to
The Founders and Charter Members
of
The San Francisco Corral of The Westerners

The Posse welcomes this opportunity to present to you the 1990 membership directory of the San Francisco Corral of The Westerners. The membership of our Corral consists of individuals with varied cultural and historic interests, yet having one common denominator, the preservation of the history of the West.

We are fortunate to welcome 13 new members to the Corral, yet saddened to note that 4 members have gone to the Golden Hills.

The listings within this directory are complete through April 30, 1990. Every effort has been made to incorporate, with detailed accuracy, the information forwarded to the Trail Boss. If errors exist, please notify the Posse prior to the publication of the next directory.

Your attention should be directed to the advertisements at the end of this directory. These sponsors deserve your support for they have helped to underwrite the cost of this publication.
