HOME TEL., M 1046

**The hospital has an X-Ray and
Hydro Therapeutic Department**

French Hospital

POINT LOBOS AVE., BET. 5TH AND 6TH AVENUES

Office, 420 Sutter Street, San Francisco, Cal.

This Hospital is situated close to the Golden Gate Park. It is entirely modern and in most excellent sanitary condition.

All private rooms and wards are sunny and perfectly heated and ventilated.

Four aseptic operating rooms, thoroughly equipped with the latest appliances of modern surgery, are always in readiness, day and night.

The X-Ray laboratory is under the direction of a most competent operator.

The Hospital has an isolated pavilion for contagious diseases. It has 225 beds for medical and surgical cases, eminent surgeons, physicians and specialists, and an efficient corps of nurses and other employees.

It has a beautiful, well sheltered garden for the convenience of convalescents.

Rates: \$2.00 to \$2.50 per day in wards, and \$3.50 and upwards per day in private rooms, some of which have superior appointments, with bathroom attached. In Contagious Pavilion \$4.00 per day in private rooms. These charges cover board, medicines, nursing and attention from all hospital physicians.

Private nurses from the school, \$3.00 per day.

This hospital is open to any reputable physician, who may treat his patients and be assured of receiving all professional courtesies.

Livermore Sanitarium

LIVERMORE,
CALIFORNIA.

*Announcing the completion of the Hydro-
pathic Department of the Livermore Sanitarium*
Intended Exclusively for Rest,

*This Department is fitted with the most modern
appliances, electric and hydrotherapeutic, including the
Baruch Water Table, electric light cabinets, and the
Nauheim and Moliere baths.*

*No mental patients are received in this depart-
ment, those only being admitted who require rest, body
upbuilding and the re-establishment of functional de-
rangements, patients suffering from exhaustion follow-
ing surgical operations and other conditions of ill health
that are benefited by change of climate, fresh air and the
scientific application of massage and hydrotherapy.*

The Department for the Treatment of Mental Diseases

THIS department is entirely separate from the Sanitarium and is located in grounds absolutely private. The central building is surrounded by small cottages for the better segregation of patients. The best trained nurses are employed and all modern appliances for the proper care of the mentally diseased have been provided. Absolutely no restraint nor inclosures for patients.

Terms \$25 to \$60 per week, depending upon the number of nurses required.

447 SOUTH OLIVE STREET
LOS ANGELES, CALIFORNIA

¶ We desire to call attention to the large number of improvements and the new five-story addition annexed thereto. The rooms are airy, well ventilated and are complete in every detail.

¶ The operating rooms are fully equipped with all modern appliances and are provided with all instruments which are required by the Surgeon.

¶ A Training School for Nurses of three years' graded course is conducted by the Hospital, which offers every advantage necessary to complete qualifications.

THE ST. HELENA SANITARIUM

Medical and Surgical

The attention of physicians is called to the oldest and most extensive Sanitarium conducted on rational and scientific principles on the Pacific Coast. Hospital separate from Main Building.

An Ideal Winter and Summer Health Resort

Electrotherapy, X-Ray, Hydrotherapy, Massage, Swedish Movements, Mechanical Movements, Rest Cure, Special Dietaries, Medical Gymnastics. Complete Laboratory Facilities. Prescribed Exercises Under Director.

A staff of regularly educated and experienced physicians assisted by a large corps of professional nurses and trained helpers.

Situated sixty-five miles north of San Francisco, among the hills overlooking the famous Napa Valley.

Physicians desiring to send patients away from their homes and accustomed surroundings, to the mountains, to the country, to a place where they can receive proper rest, diet, exercise and treatment, will find this a most favored spot.

A cordial invitation is extended to our professional friends to visit our institution and investigate our work.

Special rates to physicians or their families.

Patients suffering from tubercular, offensive and contagious disorders not received.

Booklet sent free on request—address

R., forty-five minutes from Los Angeles on the Pacific Electric R. R. All modern conveniences. Rooms and individual bungalows. Well equipped laboratory. Careful individualization. Close personal attention.

MEDICAL STAFF

F. M. Pottenger, A.M., M.D., LL. D., Medical Director

J. E. Pottenger, A.B., M.D., Assistant Medical Director and Chief of Laboratory

And a corps of competent assistants

EXPLANATION

The General Alphabetical Index List is printed on the following pages. It is arranged alphabetically, without reference to location. The number of the page and column follows the physician's name. **To learn the data concerning any physician, look him up in the General Alphabetical Index List; turn to the page and column indicated, and look for the name in that county list.**

The county name will be found at the top of each page of the county lists.

Immediately following the General Alphabetical Index List will be found the list of "address unknown," and those known to be out of California. Wherever possible, the last known address is given. In some cases the present address was learned too late to make the correction in the body of the book, so it has been made in this list.

The letter (E) following a name indicates an Eclectic.

The letter (H) following a name indicates a Homeopath.

The letter (O) indicates Osteopath.

The letter (C) indicates "certificate," and the number following it shows the year in which the certificate was granted.

Please look through the "address unknown" list carefully, and if you know the whereabouts of any physician in the list, let us know at once.

Names of members of the Medical Society of the State of California are printed in black-face type, in the county lists. If the membership as thus given is inaccurate, write to the **secretary of your county society** and ask him why your name is not included.

It is to the advantage of everybody concerned to have the Register as accurate as possible. Therefore, **it is to your own interests to notify us of any errors, omissions or inaccuracies which you may note. Please do so.**

MEDICAL SOCIETY OF THE STATE OF CALIFORNIA,

PHILIP MILLS JONES, M. D., Secretary and Editor.

Straws That Show How The Wind Is Blowing

One of the most successful doctors in the middle-west sent us a letter the other day that is fraught with meaning. We withhold his name, but have permission to publish his letter, which is as follows:

"I want to direct your attention to the comments below clipped from a current price-list of a certain large pharmaceutical house. They are straws which show which way the wind is blowing.

"'Because of the gradual decomposition of the active principles of ACONITE its preparations should not be purchased in quantity larger than will be consumed in twelve months' time.

"'Because of the gradual decomposition of the active principles of COCA its preparations should not be purchased in quantity larger than will be consumed in twelve months' time.

"'Because of the gradual decomposition of the active principles of DIGITALIS its preparations should not be purchased in quantity larger than will be consumed in twelve months' time.

"'Because of its tendency to gelatinize the fluid extract of CINNAMON should not be ordered in larger quantity than will be consumed in twelve months' time.'

"These comments are significant and I send them in thinking they will help to induce more doctors to use preparations (active-principle granules) which do NOT change."

Do you grasp the whole truth, doctor? Even if it were possible to standardize fluid preparations of crude drugs to a fixed strength, they would not long remain so. All of them deteriorate rapidly and precautionary notes like the above should be applied to every fluid extract, every tincture, etc. **A Confession of Unreliability** is this—right from the mouths of the makers themselves. Verily, the end of the fluid galenicals is in sight.

Send for our price-list of alkaloidal granules that are always stable and always dependable. A neat leather case containing six vials filled with granules is also free for the asking.

Out of State, Addresses Unknown, and Late Changes.

Directory of Physicians registered in California whose address is unknown or who are known to be residing outside of the State. In some instances the correct address was learned after portions of the book were printed. Please aid us by sending in all the information in your possession regarding the whereabouts of any physician in this list to the Secretary of the Medical Society of the State of California, 930 Butler Building (135 Stockton Street), San Francisco.

Aiken, Fresno; James H. Parkinson, Sacramento; John C. Spencer, San Francisco; H. A. L. Ryfkogel, San Francisco; F. M. Pottenger, Monrovia; F. R. Burnham, San Diego.

**CONSTITUTION AND BY-LAWS OF THE MEDICAL SOCIETY OF
THE STATE OF CALIFORNIA.**

Constitution.**ARTICLE I.****Name and Object.**

Section 1. The name of this Society shall be the "Medical Society of the State of California."

Sec. 2. The purpose of this Society shall be to federate and bring into one compact organization the entire medical profession of the State of California, and to unite with similar societies of other States to form the American Medical Association; to extend medical knowledge and advance medical science; to elevate the standard of medical education, and to secure the enactment and enforcement of just medical laws; to promote friendly intercourse among physicians; to guard and foster the material interests of its members and to protect them against imposition; and to enlighten and direct public opinion in regard to the great problems of state medicine, so that the profession shall become more capable and honorable within itself, and more useful to the public, in the prevention and cure of disease, and in prolonging and adding comfort to life.

ARTICLE II.**Component Societies.**

Component Societies shall consist of those county medical societies which hold charters from this Society.

ARTICLE III.**Composition of the Society.**

Section 1. This Society shall consist of Members, Delegates, and Guests.

Sec. 2. Members—The Members of the Society shall be the members of the component county medical societies.

Sec. 3. Delegates—Delegates shall be those members who are elected in accordance with this Constitution and By-Laws to represent their respective component societies in the House of Delegates of this Society.

Sec. 4.—Guests—Any distinguished scientist, or any physician not a resident of this State, may become a guest during any Annual Session on invitation of the President or the officers of this Society, and shall be accorded the privilege of participating in all of the scientific work for that Session. The President shall announce to the general meeting the names of such persons as have been invited to attend the meeting, and their names shall then be enrolled as guests of that annual meeting.

ARTICLE IV.**House of Delegates.**

The House of Delegates shall be the legislative and business body of the Society, and shall consist of (1) Delegates elected by the component county societies, (2) the Councilors, and (3), ex-officio, the President and Secretary of this Society.

ARTICLE V.**Meetings.**

Section 1. The regular meetings of this Society shall be held annually.

Sec. 2. Special meetings of the House of Delegates may be convened as the By-Laws provide.

