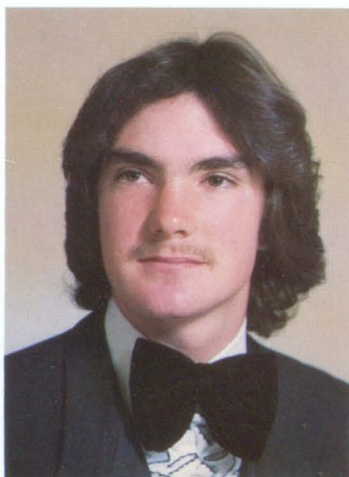

Left to right: Michelle, Mike, Sue, and Jennifer led the seniors this year.

Student Life

THE LONG AND WINDING ROAD

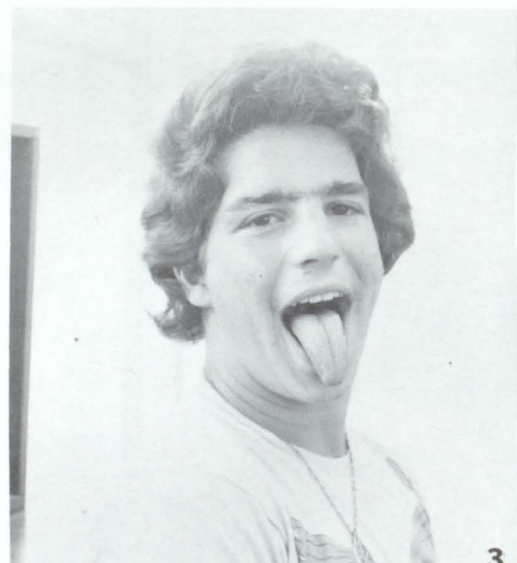

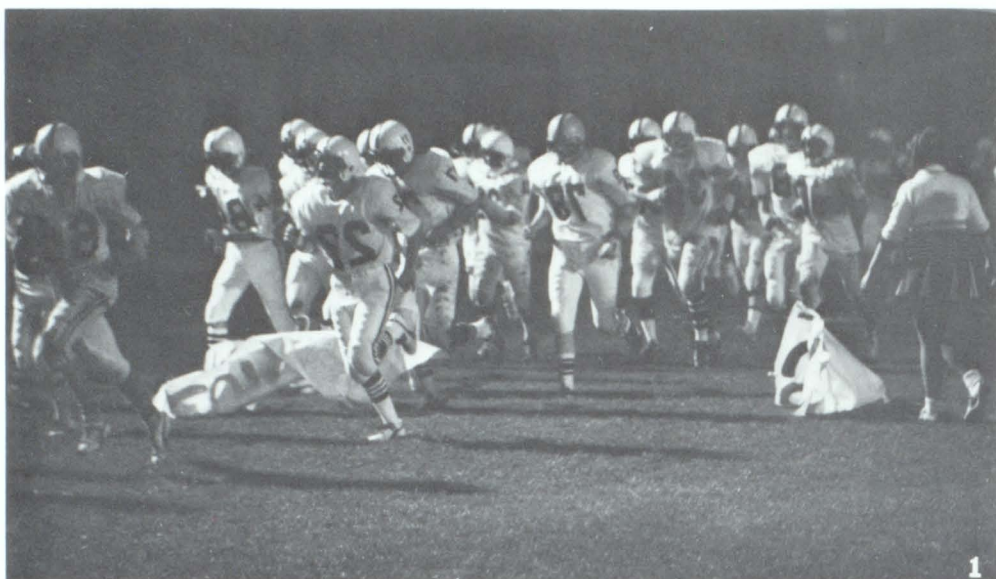

Fall comes upon us and with it we approach a new school year. As with every fresh start, changes accompany it hand in hand. We were forced to adjust to mornings without activity period. "You mean I have to start classes at 8:00 every day!" was a familiar complaint heard on campus. There was no time to make up tests, homework, or seek help. "Won't somebody help us please?" Arguments, debates, and a lot of reasoning were put forth by student leaders. Apart from that, was our capability of tolerating the cutbacks set forth by Jarvis-Gann, better known as Prop. 13. "Leave us alone, please leave us alone." No cafeteria before school, many sports teams eliminated, no desks to sit in, overflowing classrooms, shortage of transportation, and students learning to cope with new ways of doing things were some of the aspects of this hefty issue. Athletics weren't to be shot down so easily. Our football team entered into a season of determination and hard work. They put everything into living up to the high hopes set for them. Yet for those who really cared, we overcame these difficulties to find a better way. "I'm amazed by the things you do." A fresh

1978-1979

interest in student activities and affairs. Student body cards selling as fast as they were printed, while yearbooks didn't even hit the press before half of them were gone. Solving problems and just making school life a little easier were our main goals down the road of life and adventure this year.

