Dedication

You're typical teens -- making fun out of work -- sharing interests -- you like jeans but can change to glamour when it fits the occasion.

Yes, you're typical teens -- Go steady -- about five months -- Dress -- heels for her -- tie for him -- You know how to drive -- rely on the family bus -- get it -- say twice a week -- You can watch television, listen to the radio while doing homework.

You're a typical high school student -- You go out for sports one hundred -- You've had a job -- baby sit -- sometimes into the early hours of the morning -- You're in stores -- late -- little spare time.

Your daily schedule is a typical pattern of high school life -- get up at 7:30 -- 8:00 -- sometimes oversleep -- ride the bus -- go at break-neck speed to the "hang out" for lunch -- drink sodas -- munch candy bars and hot dogs -- now and then you eat a real feed -- enjoy sex but have to admit it -- study some -- three hours a night -- go to a week -- average "B" -- well "C" anyway -- you make the grade -- just -- but you're satisfied because you are a teenager.

And so since you have all these qualities -- be they good or bad, ludicrous, pathetic, or otherwise -- we "DEDICATE THIS 1955 MISTLETOE TO YOU, THE STUDENTS OF WILLITS UNION HIGH SCHOOL."

Good luck
to a sweet
day.

Principal's Message

It was most satisfying to me when Roberta Armstrong, the editor of this annual, announced that her staff had dedicated this book to all the students of Willits Hi.

Who else could have so well earned this honor than you the Student Body. Your loyal support at all the athletic games, your cooperative efforts in all our student activities, and above all your fine co-operation with the teachers and administration. You have well earned this honor; the honor of having this annual dedicated to you the students who set the standards of the school.

Let us never lose sight of the fact that it is you the Student Body who establish the reputation by which your school is known. Let us ever strive to bring honor to Willits Hi.

Vice-Principal's Message

As is the usual practice at the end of a fiscal year, it's time to "check the books." The many happy memories and gainful activities of this school year show the "credit side" of this our ledger to be another good year.

Through the efforts of a swell bunch of students, interested in their own reputation and welfare, we can say this year has been highly profitable. And never to be forgotten is the wonderfully co-operative faculty who has always been willing to lend a helping hand. Keep up the good work in the years to come.

To those who have made their final entry in the books of their high school careers, Good Luck and God Speed...

Superintendent's Message

I understand that this annual is being dedicated to the students of Willits High School. Obviously a student is one who studies, and I find myself wondering what percentage of our students actually study what percent of the time. Today, public education is being subjected to critical analysis, which often amounts to outright attack. To justify their existence our high schools and colleges must develop real students, and to do that we must have the cooperation and help of both the students and their parents.

As this year closes and our Class of '55 is ready to be graduated from high school and to enter their life work, or go to higher institutions, may I make this plea, namely, that every one of us may be worthy of the title "student", so that in our democracy, where education is so necessary, opportunities for free, publicly supported education will not be curtailed.

Senior Prophecy

Well, hello---here we are in 1965! A beautiful year...10 full years since our glorious crimes we committed in our dear old Willits Bastille---er Willits High. Those were the days! Remember how we used to wonder what we'd do after we abandoned our old alma mater? Well, a few of us old scoundrels got together and travelled around to see what we could see-----look across the street in Your Town, U.S.A. into the barber shop--look at the tall, dark and handsome fellow who's industriously trying to cut--er shave a mild little man--Why that's Jim Moreno, and his victim is Jim Donaldson, founder of Sunshine Nudist Colony. Egad, things haven't changed much, have they?

We see Roberta Armstrong is cub reporter for the Noyo News in Willits; always a news for nose---well anyway--Oh! We see that Leo Haney has taken Mr. Tousseau's place as U.S. History teacher and we note that Gloria Jarvis--well she's still taking Civics!

There seem to be a few of our jolly old hep cats on T.V. now--Dian Baechtel is demonstrating Donald Duck Orange Juice---she get's quite a swing out of that! Bob Brown is doing an interesting show---Captain Video--SO THERE YOU ARE! Yvonne Jolly is singing commercials over the Z.A.A.Z. Network---nice going...

We have quite a few wanderers in our midst. Edgar Deas is the first man to fly to Mars in a do-it-yourself rocket ship! Judy Owen made a bet with him...sad mistake...and now she's become the first woman to swim the English Channel both ways! SID**YOU KNOW WHO THAT IS-----is now running an American laundry in China (Nationalist China) Well, Well, Little Chop-Chop.....

All the bills are coming in--first of the month--Bill Hicks is game warden in Mendocino County; Bill Hinton---heavy----champion of the world; Bill Dean---selling onion soup on street corners; Bill Horger--Bat Boy for the New York Yankees.

Hmm--we see that wonders will never fail to cease; Fred Page is the winnah and still champeen of 1965 Olympic pole-vaulting contest.

Been to France--Wow--back to work, we find that Pat Montgomery, (married, I forgot to mention) and she's working at the Folies Bergeres...There's someone else working there, too, none other than Charles "Windy" Windsor. (He's stage manager). He's married, too. Hmm...Am I imagining things, or is that a rather realistic coincidence? Vernon Hall is studying to be a doctor at the Paris University. Only about one more year and he'll have his B.A. Then two more years and he'll have his M.A. Then six more years and he'll have his Ph.D.M.D. degree--Ah yes--Flash Bulletin--Vernon just got married--So pretty soon he ought to have his H.E.A.D. E.X.A.M.I.N.E.D.