Sec. 3. Twenty-five members shall constitute a quorum in the House of Delegates.

Sec. 4. The selection of the place of meeting, and the election of officers, shall be the first order of business of the House of Delegates at the second evening session of each annual meeting.

Sec. 5. All officers shall be elected by ballot, and shall serve until their successors are chosen and qualified.

ARTICLE VI.

Officers.

Section 1. The officers of this Society shall be a President, a First Vice-President, a Second Vice-President, a Secretary, two Assistant Secretaries, a Treasurer, Examiners or nominees for appointment as Examiners on the Board of Medical Examiners as may be required by the laws of the State of California governing the practice of medicine, and twelve Councilors, of whom one shall be elected from each of the nine Councilor districts and three at large. Not more than three Councilors shall be elected from any one Councilor district. These officers shall be elected by the House of Delegates at the time and in the manner duly provided in this Constitution and By-Laws.

Sec. 2. The officers, except the Treasurer and the Councilors, shall be elected annually. The terms of the elected Councilors shall be for three years, those first elected serving one, two and three years, as may be arranged.

Section 3. No delegates shall be eligible to any office named in the preceding section, except that of Councilor, and no person shall be elected to any such office who has not been a member of the Society for the past two years.

ARTICLE VII.

Council.

The Council shall consist of the Councilors and the President and Secretary, ex-officio. Besides its duties mentioned in the By-Laws, it shall constitute the Finance Committee of the House of Delegates. Five Councilors shall constitute a quorum.

ARTICLE VIII.

Section and District Societies.

The House of Delegates may provide for a division of the scientific work of the Society into appropriate Sections, and for the organization of such District Societies as will promote the best interests of the profession, such societies to be composed exclusively of members of component county societies.

ARTICLE IX.

Reciprocity of Membership With Other State Societies.

In order to broaden professional fellowship, this Society is ready to arrange with other State Medical Associations for an interchange of certificates of membership, so that members moving from one State to another may avoid the formality of re-election.

ARTICLE X.

Funds and Expenses.

Funds shall be raised by an equal per capita assessment on each component society. The amount of the assessment shall be fixed by the House of Delegates, but shall not exceed the sum of \$2.00 per capita per annum, except on a four-fifths vote of the Delegates. The fiscal year of the Society shall be from January 1st to December 31st. The number of members in good standing in each component society on the first day of January of each year shall be taken as the basis for the assessment for that fiscal year, as fixed by the House of Delegates. Funds may also be raised by voluntary contributions from the Society's publications, and in any other manner

approved by the House of Delegates. Funds may be appropriated by the House of Delegates to defray the expenses of the Society, for publications and for such other purposes as will promote the welfare of the profession. All resolutions appropriating funds must be referred to the Finance Committee before action is taken thereon.

ARTICLE XI.

Referendum.

Section 1. A general meeting of the Society may, by a two-thirds vote of the members present, order a general referendum on any question pending before the House of Delegates, and when so ordered, the House of Delegates shall submit such question to the members of the Society, who may vote by mail or in person, and, if the members voting shall comprise a majority of all the members of the Society, a majority of such vote shall determine the question and be binding on the House of Delegates.

Sec. 2. The House of Delegates may, by a two-thirds vote of its own members, submit any question before it to a general referendum, as provided in the preceding section, and the result shall be binding on the House of Delegates.

ARTICLE XII.

The Seal.

The Society shall have a common seal, with power to break, change or renew the same at pleasure.

ARTICLE XIII.

Amendments.

The House of Delegates may amend any article of this Constitution by a two-thirds vote of the Delegates present at any annual session, provided that such amendment shall have been presented in open meeting at the previous annual session, and that it shall have been published twice during the year in the Journal of this Society, or sent officially to each component society for at least two months before the meeting at which final action is to be taken.

By-Laws.

ARTICLE I.

Membership

Section 1. All members of affiliated County Medical Societies shall, by virtue of such membership, be members of this Society, when duly reported by the President and Secretary of the County Medical Society. The name of the physician on the properly certified roster of members of a component society, which has paid its annual assessment, shall be prima facie evidence of membership in this Society.

Sec. 2. Any person who is under sentence of suspension or expulsion from a component society, or whose name has been dropped from its roll of members, shall not be entitled to any of the rights or benefits of this Society, nor shall he be permitted to take part in any of its proceedings, nor receive its publications, until he has been relieved of such disability. Any person who may be suspended for non-payment of dues is to be construed as coming within the provisions of this section.

Sec. 3. It shall be the duty of the Secretary of each component society to furnish the Secretary of this Society, before the first day of February of each year, a list of all members in good standing (with addresses) on the first day of January of each year.

Sec. 4. Any physician residing in a county in which there is no county medical society in affiliation with this Society, may make application for mem-

bership to the county society of the county nearest to that in which he resides, or to that adjoining county society which he could most conveniently attend.

Sec. 5. Each member in attendance at the annual session shall enter his name on the registration book, indicating the component society of which he is a member. When his right to membership has been verified, by reference to the roster of his society, he shall receive a badge, which shall be evidence of his right to all the privileges of membership at that session. No member shall take part in any of the proceedings of an annual session until he has complied with the provisions of this section.

ARTICLE II.

Meetings.

Section 1. The annual meetings of this Society shall convene on the third Tuesday in April of each year.

Sec. 2. Special meetings of the House of Delegates may be called by the President upon the written request of at least twenty Delegates, provided that each Delegate is notified as to time, place, and object of the proposed meeting.

Sec. 3. During the annual meeting of this Society, the general meeting shall convene each day at 9 a. m., and at such other times as it may, by resolution, determine, which times shall not conflict with the sessions of the House of Delegates. Section meetings may be provided for by the Committee of Arrangements. The House of Delegates shall meet each day at 8 p. m., or at such other time as will not conflict with the general meetings.

Sec. 4. The general meeting may recommend to the House of Delegates the appointment of committees or commissions for scientific investigation of special interest and importance to the profession and public.

ARTICLE III.

House of Delegates.

Section 1. The House of Delegates shall be the legislative and fiscal body of the Medical Society of the State of California, and shall consist of delegates representing each component society.

Sec. 2. The House of Delegates shall meet at 8 p. m. on the first day of the annual session. It may adjourn from time to time as may be necessary to complete its business, provided that its hours shall conflict as little as possible with the general meetings. The order of business shall be arranged as a separate section of the program.

Sec. 3. Each component county society shall be entitled to send to the House of Delegates each year one delegate for every twenty-five members, and one for each major fraction thereof, except in the event of reapportionment, as provided in Article V, Section 6; but each component society which has made its annual report and paid its assessment as provided in this Constitution and By-Laws shall be entitled to one delegate.

Sec. 4. Twenty-five delegates shall constitute a quorum.

Sec. 5. Delegates shall be elected for a term of two years, and those societies entitled to more than one representative are required to arrange such election so that one-half of their delegates, as near as may be, shall be elected each year.

Sec. 6. At the first annual meeting of this Society, after the adoption of this Constitution and By-Laws, the delegates of component societies entitled to only one delegate, shall draw lots to determine which half of the delegates shall hold for one year. Thereafter all delegates shall hold for two years, or until their successors are chosen.

Sec. 7. The House of Delegates shall approve all memorials and resolutions of whatever character issued in the name of the Medical Society of the State of California before the same shall become effective.

Sec. 8. The sessions of the House of Delegates shall be open to all members of this Society, but, except upon invitation, they shall have no right to participate in its proceedings.

Sec. 9. The House of Delegates shall make careful inquiry into the condition of the profession of each county in the State, and shall have authority to adopt such methods as may be deemed most efficient for building up and increasing the interest in such county societies as already exist, and for organizing the profession in counties where societies do not exist. It shall especially and systematically endeavor to promote friendly intercourse among physicians of the same locality, and shall continue these efforts until every physician in every county of the State who can be made reputable has been brought under medical society influence.

Sec. 10. The House of Delegates shall have authority to appoint committees for special purposes from among members of the Society who are not members of it. Such committees shall report to the House of Delegates, and may present and participate in the debate on their reports.

Sec. 11. The House of Delegates shall elect representatives to the House of Delegates of the American Medical Association in accordance with the Constitution and By-Laws of that body.

Sec. 12. Members of the House of Delegates shall be designated by an appropriate badge.

ARTICLE IV.

Duties of Officers.

Section 1. The President shall preside at all meetings of the Society and of the House of Delegates; shall appoint all committees not otherwise provided for; he shall deliver an annual address at such time as may be arranged, and perform such other duties as custom and parliamentary usage may require.

Sec. 2. The Vice-President shall assist the President in the discharge of his duties. In the event of the President's death, resignation or removal, the Council shall select one of the Vice-Presidents to succeed him.

Sec. 3. The Secretary shall attend the general meetings of the Society and the meetings of the House of Delegates and of the Council, and shall keep minutes in their respective proceedings in separate record books. He shall be ex-officio Secretary of the Council. He shall be custodian of all record books and papers belonging to the Society, except such as properly belong to the Treasurer and the Editor, and shall keep account of and promptly turn over to the Treasurer all funds of the Society which come into his hands. He shall provide for the registration of the members and delegates at the annual sessions. He shall, with the co-operation of the Secretaries of the component societies, keep a card-index register of all the legal practitioners of the State by counties, noting on each his status in relation to his county society. He shall aid the Councilors in the organization and improvement of the county societies and in the extension of the power and usefulness of this Society. He shall conduct the official correspondence, notifying members of meetings, officers of their election, and committees of their appointment and duties. He shall employ such assistants as may be ordered by the House of Delegates, or the Council, and shall make an annual report to the House of Delegates. He shall supply each component society with the necessary blanks for making their annual reports; shall keep an account with the component societies, charging against each society its assessment, collect the same, and at once turn it over to the Treasurer. Acting with the Committee on Scientific Work, he shall prepare and issue all programs. The amount of his salary shall be fixed by the Council.