"With a little luck, we can work it out." Yes, we were able to accomplish a lot even with the obstacles set in front of us. We even "joined" the school board. South City High was able to dominate the city with its obvious spirit and unity. We advanced through the year to learn and experience new dimensions of life. We saw each other grow day by day. Sophomores just beginning their high school years. Juniors in the middle of the end. As for Seniors "We've come to the end of our rainbow." We faced the difficulties and beat them one by one. "There ain't nothing stopping us now." Just to prove that South City..... You're number one!

In the following pages we offer a reflection on time of how we lived, loved, and learned within the year.

GET DOWN!

Disco extravaganza! October 27 was the date of the BSU dance. The event featured the Master Blasters of soul. What a success it was, for the BSU fundraisers and for those students who came to boogie.....they definitely got what they came for! "It was so entertaining when the boogie started to flow." Our cafeteria was turned into the Studio 54 of South City. Setting the stage for dances this year. A lot of dancing, partying, and a load of fun.

TRICK OR TREAT!

Boo! "The Monster Mash." What happened to everybody? Students and teachers, both, transformed into unrecognizable ogres. Ghouls, rabbits, vampires, rock stars, and just plain weirdos were very obvious around campus. Candygrams were sent and student government also sent their own to our loving faculty and administrators. Among the costumes and disguises we were all the same people that we usually are, yet we allowed our inhibitions to run wild. It was all done in fun and we sure did have a lot of that.

A TIME TO REMEMBER

One of the most exciting and highly anticipated event of every school year is fall homecoming. This year we were not to be outdone by any previous time. Nominations for the fall court were done by the sports teams and the entire school cast their votes for their choices. "If a face can launch a thousand ships." The big day started off with a great rally, as spirit echoed through the auditorium like a thundering wave. Nominees were introduced to their student body, while nobody had any idea who had won. We were lucky to have some honorary guests, the 1921 fall homecoming court. Their presence at our rally was truly something to remember. Finally the big moment arrived when the winners were to be announced. "Looks like we've made it." The ten lucky ones received their honors and stood before their student body. A sense of warmth covered everybody's face while their smiles glowed like rays of moon-dust being gently watered by tears of happiness. "Tonight's the night." At the football game that evening the court drove around the field at half-time. Spirits soared as high as the balloons that were released. As the bell tolled midnight the music stopped, flowers were pressed in a scrapbook, the glitter of the crowns dulled yet the memories of the fall homecoming court of 1978 will not cease as they never before. "There will always be sunshine when I look at you."

IT'S ALWAYS LIVE!

Music blaring, hamburgers sizzling and the sun shining! A perfect day for a barbeque lunch. Students and teachers alike munched out on delicious pure beef hamburgers with all the trimmings, including peanuts and refreshing juice bars, while the band, "Teezer", provided the music. Just one of the many extras thanks to the planning by Student Government.

Another little "extra" Student Government dreamed up especially for the "other generation" was the first Annual Back-to-school night dinner. The teachers were pampered by our very own waiters, waitresses and cooks who served a delicious dinner consisting of chicken cordon bleu with potatoes and vegetable. After all tummies were full, the teachers went to their classrooms to participate in the Back-to-school night activities which included brief parent-teacher conferences and a clubs and activities show-room. It was an enjoyable evening for all who attended.

1. The band "Teezer" was one of the many to play at lunch this year.
2. Members of student government helped to serve the barbeque lunch.
3. Mike Holley became a chef in no time.
4. The lunches went as fast as they were cooked.

WE MAKE DUCK SOUP

Well if you're tired of being a junk food junky, one way to temporarily kick the habit would be to Starve for Survival. You would feast on such delectable dishes as plain white rice, powdered milk and spinach. Sponsors were obtained by participants and paid according to how well they starved themselves. A tremendous feast was held at the end of the starve to reward them for their great achievement.

