ROSTER OF MEMBERSHIP

OCCIDENTAL LODGE No. 22

F. & A. M.

REVISED SEPTEMBER 1, 1946

PREFACE

Occidental Lodge No. 22, F. & A. M., received its charter from the Grand Lodge of California, F. & A. M., on May 20, 1852. Since that time there have been 2,417 members on its rolls. The present membership is 714. The Lodge has a high standing in the Masonic world.

This Roster gives the names, addresses and occupations of those members of the Lodge who have answered the request for such information. It has followed the lines of the 1924 and 1937 Rosters; it is for the convenience of our members, and is intended to enable them to help their fellow members, rather than to benefit themselves.

Judge Dana R. Weller, Chairman of the Jurisprudence Committee of the Grand Lodge of California, F. & A. M., says:

"I have looked over your roster (the 1924 roster), and I cannot see any possible objection to it. In fact, I am very much in accord with the idea. I do not consider it at all in the nature of advertising, but rather additional information regarding the members of a man's own lodge, so that if he does need help in any line and is desirous of patronizing one of his own members, the opportunity is presented without in any way conducting a sales campaign or violating any principle of Masonry.

"Of course, this is based upon the usual distribution of these rosters among the members of the lodge only."

In using this Roster, the wise and kindly views of Judge Weller should be constantly kept in mind.

That this 1946 Roster will be of assistance to all the members of Occidental Lodge is the earnest wish of the Lodge Roster Committee.

WILLIAM PENN HUMPHREYS,
WILLIAM EGBERT BOUTON,
HAROLD A. C. MITCHELL,
Lodge Roster Committee.