Sec. 4. The Treasurer of the Society shall be some bank, trust company or other public depository to be determined by the Council. All funds received for the Society by an officer, committee or agent, shall be at once deposited with the Treasurer. The Treasurer shall pay out the money of

the Society only upon a properly executed check, issued by the Secretary and signed by the Chairman of the Council. The Secretary shall issue such checks upon the authorization of a properly executed voucher, signed by the Auditing Committee of the Council, and not otherwise. A cash fund of two hundred dollars (\$200.00) may be left with the Editor, from which fund petty cash items may be paid. But no bill exceeding five dollars (\$5.00) shall be paid except by check and in the manner herein provided.

Sec. 5. The duties of the members of the Board of Medical Examiners elected by this Society shall be such as are prescribed by the laws of California governing said Board.

ARTICLE V.

Council.

Section 1. The Council shall meet on the day preceding the annual sessions and daily during the session, and at such other times as necessity may require, subject to the call of the chairman, or on petition of three Councilors. It shall meet on the last day of the annual session of the Society to organize and outline the work for the ensuing year. It shall elect a chairman and a clerk, who, in the absence of the Secretary of the Society, shall keep a record of its proceedings. It shall, through its chairman, make an annual report to the House of Delegates. The chairman shall appoint a committee of two, who shall audit the accounts of the Editor at least once each month, and who shall have general supervision of the office of the Society and of its publications. This committee may reject or cancel any advertising matter that it deems undesirable or unethical.

Sec. 2. In sparsely settled sections it shall have authority to organize the physicians of two or more counties into societies, to be suitably designated so as to distinguish them from district societies, and these societies, when organized and chartered, shall be entitled to all rights and privileges provided for component societies until such counties shall be organized separately.

Sec. 3. The Council shall provide for the publication and distribution of a periodical to be known as the "California State Journal of Medicine," or some similar title to be determined by the Council, and such other publications as may be necessary, and shall have authority to employ at such salary as it may deem proper, an editor, who shall be responsible to the Council, and who shall properly edit and conduct the official journal and such other publications as may be authorized by the House of Delegates or the Council, and such assistants as may be necessary. The Editor shall furnish to the Council a bond in the sum of two thousand dollars (\$2,000) for the faithful performance of his duties. All money received by the Council or the Secretary must be paid to the Treasurer of the Society. As the Finance Committee it shall audit the accounts of the Treasurer, Secretary, Editor, and other agents of this Society at least once each year, and present a statement of the same in its annual report to the House of Delegates, which report shall also specify the character and cost of all the publications of the Society during the year, and the amount of all other property belonging to the Society under its control, with such suggestions as it may deem necessary. In the event of a vacancy in the Council or in the office of the Secretary or the Treasurer, the Council shall fill the vacancy until the next annual election.

Sec. 4. The Council shall, upon application, provide and issue charters to county societies organized to conform to the spirit of this Constitution and By-Laws.

Sec. 5. The Council shall divide the State into Councilor Districts, specifying what counties each district shall include, and, when the best interest of the Society and profession will be promoted thereby, organize district medical societies, and all members of the component county societies, and no others, shall be members in such district societies.

Sec. 6. The Council shall have the power to invest the funds of this Society. Whenever the number of delegates as provided in Article III, Section 3, exceeds eighty, it shall make a reapportionment that will bring the number of delegates within this limit, after carefully examining the membership list of component societies to determine therefrom the number of delegates to which each county medical society should be entitled, such reapportionment to take place at the annual meeting next succeeding that at which the reapportionment is approved by the House of Delegates. It shall fix the salaries of the Secretary and the Editor. It shall carefully investigate all charges of malpractice alleged against a member in good standing, and, if it is found that such charges are groundless, it shall take such steps as may be considered best for the protection and defense of the accused. When deemed necessary, it is authorized to employ an attorney to advise or defend in all matters for or on behalf of the Society, or a member of the same. It shall meet at the call of the chairman for the transaction of any business that may be properly presented to it.

Sec. 7. The Council may transact any or all business coming before it by mail, all propositions, motions, questions, etc., being sent, together with a proper ballot, to each Councilor, and when such ballots, properly filled out, have been returned to the Secretary with the signatures of the Councilors attached, they shall be filed and recorded as the votes of the Councilors on the matter proposed.

ARTICLE VI.

Committees.

Section 1. The standing committees shall be as follows:

A Committee on Scientific Work.

A Committee on Public Policy and Legislation.

A Committee on Publications.

A Committee on Arrangement, and such other committees as may be necessary. Such committees shall be elected by the House of Delegates, unless otherwise provided.

Sec. 2. The Committee on Scientific Work shall consist of five members, of which the Secretary shall be, *ex officio*, one, and the other four shall be elected, one each year, to serve for three years; and shall determine the character and scope of the scientific proceedings of the Society for each session, subject to the instructions of the House of Delegates.

Sec. 3. The Committee on Public Policy and Legislation shall consist of six members, two to retire each year, and the President and Secretary. Under the direction of the House of Delegates it shall represent the Society in securing and enforcing legislation in the interest of public health and of scientific medicine.

Sec. 3a. The Standing Committee on Necrology shall consist of three members. This committee shall print in the April State Journal a report on members who have died during the previous year.

Sec. 4. The Committee on Arrangements shall consist of three members. It shall provide suitable accommodations for the meeting places of the Society and of the House of Delegates, and of their respective committees, and shall have general charge of all the arrangements. Its chairman shall report an outline of the arrangements to the Secretary for publication in the program, and shall make additional announcements during the session, as occasion may require.

Sec. 5. The Committee on Publications shall consist of the Editor, as chairman, and four members appointed by the President. This committee shall have supervision of the general nature, scope and policy of all publications issued by the Society, and shall have authority to publish or exclude from publication in the "Journal" or Register such matter as it may determine. When any question of unusual importance arises, it may meet with

and consider such question or questions with the Council, and the determination of the Council and the Committee on Publications, in such joint conference, shall obtain until the question shall be settled by the House of Delegates. Each component County Medical Society shall elect from its members a corresponding editor to the editorial staff of the California State Journal of Medicine. The duties of such corresponding editors shall be to contribute to the Journal original articles, editorials and news items of scientific or professional value or interest to the Society or to its members. All matter so contributed shall be subject to the usual supervision of the Publication Committee as provided for in these By-Laws. Each component County Medical Society shall elect from its members a corresponding editor to the editorial staff of the California State Journal of Medicine. The duties of such corresponding editors shall be to contribute to the Journal original articles, editorials and news items of scientific or professional value or interest to the Society or to its members. All matter so contributed shall be subject to the usual supervision of the Publication Committee as provided for in these By-Laws.

Sec. 6. No paper, address or report presented before the general meeting, except the address of the President, shall occupy more than twenty minutes. In discussion, no member shall be allowed to occupy more than five minutes, except by consent.

ARTICLE VII.

Order of Business.

Section 1. General Meeting.

1. Calling to order.
2. Address of Welcome.
3. Address by President.
4. Reading and Discussion of Papers and Reports of Standing Committees.
5. Reading and Adoption of Minutes.
6. Adjournment.

Sec. 2. House of Delegates.

1. Calling to Order.

2. Roll Call.
3. Report of President.
4. Report of Secretary.
5. Report of Council.
6. Report of Editor.
7. Report of Treasurer.
8. Report of the Standing Committees.
9. Report of Special Committees.
10. Unfinished Business.
11. New Business.
12. Selection of Place of Meeting.
13. Election of Officers and Delegates.
14. Reading and Adoption of Minutes before Adjournment of Each Session.
15. Adjournment.

Sec. 3. The above Order of Business of either Branch of this Society shall be subject to temporary change or suspension by a majority vote of all members present, except the selection of the next place of meeting and the election of Officers and Delegates, as provided in Article VI, Sections 3, 4 and 5, of the Constitution.

ARTICLE VIII.

County Societies.

Section 1. All component county societies of this Society or those which may hereafter be organized in this State, which have adopted principles of organization not in conflict with this Constitution and By-Laws, shall, on application, receive a charter from and become a component part of this Society.

Sec. 2. As rapidly as can be done after the adoption of this Constitution and By-Laws, a medical society shall be organized in every county in the State in which no component society exists, and charters shall be issued thereto.

Sec. 3. Charters shall be issued only upon approval of the Council or House of Delegates, and shall be signed by the President and Secretary of this Society. The Council or the House of Delegates shall have authority to revoke the charter of any component society whose actions are in conflict with the letter or spirit of this Constitution and By-Laws.

Sec. 4. Only one component medical society shall be chartered in any county.

Sec. 5. Each county society shall judge of the qualifications of its own members, but, as such societies are the only portals of this Society and to the American Medical Association every reputable and legally registered physician who does not practice or claim to practice, nor lend his support to, any exclusive system of medicine, shall be eligible to membership. Before a charter is issued to any county society, full and ample notice and opportunity shall be given to every physician in the county to become a member.

Sec. 6. Any physician who may feel aggrieved by the action of the society of this county in refusing him membership, or in suspending or expelling him, shall have the right to appeal to the Council, and if the decision of the Council be questioned, an appeal shall be taken to the House of Delegates, whose decision in any case shall be final.

Sec. 7. In hearing appeals the Council may admit oral or written evidence as in its judgment will best and most fairly present the facts; but in case of every appeal, both as a Board and as individual Councilors in district and county work, efforts at conciliation and compromise shall precede all such hearings.

Sec. 8. When a member in good standing in a component society moves to another county in this State, his name, on request, shall be transferred, without cost, to the roster of the county society into whose jurisdiction he moves.