The first spirit rally of the year was held in honor of the El Camino vs. SSF game. Yell competitions were held by the spirit leaders and the Seniors passed the Sophomores and Juniors by at least 50 yards! We all "Shouted out loud" at the mere mention of the Colts. Dance club members and various class members performed the history of dance ranging from the Tango to Disco. The football team even sang us a psyche song. Excitement and anticipation were in the air and brought the Big Blue and White Warrior out in all.

1. Sophomore spirit squad led the spirit competition.
2. Jim Lee and Sue Bulloch give an example of the disco.
3. The minuet also contributed to the history of music.
4. Juniors led us all to the hop.

HUNGER PAINS

1. Starve participants feast on their evening meal.
2. Sleep was not one of the things that the members were forced to lighten up on.
3. South City High drunks ham it up for our photographer.
4. At least we are able to pose with the food!
5. Mr. Jacobs begins to show the effects of the whole event.

'TIS THE SEASON TO BE JOLLY

Foods classes cooked up a quaint little Christmas Tea for invited faculty members. Various delicious baked goods ranging from cheese puffs to scrumptious cakes with creamy icings were served.

The Christmas program went on with a dance production by the advanced dance class. "Santa Claus is Coming to Town" and "Toyland" were a couple of the dances performed. They also did many benefit performances at such places like The Rotary Club and The Children's Schreiner's Hospital. Excitement and Christmas spirit surrounded the campus for the entire week before vacation. The week was wrapped up with the preparations for the Christmas dance. Students decorated the gym beautifully, making it seem like Santa's Village. Then the clock struck eight and the dance began. The music of "Chance" filled the room. Later Santa made an appearance and all the boys and girls were invited to sit on his lap to take pictures for Mommy and Daddy. HO! HO! HO! HO!

LIVING ON ICE

This year's Senior Snow Trip took place at Heavenly Valley. Over one hundred seniors enjoyed the white ice. Some of us skied, or at least attempted to, while others just played in the snow. We arrived late Friday night and left Sunday afternoon. We enjoyed the snow, and a lot of partying and other activities took place. It was really a winter wonderland and we'll never forget the looks on the hotel managers' faces as we left. That's one weekend which will be etched in our minds forever.

ROLLIN' BACK THE YEARS

Bop-Bop-Badoo-Bop-Shoo-wop-Bam-Boo! Boogie-Woogie, it's time to Get Down! Down to the sound of Disco and the fabulous sock hoppin' of the 50's. That's right. It's the very first, one and only Disco-Sock-Hop, sponsored by the Junior class of '80 and the spirit squad. The famous Nick Harper, disc jockey from that wide known radio station was there to supply a great selection of hits old and new. Guys and gals strolled to the beat of the blues while other dudes grabbed their chicks to enter the bright lights and excitement of the disco dance contest. Door prizes consisting of stuffed animals, little "love" surprises and much more were given out to lucky winners. It was a fun filled night for all who attended. There was something there for everyone, no matter what your choice of music--or dress. Shoes ranged from saddle shoes and tennies all the way to platforms and "winos". It also proved to be very profitable for the sponsors. "'Gonna rock around the clock tonight....."

SENIORS DO IT

"Freak out!" That's exactly what we did. On February 16, the class of '79 strutted their stuff on stage to put on the second annual Senior Psyche Nite. The seniors were all "psyched" in putting on this talent show which ranged from acts like the "Fat City Disco" to a touching rendition of "Do You Know Where You're Going To?" The performance was opened to the public and we brought in an outstanding audience, along with an enormous profit, which is to be put towards remaining senior activities. One great feature of the evening was the talent that emerged from the acts. The band "Explorer" gave us outstanding music and excellent singers for the night. South City's own Steve Martin performed "King Tut" in his own towel along with his two sex goddesses. The real hits of the evening were our two feathered friends, the Chickens, who made their appearance well-known in every act! The three "soul sisters" put out an unbelievable effort in their song and dance routine. Bluto, Nedermeyer, Otter Flounder, and the rest of the animals were there with their own keg to dance their togas off with Animal House. "Go Grease Lightning!" With a touch of rhythm and the 50's our own cast from Grease put their all into a stupendous performance. Danny and Sandy were there to tell their story and everyone shook it as much as they could. All the way from combs to tight pants to Hand Jive! As are those famous words of the class of '79, "That's all folks!"

