Look At Dilatory Domiciles Always To Insure Accuracy

### **In Using the Social Register:**

First look up the name in the Locator which will indicate its exact place either in your own or one of the other Social Registers.

The name may be in your own Social Register and yet escape your attention if grouped out of alphabetical order under the head of the family.

Subscribers to the Locator may obtain a transcript of the desired entry in any other Social Register than their own by telephoning or writing to the Association.

If the married name you are seeking has escaped your memory and you can recall the maiden name, reference to the Married Maidens will then indicate the present name.

Consult Dilatory Domiciles for most recent changes.

## D<sup>History</sup><sub>amicile</sub> And Locater Insure Accuracy

Social Registers of each city are issued in November and their accuracy is maintained throughout the year by means of D<sup>History</sup><sub>amicile</sub> in December and January, and by the Summer Social Register in June, with country and foreign addresses of all the cities combined.

They record the full names and addresses of members of prominent families grouped together, the clubs to which they belong, and the marriage and death of each person as it may occur.

Names of Juniors (Misses 12 to 17) appear under the names of M<sup>rs</sup> 14 to 20) older members of their families.

*The Locater cataloguing in one alphabetical order every name in all the Social Registers with the family's head under which it may be found and the city in which the name appears, is essential, owing to the many inter-marriages among families in the various cities and constant changes from one city to another. Reference to the Locater shows at once under which city to look for any desired name and there all required information may be gleaned.*

The names of M<sup>arried</sup><sub>aldens</sub> who have married into families of other cities appear among the M<sup>arried</sup><sub>aldens</sub> of their former city with their present married name and the city of their residence in italics.

The subscription is **\$7.00** per annum for this city.

A subscription of **\$55.00** will include all the issues for San Francisco, New York, Washington, Philadelphia, Chicago, Boston, St. Louis, Pittsburgh, Cleveland, Cincinnati & Dayton, Baltimore, Buffalo and the Locater.

For **\$9.00** the Locater is included with the year's subscription.

*To insure the finding of a name in the Social Register look for it first in the Locater.*