Sec. 9. A physician living on or near a county line may hold his membership in that county most convenient for him to attend, provided that the consent of the society of the county in which such physician may reside be first obtained.

Sec. 10. At some meeting in advance of the Annual Session of this Society each county society shall elect a delegate or delegates, and an alternate or alternates, to represent it in the House of Delegates of this Society, in proportion of one delegate to each twenty-five members or major fraction thereof, and the Secretary of the Society shall send a list of such delegates to the Secretary of this Society, at least two weeks before the Annual Session.

Sec. 11. The Secretary of each component society shall keep a roster of its members and of the non-affiliated registered physicians of the county, on which shall be shown the full name, address, college and date of graduation, date of license to practice in this State, and such other information as may be deemed necessary. In keeping such roster the Secretary shall note any changes in the personnel of the profession, by death or by removal to or from the county, and in making this annual report he shall be certain to account for every physician who has lived in the county during the year.

Sec. 12. The Secretary of each component society shall forward its assessment, together with its roster of officers and members, list of delegates, and list of non-affiliated physicians of the county, to the Secretary of this Society before the first day of February of each year.

Sec. 13. Any county society which fails to pay its assessment or make the report required, on or before April 1st, shall be held as suspended, and none of its members or delegates shall be permitted to participate in any of the business or proceedings of the Society or of the House of Delegates during the annual session of that year, nor thereafter until such requirements have been met.

Sec. 14. In counties where it is not practicable to organize a County Medical Society, any member of the profession in said county may have the privilege of uniting with the society of an adjoining county, but such membership shall continue only during the time that no organized County Medical Society exists in that county. If, however, it is more convenient for a physician who lives in one county to attend the meetings of an adjoining component society, he may continue as or become a member of such society, provided that jurisdiction be first waived by the society of the county in which such physician may reside.

Sec. 15. Any component society having its privileges suspended for two successive years shall be dropped from the list of component societies.

Sec. 16. If any County Medical Society shall refuse to pay its annual assessment, or to investigate a charge against any member, or to discipline such member if found guilty, or commit any act which may be derogatory to the honor of the medical profession, such society may have all its rights and privileges suspended, on a two-thirds vote of the Council or of the House of Delegates.

Sec. 17. No member of a component society shall be deprived of his membership unless by his own act, except by a three-fourths affirmative vote of all the members present at a regular meeting, and after an opportunity has been given for the accused to be heard in his own defense; but a member shall be dropped on the revocation of his certificate by the Board of Medical Examiners of California.

Sec. 18. No member shall be permitted to resign while he owes dues, or while he is under charges. Any member of a component society who is censured, suspended or expelled shall have the right to appeal to the Council of this Society. This appeal must be made within three months from date of the act of censure, suspension or expulsion. The decision of the Council shall be reported to the House of Delegates of the State Society at its next annual meeting, for final adjudication.

Sec. 19. When a member shall resign his membership in a component society, he shall thereby forfeit all right and title to any share in the privileges and property of the Medical Society of the State of California, or its subordinate divisions.

ARTICLE IX.

Seals.

Section 1. The seal of this Society shall be of the same size and design as the seal of the State of California. The marginal inscription shall have in the upper segment, "The Medical Society of the State of California"; in the lower segment, "1856 and 1902."

It shall be in the custody of the Secretary of this Society, and shall be affixed to all papers emanating from the Medical Society of the State of California.

ARTICLE X.

Miscellaneous.

Section 1. All papers read before the Society or any of the Sections shall become its property. Each paper shall be deposited with the Secretary when read.

Sec. 2. The deliberations of this Society shall be governed by parliamentary usage as contained in Roberts' Rules of Order, when not in conflict with this Constitution and By-Laws.

Sec. 3. The Principles of Medical Ethics of the American Medical Association are recommended in the conduct of members in their relations to each other and to the public.

Sec. 4. The fiscal years of the Society shall be from January 1st to December 31st, and all books and accounts shall be balanced and closed on the 31st day of December.

Sec. 5. For the purpose of determining the amount of the assessment upon each component society for the fiscal year, the Secretary of each component society shall file with the Secretary of the State Society, on or before the first day of February of each year, a statement of the number of members in good standing on the first day of January of such year, as provided in Article I, Section 3. Names of additional members may be transmitted to the Secretary of this Society at any time during the year, but all names transmitted prior to the first day of August shall be accompanied by the assessment to the State Society for that year.

ARTICLE XI.

Amendment to By-Laws.

Section 1. The House of Delegates is authorized to amend any Article or Section of the By-Laws by a three-fourths affirmative vote of the delegates present; provided, that such amendment has been submitted in writing and laid on the table for twenty-four hours previous to being voted upon.

Sec. 2. The Constitution and By-Laws heretofore governing this Society are hereby repealed, and this Constitution and By-Laws shall be in full force and effect immediately after it is declared duly adopted.

LAW REGULATING THE PRACTICE OF MEDICINE IN THE STATE OF CALIFORNIA.

CHAPTER 212.

An act for the regulation of the practice of medicine and surgery, osteopathy, and other systems or modes of treating the sick and afflicted, in the State of California, and for the appointment of a board of medical examiners in the matter of said regulation.

[Approved March 14, 1907. Stat. 1907, p. 252.]

Amended March 19, 1909; Stat. 1909, p. 418.

Amended May 1, 1911, Chap. 745; in effect immediately; Stat. 1911, p. 1449.

Amended May 1, 1911, Chap. 740; in effect July 1, 1911; Stat. 1911, p. 1437.

Section 1. The governor shall appoint a board of medical examiners, to be known as the board of medical examiners of the State of California, consisting of eleven members. Such appointments shall be made as follows: Five members from the school or system commonly known and designated as the regular or allopathic, two members from the homeopathic school or system, two members from the eclectic school or system and two members from the osteopathic school or system. Said members of the medical profession at the time of such appointment, shall have been residents of the State of California, and citizens of the United States, and practicing the principles of medicine in accordance with the system or school from which they are appointed, for at least five years next preceding their appointment.

All vacancies shall be filled by appointment from the school or system in which the vacancy occurs. The appointment of each member shall be for a term of two years, and until his successor is appointed and qualified; provided, however, that no professor, instructor, or other person in any manner connected with or financially interested in any college or school of medicine, or surgery, or osteopathy, shall be appointed a member of said board. It shall require the affirmative vote of seven members of said board to carry any motion or resolution, to adopt any rule to pass any measure, or to authorize the issuance of any certificate as in this act provided. Provided further, the governor of the State of California shall have, at all times, the power to remove from office any member of the board for continual neglect of duty required by this act, or for incompetency, or unprofessional or dishonorable conduct. [Amendment May 1, 1911, Chap. 745.]

Sec. 2. Each member of said board, shall, before entering upon the duties of his office, take the constitutional oath of office, and shall, in addition, make oath that he is a graduate in medicine and surgery or osteopathy, and a licensed practitioner of medicine and surgery, or of osteopathy, of this State.

Sec. 3. Said board shall be organized on or before the first Tuesday of May, 1907, by electing from its number a president, vice-president, secretary and treasurer, who shall hold their respective positions during the pleasure of said board. Said board shall hold its regular meetings in the city and county of San Francisco on the first Tuesday of April, August and December of each year, with power of adjournment from time to time until its business is concluded: **provided, however,** that examinations of applicants for certificates may, in the discretion of the board, be conducted in any part of the State designated by the board. Notice of each regular meeting of the board shall be given by publication twice a week for each of the two weeks next preceding each meeting, in two daily papers published in the city of San Francisco, in one daily paper published in the city of Sacramento, and one daily paper published in the city of Los Angeles, which notice shall also specify the time and place of holding the examination of applicants. Special meetings of the board may be held at such time and place as the board may designate, and the same notice thereof shall be given as in case of regular meetings. Said board shall receive through its secretary applications for the certificates provided to be issued by this act, and shall on or before the first day of January of each year transmit to the Governor a full report of all its proceedings, together with a report of its receipts and disbursements.

Sec. 4. The office of said board shall be in the city and county of San Francisco, and in all legal proceedings against the board the said city and county shall be deemed to be the residence of the members thereof.

Sec. 5. Said board may from time to time adopt such rules as may be necessary to enable it to carry into effect the provisions of this act. Any member of said board may administer oaths in all matters pertaining to the duties of said board, and the board shall have authority to take evidence in any matter cognizable by it.

Sec. 6. Three forms of certificate shall be issued by said board under the seal thereof and signed by the president and the secretary: First, a certificate authorizing the holder thereof to practice medicine and surgery; second, a certificate authorizing the holder thereof to practice osteopathy; third, a certificate authorizing the holder thereof to practice any other system or mode of treating the sick or afflicted not referred to in this section.

In order to procure a certificate to practice medicine and surgery, the applicant for such certificate must file with said board at least two weeks prior to a regular meeting thereof, satisfactory testimonials of good moral character, and a diploma issued by some legally chartered medical school, the requirements of which shall have been at the time of granting such diploma in no particular less than those prescribed by the Association of American Medical Colleges for that year, or satisfactory evidence of having

possessed such diploma, and he must also file with said diploma an application sworn to before some person authorized to administer oaths, and attested by the hand and seal of such officer, if he have a seal, stating that he is the person named in said diploma, that he is the lawful holder thereof, and that the same was procured in the regular course of instruction and examination, without fraud or misrepresentation. The said application shall be made upon a blank furnished by said board, and it shall contain such information concerning the medical instruction and the preliminary education of the applicant as said board may by rule provide. Applicants who have failed to meet the above requirements must be rejected.

