TO KEEP YOUR HOUSE NEW-LOOKING, LONGER

—use paints that last

Everyone likes the clean, “new look” of a freshly-painted home. And what a disappointment it is when the paint starts to “go” a few months after it has been put on! Make certain that this will not happen to you. When you paint the outside of your house this summer insist on paints that you know will *last*—Fuller Paints. Carefully made, of the best materials, by the west’s largest paint manufacturers—Fuller Paints *last*. It’s only because that’s been demonstrated, over a period of 85 years, that Fuller Paints are today the choice of the west. Sold by leading paint dealers and Fuller Paint Stores throughout the west.

FULLER PURE PREPARED PAINT

Fuller Pure Prepared Paint is the highest-quality, all-purpose exterior “house” paint. It lasts! It is the cheapest protection you can buy at any money. Wide choice of colors.