Army and Navy----Gilbert Alt is Pvt. E2 on Okinawa. Kenny Trapin is new Captain of (destroyer) Minesweeper Caine. Ernie Ardans has just become first Ace pilot to have downed Haley's Comet. Ah, we have an up and coming 30 year man in our midst! 10 years with the army, and Charles Haun likes it fine! I don't think that man's ever getting married!

And the sports parade by Bill Stern---Bob Hellums is reffing basketball games in Madison Square Gardens. Mary Williams has become coach for S.F. Dons. Here is a new twist--Betty Hennigan is a lady wrestler--loves it too--Richard Hayes is first white man and the shortest person (only 6'1") to be on the Harlem Globe-Trotters. I have heard he's subbing for Goose Tatum when he's on one of his toots.(Goose Tatum).....

**Sidney Paula Bertain

Norita Langley has turned pro...professional flag-polesitter. FLASH! Herb Legg has just been promoted assistant Bat Boy for the New York Yankees--pretty good...Elaine Dunlap has procured the Davis Cup for two years in a row...But this year she's up against some pretty stiff competition! Alva Lytton's teachin' judo and wrestling holds at Vassar.---he gets a boot out of that!

In the field of politics, Judy Williams has become the first woman president of the United States.... Ken Williams---author of the best seller---"I Knew Judy When"...Robert Waldron has been newly elected to the post of senator of Wisconsin. Remember when, in '55, we used to wish to heck we had a new one? (Some of us).....

We have some homemakers with us, and mothers, too. Pat Clark is winner of the annual Pillsbury Baking Contest. Wonder what she'll do with all those 25,000 smakeroots? That reminds me, I think I'll go see Pat; Haven't seen her in ages. Oh--Weell--Johnna Stuart's replacing Betty Crocker. Donna Wiley has become "The Homemaker of the Year"...Dee Nelson is married with two sets of twins----all stocked up on safety pins, Dee?

Boo!---Jim Carson's selling haunted real estate now, so if you've an old stray, bothersome mother-in-law, refer her to Spook.

Wonder of Wonders, Gordon Lovell is Mr. Average man of 1965, and George Simmerley's Mr. America.....

Mary Lewis has gotten herself quite a position---She's working in London as Prince Charlie's and Princess Anne's---governess. Neet, reet, keeds? Pat McCann is author of "How to Win Friends and Influence People". Laura Pickle is in the category of one of America's Ten Best-Dressed Women.

A new record of some sort--Mike Smith has become the first person to be bucked off a horse on the merry-go-round....

Speaking of horses, Joan Neary's editor of "Western Horseman's Magazine" and she rounds up her own news- (via car). But whenever she gets ready to get on that horse of hers, she knows three friends she can always call on to help her if she gets in trouble---Betty, Karen, and Patsy you-know-who-but-we'll-tell-you-anyway--Southwick, who are co-owners of Southwick's Sunset Mortuary. They take care to take care of everybody under.

Emma Silacci's chief taster for "Gourmet" magazine. She loves her job, (Taste's good).....

Billie Lou Ray is hatcheck girl at the Stork Club--Ah well--to be a blonde--I hear she's to marry her boss pretty soon...and when the stork comes, there'll be little storks.....

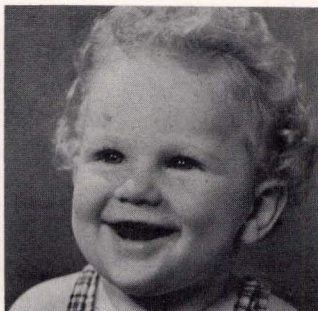

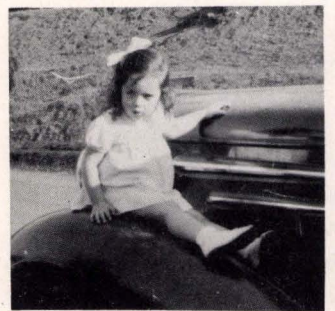

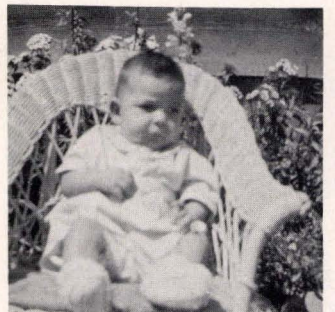

Bob Huffman's chief jailor for Ukiah County Jail--He's fairly familiar with his surroundings by now.....

Miscellaneous items... ..Joyce Cader is making \$250,000 annually waxing platters for Mercury--Newest is "Heaven Devil", sequel to "Earth Angel". Featured with her are the four duck tails...Melba Wormington is "Miss Melba Toast of 1965"Peter Requa is trapeze artist for Barnum and Bailey...Ralph Haag is stage manager for the Met.....Ken Hunter is head travelling salesman for AJAX Brush Company.....John Weeks is President of National Press Photographers Association.

Looks like that's all of everybody-----We will report back in the next ten years. Be watching for us... Good--bye, now.