Applicants for a certificate to practice osteopathy shall be subject to the above regulations, except that in place of the diploma hereinbefore referred to, they shall be required to file a diploma from a legally chartered college of osteopathy, having a course of instruction of at least twenty months, requiring actual attendance, and after 1908, of three years of nine months each, and including the studies examined upon under this act. Applicants for a certificate to practice any other system or mode of treatment not in this act referred to, shall be subject to the above regulations, except that in place of the diplomas hereinbefore referred to, they shall be required to file a diploma from a legally chartered college of the system or mode of treatment which the applicant claims or intends to follow. Provided, however, that the state board of medical examiners may issue a certificate, to any person who has practiced a special branch of medicine and surgery, at the time this act goes into effect, for a period of not less than thirty-five years, fifteen years of which time shall have been within the State of California; an applicant to practice a special branch of medicine and surgery must file an affidavit with the board of medical examiners, sworn to before some person authorized to take and administer an oath and attested by the hand and seal of such person, stating that he has successfully and effectively practiced the special branch of medicine and surgery for the term of years hereinbefore mentioned; and such applicant to practice a special branch of medicine and surgery, shall not be required to file a diploma, as hereinbefore referred to, but such applicant may be required to take an examination, which shall be practical in character and shall consist of a practical demonstration in the special branch of medicine and surgery set forth in the affidavit of such applicant; and such practical demonstration shall be for the purpose of ascertaining an applicant's fitness to practice the special branch of medicine and surgery set forth in the affidavit of the applicant; and in addition thereto, such applicant may be required to produce testimony to the effect that he has successfully and effectively practiced the special branch of medicine and surgery as set forth in the affidavit hereinabove referred to; and if after such practical demonstration an applicant shall qualify, by effecting a cure, the state board of medical examiners shall issue a certificate to such applicant to practice the special branch of medicine and surgery set forth in the affidavit of such applicant.

In addition to the requirements above set forth, except as otherwise stated all applicants for a certificate must be personally examined by said board as to their qualifications. The examination shall be conducted in the English language, shall be practical in character and designed to discover the applicant's fitness to practice his profession, and shall be, in whole or in part, in writing on the following fundamental subjects, to wit: Anatomy, histology, gynecology, pathology, bacteriology, chemistry and toxicology, physiology, obstetrics, general diagnosis, hygiene. Examinations in each subject shall consist of not less than ten questions, answers to which shall be marked upon a scale of zero to ten. But all applicants must obtain not less than a general average of seventy-five per cent, and not less than sixty per cent. in any one subject; provided, that applicants who can show at least ten years of reputable practice shall be granted a credit of five per cent. upon the general average, and five per cent. additional for each subsequent ten years

of such practice. Provided further, that any applicant obtaining seventy-five per cent. each, in seven subjects, shall be subsequently re-examined in those subjects only in which he failed, and without additional fee.

The examination papers shall form a part of the records of the board, and shall be kept on file by the secretary for a period of one year after each examination. In said examination the applicant shall be known and designated by number only, and the name attached to the number shall be kept secret until after the board has finally voted upon the application. The secretary of the board shall in no instance participate as an examiner in any examination held by the board. [Amendment, May 1, 1911, Chap. 740.]

Sec. 7. Each applicant on making application shall pay to the secretary of the board a fee of twenty-five (25) dollars, which shall be paid to the treasurer of the board by said secretary. In case the applicant's credentials are insufficient, or in case he does not desire to take the examination, the sum of ten (10) dollars will be retained, the remainder of the fee being returnable on application.

Sec. 8. Said board shall keep an official record of all its proceedings, a part of which record shall consist of a register of all applicants for certificates under this act, with the result of each application. Said record shall be evidence of all the proceedings of said board which are set out therein.

Sec. 9. Every person holding a certificate authorizing him to practice medicine and surgery or osteopathy, or any other system or mode of treating the sick or afflicted, in this State, must have it recorded in the office of the county clerk of the county in which the holder of said certificate is practicing his profession, and the fact of such recording shall be endorsed on the certificate by the county clerk recording the same. Every such person, on each change of his residence, must have his certificate recorded in the county to which he shall have changed his residence. The absence of such record shall be prima facie evidence of the want of possession of such certificate. And any person holding a certificate who shall practice medicine or surgery or osteopathy, or any other system or mode of treating the sick or afflicted, in this State, or to attempt to practice medicine or surgery or osteopathy, or any other system or mode of treating the sick or afflicted, in this State, without first having filed his certificate with the county clerk as herein provided, shall be deemed guilty of a misdemeanor and shall be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars or by imprisonment for a period of not less than thirty days nor more than sixty days, or by both such fine and imprisonment.

Sec. 10. The county clerk shall keep in a book provided for the purpose, a complete list of the certificates recorded by him, with the date of the record; and said book shall be open to public inspection during his office hours.

Sec. 11. Said board must refuse a certificate to any applicant guilty of unprofessional conduct; but before such refusal the applicant must be cited by citation, signed by the secretary of the board, and sealed with its seal. No such citation shall be issued except upon a sworn complaint filed with the secretary of the board, charging the applicant with having been guilty of unprofessional conduct, and setting forth the particular acts constituting such unprofessional conduct. On the filing of such complaint the secretary must forthwith issue a citation and make the same returnable at the next regular session of said board, occurring at least thirty days next after filing the complaint. Such citation shall notify the applicant of the time and place, when and where the matter of said unprofessional conduct shall be heard, the particular unprofessional conduct with which the applicant is charged, and that the applicant shall file his written answer, under oath, within twenty days next after the service on him of said citation, or default will be taken against him, and his application for a certificate refused. The attendance of witnesses at such hearing shall be compelled by subpoenas issued by the secretary of the board, under its seal; and said secretary shall in no case refuse to issue any

such subpoena, upon a fee of twenty cents being paid him for each subpoena. Said citation and said subpoenas shall be served in accordance with the statutes of this State then in force as to the service of citations and subpoenas generally, and all provisions of the statutes of this State then in force relating to subpoenas are hereby made applicable to the subpoenas provided for herein. If any person refuses to obey a subpoena served upon him in accordance with the statutes of this State then in force providing for the manner of serving subpoenas, the fact of such refusal shall be certified by the secretary of said board, under the seal thereof, to the superior court of the county in which the service was had, and said court shall thereupon proceed to hear said matter in accordance with the statutes of this State then in force as to contempts for disobedience of process of the court; and should said court find that the subpoena has been legally served, and that the party so served has wilfully disobeyed the same, it shall proceed to impose such penalty as provided in cases of contempt of court. In all cases of alleged unprofessional conduct arising under this act, depositions of witnesses may be taken, the same as in civil cases, and all the provisions of the statutes of this State then in force as to the taking of depositions are hereby made applicable to the taking of depositions under this act. If the applicant shall fail to file with the secretary of said board his answer, under oath, to the charges made against him, within twenty days after service on him of said citation, or within such further time as the board may give him, and the charges on their face be deemed sufficient by the board, default shall be entered against him, and his application refused. If the charges on their face be deemed sufficient by the board, and issue be joined thereon by answer, the board shall proceed to determine the matter, to that end shall hear such evidence as may be adduced before it; and if it appear to the satisfaction of the board that the applicant is guilty as charged, no certificate shall be issued to him. No certificate shall be refused on the ground of unprofessional conduct unless the applicant has been guilty of such conduct within two years next preceding his application. Whenever any holder of a certificate herein provided for is guilty of unprofessional conduct, as the same is defined in this act, and the said unprofessional conduct has been brought to the attention of the board granting said certificate, in the manner hereinafter pointed out, or whenever a certificate has been procured by fraud or misrepresentation, or issued by mistake, it shall be their duty to, and they must, revoke the same at once, and the holder of said certificate shall not be permitted to practice medicine or surgery, or osteopathy, or any other system or mode of treating the sick or afflicted, in this State. But no such revocation shall be made unless such holder is cited to appear and the same proceedings are had as is hereinbefore provided in this section in case of refusal to issue certificates. Said secretary in all cases of revocation shall enter on his register the fact of such revocation and shall certify the fact of such revocation under the seal of the board, to the county clerk of the counties in which the certificate of the person whose certificate has been revoked is recorded; and said clerk must thereupon write upon the margin or across the face of his register of the certificate of such person, the following: "This certificate was revoked on the _____ day of _____," giving the day, month and year of such revocation in accordance with said certification to him by said secretary. The record of such revocation so made by said county clerk shall be prima facie evidence of the fact thereof, and of the regularity of all the proceedings of said board in the matter of said revocation. From the time of the revocation of a certificate the holder thereof shall be disqualified from practicing medicine or surgery, osteopathy, or any other system or mode of treating the sick or afflicted, in this State.

The words "unprofessional conduct," as used in this act, are hereby declared to mean:

First—The procuring, or aiding or abetting in procuring a criminal abortion.

Second—The wilfully betraying a professional secret.

Third—All advertising of medical business which is intended or has a tendency to deceive the public or impose upon credulous or ignorant persons, and so be harmful or injurious to public morals or safety.

Fourth—All advertising of any medicine or of any means whereby the monthly periods of women can be regulated or the menses re-established if suppressed.

Fifth—Conviction of any offense involving moral turpitude, in which case the record of such conviction shall be conclusive evidence.

Sixth—Habitual intemperance.

Seventh—The personation of another licensed practitioner of a like or different name.

Sec. 12. Said board shall have the power to employ legal counsel and clerical assistance and to fix the salaries of the same and to incur such other expenses as may be deemed necessary to carry into effect the provisions of this act. It shall also fix the salary of the secretary, not to exceed the sum of twelve hundred dollars (\$1200) per annum, and the sum to be paid to other members of said board, not to exceed ten (\$10) dollars per diem each, for each and every day of actual service in the discharge of official duties; and said board may, in its discretion, add to said sums necessary traveling expenses. All money in excess of the actual expenses of the board shall be paid annually into the State Treasury.