... AND ALL MEN ARE

This year's annual Brotherhood Week was not as successful as in previous years. Without the performances of BSU or the Latino Club we did not have a full week of performances. Yet, the spectacular performances put on by the Filipino and Polynesian Clubs made the assemblies a success. Student Government sponsors Brotherhood Week every year in honor of the many cultures represented at our school. Any nationality may participate by putting on a program which centers around their culture. The Filipino Club performed on the first day with many of their native dances. All must agree that an outstanding feature of their performance was the audience participation dance at the end. The Polynesian Club took us from island to island with their lively show. That night the Brotherhood Dance was held at Westborough Jr. High. Disc Jockey, Tony Jasmine spun the tunes and everybody really got into some heavy dancing. South City, El Camino, Baden, and the ninth graders from the junior high schools participated in this "boogie extravaganza." But all of this is instituted for one major purpose and that is to give us all a feeling of unity and remind us that we really are all equal.

1. This last dance of the assembly was the most liveliest of the Filipino assembly.
2. The male dancers really got into the groove with this number.

A SPRING AFFAIR

Spring Homecoming was held on March 23 this year, just in time to meet the beginning of that season. Along with the pollen and hay fever of that time of the year, Spring Homecoming came upon us like a blast of thunder. As it was the last homecoming of the school year, the activities commissioners strived to make it one of the biggest and most popular event of the year. For many people it was quite a memorable experience. There were activities held that afternoon, and they kept coming right until the very end. A rally was held to introduce the fall court once again, and announce the winners of the spring court. Breaths were taken as Michael Freddie and Marie Cesarz were crowned King and Queen. The band "Steel Illusion" provided the music for the barbeque lunch. The boys gym was turned into a scene of beauty for the dance. Another fine ASB sponsored event to be remembered in years to come.

Dear Students,

Resigning from the job of Varsity Football coach at South San Francisco High School is one of the most difficult decisions that I have ever made. After being involved with football as a player and coach for close to forty years, it is not an easy decision. Football coaching at South San Francisco High School has given me a tremendous amount of pleasure and satisfaction. I am grateful for having had the opportunity to work closely with so many fine young people for so many years. I have many fond memories that will stay with me forever. To all my former players--thanks.

Ray DeJong

TREMENDOUS TALENT, GREAT POTENTIAL... A DISAPPOINTING SEASON.