Sec. 13. Any person who shall practice or attempt to practice or advertise or hold himself out as practicing medicine or surgery, osteopathy, or any other system or mode of treating the sick or afflicted in this State, without having, at the time of so doing, a valid, unrevoked certificate, as provided in this act, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be punished by a fine of not less than one hundred (\$100) dollars, nor more than five hundred (\$500) dollars, or by imprisonment for a term of not less than sixty (60) days, nor more than one hundred and eighty (180) days, or by both such fine and imprisonment. In each such conviction, the fine shall be paid, when collected, to the State Treasurer, and shall constitute a special fund for the prosecution of illegal practitioners as defined in this act, the said fund to be paid to the said board upon warrants drawn therefor by its secretary, and the said board is authorized to prosecute all persons guilty of a violation of the provisions of this section.

Sec. 13a. Any person, company or association shall be guilty of a misdemeanor, and upon conviction thereof shall be punishable by imprisonment in the county jail not less than ten (10) days nor more than one (1) year, or by a fine of not less than one hundred (100) dollars, nor more than one thousand (1000) dollars, or by both such fine and imprisonment, who (1) shall sell or barter or offer to sell or barter any medical or osteopathic degree or any certificate or transcript, made or purporting to be made, pursuant to any laws regulating the license and registration of physicians, osteopathic physicians or persons lawfully engaged in practicing any other system or mode of treating the sick or afflicted; or, (2) shall purchase or procure by barter, any such diploma, certificate or transcript, with intent that the same shall be used as evidence of the holder's qualification to practice medicine, surgery, osteopathy, or any other system or mode of treating the sick or afflicted, or in fraud of the laws regulating such practice; or, (3) shall with fraudulent intent, alter in a material regard any such diploma, certificate or transcript; or, (4) shall use or attempt to use any such diploma, certificate or transcript, which has been purchased, fraudulently issued, counterfeited or materially altered, either as a certificate, or color of certificate, to practice medicine, surgery, osteopathy, or any other system or mode of treating the sick or afflicted; or, (5) shall practice medicine, surgery, osteopathy or any

other system or mode of treating the sick or afflicted under a false or assumed name, or under any name other than that inscribed by the board of medical examiners of the State of California, in its certificate issued to such person entitling, or which is claimed to entitle, such person to practice medicine, surgery, osteopathy, or any other system or mode of treating the sick or afflicted; or, (6) shall assume the degree of "doctor of medicine," or shall append the letters "M.D." to his or her name not having duly conferred upon him or her, by diploma from a recognized medical college or school legally empowered to confer the same, the right to assume said title; or shall assume any title, or append any letters to his or her name, with the intent to represent falsely that he or she has received a degree, or a certificate to practice medicine, surgery, osteopathy, or any other system or mode of treating the sick or afflicted; or, (7) shall in an affidavit, required of an applicant for examination, license, or registration, under this act, willfully make a false statement in a material regard; or, (8) shall engage in the practice of medicine, surgery, osteopathy, or any other system or mode of treating the sick or afflicted without causing to be displayed in a conspicuous manner and in a conspicuous place in her or his office the name of each and every person employed in the practice of medicine, surgery, osteopathy, or any other system or mode of treating the sick or afflicted therein; or, (9) shall within ten days after demand made by the secretary of the board, fail to furnish to said board the name and address of all persons practicing or assisting in the practice of medicine, surgery, osteopathy, or any other system or mode of treating the sick or afflicted, in the office of said person, company or association, at any time within sixty (60) days prior to said notice, together with a sworn statement showing under and by what license or authority said person or persons, or said employee, or employees, is or are, or has or have been practicing medicine or surgery, osteopathy or any other system or mode of treating the sick or afflicted, but such affidavit shall not be used as evidence against such person or employee in any proceeding under this section, or, (10) is practicing medicine, surgery, osteopathy, or any other system or mode of treating the sick or afflicted in this state without a certificate from the board of medical examiners of the State of California, or whose certificate has been revoked or suspended by said board; or, (11) shall in any sign displayed by him or her, or in any advertisement published in any newspaper by him or her, use the word "doctor" as indicated or implying that he is a doctor of medicine either before or after his or her name, or shall append the letters "M.D." to his or her name in any such sign, or in any such advertisement, without having, at the time of so doing, a valid, unrevoked certificate, as provided in this act. Nothing, however, in this section shall be construed as repealing or in any manner affecting section 17 of an act entitled "An act for the regulation of the practice of medicine and surgery, osteopathy and other systems or modes of treating the sick or afflicted in the State of California, and for the appointment of a board of medical examiners in the matter of said regulation," approved March 14th, 1907, as amended by a certain act approved March 19th, 1909. [Amendment, May 1, 1911, Chap. 740.]

Any surgeon honorably discharged from the medical department of the U. S. army or navy, regular or volunteers, is herewith authorized to practice medicine and surgery in the State of California, by filing a sworn copy of his discharge with the state board of medical examiners and paying said board a fee of fifty dollars (\$50.00). [Amendment, May 1, 1911, Chap. 740.]

Sec. 14. Every person filing for record, or attempting to file for record, the certificate issued to another, falsely claiming himself to be the person named in such certificate, or falsely claiming himself to be the person entitled to the same, shall be guilty of a felony, and, upon conviction thereof, shall be

subject to such penalties as are provided by the laws of this State for the crime of forgery.

Sec. 15. Any person assuming to act as a member of the State Board of Medical Examiners without so being, or who shall sign, or subscribe, or issue, or cause to be issued, or seal, or cause to be sealed, a certificate authorizing any person to practice medicine or surgery, or osteopathy, or any other system or mode of treating the sick or afflicted, in this State, shall be guilty of a misdemeanor, and shall be punished by a fine of not less than one hundred dollars, nor more than five hundred dollars, or by imprisonment for a term of not less than sixty nor more than one hundred and eighty days, or by both such fine and imprisonment.

Sec. 16. Any person who holds a certificate from the board of medical examiners created by "An act for the regulation of the practice of medicine and surgery, in the State of California, and for the appointment of a board of medical examiners in the matter of such regulation," which took effect August the first, nineteen hundred and one, or from one of the boards of examiners heretofore existing, under the provisions of "An act to regulate the practice of medicine in the State of California," approved April third, eighteen hundred and seventy-six, or an act supplemental and amendatory to said act, which became a law April first, eighteen hundred and seventy-eight, shall be entitled to practice medicine and surgery in this state, the same as if it had been issued under this act; any person who holds a certificate from the board of osteopathic examiners of the State of California, under the provisions of "An act to regulate the practice of osteopathy in the State of California, and to provide for a state board of osteopathic examiners, and to license osteopaths to practice in this state, and to punish persons violating the provisions of this act," which became a law under the constitutional provisions, without the Governor's approval, March ninth, nineteen hundred and one, shall be entitled to practice osteopathy in this state, the same as if it had been issued under this act. Any person who holds an unrevoked certificate issued by the board of examiners of the Association of Naturopaths of California, incorporated under the laws of the State of California August eighth, 1904, and who shall be practicing naturopathy prior to the passage of this act, shall be entitled to practice naturopathy in this state, the same as if it had been issued under this act. The board of medical examiners shall endorse said certificate at their first meeting after this act becomes a law, or at any subsequent meeting of the board, but not later than six months after the passage of this act, by signature of its president and secretary and affixing its official seal. **Provided, however,** that the holder of such certificate has signed his or her name on the back of said certificate and the president and secretary of the Association of Naturopaths of California have certified over their respective signatures that the holder of said certificate is the rightful owner of same. But all certificates herein mentioned may be revoked for any unprofessional conduct, in the same manner and upon the same grounds as if they had been issued under this act. [Amendment, March 19, 1909.]

Sec. 17. Nothing in this act shall be so construed as to inhibit service in the case of emergency, or to the domestic administration of family remedies; nor shall this act apply to any commissioned medical officer in the United States army, navy or marine hospital service, in the discharge of his official duties; nor to any licensed dentist when engaged exclusively in the practice of dentistry. Nor shall this act apply to any practitioner from another State or Territory, when in actual consultation with a licensed practitioner of this State, if such practitioner is, at the time of such consultation, a licensed practitioner in the State or Territory in which he resides; provided, that such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this State. Nor shall this act be construed so as to discriminate against any particular school of

medicine or surgery or osteopathy, or any other system or mode of treating the sick or afflicted, or to interfere in any way with the practice of religion; provided, that nothing herein shall be held to apply or to regulate any kind of treatment by prayer.

SECTIONS OF THE "POISON" LAW OF INTEREST TO PHYSICIANS AND SURGEONS.

"An Act to regulate the sale of poisons in the State of California and providing a penalty for the violation thereof."

Amendment to Title of Act. The original title of this Act was amended in 1909 by adding the words "and use" after "to regulate the sale."

1. Approved March 6, 1907; Stats. 1907, p. 124.
2. Amended March 19, 1909; Stats. 1909, p. 422.
3. Amended April 25, 1911; Stats. 1911, p. 1106.]

PENAL SECTION. SCHEDULE OF POISONS. SCHEDULE "A." SCHEDULE "B."

Sec. 7. Any person violating any of the provisions of section eight of this act shall upon conviction be punished as follows, viz: for the first offense by a fine of not less than one hundred dollars, and not to exceed two hundred and fifty dollars, or by imprisonment for not more than one hundred days or by both fine and imprisonment; for the second offense by a fine of not less than two hundred and fifty dollars, and not to exceed five hundred dollars, or by imprisonment for not more than two hundred days or by both such fine and imprisonment; and for the third offense by imprisonment in the state prison for not less than one year and not more than five years. Any person violating any of the provisions of this act, except those contained in section eight, shall be deemed guilty of a misdemeanor and upon conviction shall be fined in a sum not less than thirty dollars, nor more than one hundred dollars, or by imprisonment for not more than fifty days or by both such fine and imprisonment. All fines collected shall be paid seventy-five (75%) per cent to the state board of pharmacy, and twenty-five (25%) per cent to the county treasurer of the county in which the prosecution is conducted.

The following is schedule "A" referred to in section one, viz:

Schedule "A," arsenic, its compounds and preparations, corrosive sublimate and other poisonous derivatives of mercury, corrosive-sublimate tablets, antiseptic tablets containing corrosive sublimate, cyanide of potassium, strychnine, hydrocyanic acid, oils of croton, rue and tansy, phosphorus and its poisonous derivatives or compounds, compound solution of cresol, lysol, strophanthus or its preparations, aconite, belladonna, nux vomica, veratrum viride, their preparations, alkaloids or derivatives.

The following is schedule "B":

Hydrochloric or muriatic acid, nitric acid, oxalic acid, sulphuric acid, bromide, chloroform, cowhage, creosote, ether, solution of formaldehyde or formalin; cantharides, cocculus indicus, Indian hemp or their preparations; iodine, or its tinctures, oils of savin and pennyroyal, tartar emetic and other poisonous derivatives of antimony, sugar of lead, sulphate of zinc, wool (wood) alcohol. [Amendment, approved March 19, 1909; Stats. 1909, p. 423.]

OTHER SECTIONS.

Sec. 8. It shall be unlawful for any person, firm or corporation to sell, furnish to give away or offer to sell, furnish or give away or to have in their or his possession any cocaine, opium, morphine, codeine, heroin, alpha eucaine, beta eucaine, nova cane or chloral hydrate or any of the salts, derivatives or compounds of the foregoing substances or any preparation or

compound containing any of the foregoing substances or their salts, derivatives or compounds, excepting upon the written order or prescription of a physician, dentist or veterinary surgeon licensed to practice in this state, which order of prescription shall be dated and shall contain the name of the person for whom prescribed, written in by the person writing said prescription, or if ordered by a veterinary surgeon it shall state the kind of animal for which ordered and shall be signed by the person giving the prescription or order. Such order or prescription shall be permanently retained on file by the person, firm or corporation who shall compound or dispense the articles ordered or prescribed and it shall not be again compounded or dispensed if each fluid or avoirdupois ounce contains more than eight grains of opium or one grain of morphine, or two grains of codeine, or one-half grain of heroin, or one grain of cocaine, or one grain of alpha eucaine, or one grain of beta eucaine, or one grain of nova caine, or sixty grains of chloral hydrate, excepting upon the written order of the prescriber for each and every subsequent compounding or dispensing. No copy or duplicate of such written order or prescription shall be made or delivered to any person, but the original shall be at all times open to inspection by the prescriber and properly authorized officers of the law and shall be preserved for at least three years from the date of the filling thereof; provided, that the above provisions shall not apply to sales at wholesale by jobbers, wholesalers and manufacturers to pharmacies, as defined in section one of an act entitled "An act to regulate the practice of pharmacy in the State of California and to provide a penalty for the violation thereof; and for the appointment of a board to be known as the California State Board of Pharmacy," approved March 20, 1905, and acts amendatory thereof; or physicians, nor to each other, nor to the sale at retail in pharmacies by pharmacists to physicians, dentists or veterinary surgeons duly licensed to practice in this state; provided, further, that all such wholesale jobbers, wholesalers and manufacturers, in this section mentioned, shall before delivery of any of the articles in this section enumerated make or cause to be made in a book kept for that purpose only, an entry of the sale of any such article stating the date of such sale and quantity and name of the article and form in which sold, the true name and true address of the purchaser, the name of the person by whom such entry and sale was made, and also a statement showing how delivery was had, whether delivered personally or forwarded by mail, express or by freight, which book shall be substantially as follows:

Date of Sale	Quantity and name of article	Name of purchaser	How delivered	Name of person selling
--------------	------------------------------	-------------------	---------------	------------------------

And said book shall always be open for inspection by any peace officer or any member of the board of pharmacy or any inspector by them authorized and such book shall be preserved for at least five years after the date of the last entry therein. It shall be unlawful for any practitioner of medicine, dentistry or veterinary medicine to furnish to or to prescribe for the use of any habitual user of the same any cocaine, opium, morphine, codeine, heroin, or chloral hydrate, or any salt, derivative or compound of the foregoing substances or their salts, derivatives or compounds; and it shall also be unlawful for any practitioner of dentistry to prescribe any of the foregoing substances for any person not under his treatment in the regular practice of his profession, or for any veterinary surgeon to prescribe any of the foregoing substances for the use of any human being; provided, however, that the provisions of this section shall not be construed to prevent any duly licensed physician from furnishing or prescribing in good faith as their physician by them employed as such, for any habitual user of any narcotic drugs who is under his professional care, such substances as he may deem necessary for their treatment, when such prescriptions are not given or substances furnished

for the purpose of evading the purposes of this act; provided, that the above provisions shall not apply to preparations sold or dispensed without a physician's prescription containing less than two grains of opium, or one-fourth grain of morphine, or one-half grain of codeine, or one-sixth grain heroin, or one-sixth grain cocaine, or one-sixth grain eucaïne, or one-sixth grain nova caine or one-sixth grain beta eucaïne or ten grains chloral hydrate in one fluid ounce or, if a solid preparation, in one ounce, avoirdupois ounce. [Amendment, approved April 25, 1911.]

Sec. 8a. The possession of pipes used for smoking opium (commonly known as opium pipes) and the usual attachments thereto is hereby made a misdemeanor and upon conviction thereof shall be punishable by the penalties prescribed in section 7 of this act. [Amendment, approved April 25, 1911.]

Sec. 8b. All narcotic drugs specified in section 8 and also all pipes used for smoking opium (commonly known as opium pipes) and the usual attachments thereto, seized under the provisions of this act shall be ordered destroyed by the judge of the court in which final conviction was had; said order of destruction shall contain the name of the party charged with the duty of destruction as herein required. [Amendment, approved April 25, 1911.]

Sec. 9. The sale or furnishing of carbolic acid (phenol) in quantities of less than one pound is prohibited unless upon the prescription of a physician, dentist or veterinary surgeon duly licensed to practice in this state, but this prohibition shall not apply to solutions of carbolic acid (phenol) containing not over ten per cent of the carbolic acid (phenol) and not less than ten per cent of ethyl alcohol. All sales of carbolic acid (phenol) thus diluted so as to contain no more than ten per cent of carbolic acid (phenol) may be made under the same conditions as the drugs enumerated in schedule "B" as found in section seven, but sales of carbolic acid (phenol) containing more than ten per cent of said acid shall be registered subject to the same regulations as the poisons enumerated in schedule "A" as found in section seven. [Amendment, approved April 25, 1911.]

INFORMATION FOR APPLICANTS FOR LICENSE IN CALIFORNIA.

Office of the

BOARD OF MEDICAL EXAMINERS

of the State of California

Chas. L. Tisdale, M. D.

Secretary

Telephone Douglas 2710

929 Butler Building

Geary and Stockton Streets
San Francisco

Dear Doctor:

San Francisco, California.

The Medical Law and Rules of this Board require of an applicant who desires to practice medicine or surgery to file a diploma issued to him by a legally chartered Medical College, the requirements of which were at the time of graduation in no particular less than those prescribed by the Association of American Medical Colleges of that year.

Applicants who desire to practice Osteopathy are required to file a diploma from a legally chartered College of Osteopathy, having a course of instruction of at least twenty months, requiring actual attendance, and after 1908, of three years of nine months each, and including the studies examined upon under this Act.

Applicants not graduates in Medicine or Osteopathy but of some institution teaching any other system or mode of treating the sick or afflicted are required to file their application and diploma and must take the examination and pay the fee herein prescribed.

Any honorably discharged surgeon of the U. S. Army or Navy, may obtain a license without examination, by filing a sworn copy of his discharge with the State Board of Medical Examiners and paying a fee of (\$50.00) Fifty Dollars.

The applicant must produce to the Board such a diploma and an affidavit stating that he is the lawful possessor of said diploma; that he is the person therein named, and **that the diploma was procured in the regular course of instruction and examination, without fraud or misrepresentation of any kind.** Such affidavit may be taken before any person authorized to administer oaths (blanks to be furnished by the Secretary of the Board).

Preliminary Education: Applicants who matriculated between January 1, 1897 and May 6, 1907, and who have not a baccalaureate degree, must furnish documentary evidence of at least one year's study of Latin; matriculants after May 6th, 1907, must have had two years' Latin. A high school diploma, unless it specifically states that Latin was included, will NOT be sufficient. The minimum general education requirement after 1897 is a four-year high school course.

The Latin certificate is an essential requirement.

Medical Education: Graduates of and after 1892 must have had three years' study in a medical school; of and after 1899, four years' study, with the exception of such time credits as were then allowed by the Association; of and after 1906, full four years of not less than 30 weeks each and no time credits allowed.

The applicant must furnish satisfactory testimonials of good moral character.

Each applicant must furnish one autographed (unmounted, cabinet size) photograph taken within sixty days of the date of application.

In addition to the above, every applicant must be personally examined on the following subjects: Anatomy, Physiology, Bacteriology, Pathology, Chemistry and Toxicology, Hygiene, Obstetrics, Histology, Gynecology, General Diagnosis.

There will not be less than ten (10) questions on each subject.

The examination must be in whole or in part in writing, and in the English language. A general average of 75 per cent and a minimum of 60 per cent on each subject must be attained.

A credit of five points on the general average is allowed for each ten years of legal practice.

The fee is twenty-five dollars, and must accompany the application.

If an applicant fails in his first examination, he may be re-examined at any subsequent meeting, and shall be required to pay for each of said examinations the full fee, but no application, diploma nor photograph will be required.