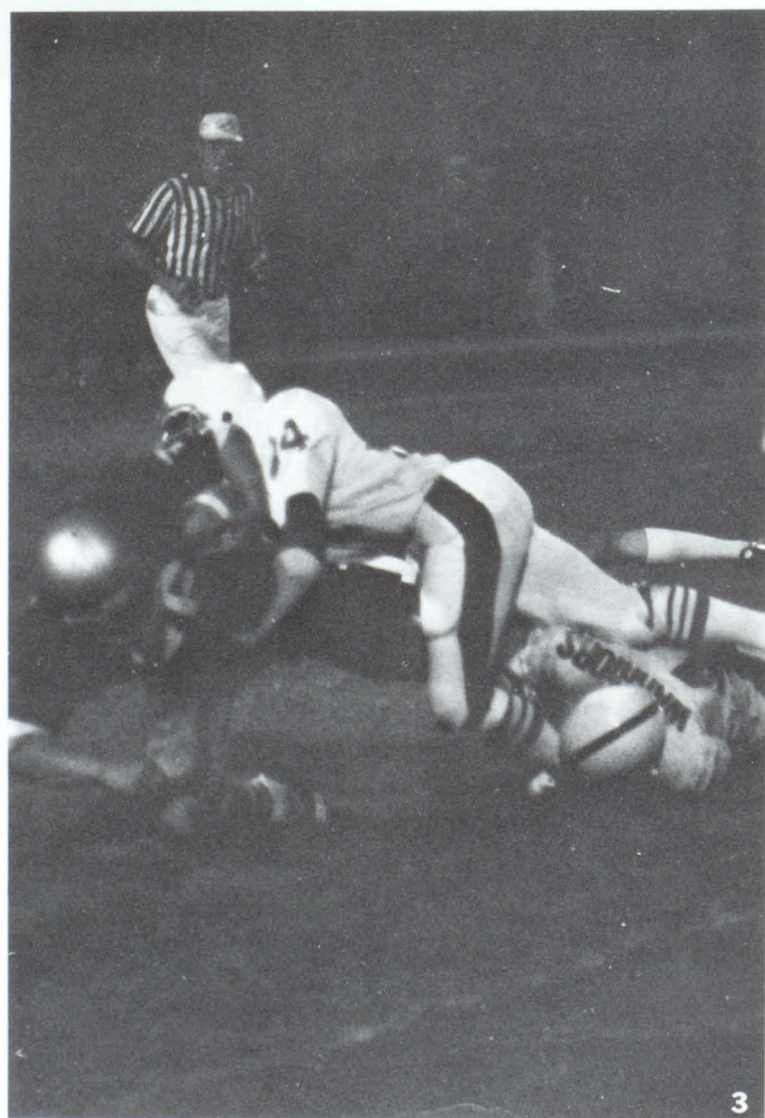

Things were going great during practice seson; they won two out of three games, but the first league game was a loss. Also that first game to Terra Nova was a little disappointing to many of the players; they lost some of their confidence.

Picking up near the end of the season, the team seemed to "Get up their gusto", and their team spirit improved quite a bit. Coach DeJong seemed to think that losing the first game was such a disappointment, it put the team in a mild state of depression. If they had played the whole season as they played the last two games, a more successful season might have developed. The coach feels the team did learn one important thing that all athletes should learn, "You have to know how to win the proper way and if you lose, you have to lose the proper way."

Even though he didn't say it, Coach DeJong seemed proud of the teams' end of the year hustle.

A Disappointing Season

This year's varsity volleyball team had a very disappointing year. They went to the NPL Finals in 2nd place. But they ended up in 3rd place due to their loss to Westmoor. This is the first year since Coach Stluka has coached that the varsity volleyball team has lost a match in league play. During the middle of the season the team lost Robin Petrini, the most experienced player on the floor. She broke her ankle. But that didn't keep her out of the action, she came in to serve and give the team a lot of encouragement. Coach Stluka is looking forward to next year with the experience of five returning players.

They finished their league with a 9-5 record and 2nd in the league. They were 3rd going into the playoffs but beat the 2nd place Westmoor team. They advanced into the finals to play the no. 1 team, Oceana. They had a very disappointing loss, but, played a very good match.

zos were also very strong runners. The team placed fourth out of six teams, which is very good considering they had only eight runners.

Debbie O'Sullivan placed second in singles at the NPL Finals at Orange Park. Other outstanding players were Hermila Ciriaco and Judi Quan, both with 7-3 records. But that did not stop them from finishing with a spectacular record of 4 wins, 2 losses, and placing second in the league. There were many outstanding performances from the team. Underclass

CLASS OF '80

The spirited class of 1980 sponsored many fundraisers throughout the year to have a fantastic Junior Prom. The Halloween candy grams and January Bake Sale at Tanforan provided a large portion of funding. The January Disco-Hop cosponsored by the Junior Class and Spirit Group was tremendously prosperous. Other profitable projects include a car wash and candy sale. Determination and hard work will help produce a great Junior Prom. Judging by their energetic enthusiasm and good humor, the class of '80 has a bright future before them.

Sophomore Class Is Steppin' Up!

The activities of the 1978-79 school year were obviously successful due to the enthusiasm of the sophomore class officers. Various activities and fundraisers were planned such as the cheese sale which was the most profitable in years. The top cheese sellers were Paul Cattich, Shaun DeWilde and Mary Beth Bundalian. The total profits of the cheese sale were well over \$700.00. The spirit of the sophomore class this year was overwhelming and their support contributed to the success of their sports teams and to the high level of spirit evident at South City High School this year.

WHEN IT COMES TO SPIRIT...

When most people try out for cheerleader, pom-pom girl or mascot, they do not realize how much work is involved as well as how much fun it can be. This year's spirit squad proved it true and did a great job. It was their job to lend the players moral support. The job also meant letting the players know that whether they win or lose, they would be behind them all the way, rooting for them. For each game, no matter how cold or rainy the weather was, they were there.

THEY WERE THERE

CLOSE-UP

The Close Up program provides an opportunity for students to experience and participate in government action. The club has earned money through fund raisers, which provided them with a trip to Washington. During their stay there, they went to seminars with governmental officials. These seminars are followed by student's questions. The trip to Washington was exhausting and exciting but educational, too.

IRIS ADVERTISERS—

The 1979 Iris Yearbook Staff would like to thank all of the advertisers for supporting our yearbook.

We are particularly pleased with our new accounts since some of them are owned or managed by graduates of South San Francisco High School.

Advertising helps keep the cost of the book within the range of all our students ability to purchase one.

Thank-you

1979 Iris Yearbook Staff