Any applicant passing seven or more subjects with at least 75% each, shall be re-examined only on the subjects on which he failed, and no fee is charged for this re-examination.

No special permits are authorized by law.

No temporary licenses to practice are issued.

There is no reciprocity between California and other States. All applicants must take the examination.

The regular meetings of the Board are held on the first Tuesday of April, August and December of each year.

Examinations will be held on the first Tuesday of April and August in San Francisco, and on the first Tuesday of December in Los Angeles.

Applications must be made on the blanks furnished by the Secretary.

Applications must be filed with the Secretary not later than two weeks prior to the first Tuesday of April, August and December.

Applicants for re-examination must make an affidavit that they have not practiced in California since the date of their last application.

All communications should be addressed to the Secretary.

CHARLES L. TISDALE, M. D.,

Secretary.

Application No.....

Application for Certificate.

To the Board of Medical Examiners of the State of California:

Gentlemen: I hereby apply for a certificate authorizing me to practice Medicine and Surgery in the State of California. I produce and submit for your consideration testimonials of good moral character and a diploma issued to me by.....in the State of.....and date.....and also the affidavit required by law.

Dated.....191

Name

SURGICAL FEE BILL**FIRST CLASS****Capital Operations, or Operations of Unusual Difficulty or Gravity**

Such as: 1. Amputation of large limbs; 2. Compound fractures and dislocations of larger bones; 3. Exsection and resection of large joints and bones; 4. Ligation of large arteries; 5. Removal of large tumors; 6. Transfusion of blood; 7. Trephining of the cranium; 8. Cleft palate; 9. Operations for cataract, artificial pupil and enucleation of the eye; 10. Operation for stone in the bladder; 11. Strangulated hernia; 12. Vesico-vaginal and vesico-rectal fistula; 13. Fistula of the genital organs; 14. Difficult plastic operations; 15. All operations involving laparotomy, etc.; 16. Hysterectomy; 17. Mastoid operation, etc.—not less than.....\$500.00

SECOND CLASS**Operations of Secondary Importance**

Such as: 1. Simple fractures and dislocations of smaller bones; 2. Ligation of arteries of secondary size; 3. Radical cure of hydrocele; 4. Paracentesis of the thorax; 5. Removal of breasts; 6. Hare-lip; 7. Operations on urethral strictures; 8. Tracheotomy and intubation of the larynx; 9. Iridectomy; 10. Plastic operations of the eye, ear and nose; 11. Discission of cataract, etc.—not less than.....\$200.00

THIRD CLASS**Minor Operations**

Such as: 1. Amputations of fingers and toes; 2. Excisions of small cysts or tumors, not involving important organs; 3. Tenotomy; 4. Reducing hernia by taxis, where anaesthetics are administered, etc.; 5. Strabismus operations; 6. Operation for laceration of cervix uteri; 7. For reducing fractures or dislocations of fingers and toes; 8. Excision of tonsils or nasal polypi; 9. Suturing recent wounds; 10. Opening ordinary abscesses; 11. Tapping for hydrocele, etc.; 12. Tapping for ascites; 13. Pterygium operations; 14. Reducing fractures of the nose; 15. Paracentesis tymani; 16. Removal of foreign body from auditory meatus, etc.—not less than.....\$50.00

The foregoing charges are for the performance of the operation only. For subsequent visits and office attendance, charges are to be made as in ordinary cases of disease, the fee being always in proportion to the time occupied and the trouble and responsibility incurred.

For operation and services not enumerated in the foregoing lists, charges will be made according to their nature and importance, at rates as nearly corresponding to the same as practicable.

While the Medical Profession recognizes the claims of charity upon its members, yet, inasmuch as the above list of charges is founded upon a just consideration of the services performed, it will be considered a duty on the part of the profession to conform thereto whenever the circumstances of the patient do not clearly forbid it.

All bills are considered due and payable immediately after the services are rendered.

Physicians, surgeons and specialists shall have the right to ask a retaining fee from their patients in extraordinary cases.

FEE BILL.

Los Angeles County Medical Association

Adopted April 14, 1910

EXPLANATORY NOTE.

This Fee Bill is intended only as a basis of suggestion. Members of the Los Angeles County Medical Association are free to follow their own judgment in all individual cases, the items in this fee bill being merely intended to show in a general way the charges for such professional medical and surgical services; services having a value, somewhat in proportion to the circumstances of the patient.

The following charges are for the performance of the operations only. For subsequent visits and office attendance, charges are to be made as in ordinary cases of disease, the fee being always in proportion to the time occupied and the trouble and responsibility incurred.

For operations and services not enumerated in the following lists, charges will be made according to their nature and importance, at rates as nearly corresponding to the same as practicable.

While the medical profession recognizes the claims of charity upon its members, yet inasmuch as the following list of charges is founded upon a just consideration of the services performed, it will be considered a duty on the part of the profession to live up to the same whenever the circumstances of the patient do not clearly forbid it.

All bills are considered due and payable immediately after the services are rendered.

Physicians, surgeons and specialists shall have the right to ask a retaining fee from their patients in extraordinary cases.

MIRADERO SANITARIUM, SANTA BARBARA, CAL.

PARTICULAR attention is given to nervous, convalescent, gastric and renal cases, to heart cases requiring graded exercise and Nauheim baths, and to conditions generally in which careful diet, baths, massage and electrotherapy are essential. ¶ Patients remain under the guidance of their own physicians, to whom reports are sent as requested, unless the request is made that they be visited by one of the local consultants. The Sanitarium is open, however, to all reputable physicians. ¶ The endowed beds are under the direction of the Medical Advisory Board and the Visiting Staff. For particulars, address Superintendent, Box 1494, Santa Barbara.

The Hospital of the Good Samaritan

Established 1887

934 W. SEVENTH STREET

LOS ANGELES, CALIFORNIA

The Hospital of the Good Samaritan is an institution of one hundred beds for patients, a diocesan hospital owned and managed by the Episcopal Church in Southern California, but undenominational in its benefits, being a general hospital for the reception of patients, irrespective of nationality or creed. The hospital does not have an attending staff and is open to all reputable physicians, especial effort being made to serve the profession as a whole.

Training School for Nurses.

This school gives a three years' graded course. The work of each year consists of eighty didactic lectures, on ten different branches, by physicians and surgeons; fifty classroom instructions, given by the Superintendent and Head Nurses of the various departments, including practical work in cooking, massage, electricity and medical gymnastics and general medical and surgical duty, special duty, operating-room service, service in the children's department and in the obstetrical department.

College of Physicians and Surgeons

Medical Department University of Southern California

516 EAST WASHINGTON STREET :: :: LOS ANGELES

Four years' graded course of nine months each. Laboratory facilities and clinical advantages unexcelled. Combined courses in Arts, Science and Medicine offered. Faculty of experienced teachers. 1912-13 session opens about the middle of September.

CLARK'S SANATORIUM,

Stockton, Cal.

For the care and treatment of Mental and Nervous Diseases, and of Morphine, Cocaine and Alcoholic habits, was established in the early seventies by Dr. Asa Clark. During the fourteen years of his superintendency of the Stockton State Hospital the institution was in charge of his son, Dr. F. P. Clark. Dr. Asa Clark having resigned as Medical Superintendent of the Stockton State Hospital, has again resumed personal control of his Sanatorium.

The Sanatorium is located on a tract of land of forty-two acres, which is utilized for dairy and poultry purposes for the institution. The food supplies and the cooking are of the best. The buildings are two stories in height. Their sanitary conditions are perfect. The corridors are wide, airy and light. The appointments are modern and comfortable. We are fully equipped with all modern Electric, X-Ray, Massage and Electro-Therapeutic appliances. Any patient may have a special attendant, if necessary, at a moderate additional cost. Charges moderate.

Address for further information: DR. ASA CLARK, Medical Superintendent, or J. M. ANDERSON, Business Manager, DR. S. W. R. LANGDON, Assistant Physician, Stockton, Cal., P. O. Box 297. Phone 311 Main.

THE California Hospital

LOS ANGELES

A DELIGHTFUL HOME FOR THE SICK
AND CONVALESCENT

The California Hospital is one of the unique establishments of America. With over one hundred and seventy-five rooms, five operating rooms, delightful roof gardens and verandas, spacious grounds dotted with semi-tropical trees and plants, with a corps of more than one hundred nurses and with the most nourishing, palatable and healthful food it combines all of the necessary attributes of a hospital with the comforts of a first-class modern hotel. Particular attention will be given to physicians and members of their families.

SACRAMENTO

The pleasantest and most efficacious mode of administering LITHIUM is in the form of a Potable Water.

Dr. Enno Sander's

GARROD SPA LITHIA WATER

contains more Lithium than any other water on the market and in the most desirable combination. It is manufactured from pure chemicals and pure distilled water, heavily charged with pure carbonic acid gas. Its formula (originally suggested to Dr. Enno Sander by Sir A. B. Garrod, M. D.) is as follows:

LITHIUM BICARBONATE	Grs. XIV
MAGNESIUM BICARBONATE	Grs. X
POTASSIUM BICARBONATE	Grs. XVI
SODIUM CHLORIDE	Grs. X
CARBONATED WATER	Oz. XVJ

No natural water can possibly dissolve as much Lithium as this, nor in such an effective medicinal state.

IT IS SOLD AS FOLLOWS:

"Still" Garrod Spa, in Half-Gallon Bottles. Price 60 cents each or \$6.00 a case of one dozen bottles.

"Sparkling" Garrod Spa, in Pint Bottles. Price \$2.00 a dozen or \$7.00 a case of 50 bottles.

The "Sparkling" Garrod Spa is well charged with gas, and is a pleasant beverage, used by many as a table water. This is the kind most used.
